2017-2018 DELAC

Basic Services

Goal #6

Comments	Votes
Establish a parent and district committee that conducts surprise school visits to supervise that the expectations are met.	28
Train the parents on the UCP and William's process, about their rights and how to use them. Schools should provide suggestion or needs sheets availble to all parents and that they are sent directly to the school district and are redirected to the parent committees for review.	18
Invite the unions so that they can explain what their commitment is with education and parents.	10
Train the parents on how to lodge a complaint and how to escalate it systematically to achieve the needed improvement.	9
echnology implementation in the classroom with specifically assigned funds to each school based on the umber of students.	8
