~~of the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee. If the leave is taken for any of these reasons, the leave must be concluded within 12 months of the birth, the adoption, or the foster care placement of the child. In addition, leave may be granted because of the serious health condition of a child of the employee, the employee's own serious health condition, or the care of a parent or spouse who has a serious health condition.~~

### 21.3 Length of Leave:

a. An eligible employee's FMLA and/or CFRA leave entitlement is limited to a total of 12 workweeks during any 12-month period measured forward from the beginning date of absence for any of the reasons specified in Section 22.2 above.

b. FMLA and CFRA leave run concurrently when the qualifying reason(s) for both FMLA and CFRA is the same with the exception of pregnancy, childbirth or related medical conditions under PDL in Section 9.0 above. In such cases, CFRA may only be taken after the employee has exhausted the leave permitted under PDL.

c. FMLA Servicemember leave entitlement is limited to a total of 26 workweeks during any 12 month period measured forward.

~~The leave, together with any renewal thereof, shall not exceed the number of days equivalent to a total of 12 normally scheduled workweeks in a twelve (12) month period measured forward from the beginning date of the employee's first Family Care and Medical Leave. An employee will be entitled to 12 weeks of leave during the 12-month period beginning on the first date Family Care and Medical Leave is taken; the next 12-month period would begin the first time Family Care and Medical Leave is taken after completion of any previous 12-month period. Any leave an employee takes for the reasons specified in Section 22.2 above will be counted against the employee's annual leave entitlements under the federal Family and Medical Leave Act of 1993 and the California Family Rights Act of 1991, as amended. This leave runs concurrently with any other leave the District offers for which the employee is qualified. Leave caused by pregnancy, childbirth or related medical conditions under Section 9.0 of this Article is separate and apart from the provisions of Family Care and~~

## Unit C - Article XIII – Leaves of Absence

Medical Leave herein. Employees are entitled to the leave allowed under Section 9.0 and, in addition, up to the full 12 weeks of Family Care and Medical Leave. However, leave taken on account of pregnancy, childbirth, or related medical condition will be counted against the employee's annual leave entitlement under the federal Family and Medical Leave Act of 1993.

21.4 Intermittent Leave: The leave may be taken intermittently or on a reduced work schedule. If the leave is taken for ~~bonding reason of the birth, adoption, or foster care placement of a child of the employee~~, the basic minimum duration of the leave shall be two (2) weeks; however, the District shall grant the employee leave of less than two (2) weeks' duration on two (2) occasions. If the leave is taken for a serious health condition of the employee or of the employee's family member, leave may be taken intermittently or on a reduced schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. An employee may take such leave for as short a time as one hour (can be less than one hour, if necessary).

If an employee does take intermittent or a reduced-schedule leave that is foreseeable based on a planned medical treatment of the employee or the employee's family member or for the birth, adoption, or foster care placement of a child, the District has the right to transfer temporarily the employee to an available alternative position for which the employee is qualified and which better accommodates the recurring periods of leave during the duration of the intermittent or reduced-scheduled leave. The alternative position must have equivalent pay and benefits but does not have to have equivalent duties. The alternative position ~~may~~ shall first include an attempt to reasonably the altering of the employee's current job. ~~The District may also transfer the employee to a part-time job with the same hourly rate of pay and benefits.~~ Upon the conclusion of the intermittent or reduced-schedule leave, the District will place the employee in the same or equivalent job the employee had prior to the leave. ~~when the leave started.~~

21.5 Notification: If the need for the ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave is foreseeable more than 30 calendar days prior to the employee's need for leave, the employee shall give at least 30 days notice. If less than 30 days, the employee must provide the immediate supervisor with as much advance notice as possible but, at the least, within two (2) business days of learning of the need for the leave. These advance notice requirements shall not be applicable in the event of unforeseeable circumstances or emergencies. Whenever possible, if the need for leave is foreseeable due to a planned medical treatment ~~or supervision~~, the employee must make a reasonable, good faith effort, subject to the approval of the employee's or family member's health care provider, to schedule the treatment ~~or supervision~~ to avoid disruption to the District's operations. In giving notice, the employee must include the qualifying event for which the leave is needed, e.g., birth of a child, serious health condition of parent, etc.

21.6 Medical Certification: For leaves to care for a child, spouse or parent who has a serious health condition, the employee must submit to the immediate administrator or, if applying for a formal leave must attach to the leave application, medical certification from the health care provider which includes:

### Unit C - Article XIII – Leaves of Absence

- (1) the date, if known on which the serious health condition commenced;
- (2) the probable duration of the condition;
- (3) an estimate of the time that the health care provider believes the employee needs to care for the individual; and
- (4) a statement that the serious health condition warrants the participation of the employee to provide care.

If the leave is for the serious health condition of the employee, the employee must submit to the immediate administrator and/or, if applying for a formal leave, must attach to the leave application, medical certification as specified in (1) and (2), above, plus a statement that, due to the serious health condition, the employee is unable to work at all or is unable to perform one or more of the essential functions of the employee's position. Medical certification must be submitted no later than 15 calendar days after the leave request has been made. If the deadline by which the employee is to submit the medical certification is after the leave has started, the employee will be considered to have taken ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave pending the District's receipt of the proper certification. However, if the employee fails to provide proper certification, the employee will be treated as if he or she did not qualify for, and thus never took, ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave, will be treated as if he or she sought a leave of absence under another provision of this Agreement, and will not be given the protections set forth in this Article Section.

In the case of leave due to a serious health condition of the employee, the District reserves the right as allowed by law, to require, at its own expense, that the employee obtain the opinion of a second or even third health care provider designated by the District but not employed on a regular basis by the District. The second health care provider, if required, shall be selected by the District. The third health care provider, if necessary, shall be jointly approved by the District and the employee and this provider's opinion shall be binding. If the employee's leave has already begun during this medical review process, the employee will be considered to have taken ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave, pending the result of the examinations by the second and, if necessary, third health care provider.

If additional leave beyond that provided in the certification is required, the employee must submit a new certification by the relevant health care provider.

21.7 Restrictions: In the event that parents who are both District employees each wish to take ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave for the birth, adoption, or foster care placement of their child, the combined total amount of leave that will be granted such employees will be [12] workweeks during a 12-month period, as defined in Section 22.3 above. These employees will still be eligible to take the remainder of their individual 12 workweek allotment for ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave for a purpose other than the birth, adoption or foster care placement of a child.

21.8 Compensation: ~~The Family Care and Medical Leave~~ FMLA and/or CFRA leave shall can be an unpaid leave paid, unpaid or a combination of both. An employee who

## Unit C - Article XIII – Leaves of Absence

~~takes Family Care and Medical Leave FMLA and/or CFRA leave for the employee's own serious health condition and who has accrued illness days and/or vacation days, shall be required to utilize those days before going unpaid. An employee who takes FMLA and/or CFRA leave to care for the employee's spouse, domestic partner, parent, child, grandparent, grandchild, sibling, designated person and/or child shall be required to utilize any available Personnel Necessity and vacation time. All other time is unpaid.~~ ~~and who has accrued vacation may elect, or the District may require, the employee to utilize vacation for this purpose, in lieu of unpaid status. An employee who takes leave for the employee's own serious health condition may elect, or the District may require, the employee to utilize accrued illness days for the leave.~~ During the leave, the District will continue to provide the health benefits package, and maintain the District contribution obligation pursuant to Article XIV, Health and Welfare, during the ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave (except as provided below) to an employee who is otherwise eligible for health benefits. However, an employee who does not return from such leave, or who works less than 30 days after returning from the leave (unless the employee retires within 30 days after returning from leave) will be required to reimburse the District for the District's cost of providing the health benefits package. The District, however, will not provide such health benefits for an employee for any leave period beyond twelve workweeks. Accordingly, if an employee combines pregnancy leave with a ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave, the employee will only be entitled to continued health benefits for the first twelve workweeks of leave. Thereafter, the District will provide the employee with health benefits to the same extent and under the same conditions as it provides to employees on other, similar leaves of absence.

21.9 Seniority: Accrual of seniority credit for the period of ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave shall be in accordance with Personnel Commission Rule 740.

21.10 Certification to Return to Work: The provisions of Section 11.6 and 11.7 shall apply to employees returning to work from a ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave (absence) due to the employee's own serious health condition.

21.11 Early Return From Leave: If the amount of leave needed is actually less than initially requested, the employee must notify the District of such an occurrence. Once the employee provides such notification, the District must reinstate the employee to the same or equivalent position within two days.

~~22.0 Charter School Leave (Unpaid): An employee shall, subject to the limits set forth below, be granted an unpaid leave to serve in an assignment at a Board of Education approved Charter School:~~

a. ~~— The leave shall be for a minimum of one (1) year. The leave shall be extended upon request of the employee; however, the total period of leave shall not exceed the duration of the initial charter;~~

b. ~~— For an employee not assigned to a school or program that is being~~

converted to a Charter School, the leave shall commence at the beginning of the next school year (July 1); exceptions may be provided in the sole discretion of the District;

~~e. — Salary and benefits received by the employee during the period of leave shall not be the responsibility of the District, but shall be established and provided by the Charter School in accordance with the Charter School petition approved by the Board of Education;~~

~~d. — Return from leave to District service shall be in accordance with the provisions contained in this Article unless the employee has been laid off by the District;~~

~~e. — Upon return to District service from a Charter School leave, no employee shall receive more favorable treatment than employees in the same classification who remained with the District;~~

~~f. — Employees separated involuntarily from their Charter School assignment may be subject to administrative or disciplinary action by the District for conduct which occurred at the Charter School in the same manner as if the conduct had occurred while the employee was actively employed by the District.~~
