FINGERPRINT PROCESS JOB AID

**PLEASE CHECK WITH YOUR SCHOOL'S ADMINISTRATION TO
CONFIRM IF FINGERPRINTING IS NEEDED FOR YOUR VOLUNTEER
ASSIGNMENT.**

When volunteers submit their School Volunteer Program application as a Tier III volunteer through the Online Management System (<https://volunteerapp.lausd.net/>), they will receive a receipt with a volunteer ID number. Applications will complete two steps listed below in order to fulfil the LiveScan requirement for Tier III volunteer opportunities.

- Volunteers will then open a SuccessFactors profile reference in this job aid first.
- Then, applicants will visit www.applicantservices.com/LAUVOL to schedule a LiveScan appointment at one of over 1,000 locations offered by our service provider at no cost to the volunteer.

Note for NEW Applicants

If you are a NEW volunteer with Los Angeles Unified, you will need to complete the LiveScan process to serve as a Tier III volunteer. Make sure to create a SuccessFactors account as referenced in the instructions found in this job aid and make a LiveScan appointment at www.applicantservices.com/LAUVOL.

Note for Existing and Active Tier III Volunteers

If you are an active Tier III volunteer for the 2024-25 you do not need to complete another LiveScan appointment when applying to volunteer at a new school site. Volunteers must continue to log-in to the Volunteer Management System using the same email account to ensure the system automatically populates their data when applying to volunteer at a new school site. School site personnel should ask their Tier III applicants if they are currently a Tier III volunteer at another school site to avoid duplicating the fingerprint process.

Returning Applicants Who Do Not Reapply Before the First 60 Days of School

If a returning Tier III Volunteer from school year 2024-25 does not reapply to volunteer for the new school before the first 60 days from the first day of school, they will need to complete the LiveScan process again in order to continue serving as a Tier III volunteer.
