Charted Notes from Table Group: Proficiency for All

March 7, 2019

Requesting:

2016-17 #6

2017-18 #11

Data regarding assessments in ELA and Math and how is that information being disseminated to parents. Is English and ELD giving this important information to parents at the beginning of the school year or wait until May?

2016-17 Comment #5

Data on the % of Middle and High School students receiving a C or higher in subject areas of the science and social studies. Data on the % of High School Students taking the AP exam and the % of students scoring a 3 or higher.

2016-2017 #2

Provide data of how many Parents have already received these trainings and what are those resources and trainings given? Also who has provided those trainings and resources?
