- California state laws and regulations require individuals pursuing credentials authorizing service in California's public schools to verify proficiency in a number of areas. The required level of proficiency may be verified by passing one or more Commission-approved examinations. Refer to the information leaflet related to the credential you are seeking for your specific examination requirements. It is an individual's responsibility to take the correct examination(s) and to contact the Commission when questions arise.
- The following is a reference list of the examination programs and testing companies under contract with the Commission on Teacher Credentialing to administer each examination. Contact the testing company to obtain examination registration materials and information on administration procedures, examination score reports, and preparation materials. Faxed registration forms are not acceptable.
- When new examinations are created to replace existing examinations, there is often a delay in receiving score results from the initial administration of new examinations because of the time it takes to establish passing standards. Check the Commission's website often for updates.

The infographic is titled "Enseñanza del desarrollo del idioma inglés (ELD) en las escuelas de California" and is from the "DIVISIÓN DE RECURSOS HUMANOS" (HR). It lists requirements for teachers to obtain a full ELD credential: having a license, meeting subject prerequisites, meeting basic skills prerequisites, and having authorization to teach ELD. A note indicates this is approximately 6 years of college/university courses. A key message states: "LOS MAESTROS DE ELD DEBEN TENER UNA CREDENCIAL COMPLETA PARA SER MAESTRO DE UN CURSO DE ELD." Below this, it asks "¿SE HA ASIGNADO UN MAESTRO PARA ENSEÑAR ELD SIN AUTORIZACIÓN?" and provides a flowchart with three columns: MAESTRO, ESTO DEBE OCURRIR, and ESCUELA. The MAESTRO column lists requirements like eCLAD, CTEL exams, and authorization. The ESTO DEBE OCURRIR column lists the teacher must have 1 year to renew eCLAD. The ESCUELA column lists that Title 1 schools must send a letter and the principal must assign an authorized teacher. A PADRE/TUTOR column lists that parents can communicate with the principal, regional director, or HR unit. A footer note points to the California Department of Education website.
