

Welcome to Trinity High School!

Your daughter will soon be busy making new friends, learning class schedules, and looking forward to extracurricular activities. Starting at a new school can also make moms feel the same excitement. We welcome you to Trinity and invite you to play an active role in your daughter's four-year journey by becoming a member of the Trinity Mothers Club.

Mothers Club is a social and volunteer parent organization that assists in the school's events and fundraising efforts. It allows moms the opportunity to forge friendships with other parents and *become involved* at Trinity. Mothers Club sponsors events throughout the year, such as Trivia Nights and the Father-Daughter Dance. We also assist with many school events, such as the Walkathon and Open House. Funds raised by the Mothers Club support scholarships for Trinity students. We believe participation in the Mothers Club can make YOUR memories at Trinity meaningful, positive, and fun!

Mark your calendars now for some important events:

- Walkathon (Friday, September 18, 2026)
- Back-to-School Family Mass (Sunday, October 4, 2026)
- Bal Dominique (Friday, November 6, 2026)
- Trivia Night (Friday, January 15, 2027)

The Mothers Club gathers at least monthly for a social event, a meeting, or a school event. Our 1st social event will be on **THURSDAY, September 3rd** - a happy hour with the Fathers Club in our outdoor Courtyard (off the school parking lot).

We hope you will join us on **September 3rd**. You do NOT have to join first; come and see what we are about! Throughout the year, you will have the chance to sign up for volunteer opportunities; we invite you to be as active as your time permits. Volunteering with the Mothers Club at events is a great way to meet other moms and be involved in the Trinity community.

If you have any questions, please reach out to me. I look forward to meeting you soon and kicking off a great four years together!

Sincerely,

Kelly Richard
