English Learner (EL)

Delegate Convening

Virtual via Zoom

Congratulations! As the EL Delegate elected by your school site ELAC, your participation is important. This convening is your opportunity to self-nominate or nominate other EL Delegates, and to elect members from your Region to the District English Learner Advisory Committee (DELAC).

Your voice matters, and we encourage you to attend, get involved, and help shape the future for English Learner students.

The DELAC plays a key role in:

- Learning about the District's Master Plan for educational programs for English Learners.
- Advising the District on the needs of English Learner students.
- Reviewing and providing comments on the Local Control and Accountability Plan (LCAP).

No additional eligible EL Delegates will be seated after roll call has been conducted and the count of voting Delegates has been announced.

If you do not have access to the internet at home, you may contact your Parent and Family Center to access the internet and a device. A Region location is also available to help with connecting online at the following location:

Mary McLeod Bethune
