

PLAY LIKE A CHAMPION TODAY

Character Education Through Sports

Play Like a Champion Today provides leadership in an effort to renew the culture of sport. It does this by educating ethically responsible sport leaders. These coaches, parents, and athletic administrators in turn will reach millions of young people.

Coaching as Ministry Educational Program

Crafted by leaders in the fields of sports psychology, coaching education, Catholic theology, and moral development, *Play Like a Champion Today* is centered around the principles of justice, integrity, respect & leadership. The program is supported by research on character development & faith formation in sports. From its origins at the University of Notre Dame to collaboration across the country, *Play Like a Champion* is designed to bring the best athlete-centered practices to our St. Giles Catholic athletic community.
