The CAC bylaw Ad-hoc committee were given a task to revise the current bylaws to align then with current Federal, State, District Policies and member's recommendations.

The ad-hoc committee held two meetings, February 26 and March 13, 2018 we reviewed the bylaws page by page adding and deleting to ensure the CAC bylaws are in compliance and that member's voices are reflected in the bylaws.

Per the timeline that was shared at the last meeting, General Counsel is reviewing our bylaws. We did receive additional member recommendation.

Members will receive the draft copy of the bylaws prior to the April meeting for your consideration for final adoption.

In your packet, you have a form if you would like to submit any last minute recommendation to the ad-hoc.

Thank you,  
Bylaw Ad-hoc Committee
