

### Greetings

We welcome the new year with hope to regain some of the normalcy enjoyed prior to the start of the pandemic. This is especially true for our students who miss the routines and learning on school campuses. The Los Angeles Unified is committed to helping us return to campus and spent the fall semester organizing COVID-19 testing at school sites and connecting families to community resources. Our model is expected to be adopted in school districts across the state. During the month of January you will learn about a new Los Angeles Unified application named the Daily Pass. The Daily Pass is a web-based application and will also be found on the Parent Portal to help families register for COVID-19 testing appointments, upload tests from your medical provider, and receive clearance to enter a school campus. The Daily Pass clearance will be provided to students and personnel when we return to campus. To begin practicing use of this application visit: <https://lausd-rts.powerappsportals.com/home>.

### PCS & Los Angeles Unified Updates

Our office continues to coordinate how family engagement will continue in times of distance learning. Similar to last month, we want to highlight achievements attained in partnership with you. Some highlights include:

- ✓ **Local District Fall Title I Conferences:** We are nearing the end of the Fall Title I Conferences. The first round of conferences were co-led and planned with our parent leaders and local district leadership. If you want to support the spring conferences contact your local district Parent & Community Engagement Administrator. During the fall parents and personnel co-presented opening segments and workshops.
- ✓ **Meet & Greet Segments for SSC, ELAC & Central Parent Committee Members:** An area of focus for PCS is to connect the pipeline of parent leaders from the School Site Council and English Learner Advisory Committee, to our study groups and conferences, and toward our central parent committees. On February 1, we are offering a training on the role parents lead during the development of the Single Plan for Student Achievement at the school level and will make connections to important funding lines. - ✓ **Staffing the LAUSD Hotline at 213-443-1300:** Families may continue to call with any questions and requests from Parent Portal PIN, student identification numbers, questions about COVID-19 testing, and general needs.
- ✓ **COVID-19 Testing:** Our District leadership is continuing to organize testing for students and staff participating in school site services. The plan was expanded to test employee, students and a parent. For information visit: <https://achieve.lausd.net/covidtestingappt>; <https://achieve.lausd.net/covidtesting>.
