

TARGETED STUDENT POPULATION PLAN

The purpose of the Targeted Student Population (TSP) Plan is to describe how schools will accelerate the academic achievement of targeted subgroups identified as English Learners, Low Income, and Foster Youth. The School Site Council at each school should review the Plan to understand how funds at a school site work together to support school goals.

Local Control Funding Formula (LCFF)

Resources to support these targeted subgroups. It is an important starting point for closing the achievement and funding gap. These resources must be spent at schools to increase and improve services for targeted students to achieve state and local priorities.

The TSP Plan aligns with the District's Local Control and Accountability Plan (LCAP) goals for student success. The LCAP is designed to provide schools with more local control and make it easier to respond to the needs of all of their students.

LAUSD has nine focus areas:

- Goal 1 – 100% Graduation
- Goal 2 – Proficiency for All
- Goal 3 – Excellent Attendance
- Goal 4 – Parent, Student, and Community Engagement
- Goal 5 – School Safety and Climate
- Goal 6 – Basic Services
- Goal 7 – English Learner Supports
- Goal 8 – Black Student Achievement Plan Implementation
- Goal 9 – Mandated School Accountability

The TSP Plan outlines the description of funding and resources to increase and improve student achievement for the targeted subgroups. These funds are considered general funds, but they must be used to support the aforementioned three targeted subgroups only.
