Learning Plan for the Parent Advisory Committee Syllabus 2024-2025

Parent Advisory Committee Learning Plan

This year's learning sequence will focus on the eight goals of the Local Control and Accountability Plan (LCAP): Academic Excellence, Joy and Wellness, Engagement and Collaboration, Operational Effectiveness, Investing in Staff, English Learner Supports, Black Student Achievement Plan, and the Equity Multiplier focus goal.

From November 2024 through May 2025, LAUSD divisions will present each goal's program indicators and funding. In addition, the membership will develop comments to strengthen the District's LCAP, which will be submitted to the LAUSD Superintendent. Finally, the PAC members will meet in May to review the Superintendent's responses to the PAC's comments, along with an outline of the 2025-2026 LCAP to be presented for review to the PAC before the LCAP's adoption in June.

PAC members receive training throughout the year related to their duties of reviewing and commenting on the District's LCAP. In addition, they meet with various District office leaders to discuss District and family priorities related to student achievement.

Committee Meeting and Training Structure

PAC members are provided learning opportunities during training meetings from 10:00 a.m. to 1:00 p.m. via hybrid. Additional training is offered on various topics provided via hybrid.

The meeting and training agendas for PAC are posted online and outside the building at the Office of Student, Family and Community Engagement.

PAC members are expected to spend at least fifteen hours per semester studying and analyzing information related to the District's LCAP.
