

ARLINGTON JUNIOR HIGH & HIGH SCHOOL

SEPTEMBER 23RD UPDATE

VERROCO'S VOICE

Hello Parents & Guardians,

The beginning of the school year has been an exciting time for our students. Our students have been adjusting to the new school building, learning where their classrooms are, offices, cafeteria and other important areas of the building. I feel students are becoming more confident and familiar with the new building and updated procedures each day. Our students are displaying a positive attitude, asking great questions, and are in a good daily routine.....finally! With patience, teamwork, and encouragement from teachers and staff, our students are beginning to build new memories together at our new school. I am very proud of our students.

I would like to thank our Seniors and 8th grade students for attending our annual NYC/DC Informational meeting. We had a great turnout and all papers were handed out to each student.

Please register your child by October 15th for these trips. The first payment of 250.00 is due on this date.

TOGETHER, I know we can build a school community grounded in learning, kindness, and respect. Welcome back and here's to an incredible year ahead.

AM/PM Arrival & Dismissal

THANK YOU PARENTS for making this school year get off to a great start. WE appreciate you following the AM/PM arrival & dismissal procedures. Overall, I feel these changes have been beneficial to all. FOR STUDENTS in grades 6-12 ONLY. WE are changing our procedure for DISMISSAL due to a small number of parents picking up their child after school. PLEASE continue to arrive about 3:10 p.m. (and notice the CURBSIDE pickup cones). You will see the cones setup similar to the morning procedure. Please pull along the curbside ALL THE WAY to the ORANGE cone on the sidewalk. Once you pick up your child you will be allowed to MERGE into the second lane to leave school.

Another suggestion for GRADE 6-12 parents regarding dismissal.....CONSIDER parking in the parking lot and we will have students walk to your car if you feel the curbside parking is a long wait. I have been spreading the word the last several days while outside and I appreciate your efforts.
