VOICES OF SUPPORT: EMBRACING OUR LGBTQ+ CHILDREN

Family support at home is life-changing for LGBTQ+ youth—and just as meaningful for the parents and allies who stand with them. This heartfelt webinar invites parents, families, and allies to explore how everyday acts of love, active allyship, and steady support not only help young people thrive emotionally, socially, and academically, but also build the resilience they need to face life's challenges. Through honest stories and shared experiences, we'll reflect on how walking this journey with courage and care helps both youth and adults grow stronger, together.
