Committee Update

- Thank members who attended the August 1st Training
- New responsibility for CAC per Ed Code:
The CAC now has the responsibility to “**support community involvement in the parent advisory committee to encourage the inclusion of parents of individuals with exceptional needs**”. CAC should be supporting parents of students who are sped and EL, foster, and/or low income to become involved in PAC. PAC statute has not been amended. We need to discuss at a future meeting the implication for the work of CAC.
