For any employee earning a salary above \$125,000 the maximum contribution will be based on a salary of \$125,000.

- 1) **Find your salary bracket**
- 2) **Multiply your Ch.44 %** (from the above chart) - Ex: \$55,000 x 2.20% for single coverage
- 3) **Divide by 20 pays** (10 month employee) \*\* OR \*\* **24 pays** (12 month employee)  
Ex: \$55,000 x 2.20% = \$1,210....\$1,210 / 20 pays = \$60.50 per pay
