1:53
PM

Unit B, New Section.

Speech Language Pathology Assistant (SLPA) therapy services directly impact students' ability to access the school curriculum. The SLPA provides therapy for students on the supervising Speech Language Pathologist's (SLP)'s caseload. We are proposing the following caseload service provisions for SLPAs to elevate the level of support for student success:

Speech Language Pathology Assistant (SLPA) Itinerant Caseload Service Provision

1. The number of students assigned to be serviced by the SLPA shall not exceed 18 students per day.
2. The SLPA shall be given a time allotment of at least 90-minutes, or 5 minutes per student session note, for the purpose of Welligent documentation during the workday.
3. The SLPA shall be given a 30-minute preparatory period at the start of their work shift per site being serviced.
