Dear Caregiver,

The Los Angeles Unified School District (LAUSD) has instituted a new program, the Foster Youth Achievement Program (FYAP), to provide assistance to youth living in foster care and the caregivers who support them. We are excited to provide our next caregiver workshop in February! The training topic will be:

"Promoting Resiliency in Our Foster Youth"

Come and learn about the impact of trauma on developing youth, how to recognize the symptoms of trauma and how to support your youth towards resiliency.

We hope that this will also be a time to connect with other caregivers and access a support network.

You will receive credit for **Resource Family Training (2 hours of Basic B-Rate or 2 hours toward D-Rate Annual Renewal hours) through DCFS**. You may attend one workshop regardless of geographic area. Workshops will be filled on a **first-come, first-served basis** so you must RSVP (only if you plan to attend) to Gloria Zuniga, Office Technician, via email at gloria.a.zuniga@lausd.net or at 213-241-3552 by **Tuesday, February 3, 2015**. Space is limited and seats will be filled in the order RSVPs are received.

Refreshments will be provided and **a free raffle will be held for gifts and prizes**. We are excited about meeting you and working with you to improve educational and life outcomes for youth living in foster care.

Sincerely,

La Shona Jenkins, Coordinator

Estimado padre de crianza,

El Distrito Escolar Unificado de Los Ángeles instituyó un nuevo programa, el Programa Para el Logro Académico de Jóvenes en Hogares de Crianza (FYAP por sus siglas en inglés), para proporcionar asistencia a los jóvenes que viven en hogares de crianza y para sus tutores. Nos gustaría invitarlo a usted a aprender sobre cómo ayudar a sus jóvenes de crianza a tener éxito en la escuela. ¡Estamos entusiasmados de poder ofrecer nuestro próximo taller para padres de crianza en Febrero! El tema de capacitación será:

“Promoviendo el Bienestar de la Salud Mental en los Jóvenes en Hogares de Crianza”

Venga a este taller informativo sobre el impacto del trauma en el desarrollo de la juventud. Aprenderá cómo reconocer los síntomas de trauma y cómo apoyar a nuestros jóvenes para establecer resistencia contra el trauma de haber sido quitados de sus hogares.

Esperamos que usted tome esta oportunidad para conectarse con otros padres de crianza y establecer una red de apoyo.

¡También recibirá el crédito para **Formación de Recursos Familiar o “Resource Family Hours” (2 horas de Tarifa Básica B o 2 horas hacia la Renovación Anual de Tarifa D)** a través del Departamento de Servicios Para Niños y Familias (DCFS por sus siglas en inglés)! Usted puede asistir a un taller sin importar el área geográfica. *Los talleres se llenarán en el orden en que se reciban las reservaciones* por lo que debe confirmar su asistencia lo más pronto posible (solo si va a asistir) con Gloria Zúñiga, Secretaria, a través de correo electrónico a gloria.a.zuniga@lausd.net, o a través del correo de voz al 213-241-3552 antes del **3 de febrero**. Reserve su lugar con tiempo ya que el espacio es limitado.

Se proporcionarán refrescos y habrá una **rifa gratuita para regalos y premios**. Esperamos conocerles y trabajar con usted para mejorar los resultados educativos y bienestar para los jóvenes que viven en hogares de crianza.

Sinceramente,

La Shona Jenkins, Coordinadora

POSITIVE AND SAFE SCHOOL ENVIRONMENTS

LCAP- PROGRAM & GOAL UPDATE

PRESENTER: Earl R. Perkins, Assistant Superintendent
Office of Educational Services – School Operations

DELAC Meeting – January 15, 2015

LCAP Related Goals and Targets

GOAL 7 - Decrease the number of suspensions for all students (Page 10)

GOAL 8 - Ensure effective and fair handling of student behavior by promoting positive solutions through the reform of student discipline policies and practices (Pages 10-11)

Leading by Changes in Key Discipline Policies

Division of School Operations

3

The District adopted the Discipline Foundation Policy in March 2007. The policy provided an overarching umbrella for student discipline. In the Fall of 2011, the District entered into an Agreement with the Office of Civil Rights (OCR) to address concerns regarding disproportionate suspension rates. On May 14, 2013, the LAUSD Board of Education adopted by majority vote the Board Resolution 2013 School Discipline Policy and School Climate Bill of Rights that outlines requirements regarding students' right to:

- a holistic, safe and healthy school environment
- effective positive behavior support and interventions
- and establishes the LAUSD commitment to a District-wide culture of positive and humanistic approach to working with students, staff and parents.

LAUSD has made tremendous strides since 2007-2008 SY through 2013-2014 SY in the reduction of the instructional days lost as a result of suspension from

~~74,765~~ to ~~*8,351~~.

* The Discipline Data total may change once the MISIS issues have been resolved.

Establish Targets

School Workshops for Parents

Research: The relationship between a school and its parents is key to supporting student academic achievement. When parents learn how they can reinforce classroom instruction at home, student performance improves.

School Responsibilities

- Customize and provide four workshops to parents on academic topics throughout the year
- Upload attendance rosters and flyers of workshops in principal certification portal

District Support

- Train the Parent and Family Center staff and categorical coordinators on use of presentations
- Make presentations available on Parent, Community and Student Services website

 - ☐ Establish the difference between the instructional needs of a newcomer and a Long Term English Learner

FEDERAL OFFICIALS STATEMENT ON LAUSD

"We're pleased with the progress we see so far and obviously there's continuing work to be done," Lhamon said about LAUSD's effort. "And that's what we would expect at this stage in monitoring that resolution agreement."

- Child welfare and attendance advocates
- Utilize a three-tiered model
 - Prevention
 - Early intervention
 - Intensive intervention

- Specialized units provide additional support services that are needed by the specific populations they serve.

Pupil Services and Attendance Counselors Early Outreach and Targeted Support

Implement Absence Prevention and Intervention Programs

- Analyze and address barriers to attendance
 - Academic issues, family dynamics, bullying, drugs and alcohol, gangs, mental health issues, community factors of violence, etc.
 - Link students and families to community resources

Chronic Absence: A Hidden National Crisis

- ☐ Nationwide, as many as 10-15% of students (7.5 million) miss nearly a month of school every year. That's 135 million days of lost time in the classroom.
- ☐ In some cities, as many as one in four students are missing that much school.
- ☐ Chronic absenteeism is a red alert that students are headed for academic trouble and eventually for dropping out of high school.
- ☐ Poor attendance isn't just a problem in high school. It can start as early as kindergarten and pre-kindergarten.

Chronic Absence

- ☐ Chronic absence is particularly detrimental to our youngest students and those growing up in poverty:
- ☐ Early Literacy skills
- ☐ Disrupts instruction for all students
- ☐ Lower ELA & Math test scores in later grades
- ☐ Higher risk for dropping out

Chronic absence reduction has been identified as a key area for focus in California's new Local Control and Accountability Plan (LCAP) and by the Campaign for Grade Level Reading.

Attendance Improvement (AI)

- Supports selected, high-need LAUSD schools to increase the percentage of students attending school at a rate of 96% or higher in Transitional Kindergarten, Kindergarten and Grade 9
- Committed to engaging parents, students, school staff, and community members in a common vision of graduation for all students
- AIP Schools have consistently demonstrated significant gains in Proficient/Advanced attendance rates and declines in chronic absence rates outpacing district-wide improvements in both Kinder and Grade 9

Attendance Improvement Program

- District focus on **increasing student attendance**
 - Launched in September 2011
 - Focused child welfare and attendance support for TK/Kinder/Ninth Grade
- Strategically **improve Performance Meter rates** of student attendance in lowest grade levels
- **Prevent and address** Chronic Absence
- **Currently, Attendance Improvement Counselors (AICs)** serve over **9,800 TK, Kindergarten, and Ninth Grade students**
 - 70 Elementary Schools and 9 high schools throughout the District

Considerations

11

Expect that students will receive lower scores on SBAC than they did on CST.

This reflects a realignment of assessment, not that your child is learning less.
