

Parent and Community Services Community Advisory Committee

2017-18 Working Groups Sign-up (*Fillable*)

The Community Advisory Community's richest asset comes from our diverse and knowledgeable network. As you know, much of the work of the CAC is achieved through the involvement of our members during the monthly meetings, however, additional support is needed.

Based on your recommendations the working groups listed below will support the tasks of the CAC and allow members to work in their area of interest and expertise. Members are encouraged to participate in one or more of the working groups.

Time commitment: Working groups will decide when and how often the group will meet.
