

LOS ANGELES UNIFIED SCHOOL DISTRICT

PARENT ADVISORY COMMITTEE

Parent, Community and Student Services Auditorium
1360 W. Temple Street, Los Angeles, CA 90026
(213) 481-3350
Friday, April 17, 2015
9:30 a.m. – 3:00 p.m.

MEETING AGENDA

- | | | |
|-------|--|---|
| I. | Call to Order | Rachel Greene, Chairperson |
| II. | Pledge of Allegiance | Member |
| III. | Public Comment
<i>Five speakers, two minutes each</i> | Paul Robak, Parliamentarian |
| IV. | Parent, Community and Student Services Update | Rowena Lagrosa, Chief Executive Officer
Parent, Community and Student Services |
| V. | Chairperson Report | Rachel Greene, Chairperson |
| VI. | Roll Call/Establish Quorum | Kathy Kantner, Secretary |
| VII. | LCAP Comment Development
<i>Develop comments for submission to Superintendent</i> | PAC Members |
| VIII. | Lunch | |
| IX. | LCAP Comment Submission <i>(Action Item)</i>
<i>Select comments for submission to Superintendent</i> | PAC Members |
| X. | Announcements from Members and PCSS Staff | AmberMarie Irving-Elkins, Vice-Chairperson |
| XI. | Adjournment <i>(Action Item)</i> | Rachel Greene, Chairperson |

Visitors' parking is limited. Please make plans to carpool or to arrive early. Childcare is not provided.

To review or obtain copies of materials, please visit the Parent, Community and Student Services office. To request a disability-related accommodation under the Americans with Disabilities Act (ADA), please call Lisa Porter at (213) 481-3350 or email her at lisa.porter@lausd.net at least 24 hours in advance.

Individuals wishing to speak under Public Comment must sign up at the meeting and should plan to arrive early.

§ 15497.5. Local Control and Accountability Plan and Annual Update Template.**Introduction:**LEA: Los Angeles Unified School DistrictContact (Name, Title, Email, Phone Number): _____ 213-241-7000 LCAP Year: 2015-16***Local Control and Accountability Plan and Annual Update Template***

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d), that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
LAUSD used multiple channels, media and venues to engage with our community of stakeholders. The District's efforts began in September and October with a series of Town Halls and a survey. These meetings and survey were supplemented by on-going town hall style meetings hosted by LAUSD and partner community organizations including the United Way, CLASS, Families in Schools and other parent/community affiliated organizations. A list of the meetings is attached as an appendix to this document. Information/Input Sessions: Board of Education Meetings Educational Service Center Town Hall Meetings District Education Service Center Meetings Board Member Town Halls Parent & Community Services Branch Meetings Parent Advisory Committee Student Advisory Committee Community Advisory Committee (Special Education) District English Learner Advisory Committee Foster Youth Providers and DCFS meetings Communities for Los Angeles Student Success (CLASS) meetings Labor Partner meetings In addition to face-to-face meetings, the District has developed websites with additional information, surveys and training: http://lcff.lausd.net , http://Achieve.lausd.net/budget The LEA used the following quantitative data for the goal setting process: attendance rate, suspension rate, expulsion rate, graduation rate, Individualized Graduation Plan (IGP) completion rate, A-G Progress Monitoring data, data on teacher miss-assignment, availability of instructional materials, facility inspection data, CST ELA proficiency rate, CST math proficiency rate, English Learner reclassification rate, percentage of Long Term English Learners, course enrollment data. and parent survey data.	After roughly 100 community meetings, organized internally or through community partners, the District has identified common recurring themes, which are identified below. These themes are reflected in the goals, action/services and investments of the District. Common themes included: • Differentiated support for the Common Core State Standards (CCSS) initiative, • Increase the reclassification rate of English Learners, • Effective teacher support and evaluation, • Availability of instructional materials and adequate facilities, • Increasing academic and social-emotional counselors and other support personnel • Expansion of targeted support services for foster youth, • Increased communication with and training for parents, and • College and career readiness for all students. Raw and aggregate data is available and attached in the appendix. Below is a high-level summary of survey responses. 10,483 total responses were tallied from the Town Halls and online survey instruments. • 49% of respondents identified as employees or employee representatives. 38% identified as parent/guardians or as students. • 79% of all respondents agreed or strongly agreed that "schools should have more autonomy over how they invest funds." • The top 10 budget priorities ranked in descending order of priority as identified by respondents at the Town Halls and online survey: ○ Increase employee salaries, ○ Expand adult education,

Permissible within the CA Education Code, the LAUSD District English Learner Advisory Committee (DELAC) is serving in place of the English Learner Parent Advisory Committee (ELPAC). Regional delegate convenings were held for parents/guardians to elect their representatives to the Parent Advisory Committee. Members were selected from each of the 5 LAUSD regions, with two parents representing English Learners, two representing Foster Youth, two representing Low Income students, and two parents At-Large to represent other stakeholders, in general. The parents representing English Learners were selected from the members of DELAC by their regional representatives. Guardians of foster youth were selected by community organizations and foster parent focus group members and elected at a regional convening to represent these stakeholders. Seven parents were selected by the Board of Education, to ensure representation of all affected stakeholder groups. There are 50 members of the DELAC and 47 members of the PAC.

- Reduce class sizes,
- Increase counselors,
- Increase the number of school-level support positions,
- Increase funding for the arts,
- Increase librarians,
- Increase nurses, and
- Expand summer school.

The priorities identified above are included in the District's budget and investments for targeted student populations are identified on subsequent pages of this document.

Specifically, the following LCFF investment priorities reflect the feedback received from stakeholders and student data, and are tied to the academic data and needs of our students. Investments are further detailed in subsequent pages.

- Foster youth
- English Learners
- School climate and student engagement
- Students with disabilities
- Provide more budget autonomy to schools
- Increase support for schools with high teacher turnover
- Parent engagement
- Focus on Elementary arts, libraries and teacher support
- Focus on Middle School English Language Arts & Math
- Focus on College and Career Readiness in high school

Annual Update:

LAUSD used multiple channels, outreach strategies, and venues to engage with a diverse array of community stakeholders across the District. A special priority was made to meet with representatives of the targeted students populations served through the LCAP, including the students themselves. The District's efforts began in October with a series of Program Reviews, sharing the progress made as a result of the goals and investments of the LAUSD's 2014-15 LCAP. A total of - TOTAL PENDING meetings were held by the District to engage community stakeholders in the work of the LCAP from October

Annual Update:

After roughly __ community meetings, organized internally and through community partners, the District has identified common recurring themes, which are identified below. These themes are reflected in the updates to the goals, services, and investments of the District's LCAP for the 2015-16 school year. Raw and aggregate data is available and attached in the appendix. Below are demographics and a high-level summary of survey responses.

April 15th to solicit feedback from the community on the priorities of the LCAP and the District's goals. A link to the online survey and a request for community input was sent to a list of over 400 community partners to share with their respective constituents and members.

Twenty-six Input Sessions were held across the District and in every region in February and March of 2015 to gather feedback from stakeholders on the existing goals, targets, and investments of the LCAP and to identify desired revisions to the LCAP. District-hosted meetings were supplemented by on-going meetings and trainings hosted by partner community organizations including the United Way, Families in Schools, and other parent/community affiliated organizations. A full list of the LCAP meetings is attached as an appendix to this document. A sample of the groups met with are listed below.

Informational Sessions, Trainings, Program Reviews & Input Sessions:

Board of Education
LCAP Parent Advisory Committee
District English Learner Advisory Committee
Educational Service Centers
Board Member Offices
Parent, Community, and Student Services Branch
Student Advisory Committee
Community Advisory Committee (Special Education)
LCAP Advisory Group
Foster Youth Collaborative
Labor Partners

In addition to face-to-face meetings, the District updated the websites with additional information, surveys, and resources:

<http://lcff.lausd.net> and <http://Achieve.lausd.net/budget>

The Los Angeles Unified School District used quantitative and qualitative data for the goal setting process to share with community stakeholders that is included in the Performance Meter. Among the 32+ metrics that were shared include: graduation rate, attendance rate, suspension rate. Individualized Graduation Plan (IGP)

- % of respondents identified as students
- % of all respondents identified as Hispanic or Latino
- % of all respondents identified as receiving/their child receiving Free or Reduced Lunch

Common themes included:

- Increased communication with and training for parents
- School climate, school safety, and Restorative Justice
- Increasing academic and social-emotional counselors, nurses, and librarians
- Student and parent engagement
- High quality teachers and accountability for academic achievement
- Course access
- Focus on arts education and afterschool programs

To specifically engage parents and students in their schools, the following best practices were recommended by community stakeholders:

- Provide more programming and workshops for parents
- Provide meetings with Administrators and staff
- Support the Parent Centers at each school site
- Create welcoming environments in the schools
- Provide student programming that engages students and parents

The following is a list of the top 6 District priorities ranked in descending order of priority as identified by respondents that attended Input Sessions and stakeholders who filled out the online survey:

1. Increase the percentage of schools ensuring effective and fair handling of student behavior by promoting positive solutions
2. Increase the four-year cohort graduation rate
3. Increase the percentage of students with an

data, CST ELA proficiency rate, CST math proficiency rate, English Learner reclassification rate, percentage of Long Term English Learners, FAFSA completion rate, parent survey data, and student survey data. Subgroup data for the metrics for the targeted student populations, including Students with Disabilities and African American students, was shared where applicable and available.

Permissible within the CA Education Code, the LAUSD District English Learner Advisory Committee (DELAC) is serving in place of the English Learner Parent Advisory Committee (ELPAC). The Parent Advisory Committee (PAC) continued in its second year by electing governing officers. Members on the PAC were elected from each of the 5 LAUSD regions, with two parents representing English Learners, two representing Low Income students, and two parents At-Large to represent other stakeholders, in general. Ten guardians representing Foster Youth were elected as a whole group from across the District. The parents representing English Learners were elected from among the members of DELAC by their regional representatives. The parents of Low Income students and the parents At-Large elected their representatives, respectively. Guardians of foster youth were elected at a regional convening by other Foster Youth guardians to represent these stakeholders. Seven parents were selected by the Board of Education to ensure representation of all affected stakeholder groups. There are 50 members of the DELAC and 47 members of the PAC.

Individualized Graduation Plan

4. Increase student engagement
5. Decrease chronic absences
6. Increase the percentage of schools training parents on academic initiatives by providing 4+ workshops annually

The priorities identified above are included in the District's budget and investments for Foster Youth, English Learners, and Low Income students are identified on subsequent pages of this document. The LCFF investment priorities reflect the feedback received from stakeholders and student data, and are tied to the academic data and needs of our students. Investments are further detailed in subsequent pages.

Information is based on preliminary review of survey data: SUBJECT TO CHANGE

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate "all" for all schools, specify an individual school or a subset of schools, or specify

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis,

- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

learning gains by all of our students.

- Teachers and instructional staff
- Implementation of shifts in Mathematics and ELA
- Interdisciplinary instruction
- Use of technology in the classroom to support effective teaching and learning via the Instructional Technology Initiative
- Contracts to support effective Common Core State Standards instruction
- Design lessons
- Digital curriculum aligned to the Common Core State Standards via the Instructional Technology Initiative
- Alignment of Curriculum with Common Core State Standards, English Language Development Standards and California Content Standards.
- Arts integration

Assessment

Academic assessments enable schools and teachers to monitor student attainment of the Common Core State Standards (including foundational literacy skills) for all students, English Language Development for English Learners and access to core for reclassified English proficient students. Assessment results are utilized to modify instructional practice during the school year to meet the need of all students, including students who are struggling (intervention) and students in need of enrichment (advanced learning). Graduation checks and student placement assessments monitor student progress toward graduating high school college and career ready.

- Graduation checks
- California High School Exit Exam (CaHSEE) assessments
- Algebra EOC (End Of Course assessment)
- Math Placement Assessment
- Literacy intervention assessment
- K-2 assessments in foundational reading and math
- Diagnostic assessments (Significantly Disproportionate Coordinated Early Intervening Services, or CEIS)
- Progress monitoring assessment tools
- English language development assessment tools

Learning” that combines scientific and engineering practices, core ideas, and crosscutting concepts. Science Fellows have developed and examined NGSS aligned lessons for language objectives to develop differentiated instruction for the English Learners.

Curriculum

The design and implementation of curriculum is a critical component of the alignment of content and instruction to the Common Core State Standards, as well as development of multiple channels, pathways and models assisting students in completing the standards-aligned content.

- Online courses-credit recovery and core programs
- Supplemental curriculum and materials supporting Common Core State Standards
- Content Design lessons
- Summer School
- Curriculum Maps aligned to Common Core State Standards
- Digital curriculum aligned to Common Core State Standards
- English Language Development (ELD) Standards Phase-In Plan
- Design and provide schools and teachers with Common Core State Standards developed curriculum maps
- Advanced Learning curricula (Advanced Placement, AVID, International Baccalaureate, SpringBoard, Honors courses)
- Math curriculum adoption
- Design lessons for K-2
- Development of Common Core State Standards Dashboard to support implementation
- Textbooks & Instructional Materials

<u>Instruction</u> The methods, practices and delivery of instructional content are critical to the engagement and learning of every student. Differentiation, personalization and pacing all impact a student's ability to understand and learn. The elements below provide aspects of the critical elements of good instruction while bringing the District's curricula and content into alignment with the Common Core State Standards. The District will leverage new models, technology and resources for the greatest impact and learning gains by all of our students. – Teachers and instructional staff – Implementation of shifts in Mathematics and ELA – Interdisciplinary instruction – Use of technology in the classroom to support effective teaching and learning via the Instructional Technology Initiative – Contracts to support effective Common Core State Standards instruction – Design lessons – Digital curriculum aligned to the Common Core State Standards via the Instructional Technology Initiative – Alignment of Curriculum with Common Core State Standards, English Language Development Standards and California Content Standards. – Arts integration	LEA-Wide	☒ ALL ----- OR: ☐ Low Income pupils ☐ English Learners ☐ Foster Youth ☐ Redesignated fluent English proficient ☐ Other Subgroups:(Specify)_____	\$1,850.7 million (Base GF)

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Original GOAL from prior year LCAP:	1) All Foster Youth will have a comprehensive academic assessment and each middle or high school student will have an annual Individual Culmination or Graduation Plan, as grade appropriate, and offered the services and supports to implement the plan. Eligible Foster Youth will have an Independent Living Plan in place as age appropriate. What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		The goal of LAUSD is to complete a comprehensive academic assessment for 65% of the district's 8,278 foster youth. The assessment requires the Foster Youth Counselors to gather pertinent information regarding foster youth's education and services received. This allows the Foster Youth Counselor to develop both short and long term goals to support the academic achievement of foster youth. The Pupil Services – Foster Youth Achievement Program has completed 4,850 assessments as of February 27, 2015. The goal is to complete 5,300 assessments in order to reach the 65% goal; Pupil Services - Foster Youth Counselors need to complete 453 assessments in order to meet the goal. The Pupil Services – Foster Youth Achievement Program will meet the goal of completing assessments for 65% of the district's foster youth for the 2014-2015 school year. It is our intention to achieve accountability metric for the 2015-2016 school year of 85% of Foster Youth receiving a comprehensive academic assessment. Verification of the independent living plan for foster youth can be accomplished by LAUSD however establishing a metric and targets for an action that is outside the control of the District was not an appropriate addition to the 1st year targets in the District's LCAP. For these reasons, the ILP metric has been removed. The Independent Living Plan is a California Department of Social Services document, which is completed by the Department of Children and Family Services (DCFS) County Social Workers and the County of Los Angeles Probation Department, Probation Officers. DCFS County Social Workers and Probation Officers are responsible for completing the Independent Living Plan in conjunction with eligible foster youth and their caregivers. Please see appendix A for the LCAP program update.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		Commitments for the 2015-16 LCAP year will remain the same for the most part with the exception of funds that were intended to expand the number of school-sites with budget autonomy. It is recommended that these funds be refocused in supporting the District's Arts program and improving the after-school programs for our targeted youth. In addition, several additional metrics have been included to measure high school and middle school drop-outs, A-G on-track and AP examination success to inform the District's graduation targets, as well as an inclusion of the Early Assessment Program (EAP) measures to provide a marker for college preparation for all youth and the targeted youth in LAUSD. Please see appendix B for the LCAP program update.					
Original GOAL from prior year LCAP:	3) Increase secondary students completing an annual Individual Graduation Plan (IGP)					Related State and/or Local Priorities: 1__ 2__ 3__ 4__ x 5__ 6__ 7__ x 8__ x COE only: 9__ 10__ Local : Specify _____

What changes in actions, services, and expenditures will be made as a result of reviewing past progress		Per District policy, counselors in grades 6-12 are required to hold at least one IGP for each of their students per year. The Office of Curriculum, Instruction and School Support has coordinated with the District's new integrated information system MiSiS to capture through	

and/or changes to goals?		the IGP student progress toward graduation standards for each of the classes in secondary schools. Counselors have received and will continue to receive this information in professional development throughout the school year as well as an online counseling module that has been provided around graduation requirements. The targets set in the LCAP will change to 100% for the following academic years. This is a service that must be provided to all secondary youth. Please see appendix B for the LCAP program update.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		District-wide professional development for academic counselors focused on college and career readiness. The professional development activities included financial information for students including FAFSA application and deadlines, scholarships, and other opportunities for students to be able to meet financial obligations. The District is entering into a formal bid to approve college access programs (online and otherwise) that will engage students in all aspects of college going culture. The list of approved programs will be provided to schools for their selection. The District will continue to use the data provided by the California Student Aid Commission (CSAC) to monitor the progress of the FAFSA applications. Current targets will remain unchanged. CSAC will provide updated information as it becomes available.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		This initial target for measuring the basic skill acquisition of English learners was premised on the development of a new assessment aligned with the Smarter Balanced Assessment Consortium (SBAC) test. Previous basic skill measures were drawn from the CST. At this time as the State and LAUSD continue to transition to the SBAC, it is too early to make the determination of the appropriate assessment tool for measuring the basic skill development of English Learners. Currently there are separate assessments utilized for different grade levels that do not provide a consistent and comprehensive picture of all youth. For these reasons, it is recommended this goal be removed and utilized as a formative metric for staff and stakeholders. Please see appendix D for the LCAP program update.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		Although we have seen steady increases over the last three years in the percent of students attending at 96% or above, not all schools have systems in place to support continued attendance improvement. For the first time this year, non-submittal is being counted as an absence when calculating student and school attendance rates thereby it is expected there will be a deflation in attendance district-wide. As such, targets will remain the same as the District assesses and reviews the final data received after June 2015. Please see appendix B for the LCAP program update.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		The '13-'14 survey submission data reflected a drop in the percentage of parents completing the School Experience Survey district-wide. In order to meet the ongoing targets set in the LCAP, staff has reviewed regional and site-level data to identify areas that may need more support and outreach to improve completion rates. Parent and Community Engagement Administrators are working with their staff to provide support to schools with low response rates to ensure that all parents are provided with the opportunity and encouragement to complete the Survey. Parents will be asked to complete the Survey for each school that their students attend in LAUSD. Please see appendix E for the LCAP program update.					
Original GOAL from prior year LCAP:	13) Increase percentage of parents trained on academic initiatives by providing a minimum of four workshops at each school annually					Related State and/or Local Priorities: 1__ 2__ 3__x 4__ 5__ 6__ 7__ 8__ COE only: 9__ 10__ Local : Specify _____

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		Workshop materials on a variety of academic topics were developed for schools to use when presenting to their parents. Parent and Community Engagement coaches trained school staff on use of the resources. Principals will certify online that workshops were delivered annually which will provide the LAUSD with baseline data. A change in the current goal language is recommended to reflect data collection infrastructure. The new language should read "Increase percentage of schools training parents on academic initiatives by providing a minimum of four workshops at each school annually." Data reflected in the above table for the annual update does not outline parent sub-group, as data on parent identification is not collected at the school-site. Please see appendix E for the LCAP program update.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		These actions reflect the efforts being made to increase student engagement however they do not capture data on student sentiments on their experience with LAUSD. It is recommended the LCAP include new goals to measure the response of students who feel proud to be at their school site and capture the percentage of all students that participate in providing feedback to their schools and the District. Please see appendix E for the LCAP program update.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?			Due to recent funding, data indicates a 21-point improvement. To better ascertain the impact of the District's efforts and better gauge positive changes, we recommend adding one new metric Percentage of Students Who Feel Safe on School Grounds. This metric will inform us about the increase in the percentage of schools implementing the Discipline Foundation Policy, as measured by the number of schools receiving a minimum score of "3" in each area of the Rubric of Implementation. Please see appendix F for the LCAP program update.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?			In order to provide a holistic picture of the District's efforts to continue to reduce student suspensions, we recommend adding one new metric, Single Student Suspension Rate. This metric will inform our intervention efforts aimed at fostering a positive school culture and positively changing student behavior. In addition to measuring suspension outcomes, we recommend adding an expulsion metric, which is intended to inform the District and stakeholders about the coordination of instructional and support services to expelled student.					

assist in monitoring due process rights for students and parents during the expulsion process

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		The current targets set for this goal will remain unchanged. The District is 100% compliant The District is committed to ensuring it remains compliant with the safe repair standards of the state however the out-year pressures of maintaining and operating school facilities has highlighted a need to commit supports for ensuring our neediest students are taught in clear and safe facilities. For these reasons, it is recommended that a targeted investment be made to support major maintenance repairs at school-sites with high need, based off the District's School Equity Index.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		The current 2014-15 Goal does not accurately reflect the programs currently administered. The SLGDC is currently in a pilot cycle and does not provide the appropriate district data that would be consistent with the LCAP. It is recommended the 3 pilot programs be removed from the LCAP targets until a final determination is made regarding the next steps for the program: district-wide implementation. As such, the recommended metric is to continue to include the Teacher Growth and Development Cycle (TGDC) completion rate of 20%. There are currently 6913 of an eligible population of 24834 roster-carrying teachers participating in the TGDC. At this time, the target of 20% set in the LCAP will be exceeded for 2014-15. This final number is preliminary and will be reviewed when final data is available. In addition, the Office of Curriculum, Instruction and Support Services will continue to provide CCSS professional development to k-12 teachers, administrators and counselors in ELA, math, science history/social studies and physical education.			

DRAFT

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$957 million</u>
<u>Amount to spend in 15-16:</u> - Determine aspirational target for supplemental and concentration by using the aspirational per student figures and multiplying by applicable student counts: \$1.19 billion - What did we spend on programs and services which serve unduplicated students in FY 14-15? \$847 million - Compare how much you spent in FY 14-15 to how much you should spend at full implementation and calculate the difference: (Step 1 minus Step 2) \$1.19 B – \$847 M = \$342 million - How much funding is the state providing in FY 15-16 to help close the gap? (State provided) 32.19% of the Gap will be funded at each school district in the state. - How much do we need to spend on proportionality in 15-16? (Step 3 multiplied by Step 4) $\\$342\text{ M} \times 32.19\% = \mathbf{\\$110\text{ million}}$	

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

30	%
----	---

Calculating the Proportional Increase:

6. What is the total FY 15-16 spending for supplemental and concentration? (Step 2 plus Step 5)
\$847 M in FY 14-15 plus \$110 M in FY 15-16 = **\$957 million**
7. What is the districtwide total amount of funding received for LCFF? **\$4.6 billion**, inclusive of base, supplemental, concentration, and add-on
8. What amount of the total is base funding? (Step 7 minus Step 6) \$4.1 billion – \$957 million = **\$3.14 billion**
9. What is the proportion of new funding that must be used to enhance and augment services to unduplicated students? (Step 6 divided by Step 8) \$957 million as a percentage of \$3.143 billion base funding is: \$957 million / \$3.14 billion = **30%**

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year where the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).
