

2017-2018 DELAC
100% Attendance - Goal #1

Comments	Votes
Discussions with students to explain to them the importance of school attendance.	11
That the District enforce with our teachers and school personnel the same attendance policy used with the student.	8
Motivating workshops so that the child wants to go to schools and to improve learning and so that parents also are engaged in school.	7
That the school create strategies to help students according to their individual needs along with the teachers so that they feel motivated and therefore attend class and school.	7
That the school environment be friendly and welcoming for parents and students so that they do not refuse to go to school.	6
Motivate the student about the importance of school attendance.	3
That attendance is taken at the start of instruction and not during Breakfast in the Classroom.	3
That District pay for the PSA half day when schools have high absenteeism.	3
Certificate for parents with perfect attendance.	3
