

Primary Promise Literacy:

- **Goal #1:** Students in Primary Promise will exceed the average rate of progress rate on DIBELS compared to students who begin the year at similar achievement levels
- **Goal #2:** Primary Promise schools will achieve a 20% or greater reduction of the percentage of students scoring WBB on EOY DIBELS

Primary Promise Math:

- **Goal #1 (Levels/Stages on Math Recovery):**
- By December 16, 2022 80% of students on the caseload will increase at least one stage in Stages of Early Arithmetical Learning (SEAL), and 3 or more levels that have been a focus of instruction.
- **Goal #2 (Composite Level on Math Recovery):** By December 16, 2022 80% of students on the caseload will increase their composite score from beginning-year composite by 4.

These math goals are based on the Math Recovery Pre-and Post assessment being used to guide the instruction in Primary Promise Math.
