KINDNESS MULTIPLIED: THE POWER OF 4 TO 1 AND “UNIFIED AGAINST HATE”

Kindness starts with everyday moments — and it grows when we give it attention. Discover how you can help create a culture of kindness and inclusion — starting at home and extending into our schools. This engaging session will introduce the powerful 4:1 strategy — a simple yet effective way to promote positive behavior by reinforcing positives four times more often than correcting missteps. You’ll also get a brief but impactful overview of our "Unified Against Hate" Campaign — a districtwide initiative to educate and empower students, families, and staff from TK through 12th grade. Learn how we’re working together to build inclusive, respectful, safe schools for all, and a true sense of belonging for every student. Together, let’s raise a generation that leads with compassion and stands up for what’s right.
