Committee Update

PAC members who miss more than 2 meetings will be sent a first warning letter. If they miss a third meeting, they will get a second warning letter and finally will be terminated after their fourth missed meeting. PCS staff will follow the PAC Bylaws that were approved by the members. PCS also protects the personal information regarding all members including their attendance. We will monitor the members' attendance and communicate with them if they need to resign or have their membership terminated. Per the PAC Bylaws, members who are terminated are able to appeal their case to the PAC Attendance Subcommittee.

PCS Update

We are beginning the planning process for the new school year. We had a great session on Friday with members of the three committees. They came up with great recommendations regarding next year's professional development sessions. I am going to ask the PAC Officers to review recommended dates for next year's PAC meetings. My goal is to get these dates to the principals and Local District so activities are not scheduled on the dates that we have committee meetings. This will be challenging, we know; but if they get these dates within the next few weeks, scheduling conflicts might be avoided. Last year, PCS identified the dates, shared them with the current members in September, and then shared these at the PAC elections.
