

Dear Second Grade Families,

Welcome to the 2021-2022 School Year! The Math and Science Department Teachers are excited to begin our learning and exploring together. This year we have great things planned for our second grade math agents and science investigators.

First and foremost, we are a close team of teachers that like to keep lines of communication open with our students and families. If you have a question for your child's teacher feel free to email and the teacher will get back to you promptly. We will be using the P.S. 68 Website for calendar events and grade communication. We will also be using GOOGLE CLASSROOM for individual class communications, daily reminders, and homework.

Please take the time to explore our grade page. In the grade page you will find:

TEACHER EMAILS

SUPPLY LIST

UNIT CALENDAR

UPCOMING EVENTS

PARENT SUPPORT

We hope you find our grade page useful. Please reach out to us if you have any questions.

We welcome you again to our SUPER SECOND GRADE! We hope to meet all of you soon.
