# Improving Outcomes for Students with Disabilities

Additional areas of focus include:

- Graduation and Completion
- Academic Performance
- Least Restrictive Environment
- Disproportionality
- Evaluation and IEP Timelines
- Delivery of Services

At **various future CAC meetings during the school year**, the Division will bring forward information **regarding the areas of focus** and seek input from CAC membership on ways to improve outcomes for students with disabilities.

**At these future CAC meetings**, the Division will use a three-step process to provide information and request input from CAC.

# Plan for future CAC meetings:

## Step 1:

The Division will provide the CAC with information about one of the District's areas of focus for improving outcomes for students with disabilities.

# Plan for future CAC meetings:

## Step 2:

The Division will ask for input on how to improve outcomes for students with disabilities in this focus area. Questions will be provided to CAC members to discuss in small groups.

# Plan for future CAC meetings:

## Step 3:

The Division will ask representatives from the small groups to share their responses and input to the whole CAC group and the Division.
