Developed with the help of trusted nonprofit experts, these sessions cover key topics like legal rights as immigrants, education, housing, health, and more. While not offering legal advice, the workshops provide vital tools, resources, and connections to help families stay prepared and resilient.

Principals are encouraged to share this opportunity with families and help build a stronger school community by hosting on-campus watch parties. These gatherings not only offer a space to learn but also create moments for connection, mutual support, and community-building. Let's grow stronger—together.
