

MATH WORKSHOP SERIES

These workshops build upon each other and are designed to help parents and guardians gain the necessary knowledge, tools, and strategies to support their children's math achievement with Common Core Standards.

Participants will have an opportunity to:

- Engage in hands-on activities
- Learn ways to incorporate math in everyday activities
- Develop a belief system that fosters student success

Math workshop series dates are scheduled for:

May 22, 2018	Empowering a Robust Math Identity
May 24, 2018	Developing Mathematicians
May 29, 2018	The Power of Algebraic Thinking
June 1, 2018	Geometry and Measurement All Around Us!
