

SCHOOL REPORTCARD

2015-2016

Dear Parent or Guardian,
I am proud to offer the 2015-2016 School Report Card. It shows useful information about each LAUSD school. It shows how well our schools and students are meeting the District's goals:

- ✓ 100% Graduation
- ✓ Proficiency for All Students
- ✓ 100% Attendance
- ✓ Parent, Community, and Student Engagement
- ✓ School Safety

The School Report Card also has resources you can use to stay informed and involved in your school community. This booklet has facts from many sources including what you told us in the School Experience Survey. It also includes school-level metrics from the LAUSD Local Control and Accountability Plan, which measures progress for three student subgroups across multiple performance indicators. These subgroups are English learners, socioeconomically disadvantaged students, and foster youth.

The School Report Card helps us to direct our attention, efforts, and celebrations. Take the School Report Card to your student's school to discuss with other parents, guardians, and school staff. Please ask questions and make suggestions to your student's principal. You are our partner in the very important work of educating your child.

Students who build strong academic skills in English Language Arts (ELA) and Math will be more ready for high school, college, and career success.

The Smarter Balanced assessments are computer-based tests that measure students' knowledge of California's English Language Arts/Literacy and Mathematics standards. Results are shown by subgroups identified in the District's Local Control and Accountability Plan (LCAP).
