## **English Learner Subcommittee**

**Friday, January 17, 2025**

**9:30 a.m. - 10:30 a.m.**

Ms. Cárdena welcomed us and mentioned that this is our second meeting.

The MMED (Multilingual and Multicultural Education Department) Support Office gave a presentation.

The reclassification process for students with disabilities, LTEL, and newcomers involves assessing their progress in English proficiency through specific criteria, such as standardized tests, academic performance, and teacher recommendations.

For students with disabilities, accommodations are considered based on their IEP. LTELs receive additional support to accelerate their learning, while newcomers may have more time to achieve fluency before being assessed for reclassification.

Ideas were shared about learning objectives

Members shared their ideas.

And they also made their comments.
