Except as otherwise provided in this agreement, if the District decides that unit members are to be invited to serve on any committees (described below) that are District-wide or ~~Local District~~ Region-wide in scope and subject matter, it shall notify UTLA and specify the background and experience required for the committee.

b. UTLA shall then have the right to designate one-half of such unit members, and to replace those appointees, and the District shall have the right to designate (and replace) one-half of such unit members. Unit members who are appointed to a committee by the District, rather than UTLA, are not to be considered authorized representatives for UTLA.

c. These committee appointment provisions apply only to: (i) unit member service on an advisory group (whether labeled committee, task force, focus group or other); and (ii) to committee service outside of the employee's regular job duties. However, if the committee includes a combination of unit members invited to serve outside their regular assigned jobs, and unit members assigned to the committee as part of their regular assigned jobs, the latter shall be counted toward the District's appointing authority under section b above.

## ARTICLE V

### GRIEVANCE PROCEDURE

1.0 Grievance and Parties Defined: A grievance is defined as a claim that the District has violated an express term of this Agreement and that by reason of such violation the grievant's rights under this Agreement have been adversely affected. Grievances as defined may be filed by the affected employee or by UTLA on its own behalf or on behalf of an individual employee or group of employees where the claims are similar. On filing a grievance on behalf of a group, UTLA need not specify the names of the employees, but must describe the group so that the District has notice of the nature and scope of the claim.

1.1 All matters and disputes, which do not fall within the above definition of a grievance, are excluded from this procedure, including but not limited to those matters for which other methods of adjustment are provided, such as reductions in force and dismissals. Also excluded from this grievance procedure are those matters so indicated elsewhere in this Agreement. Claimed violations of Article VII (Non-Discrimination), are to be handled under appropriate statutory and/or judicial procedures rather than under this grievance procedure; however, claims of discrimination based upon UTLA affiliation are subject to this grievance procedure.

1.2 If the same or essentially the same grievance is filed by more than one employee, then one grievant may process the grievance under this Article on behalf of the other involved grievants. The final determination shall apply to all such grievants.

1.3 The respondent in any grievance shall be the District itself rather than any individual administrator.

1.4 Unless the parties mutually agree to the contrary, the filing or pendency of a grievance shall not delay or interfere with any District action while the grievance is being processed. By the same token, if it is later determined that the grievance is meritorious, nothing in the foregoing sentence shall preclude remedial relief covering the period during which the grievance was being processed, including the applicable portion of the 30-day period preceding the filing of the grievance. See also Article XIV, Section 30.0.

1.5 Processing and discussing the merits of a grievance shall not be considered a waiver by the District of a defense that the matter is not arbitrable or should be denied for other reasons which do not go to the merits.

Article V – Grievance Procedure

TA  
CC 10/7/25  
⑩ 10/7/25

2.0 Representation Rights: At all grievance meetings under this Article, the grievant may be accompanied and/or represented by a UTLA representative. If not, the grievant may represent himself or herself, or be represented by any other person, so long as that person is not a representative of another employee organization. The administrator shall have the right to be

accompanied by another administrator or District representative. By mutual agreement other persons such as witnesses may also attend grievance meetings.

2.1 When a grievant is not represented by UTLA, the District shall promptly furnish to UTLA (in care of the UTLA Field and Organizing Director) a copy of the grievance. If the grievance is withdrawn without a settlement, the District shall so notify UTLA. The District shall not agree to a final resolution of the grievance until UTLA has been notified of the proposed resolution, and been given an opportunity to state in writing its views on the matter.

3.0 Released Time For Employees and UTLA Representatives: Grievance meetings and hearings will be scheduled by the District at mutually convenient times and places during District business hours. Such meetings will be scheduled so as to minimize interference with regular employee duties. Step One meetings will not be scheduled on released time except when it is convenient to do so during the preparation period of the involved employee(s). If a grievance meeting at Step Two or Arbitration is scheduled during duty hours, reasonable employee released time, including necessary travel time, without loss of salary and with mileage reimbursement, will be provided to the grievant, to a UTLA representative if one is to be present, and to any witness who attends by mutual agreement. For arbitration hearings the grievant, arbitration panel representatives and witnesses as required shall be afforded released time and mileage.

4.0 Confidentiality: In order to encourage a professional and harmonious disposition of grievances, it is agreed that from the time a grievance is filed until a final determination has been reached, all proceedings shall be considered private and any preliminary disposition shall not be made public without the agreement of all parties. The District and UTLA may report on grievances by citing no more than the section and article alleged to have been violated and the stage at which the grievance is at the time of the report. At no time in any report or public record may either party or the grievant cite any names or schools. This prohibition is not intended to restrict normal interviewing of witnesses and other necessary preparation for hearing.

5.0 Effect of Time Limits: If a grievance is not processed by the grievant at any step in accordance with the time limits of this Article, it shall be deemed withdrawn. The District shall respond, in writing, in a timely manner as provided in this Article. If the District fails to respond to the grievance in a timely

Article V – Grievance Procedure

CC 10/7/25

manner at any step, the grievant has the option to proceed directly to the final step of this procedure (See Section 11.0). All time limits and grievance steps may be shortened, extended or waived, but only by mutual written agreement.

6.0 "Day" Defined: A "day" for purposes of this Article is defined as any day of the calendar year except Saturdays, Sundays, and legal or school holidays.

7.0 Informal Conference:

a. Before filing a formal grievance, the grievant shall attempt to resolve a grievance by an informal conference with the grievant's immediate supervisor. If a grievance does not relate to the immediate administrator and the remedy requested is not within the authority of the immediate administrator, the grievant may initiate the informal conference with the administrator who has such responsibility and authority. Said conference shall be requested within fifteen (15) days of the occurrence of the act or omission giving rise to the grievance or of the date when the grievant could be reasonably expected to know of the act or omission which gives rise to the grievance.

b. A meeting between the grievant and the immediate administrator shall take place within five (5) days from written request for the informal conference. The administrator shall reply in writing within five (5) days following the informal conference.

c. Dispute Resolution Panel: When certain disputes arise under Article IX-A relative to assignments to class, track and/or coordinator positions, the affected teacher may invoke the Dispute Resolution Procedures found in Article V-A.

8.0 Step One: A formal grievance must be filed within thirty (30) days (as defined in Section 6.0) after the grievant or UTLA knew or reasonably should have known of the act or omission which gives rise to the grievance. It should be noted that there are shorter time limits required for filing grievances alleging violations of certain provisions of this Agreement, such as disciplinary suspensions under Article X and summer school assignments under Article XX. For claims of a payroll or other salary error, the 30 day time limit runs from discovery of the alleged error, but any recovery payment cannot relate back more than three years prior to the grievance filing.

8.1 The grievance must be presented in writing to the immediate administrator by completing the UTLA-District Grievance form. If a grievance does not relate to the immediate administrator and the remedy requested is not within the authority of the immediate administrator, the grievant may initiate the grievance with the administrator who has such responsibility and authority.

Article V – Grievance Procedure

TA  
CC 10/7/25  
10/7/25

8.2 A meeting between the grievant and the immediate administrator shall take place within ten (10) days from presentation of the grievance. The administrator shall reply in writing within five (5) days following the meeting. The receipt of such reply will terminate Step One.

9.0 Step Two: If the grievance is not resolved at Step One, the grievant may, within ten (10) days after the termination of Step One, present the grievance to the appropriate Superintendent, Division Head or designee. Within five (5) days from receipt of the grievance, a meeting shall take place to discuss

the matter. The administrator shall reply in writing within five (5) days following the meeting. The receipt of such reply will terminate Step Two. (Note: There are separate expedited time limits for handling grievances under Article XXVIII, Safety, Section 3.0)

10.0 [Reserved]

11.0 Request for Arbitration: If the grievance is not settled in Step Two, UTLA, with the concurrence of the grievant, may submit the matter to arbitration by a written notice to the District's Office of Staff Relations within five (5) days after termination of Step Two.

12.0 Selection of Arbitrator: Within seven days of receipt of the request for arbitration, UTLA and the Office of Staff Relations shall meet to select an arbitrator to serve as Chairperson of the arbitration panel. The arbitrator shall be jointly selected by UTLA and the District, or shall be selected from the an established following list by alternatively striking names until one remains.

The list (alphabetized by last name) shall be created from a list of no more than eight (8) names submitted by each of the parties no later than June 15<sup>th</sup> of each school year to be in effect July 1<sup>st</sup> through June 30<sup>th</sup> of the following school year. The list shall have a minimum of twelve (12) but no more than sixteen (16) names. UTLA and the District may by mutual written agreement revise the list.

If the arbitrator selected cannot be available for hearing within sixty days, the parties shall contact the next remaining arbitrator in reverse order of striking, until one is selected who is able to serve within sixty days. Once selected, the arbitrator shall serve as the Chairperson of a three-member arbitration panel, with the other two members to be appointed directly by the District and UTLA respectively. All decisions and rulings will be made by majority decision of the panel.

13.0 Optional Preliminary Hearing on Issues Which Do Not Involve Merits of Grievance: If the District claims that the grievance should be dismissed for reasons which do not go to the merits (e.g., mootness, untimeliness, matter beyond scope of procedure, or breach of confidentiality provisions) the District may cause its claim to be heard and ruled upon by the panel prior to a hearing on the merits. If UTLA claims that the grievance should

Article V – Grievance Procedure

TA  
CC 10/7/25  
10/7/25

be sustained because the District has allegedly violated the confidentiality provisions, it also may invoke proceedings under this Section. If either party plans to invoke this separate preliminary hearing it shall so advise the other party prior to selection of the arbitrator. Immediately after selection for the preliminary hearing, either UTLA or the District may require that a different arbitrator be selected to hear the merits.

13.1 There shall be at least fifteen days between the panel's decision on the preliminary matter(s) and any hearing on the merits (or on remedy in the case of a breach of confidentiality claim raised by UTLA).

13.2 The preliminary hearing is optional to the party having the right to invoke it. If not utilized, the party shall not be precluded from raising its arbitrability defenses (or breach of confidentiality claim) at the regular hearing, provided that it gives the other party ten days' notice of its intention to do so. Moreover, both UTLA and the District shall retain all rights they have under law to pursue issues relating to arbitrability of a grievance.

14.0 Scheduling Hearings and Decisions: A hearing shall be scheduled within sixty days from selection of the arbitrator, but shall not be scheduled during the summer or off-track time except by mutual agreement. The decision shall be issued within thirty calendar days after final submission of the case. Arbitrators who fail to meet this deadline for decision shall, unless the parties have mutually extended the deadline, be deemed ineligible for selection for new cases until such time as the decision is submitted.

15.0 Expedited Proceedings: Grievances which have been processed through the required steps and which involve primarily issues of fact, such as below standard evaluations or notices of unsatisfactory service, shall be submitted to expedited arbitration. However, either the District or UTLA may require any such grievance to be submitted to regular arbitration rather than expedited arbitration. Expedited arbitration will involve a hearing within ten (10) days following selection of the arbitrator, with no transcript, stenographic services or briefs, and a summary letter award to be issued within five (5) days of the close of hearing. Expedited cases shall in all other respects conform to the provisions of this Article.

16.0 Documents and Witness Lists: Either party may request from the other the production, review and right to copy non-confidential documents relevant to the grievance. If the other party disputes the request, the arbitrators shall determine the issue. The parties shall also, at least five (5) days prior to the first hearing date, exchange lists of intended witnesses.

17.0 Conduct of Hearings: Hearings shall be conducted in accordance with the procedures contained in Government Code Section 11513. Hearing sessions shall be private with attendance limited to the panel, the parties' representatives, and witnesses as scheduled. In cases involving administrative transfers, evaluations of Below Standard Performance, issuance

of Notices of Unsatisfactory Service or Act, or critical material which has been placed in an employee's file under Article X, Section 9.0, the District shall proceed first in providing evidence.

18.0 Limitations Upon Arbitrators: The arbitration panel shall have no power to alter, add to or subtract from the terms of this Agreement, but shall only determine whether an express term of the Agreement has been violated as alleged in the grievance and if so what the remedy should be within the meaning of the Agreement. Past practice of the parties in interpreting and applying the terms of this Agreement may be relevant evidence, but shall not be used so as to justify or result in what is in effect a modification (whether by revision, addition or subtraction) of the terms of this Agreement. The arbitration panel shall have no power to render an award on any grievance arising after the termination or expiration of this Agreement.

19.0 Effect of Arbitration Award: The arbitration panel's decision shall be final and binding upon the grievant(s), the District and UTLA. The California law on final and binding arbitration awards between a school district and an employee organization shall be applicable to such a decision.

19.1 A final and binding award which determined the merits of a dispute shall be conclusive on the grievant(s) the District and UTLA in any subsequent proceedings, including disciplinary and termination proceedings.

19.2 Unless otherwise indicated in this Agreement, this grievance procedure is to be the employees' and UTLA's sole and final remedy for any claimed breach of this Agreement.

20.0 Expenses: All fees and expenses of the arbitrator shall be shared equally by UTLA and the District. Each party shall bear the expense of presenting its own case. A transcript of proceedings shall not be required, but either party may order a transcript at its own expense. If the other party at any time desires a copy of the transcript, it must share equally the cost of the reporter and transcription.

21.0 Grievance Files: The District's Office of Staff Relations shall maintain a file of all grievance records and communications separate from the personnel files of the grievant(s), and grievance documents and decisions shall not be included in the personnel file unless it is reasonably necessary or appropriate to do so.

22.0 No Reprisals: There shall be no reprisal against an employee for utilizing these grievance procedures or for assisting a grievant pursuant to these procedures.

23.0 Special Grievance Procedure for Non-Unit Members: The District shall make a grievance procedure available to part-time Adult Education teachers who are assigned fewer than 10 hours per week and to day-to-day

substitutes who were paid for fewer than 100 days during the preceding year. A grievance under this special procedure shall be defined as a formal written statement alleging a violation of a specific Board Rule or administrative regulation of the District on the subject of wages, hours of employment or safety conditions, and that by reason of such alleged violation, the employee's rights have been adversely affected.

23.1 The filing or pendency of a grievance under this procedure shall not delay or interfere with implementation of any District action during the processing thereof.

23.2 The rules and procedures specified in Article V, Sections 3.0 through 12.0, 14.0, 16.0, 17.0, 18.0, 20.0, 21.0 and 22.0 shall be applicable to this procedure.

23.3 The arbitrator's decision under this procedure shall be advisory to the Deputy Superintendent or designee whose decision shall be final and binding. This grievance procedure is to be the non-unit member's sole and final remedy for any claimed breach of Board rules or regulations within the scope of the procedure.

### SMALL LEARNING COMMUNITIES

#### 1.0 Central Small Learning Community Committee:

a. Pursuant to policies and procedures governing the development and implementation of Small Learning Communities in middle schools and high schools, the District will establish a district-wide Central Small Learning Community Committee ("the Committee").

b. The Committee is responsible for reviewing Small Learning Community ("SLC") proposals and for recommending SLC proposals to the Superintendent. In addition, this Committee advises the Superintendent on specific issues related to the implementation of SLCs, including but not limited to the proposal format and procedures, the resources and professional development support to be provided to potential SLCs, and the quality review process to be utilized for the evaluation of SLCs.

(1) The School Site Council shall initially review all proposed SLC plans, and if it recommends that a plan should proceed, shall send it to the Local District Superintendent for review. This shall occur within 30 calendar days of receipt of the proposed plan, subject to the scheduling of School Site Council meetings.

(2) The Local District Superintendent shall complete its review of the plan within 30 calendar days of its receipt. If the LDS does not approve the plan within 30 calendar days, it shall be sent to the Central Committee.

(3) The Central Committee shall review the plan and within 30 calendar days of receipt make a recommendation to the Superintendent.

(4) The Superintendent shall approve or deny the plan within 30 calendar days of receipt. If the Superintendent's decision is to deny the SLC plan, the SLC design team may appeal the decision directly to the Board of Education for final action.

c. One-third of the Committee members are to be appointed by the President of UTLA.

#### 2.0 — Process For Conversion Schools:

~~a. — The school Principal works with all school stakeholders, including the UTLA Chapter Chair, to initiate the design process and to determine the impact of potential SLCs on all other programs and on the entire school campus. Issues to be discussed and considered shall include the attributes, including equitable services in the utilization of school facilities, schedules, grade spans, and staffing.~~

~~b. — The Principal presents the general work plan and school impact report to the School Site Council for input and guidance.~~

~~c. — Individual SLC design teams, composed of representatives from all stakeholders, submit a letter of intent to the School Site Council.~~

~~d. — Acting with the assistance of the school's planning team and Local District support staff, the SLC design team shall develop a proposal and school impact report for presentation to the Principal and the School Site Council. The Principal, the Chapter Chair, and the School Site Council may recommend that the proposal and the report be forwarded to the Local District Superintendent for review and comment.~~

~~e. — Pursuant to State and Federal law, the Superintendent shall retain the authority to create SLCs as part of restructuring, building upon the progress already being made to create SLCs at the school and incorporating these efforts into the new plan.~~

#### 3.0 — Process for New Construction Schools:

~~a. — The Local District Superintendent and the school Principal, with the teachers or the design team and community stakeholders, create the vision, initiate the design, and determine the recommended focus of each Small Learning Community in the host school.~~

~~b. — Based upon the design created by the stakeholders and the Local District Superintendent, the Local District Superintendent completes and submits a proposal for a new school SLC design proposal to the Committee (see Section 1.0 above) for recommendation to the Superintendent for approval.~~

~~4.0 — Staffing, Vacancies and Transfers: — The faculty members of the SLC's design team (assuming that they fairly reflect the overall staff at the site in terms of demographics and subject matter, and their assignments are consistent with other district staffing policies such as Staff Integration, Rodriguez Decree and the like) shall be assigned to the SLC upon its approval, and from that time forward the SLC shall be treated the same as a separate school for purposes of staffing, transfers, displacements and filling of openings. Thus, after~~

~~the design team has been assigned, the initial remaining positions with the SLC shall be filled first with volunteers, if any, from the site pursuant to Article XI, Section 16.0. Once that process is completed, the SLC shall be able to fill the remainder of the planned faculty positions (and any later new openings) the same as any other separate school site. Similarly, for purposes of future staff reductions/displacements, the SLC will be treated the same as a separate school site. Once the initial full faculty is identified, assignments to classes etc. shall be made in compliance with Article IX.~~

~~5.0 — Protection of Employee Rights: — Subject to the provisions of this Article, and unless otherwise agreed to by UTLA and the District, all provisions, rights, obligations, duties, and other requirements set forth in the Agreement shall be applicable to approved SLCs as separate schools, including but not limited to uniform staffing procedures (Art. IX-A, Sec. 2.0), transfers (Art. XI), and UTLA rights (Art. IV), and the implementation of SLCs is not intended to diminish the rights contained in this Agreement. The contract waiver process available under Article XXVII, Sections 3.2 and 3.4 shall also be available to SLCs.~~

#### ~~6.0 — SLC Leadership:~~

~~a. — If an SLC design includes provisions for department chairs, grade level chairs, deans or other out-of-the-classroom positions, they shall be chosen according to the procedures of this Agreement. However, a SLC may choose not to propose these positions.~~

~~b. — SLCs shall be led by a principal, an assistant principal, or a coordinator under the supervision of an administrator. A SLC may choose through its design to have a coordinator as a school leader, with the approval of the local school administrator responsible for faculty evaluation. The coordinator shall be chosen and shall serve pursuant to the election of full-time school site coordinator provisions (Article IX-A, Sec. 4.0, 5.0, 5.1, 6.0).~~

~~7.0 — SLC Task Force: Upon approval of a tentative agreement for this 2008-2011 Agreement, UTLA and the District shall form a committee to review this article. The committee shall be composed of three District and three UTLA members. The committee shall submit a report and recommendations to both the LAUSD Board of Education and the UTLA Board of Directors with comments and recommendations for changes to this article. The Committee may address the following issues: Selection of classes by faculty members, displacement issues, process for collapsing of SLCs, composition of local SLCs, delineation of roles of SLC Lead Teachers and chapter chairs, issues between the District and SLCs regarding mandated curriculum, and transfers between SLCs.~~

At the time of this Agreement, the District affirms that we do not have awareness of any Board approved Small Learning Communities currently in LAUSD Schools. In the event that any formerly approved school is still using the Small Learning Community structure, they shall be allowed to maintain their Small Learning Communities pending further discussion by the parties.

ARTICLE IX

HOURS, DUTIES, AND WORK YEAR

1.0 General Workday Provisions: It is agreed that the professional workday of a full-time regular employee requires no fewer than eight hours of on-site and off-site work, and that the varying nature of professional duties does not lend itself to a total maximum daily work time of definite or uniform length. The workday for part-time employees shall be proportionate, or governed by the employee's individual employment contract.

2.0 Sign-in and Sign-out: All employees shall, upon each arrival to and departure from their assigned work location, enter their initials on a form provided by the District. Itinerant employees serving less than a full day at a work location and Early Education Center employees shall also enter the correct time as part of their sign-in and sign-out.

3.0 Minimum On-Site Obligation: It is understood that all full-time classroom teachers (including Teacher Librarians) at a particular school or center (excluding those in the Division of Adult and Career Education) shall be assigned a minimum on-site duty obligation of uniform duration, but may have differing class schedules, hours of assignment and starting times.

3.1 For the purpose of implementing a professional development banked time schedule, full time teachers shall have the following on-site obligations:

<u>Grades</u>	<u>Before Instructional Day</u>	<u>After Instructional Day</u>	<u>Weekly Average Teacher Instructional Minutes (a)</u>
	180 day	180 day	180 day
Pre-K	30	10	According to program requirements
UTK_ - 5/6	17	10	1550
6 - 12	5	2	1550

Elementary grades UTK – 5/6 instructional time is exclusive of teacher break (recess) and lunch. Secondary instructional time is inclusive of passing periods and exclusive of the preparation period, lunch and nutrition periods.

Item (a) in the above chart indicates the number of minutes on a weekly average. Daily minutes will vary due to professional development and early student release on Tuesday.

For Elementary programs in ~~180-day calendar schools~~, the total daily average preparation time is 27 minutes. Preparation time minutes may be divided between a.m. and p.m. at local school site discretion.

## Article IX – Hours, Duties, and Work Year

For Secondary programs, the on-site obligation is noted above in sections 3.0 and 3.1 with preparation time subject to Article IX, Section 6.0. The on-site obligation of Option/Continuation schools shall align with comprehensive high schools despite the instructional day for students of these programs being less than that of students in the comprehensive grades 9-12 setting.

3.2 EEC Teachers: Full-time Early Education Center teachers are to have a daily on-site obligation of eight hours, although it is understood that split shifts are permitted. Also, it is understood that assignments need not be limited to one location. (See also Article XXIII, Early Education Centers.)

a. For full-time employees, their on-site obligation of eight (8) hours is inclusive of a thirty (30) minute duty-free lunch period.

b. For all Early Education Center teachers, their wages are inclusive of and recognize the professional duties performed on or off-site.

3.3 DACE Teachers: Adult Education employees shall be at their assigned duty station at least ten (10) minutes before the first daily class or other assignment begins, shall remain at their assigned duty station at least ten (10) minutes after the last class or other scheduled period of work ends and shall also remain on-site beyond the minimum on-site hours as reasonably necessary to perform duties described in Section 4.0, below.

3.4 Teachers Librarians: Teacher Librarians shall have a scheduled minimum on-site obligation of sufficient duration that they can personally keep the library open to students one-half hour before and after the normal full pupil day for the school. Teacher Librarians shall remain on site when necessary to perform the duties described in Section 4.0 which are appropriate to their work. Multiple schedules, such as staggered or offset session schedules, shall not result in an increased workday for Teacher Librarians.

3.5 Non-Classroom (Non-Register Carrying) Teachers and Support Service Providers: For purposes of this Article, the term "non-classroom (non-register carrying) teacher," paid on the Teacher Preparation Table (T table), refers to those full-time employees whose classroom teaching assignment, if any, is fewer than three periods per day in secondary, or less than half-time in elementary. For "support service providers," the term refers to those employees paid on the Special Services Table (D table), assigned to a school site, region or central office and/or any non-school based location.

a. School Based – Direct Services to Students (T table): Non Classroom (Non-Register Carrying) teachers and counselors assigned to a school site and paid on the Preparation Salary Table, providing direct services to students, including but not limited to School Counselors, A-G Counselors, Arts Itinerant Teachers, Dean of Students, Intervention Teachers/Interventionists, and Restorative Justice Teachers, who do not receive any extra pay/differential for hours and/or duties which are related

## Article IX – Hours, Duties, and Work Year

to, or an extension of, their basic non-classroom assignments, shall observe on-site hours which are to be not less than the hours observed by the teachers at the site, and remain on-site as necessary to perform the assigned duties of the position and the professional obligations of Section 4.0 which are appropriate to their work. These employees may depart after the regular departure time for teachers and at the completion of all of their on-site job obligations. This reduced on-site obligation has been agreed upon with the explicit understanding that it will not be interpreted or applied so as to (1) diminish and/or expand any services whatsoever, or (2) cause classroom teachers to assume any of the non-classroom teachers' responsibilities.

Non-Classroom (Non-Registering Carrying) teachers referred to in this section and school site counselors may accept a coordinating differential if offered to extend their on-site obligation but shall not be required to do so.

Potential acceptance or non-acceptance of a coordinating differential shall not be considered in the selection of a candidate under section 3.5 a.

b. School Based – Indirect Services (T table): Non-Classroom Teachers (those full-time employees whose classroom teaching assignment, if any, is fewer than three periods per day in secondary, or less than half-time in elementary) assigned to a school site and performing indirect services to students and/or the school program on a daily basis, including but not limited to Categorical Program Adviser - Title One Coordinators, Community School Coordinators, International Baccalaureate Coordinators, Intervention/Prevention Support Coordinators, Magnet Coordinators, Problem-Solving Data Coordinators, Targeted Student Population Program Advisers, and Technology Coordinators, paid on the Preparation Salary Table, are to have a daily scheduled obligation of eight hours (exclusive of duty-free lunch). This obligation may include off-site time when it is determined that the work can appropriately be performed off-site, and that the employee is not needed for other responsibilities on-site. These Non-Classroom Teachers with this eight-hour on-site obligation shall receive a coordinating differential.

Any additional, direct services to students that are not an extension of, their basic non-classroom assignments, and are provided at the direction of the administrator, must take place outside of the daily eight-hour on-site obligation and shall be compensated in the same manner as the classroom teachers at the site performing those same services.

Clarification Regarding Use of Benefit Time for Non-Classroom Teachers:

Under Sections 3.5 a and b, non-classroom teachers who are paid on the T table with an eight-hour on-site obligation, who have a part day absence which qualifies for paid benefit time under Article XII, shall not be required

## Article IX – Hours, Duties, and Work Year

to utilize benefit time for any time beyond the on-site hours observed by classroom teachers at the site.

If an employee covered by this agreement (in Section B) is serving full-time out of the classroom and is required to provide classroom coverage for 50% or more of their out of classroom assignment on any given day, they shall be provided with one hour of Replacement Pay in addition to their regular pay.

c. Non-School Based (T table): Non-Classroom Teachers assigned to a region or central office and/or any non-school based location, paid on the Preparation Salary Table, including but not limited to A-G Counselors, Arts Advisers, Community School Coaches, Literacy Advisers/Experts, Math Advisers/Experts, Program Specialists, and Restorative Justice Advisers, are to have a daily scheduled on-site obligation of eight hours (exclusive of duty-free lunch).

d. School Based – Support Service Providers (D table): Support service providers paid on the Special Services Salary Table assigned to a school site, including but not limited to A-G Counselors, Pupil Services and Attendance Counselors (PSA), Psychiatric Social Workers (PSW), Related Services Itinerants, are to have a daily scheduled obligation of eight hours (exclusive of duty-free lunch). Employees with eight-hour assignments may work one hour off-site to document, download and analyze data, update intervention plan; and fulfill other duties as needed. It is also understood that employees may have to work onsite for eight hours when necessary to complete the obligations of their assignment.

Counselors) performing direct services to students as outlined in section 3.5 a. above, School Psychologists shall observe on-site hours which are to be not less than the hours observed by the teachers at the site, and remain on-site as necessary to perform the assigned duties of the position and the professional obligations of Section 4.0 which are appropriate to their work. These employees may depart after the regular departure time for teachers and at the completion of all of their on-site job obligations. This reduced on-site obligation has been agreed upon with the explicit understanding that it will not be interpreted or applied so as to (1) diminish and/or expand any services whatsoever, or (2) cause classroom teachers to assume any of the non-classroom teachers' responsibilities. The on-site obligation of School Psychologists will become effective upon signing of this Agreement and approval by the Board of Education.

e. Non-School Based – Support Service Provider (D table): Support service providers paid on the Special Services Table assigned to a region or central office and/or any non-school based location, including but not limited to Pupil Services and Attendance Counselors (PSA), Psychiatric Social Worker (PSW), Organizational Facilitators, and System

## Article IX – Hours, Duties, and Work Year

of Support Advisers (SOSA), are to have a daily scheduled on-site obligation of eight hours (exclusive of duty-free lunch).

d. f. All non-classroom teachers and support service providers shall remain on site when necessary to perform the duties described in Section 4.0 which are appropriate to their work.

e. g. Multiple schedules, such as staggered or offset session schedules, shall not result in an increased workday for non-classroom teachers and support service providers.

3.6 Pupil-Free, Minimum and Shortened Days: The normal schedule of minimum on-site hours for all employees is also to be observed on such days as pupil-free days, and is also to be observed on minimum days and shortened days unless early dismissal of staff is authorized by the immediate administrator.

4.0 Other Professional Duties: Each employee is responsible not only for classroom duties (or, in the case of non-classroom teachers, scheduled duties) for which properly credentialed, but also for all related professional duties. Such professional duties include the following examples: instructional planning; preparing lesson plans in a format appropriate to the teacher's assignment; preparing and selecting instructional materials; reviewing and evaluating the work of pupils; communicating and conferring with pupils, parents, staff and administrators; maintaining appropriate records; providing leadership and supervision of student activities and organizations; supervising pupils both within and outside the classroom; supervising teacher aides when assigned; cooperating in parent, community and open house activities; participating in staff development programs, professional activities related to their assignment, independent study and otherwise keeping current with developments within their areas or subjects of assignment; assuming reasonable responsibility for the proper use and control of District property, equipment, material and supplies; and attending faculty, departmental, grade level and other meetings called or approved by the immediate administrator.

4.1 Lesson plans or evidence of planning in a format appropriate to the teacher's assignment, shall be furnished by each classroom teacher upon request from the teacher's immediate administrator. No special format for a lesson plan shall be required.

4.2 All duties required of each employee shall meet the test of reasonableness, and shall be assigned and distributed by the site administrator in a reasonable and equitable manner among the employees at the school or center to minimize significant impact to the employee's core duties and workday.

4.3 Faculty, Departmental, Grade Level, Staff Development and Committee Meetings: No employee shall be expected to attend more than 30

## Article IX – Hours, Duties, and Work Year

such meetings per school year (but not more than four in any month). Exempt from this limitation are administrative conferences with individual employees, meetings on released time, community meetings, voluntary meetings and meetings necessitated by special circumstances or emergencies. In secondary schools, under special circumstances, only one of the above meetings per month may be held during the employee's preparation period. These meetings should not, except in special circumstances or emergencies, exceed one hour in duration. Agendas for faculty meetings are to be distributed twenty-four hours in advance, and employees shall be permitted to propose agenda items. Employees shall be permitted to participate in discussions during the meetings. If a meeting is scheduled after school, it should be started as soon as practicable after the student day is completed.

4.4 Meeting on the Two Pupil-Free Days: Site administrators shall make a reasonable effort to limit required meeting time on the two pupil-free days (see Section 10.0c.) in order to provide time for class and room preparation. Such meetings are not to exceed 3 hours each day total unless a majority of the involved faculty consents.

4.5 Required Orientation In-Service for Teachers: Pursuant to California Code of Regulations 80026.5, classroom teachers serving on a full-time emergency permit shall attend two (2) 8-hour days of unpaid orientation in-services prior to the commencement of their first full-time teaching assignment as authorized by the emergency permit. Such employees who cannot attend the required in-service prior to beginning their teaching assignment shall attend the next scheduled UTLA/District sessions for an equivalent amount of time on an unpaid basis. Emergency permits for such employees cannot be renewed unless the above orientation in-service requirements are met. Required topics for the in-service shall incorporate state requirements and District priorities. Training shall be conducted by QED-C trained personnel or other personnel using QED-C developed modules in District-wide, cluster, complex, or school meetings.

5.0 Duty-Free Lunch: Each employee shall, except in emergencies or special situations requiring intensive supervision, be entitled to a duty-free lunch period of not less than thirty (30) minutes, as scheduled by the site administrator.

5.1 The normal elementary lunch break shall be not less than 30 minutes and not more than 45 minutes (of which 30 minutes are duty free). Any lunch break longer than 45 minutes shall require agreement between the site administrator and a majority of the staff. The UTLA Chapter Chair is to assist in determining the desires of the staff.

6.0 Secondary Preparation Period: Each regular full-time secondary classroom teacher (including full-time CTE teachers and Teacher Librarians) shall be assigned five scheduled class periods weekly as preparation periods. Preparation periods are to be used for professional duties including preparation for class and conferences with parents, students and staff members;

## Article IX – Hours, Duties, and Work Year

during the preparation period the employee shall not be expected to perform supervisory or classroom teaching functions except as reasonably needed to provide such services during school related activities, during emergencies, or when replacement or auxiliary pay is received pursuant to Article XIV, Sections 25.0 and 28.0. Preparation periods scheduled during the first period of the instructional day are to be distributed equitably among the staff over a period of time.

7.0 Elementary Preparation Period: Each regular elementary classroom teacher shall be provided with a daily period of preparation of 27 minutes within the minimum on-site obligation (17 minutes before school, 10 minutes after school). Additional preparation time may be provided to classroom teachers during time students receive arts instruction from certificated personnel. Additional preparation time shall be scheduled and provided as determined by the school. In order to provide such preparation time, the District shall assign personnel other than classroom teachers to perform regularly scheduled non-classroom supervision duties (such as supervision of grounds and bus arrival/departure) during those periods of time. Preparation periods are to be used for professional duties including preparation for class and conferences with parents, students and staff, and shall not be used for supervisory duties except as provided below. Faculty meetings are not to be scheduled during the morning preparation period except in schools where a majority of the affected employees has approved of such a schedule. In situations where the other personnel are not available to cover the supervision, classroom teachers may be assigned such duties on a rotating basis, but for such time shall be paid at the employee's regular rate of pay; provided, that additional pay shall not be authorized for any of the following:

- a. Supervision reasonably assigned on inclement weather schedule
- b. Emergency crisis situations (e.g., earthquake, flood, fire, civil disturbance); or
- c. Supervision of the teacher's students to and from the classroom; or
- d. Any normally assigned basic duties apart from the above described non-classroom supervision.

7.1 Educators shall utilize Elementary and Secondary preparation time for professional duties including those listed in Sections 4.0, 6.0 and 7.0 above. Any period-by-period training or meeting conducted by administration shall count towards the 30 faculty meetings outlined in section 4.3 above.

7.2 The above rules are applicable to regular elementary programs. Elementary teachers who are in programs which are combined with

## Article IX – Hours, Duties, and Work Year

secondary and which are departmentalized and include a secondary preparation period, are to be covered by the rules applicable to secondary teachers. If, however, in a combined elementary-secondary program the teacher remains in a situation which is equivalent to the regular elementary pattern, he or she shall be covered by the basic elementary rules; those teachers in that program who remain covered by the secondary rules shall not have their supervision duties increased as a result of the relief granted to the elementary teachers.

7.3 Elementary Supervision Time: Except as provided below, the District shall assign personnel other than classroom teachers to perform regularly scheduled non-classroom supervision duties (such as supervision of grounds and bus arrivals/departure) during recess or lunch, or during the period of time following the 10 minute preparation period at the end of the school day. In situations where the above-assigned personnel are not available to cover the supervision, or other compelling circumstances exist, classroom teachers may be assigned such duties on a rotating basis but such assignments and pay shall be as provided herein, below.

a. The additional pay shall not be authorized for non-classroom teachers or for any of the following situations involving classroom teachers:

- (1) Supervision reasonably assigned on inclement weather schedules;
- (2) Emergency crisis situations (e.g., earthquake, flood, fire, civil disturbance);
- (3) Supervision of organized student activities and student organizations;
- (4) For teachers who have a "T+" or coordinatorship differential which covers the supervision duties (provided that, in such cases, the District shall not impose new supervision duties which are unrelated to the purpose of the coordinatorship);
- (5) Supervision of the teacher's students to and from the classroom; or
- (6) Any normally assigned basic duties apart from the above-described non-classroom supervision.

b. Assignment and Pay for Supervision: Commencing at the start of any school year, elementary teachers shall be permitted to place themselves (on a voluntary basis) on a "first call" list for paid supervision duties as needed, with the understanding that such services will be paid at the Extended Teaching Assignment hourly rate (Appendix E, Section 6.0). If from time to time the demand for paid supervision exceeds the capacity

## Article IX – Hours, Duties, and Work Year

of the volunteer "first call" list, the remainder of the teachers will be subject to assignment on a rotating, non-voluntary basis, but will be paid at the individual's own regular rate of pay.

c. The above rules are applicable to regular elementary programs. Elementary teachers, who are in programs which are combined with secondary and which are departmentalized and include a secondary preparation period, are to be covered by the rules applicable to secondary teachers. If, however, in a combined elementary-secondary situation the teacher remains in a situation which is equivalent to the regular elementary pattern, he or she shall be covered by the above basic elementary rules, and the teachers in that program who remain covered by the secondary rules shall not have their supervision duties increased as a result of the relief granted to the elementary teachers.

8.0 Additional Special Education Non-Classroom Time: Resource Specialist Teachers and Special Day Class teachers have supervisory responsibility for each student's total instructional program throughout each school day. The aggregate or composite of the individual IEP's is the primary determinant of such teachers' daily schedules. Consistent with such responsibilities and IEP requirements, the District shall make a reasonable effort to provide an expanded period of time for the purposes of counseling, assisting regular program teachers and preparation/conference by:

- a. Integrating (mainstreaming) the students into regular classes and/or
- b. Arranging for team teaching or other flexible scheduling of students within the Special Education program at the site. Such additional time is not guaranteed, but if provided, is to be in addition to the preparation time specified in Sections 6.0 and 7.0 above. Administrators shall make a reasonable effort to schedule a number of shortened days to accommodate some of the IEP conferences which Special Education teachers attend.

9.0 Variations and Experimental Situations: It is not the desire of UTLA or the District to discourage reasonable experimentation with school schedules which may vary from the above-described normal patterns. However, affected employees and UTLA shall be consulted with respect to any such variations prior to implementation and approval of a majority of the faculty shall be obtained.

10.0 Work Year: Employees may be assigned or reassigned to any of the following bases of assignment, provided that such change in assignment basis shall not be made for the purpose of depriving employees of holiday or accrued vacation benefits:

## ARTICLE IX-A

### ASSIGNMENTS

1.0 General: This Article is a composite of contractual items previously contained in Article IX (Hours) and Article XXXI (Miscellaneous). They have in several cases been reworded and/or placed in different order for purposes of clarity.

#### 2.0 Uniform Staffing Procedures For All K-12 Schools:

a. Creation and Posting Of Matrix: Approximately four weeks prior to the day teachers on any schedule finish service for the school year or four weeks before classes are selected, the site administrator shall prepare and post a matrix indicating the tentative number of classes for each subject/grade level. The parties acknowledge that the matrix is based on projections and therefore subject to change. The site administrator shall specify any special credentials, necessary qualifications and any differentials, along with the requirements to qualify for the differentials. In order to provide adequate planning time, teachers shall be notified of tentative assignments as soon as feasible, but not later than twenty-one (21) calendar days prior to the teacher's last scheduled work day. Teachers shall also be notified, as soon as feasible, of a change in the tentative assignment. If a teacher is notified of a change of assignment within five (5) calendar days prior to the assignment (first student instructional day), upon request, the teacher shall receive up to the equivalent of two (2) days in paid status as preparation time for the assignment. In order to receive the equivalent of two days of preparation time, the change of assignment must affect the majority of courses taught in a secondary assignment, and require a preparation for a course not in the previous assignment. In the case of a change of assignment that does not affect the majority of the courses taught, but does require a preparation for a course not in the previous assignment, the teacher, upon request, shall receive the equivalent of up to one (1) day of preparation time. The scheduling and configuration of such time shall be in release time and/or additional paid time, and shall be mutually agreed upon between the teacher and the site administrator. In any event, however, the time must be utilized by the end of the second week of student instruction.

b. Requests: Teachers with the specified credentials and required qualifications ("qualified") may request assignment to their grade level (elementary), specific class(es) within a department (secondary) using a teacher preference form or other locally determined method.

## Article IX-A – Assignments

Submission of this preference form shall serve as a request for the assignment. Teachers on leave who are scheduled to return to service should participate in the selection process.

c. Elementary School Assignments: Employees in elementary schools and in programs such as Early Education Centers, development centers and ungraded programs shall be deemed a single group for assignment purposes. In each of these schools, grade levels and classes shall be made pursuant to the following procedure.

d. Multi-Grades in Elementary General Education Classrooms: Every effort shall be made to avoid multi-grade classes in the general education program. Should a combination class be created, the site administrator in consultation with the grade-level chair will assign the multi-grade class(es) equitably among teachers assigned to the affected grade levels year-to-year. Priority consideration shall be given to combination classes when assigning paraprofessional support.

In schools with student enrollment of greater than 175 in grades UTK-5, general education teachers assigned to teach in a multi-grade classroom after norm day in order to comply with contractual class size minimums, shall be eligible to receive the following:

- i. A stipend of \$600 per semester in which the multi-grade assignment is in effect.

- (1) Grade Levels:

- (i) The site administrator, after consultation with the chapter chair, shall determine the percentage of permanent teachers and the percentage of non-permanent teachers that are expected to be assigned to the site during the school year for which the assignments are to be made. The site administrator shall then indicate on the matrix the number of positions by grade level that are available for the assignment of otherwise qualified permanent and non-permanent teachers, respectively. The percentage of all the positions that are made available to otherwise qualified permanent teachers by each grade level and by all grade levels as a whole, shall reasonably approximate the percentage of permanent teachers at the site.
- (ii) After the site administrator indicates the positions available for otherwise qualified

## Article IX-A – Assignments

permanent teachers, the permanent teachers at the site shall request assignment to the grade level positions for which they are qualified and which are available to permanent teachers. Permanent teachers shall be allowed to make their requests before the site administrator assigns a non-permanent teacher. The site administrator shall assign such permanent teachers who are otherwise qualified to the grade level openings available to permanent teachers on the basis of District seniority. The only exception shall occur when the site administrator reasonably determines with documentation that any specific assignment is not in the best interests of the educational program. If the exception determination is disputed, the dispute resolution procedure in subsection e below shall apply.

- (iii) The site administrator shall then assign the non-permanent teachers to all the grade levels so that the percentage of otherwise qualified non-permanent teachers assigned to each grade level and to all grade levels as a whole, reasonably approximates the percentage of non-permanent teachers at the site. Such grade level assignments of non-permanent teachers shall be for a period of two years unless the site administrator subsequently determines with documentation that any specific assignment does not meet educational program needs or the site administrator and the teacher otherwise agree.

- (2) Classes: The site administrator shall assign all teachers at these sites to classes.
- (3) Sections 2.1 and 2.2 apply in the circumstances described therein.

e. Secondary School Assignments: For employees in each secondary school and in special education, wherever located, assignment to department and classes shall be made pursuant to the following procedure.

- (1) Departments: The department in which a permanent teacher is considered for assignment purposes shall be the one in which the teacher has taught for the

## Article IX-A – Assignments

major portion of teaching time during the most recent six semesters of classroom teaching experience. This recent experience provision shall not apply when a teacher applies to a position unfilled after all teachers in the department have had the opportunity to submit requests.

- (2) Classes: Classes within a department shall be distributed by the principal (or designee) in consultation with the elected department chairs, in a fair and equitable manner, taking into account seniority, qualifications and educational program needs.
- (3) Sections 2.1, 2.2 and 2.3 apply in the circumstances described therein

f. Dispute Resolution Procedure (Elementary Grade Assignments For Permanent Teachers): If differences arise as the result of the site administrator's assignments of permanent teachers (but not as the result of the assignment of non-permanent teachers, whose assignments are not subject to any dispute resolution or grievance procedure) pursuant to subsections c and d immediately above, the determination as to whether the assignment was inappropriate shall be handled under the procedures of Article V-A.

g. Dispute Resolution Procedure (Secondary Class Assignments For Permanent Teachers): In the case of a dispute as to the assignment of a permanent secondary teacher to classes (but not as the result of the assignment of non-permanent teachers, whose assignments are not subject to any dispute resolution or grievance procedure), the dispute shall be resolved solely pursuant to the procedures of Article V-A, subject to the following:

- (1) Assignments to leadership classes and all athletic assignments shall not be subject to any dispute resolution procedure.
- (2) The Joint Panel charged with resolving the dispute under Article V-A shall have the authority to overrule a site administrator's secondary class assignment only upon a specific finding that the assignment is arbitrary and capricious. The decision of the panel shall be final and finding.

h. Alleged violations of the procedures set forth in subsections e and f above are subject to the grievance procedure of Article V; the substance of the assignment decision is not.

## Article IX-A – Assignments

2.1 Staffing Procedures After Initial Selection Through The Fifth Week of School: The following procedures apply to staffing decisions which occur after the completion of the initial spring selection process and before norm date or the end of the 5th week of school (whichever is sooner):

a. The principal shall notify the UTLA Chapter Chair of all openings and vacancies. The principal and department or grade level chair working together shall reasonably determine who will fill the opening or vacancy.

b. In doing so, they shall utilize the teacher preference forms or locally determined method for identifying teacher preference and shall take into account seniority and educational program needs.

c. If agreement is not reached or if the parties prefer, the openings and vacancies shall be filled by a new hire, transferee, substitute, or auxiliary assignment.

2.2 Staffing Procedures After Norm Day: If an opening or vacancy occurs in a teaching position, that vacancy shall be filled by a new hire, transferee, substitute, or auxiliary assignments (secondary).

2.3 Staffing Procedures For Spring Semester In Secondary Schools: Any opening or vacancy shall be filled pursuant to Section 3.2 of this Article.

### 3.0 Department and Grade Level Chairpersons:

3.1 Department/grade level chairpersons shall, if the affected employees desire, be elected annually by the employees in the department or grade level, excluding substitutes and contract pool teachers. Except in shortage fields as provided below, Chairpersons shall be required to have permanent status and in secondary schools shall be required to possess a regular credential in their subject field unless there are no candidates fitting these qualifications. However, in the secondary shortage fields identified by the District (e.g., math and science) employees may be candidates for election if they hold contract status and have provided satisfactory service in the department for a minimum of the two previous years. In secondary schools, the vote shall be weighted by the number of periods taught by each employee who works in the department in secondary schools. For voting purposes in elementary schools, combination classes shall be deemed to be at the grade level of the majority of the students in the class. Elected chairpersons are subject to removal only for cause, and disputes arising from such removals shall be subject to expedited arbitration the same as suspensions.

## Article IX-A – Assignments

3.2 Department Chairs shall, as a minimum, have the right to consult with, and make recommendations to, the site administrator or designee with respect to allocation of the department's budget funds, establishment of the department's class offerings, assignments of department members to specific classes, and balancing department classes pursuant to Article XVIII, Section 4.0 (Class Size).

### 4.0 Determination of Whether There Shall Be Coordinator or Dean Positions at School Sites:

a. Prior to this determination, the coordinator or dean job description and differential (if any) shall be posted at the school.

b. With respect to regular program dean positions, determination as to whether there shall be such a position shall be made by the school site administrator in consultation with the Local School Leadership Council.

c. With respect to categorically funded dean or coordinator positions, determination as to whether there shall be such a position is to be made by appropriate statutory site councils.

d. With respect to coordinator positions in the Adult Education Division, determination of whether there shall be such a position at a school shall be made by the Assistant Superintendent for the Adult Education Division. That determination shall be reached after submission of a joint recommendation made by the Principal and the Chapter Chair, or individual recommendations in the event that they do not agree to a joint recommendation. As the Assistant Superintendent makes that determination, he or she shall respond in writing to each of the recommending parties. The following mandated subject areas in Adult Education may have full time coordinators: Elementary Basic Skills (Academic); Secondary Basic Skills (Academic); English as a Second Language, Citizenship, Parent Education, Programs for Older Adults, Programs for Disabled Adults, Vocational Education, Home Economics and Health. In Regional Occupational Centers and Programs (ROC-ROP), departments large enough to warrant a full time coordinator may have full time coordinators.

e. With respect to regularly-funded coordinator positions, determination of whether there shall be such a position shall be made by a majority of the votes cast by bargaining unit members, at the school location, in an election limited to that purpose.

f. Any claims alleging violation of the above procedures shall be subject to the alternate grievance procedures of Article V-A.

## Article IX-A – Assignments

### 5.0 Required Elections of School-site Coordinators and Deans:

Elections for the positions of full time coordinator or dean shall be conducted in the late spring prior to the preparation of the matrix of classes pursuant to Sections 6.0 and 7.0 below. Elections are required for coordinator and dean positions in the following circumstances:

- a. The position must be paid on the Preparation Salary Table;
- b. The position must be full-time. Funding must have been provided for a full-time position in a single school or at one location, or the assignment is for five periods or more in a secondary school, or more than eighteen hours per week in an adult school. (As an exception, if a position was, during the previous year, funded full time by a single funding source and has now been converted to two or more positions, or if two part-time positions are filled by one full-time coordinator at the same school, the selection process in 6.0 shall be followed);
- c. The position does not involve carrying a rollbook; and
- d. The assigned duties of the position do not include providing direct instruction or counseling to pupils on a daily basis.
- e. Elections are not applicable to supplemental coordinatorships such as coaches, athletic coordinators, band, drama, or other differential or stipend earning assignments.

### 5.1 Job Description and Eligibility for School-Site Election of Coordinators and Deans:

- a. Job descriptions for any specially funded coordinator and dean positions shall be determined in the appropriate school-wide plan and/or by the appropriate funding source prior to the election. Prior to the election, job descriptions for other coordinators and deans shall be reasonably determined by the school site administrator, and notice of the available positions and job description shall be shared with the employees of the site.
- b. The site administrator shall request that any eligible candidate for a dean or coordinator position submit a statement of interest. If fewer than two (i.e. zero or one) statements of interest are received from employees assigned to the school or location, the request for submission of statement of interest may be directed throughout all or part of the District.
- c. To be an eligible candidate, a teacher must have permanent status, must have received “meets standard” performance ratings and, in the immediately preceding four years, must not have received any Notices of Unsatisfactory Service and no more than one Notice of Unsatisfactory Act.

## Article IX-A – Assignments

d. An employee from another school or location may, if selected or elected or confirmed, accept the position, but only if such assignment does not result in the displacement of any bargaining unit member during the year of initial assignment.

e. Election procedures for coordinators and deans differ, as described below.

### 6.0 Coordinator Selection Procedure at School Sites:

a. The site administrator shall select one eligible candidate from among the candidates who submitted a statement of interest, to serve in each available coordinator position. The site administrator shall then make public the names of the candidates who submitted statements of interest, and the name of the candidate selected to serve.

b. Bargaining unit members shall determine, by secret ballot vote of a majority of those voting in the Spring, prior to the preparation of the matrix, either to confirm or not confirm each coordinator candidate selected by the site administrator. The election shall be jointly supervised

and conducted by the site administrator and the chapter chair. Each employee's vote shall be proportionate to the number of hours/days the voter is assigned to the school site. At those school locations where there are both magnet and regular programs, the election is to be limited to the employees in the programs that the coordinator position is to serve.

### c. Post-Election Procedures:

(1) If a candidate selected by the site administrator receives a majority of the votes cast (50% + 1), the candidate is confirmed. The site administrator then need not declare the position vacant or submit a new nomination for up to two years (except that a coordinator's first term shall be limited to one year.)

(2) If the candidate is not confirmed by a majority vote, the site administrator and chapter chair shall immediately inform faculty members that the coordinator position is still vacant. If the non-confirmed candidate received 40% - 50% of the votes, that candidate and other interested candidates may submit statements of interest within 24 hours in a single-track school. The site administrator and chapter chair shall then seek to mutually agree upon the coordinator selection from among those candidates who submitted statements of interest within the time limits above. The coordinator who is

## Article IX-A – Assignments

selected will serve for up to two years except that the initial term shall be limited to one year.

- (3) If the administrator and chapter chair do not reach agreement within a period of three (3) days following submission of the statements of interest, the selection authority will be delegated to a two-member team from the District/UTLA Dispute Resolution Panel formed pursuant to Article V-A above. They will make the decision within an additional period of three (3) days. They shall review all statements of interest submitted, and be permitted to seek further information regarding the candidates from the site administrator, the chapter chair, and from the school faculty prior to making the final decision. The coordinator selected will serve for up to two years except that the initial term shall be limited to one year.

d. With respect to Adult Education Programs at any branch locations or in Adult Basic Education (ABE) programs, the confirmation election for coordinators shall be by majority of votes cast for a candidate by the teachers at the branch location or within the program at a site. Elections shall be conducted on the basis of one vote per teacher. A teacher working in more than one location, may vote at each location.

- (1) Coordinators in programs which are funded by an outside agency or through performance-based contracting shall be reasonably selected by the Adult Division in consultation with the contractor or outside agency.
- (2) A certificated SIS Coordinator in Adult School shall be subject to confirmation elections.

### 7.0 Dean Election Procedure at School Sites

a. The school site administrator in consultation with Local School Leadership Council (or equivalent) shall determine whether or not a Dean position shall be established at the school. Bargaining unit members at the school location shall annually elect, in the Spring prior to the preparation of the matrix, all bargaining unit member deans from among the qualified candidates who submitted statements of interest.

Each vote shall be proportionate to the number of hours/days the voter is assigned to the school location. Election to a dean position requires a majority of the votes cast.

## Article IX-A – Assignments

b. At those school locations where there are both magnet and regular programs, each dean shall be elected annually by the bargaining unit members of any program they serve.

c. These elections are to be supervised jointly by the site administrator and chapter chair.

d. Alleged violations of the above procedures shall be resolved pursuant to Article V-A.

8.0 Filling Vacancies After Norm Day: If a vacancy occurs in a dean or coordinator position after norm day or the end of the fifth week of the semester, whichever is sooner, the site administrator shall make an interim appointment to fill the vacancy until the end of the semester. Prior to the next semester, the procedures in Section 6.0 (coordinators) and 7.0 (deans) above shall be utilized to fill the position for the next semester. If the vacancy is filled by an interim appointment from the current staff, the interim appointee's former position shall be filled by a substitute or employee on temporary assignment.

9.0 Five-Year Out-of-Classroom Assignment Limitations at School Sites: At school sites, there is a five-year limit on out-of-classroom assignments such as coordinators and deans, but excluding librarians, counselors, nurses and personnel paid on the Support Services Salary Schedule. Also exempt from the five-year rule are (i) employees whose assignment requires direct instruction to or supervision of students at least 50% of the time, and (ii) an employee who is named in a continuing grant and whose compensation is at least 50% funded by that grant.

- a. Employees who fill the on-site positions that are subject to the five-year rule will be selected pursuant to the above provisions. The five-year rule is an outside limit, and does not establish a minimum term or a right to serve for any given term.
- b. Employees who wish to extend their out of classroom assignment beyond the five-year limit must declare their desire to continue and a qualifying secret ballot election will be held to determine their eligibility to become a candidate. If the incumbent receives the approval of 2/3 of the employees voting, the incumbent will qualify to become a candidate to fill an out-of-classroom position. In the subsequent secret ballot election for the position pursuant to Section 6.0 above, the candidate (including the incumbent if eligible) who receives a simple majority of those voting shall be considered elected and a new five-year maximum limit will run from the effective date of that assignment.

## Article IX-A – Assignments

- c. Claimed violations of the above five-year limitation rules and procedures shall be handled solely under the Alternative Grievance Procedures of Article V-A.

### 10.0 Five-Year Out-of-Classroom Assignment Limitations at Non-School Sites:

Subject to the exceptions set forth below, all employees who are assigned to nonschool positions within the bargaining unit (excluding librarians, counselors, nurses and personnel paid on the Support Services Salary Schedule), shall not be permitted to continue in such positions for more than five (5) years. Appointments to such positions are usually made on an annual basis; there is no assurance of a minimum length for such appointments. When the five year limit is reached, the employee shall not, for a minimum of two (2) years, be eligible for succeeding non-school or non-classroom assignments, except as provided below. The appointing authority should inform all incumbents who will reach the five-year limit by June 30 of the following year, of the fact that their limit is approaching.

The five-year rule for non-school positions does not apply to the following:

- a. Those serving in positions that require direct instruction or supervision of students for at least 50% of the working time;
- b. An incumbent named in a grant and whose compensation is at least 50% funded by that grant;
- c. No other candidate is qualified to fill the position or there are no other applicants for the position. The District will be required to publicize all affected positions in the Spotlight or District Memoranda and with information provided by the District, in a timely manner, and UTLA may in its discretion publicize the position in the United Teacher newspaper. If no other applicant files for a position currently held by a five-year incumbent or a determination is made that no other candidate is qualified to fill the position, the incumbent shall be granted a new five-year limit in the assignment.
- d. If a situation arises due to unanticipated retirement, resignation or termination and there is only one incumbent remaining at that unit location, that incumbent may serve one additional year beyond the five year limit;
- e. An incumbent in a situation where there is no other open bargaining unit position that he/she is able to assume;

## Article IX-A – Assignments

- f. Support Services personnel serving in the Division of Adult and Career Education Occupation Education Program for adults with disabilities;
- g. Adult and Career Education (DACE) exception – after an employee in a non-school non-classroom position has served a full five year term, the position will be announced and the incumbent may reapply. A panel composed of 50% District and 50% UTLA members will conduct a selection process and list the three (3) top candidates in unranked order. The DACE Superintendent will select from the top three (3) candidates on the applicable lists; and
- h. Any other exceptions if mutually agreed to by UTLA and the District.

Claimed violations of the above five-year limitation rules and procedures shall be handled solely under the Alternative Grievance Procedures of Article V-A.

11.0 Secondary Counselor Reassignment [to Teaching Position]: Counselors who are reassigned [to a classroom teaching position] at their current school shall receive written reason for this action upon request. Only a failure or refusal to provide the reasons upon request shall be grievable.

12.0 Uniform Staffing Procedure for Itinerant Assignments: Dependent on the administrative structure of the itinerant department, the District shall provide UTLA Chapter Chairs, who represent itinerant employees as outlined in Article IV, Section 8.3, and itinerant employees with a tentative list of available positions by program for the upcoming school year by region and/or supervisory area ~~or programs/regions/Local Districts/administrative/supervisory areas~~ prior to the distribution of the preference form, however the parties acknowledge that the tentative list is based on projections and therefore subject to change. The tentative list shall be provided at least ten (10) working days prior to the date that itinerant employee preference forms are distributed, and no later than April 15<sup>th</sup> of each academic school year. The tentative list should include the region, and/or supervisory area, program/department, qualifications (e.g. certifications, credentials, authorizations, licenses, training) and the assignment basis.

Chapter Chairs, as outlined in Article IV, Section 8.3, for each itinerant program shall be provided a seniority list indicating the seniority date and credentials of the employees within that program/department. Prior to the assignments for itinerant employees, the supervisor and Chapter Chair of each itinerant program shall collaborate in developing a preference form for employees to make a request for an assignment, and discuss the process to be used in accordance with this section (Article IX-A, 12.0).

## Article IX-A – Assignments

Supervisors shall then assign itinerant employees in order of seniority considering other factors such as District/program need, continuity of services, geography, distance between multiple work locations and the unique/area expertise of the service provider. The only exception shall occur when the supervisor reasonably determines with written documentation that any specific assignment is not in the best interest of the education program. Upon request, written documentation shall be provided to the employee. ~~If the exception determination is disputed, the employee may appeal the initial assignment to the Department Head or designee for final resolution of the matter.\*~~

Effective with the 2026-2027 school year, the District shall make every effort to notify employees of their assignment including region and/or supervisory area and work location(s) changes no less than one (1) week before the end of the school year with the understanding that such assignments are tentative and subject to change. Prior to employees receiving their tentative assignment, the administrator shall review with the Chapter Chair. In the case of a dispute to the region and/or supervisory assignment (exclusive of work location(s)), the dispute shall be resolved pursuant to the procedures of Article V-A following the employee's notification of their tentative assignment.

~~Every reasonable effort will be made to provide employees with the location(s) of their tentative assignment prior to the end of the employee's assignment basis but no later than June 30th with the understanding that the location(s) are also subject to change.~~

Following the notification of assignments (no less than one (1) week before the end of the school year) through norm day, if a vacancy occurs in any region and/or supervisory area, the administrator will notify the Chapter Chair of this opening/vacancy to reasonably determine who will fill the vacancy using preference forms to review employee preferred areas taking into account seniority and program needs. If agreement is not reached, or if the parties prefer, the vacancy shall be filled by a new hire. The process for the identified vacancy/opening concludes after the steps noted above. If an opening or vacancy occurs after norm day through the end of the spring semester that vacancy shall be filled by a new hire.

~~\*Refer to the parties' "Itinerant Assignment Dispute Resolution Process" MOU for the Spring of 2024 and Spring of 2025.~~

### PROFESSIONAL DEVELOPMENT

1.0 Purpose and Goals: Regular professional development and training is essential to the competence and overall effectiveness of all teachers and support personnel, no matter how experienced they may be. Participation in such continued learning is a required professional duty and part of each teacher's basic personal obligation to the profession and to the students of the District. At its best, professional development and continued learning is grounded in the instructional goals and programs of the District and the school, the best practices of successful teachers, and the everyday needs of students and teachers. While no professional development program will accomplish all goals for all participants, it is agreed that all professional development programs and activities -- whether designed and/or delivered by the Central District, a Local District, or the local school -- should seek to achieve the following goals, as applicable:

- a. Be grounded in, or consistent with, the California Standards for the Teaching Profession, and with any applicable State and District mandates, standards, initiatives and/or priorities;
- b. Be appropriately responsive to the site's needs assessment and/or evaluations of similar programs offered in the past;
- c. Deepen and broaden knowledge of subject matter and instructional content; as appropriate, be job-specific and differentiated to meet different experience levels, and designed for cumulative and sustained impact;
- d. Provide a strong foundation in the pedagogy of particular disciplines, assignments and instructional programs, knowledge about the teaching and learning processes, and improvement of the environment for student learning;
- e. Provide knowledge of applicable standards, the differences between standards-based instruction and other forms of instruction, and how to know when students are meeting or progressing toward a given standard;
- f. Be intellectually engaging and reflect the complexity of the teaching and learning processes; and
- g. Encourage and enable teachers to work together to provide consistent instruction and reinforce student progress.

- h. Provide educators access to high-quality PD regarding culturally responsive curriculum.
- i. Provide educators PD on providing students with disabilities access to a Free and Appropriate Public Education (FAPE).
- j. Provide staff assigned to multiple sites and non-classroom staff with PD that is relevant to their assignments.

2.0 Banked Time for Professional Development: See Article IX, Section 3.1, for the minimum on-site obligations relating to the banked time accumulation and schedule. The following terms are intended to facilitate professional development in grades UTK-12:

- a. Professional development "banked" time programs and activities shall be scheduled for Tuesdays throughout the District;
- b. In elementary schools, grades UTK-5/6, such time shall total in the range of 2,100 – 2,340 yearly minutes and shall be accumulated by increasing instructional time by twelve to thirteen (12-13) minutes per day in accordance with the number of designated Tuesdays at 180-day schools. Students will be dismissed 60 minutes earlier than normal dismissal time on all Tuesdays designated by the District (typically 35 - 39 Tuesdays), facilitating the use of the banked time for professional development purposes on those days;
- c. In secondary schools, grades 6/7-12, such time shall total in the range of 2,100 – 2,300 yearly minutes and shall be accumulated by increasing instructional time by twelve to thirteen (12-13) minutes per day in accordance with the number of designated Tuesdays at 180-day schools. Students will be dismissed 60 minutes earlier than normal dismissal time on all Tuesdays designated by the District (typically 35 - 39 Tuesdays), facilitating the use of the banked time for professional development purposes on those days;
- d. The required number of yearly instructional minutes remains the same as without banked time, and there are no changes in the length of the teacher's minimum daily on-site obligation;
- e. Minimum and shortened days are scheduled and used separately from this banked professional development time, and the two are not to be combined;
- f. Faculty meetings (see Article IX, Section 4.3) are not to be conducted on banked professional development time; and professional development meetings on banked time do not count toward the permitted number of meetings under Article IX, Section 4.3; however, if PD extends beyond the regularly scheduled banked time, that time shall be deducted from the next scheduled faculty meeting.

g. One-half of the annual total of banked professional development time shall be dedicated to programs or activities (including teachers working with one another and with site administrators to improve instruction) which are determined at the school site by the Local School Leadership Council (LSLC) pursuant to Article XXVII, Section 2.4. If the banked time professional development as noted above is school determined and intended for educator planning, the LSLC will determine the protocol for evidence of participation and planning in alignment with the instructional initiatives outlined in section 1.0 of this Article (e.g. providing a sign-in and meeting agenda). Any such program or activity, including transportation, must be cost neutral to the District. The other half of annual banked professional development time shall be dedicated to programs and/or activities determined by the District, acting through the site administrator, the Local District or the Central office.

3.0 Professional Development Advisory Committee: In order to ensure effective input from UTLA and certificated staff in the development and implementation of the District's staff development programs, there shall be formed a Professional Development Advisory Committee (PDAC). The PDAC shall meet at least once a month to review, discuss and provide recommendations to the Superintendent or designee regarding the development and implementation of the District's professional development programs. The PDAC composition and responsibilities shall be as follows:

a. Each party may appoint up to eight (8) members to the PDAC for the purpose of representing each local district. In addition, there shall be one member designated by the Superintendent and one designated by the UTLA President. The Superintendent's designee shall serve as Chair of the Committee.

Coaching program, including matters such as Instructional Coach training, utilization, and program evaluation.

c. In addition to the foregoing, the function, purpose and immediate task of the PDAC shall include designing a collaborative structure for the delivery of effective professional development to include the following concepts:

- (iv) The information, procedures and instruments referred to above are intended to assist schools with delivering effective professional development according to research and evidence-based practices that will be most effective for each school and will enhance student achievement.

d. The PDAC shall agree on the maximum number of UTLA and District representatives for Local District Professional Development Advisory Committees (LDPDACs). The purpose and function of the LDPDAC shall be to provide recommendations regarding the following:

- (i) In collaboration with the local district leadership team, provide assistance, resources, suggestions and support to their local schools in making the most effective data based professional development decisions.
- (ii) Evaluate data and assessments of professional development and use this information to make recommendations regarding future professional development activities and delivery models to the local schools.

e. The PDAC shall have the responsibility for ensuring that the LDPDACs are acting in a manner consistent with the concepts and guidelines set forth herein.

4.0 Program Evaluation: At the conclusion of each professional development program, activity or session conducted (whether initiated by the District, the Local District or by the site), the opportunity shall be provided for

written evaluation by all participants, to assess the quality and effectiveness of the program and of the presentations, and to provide suggestions for improvement. Whoever was responsible for selecting and/or arranging the program is expected to prepare a brief summary of the evaluation results, and distribute same to the Local School Leadership Council (if the program was provided at the school), the working committee which has responsibility for the subject matter, and the Professional Development Advisory Committee.

5.0 Common Planning for Middle Schools: Common Planning is intended to be used when the teachers share assignments, or organizational structures (such as Small Learning Communities, Houses, Departments, or Teams) or when other program considerations (such as bilingual instruction) suggest that doing so would encourage professional collaboration, and when the requisite approvals have been attained. The participating teachers shall plan the content and activities for Common Planning, for administrative review.

6.0 Teacher Professional Development Projects: Three bargaining unit members shall be selected by UTLA for the purpose of working collaboratively with the District on identified professional development projects. Two existing bargaining unit members shall continue in their current positions working with the National Board Certification (NBC) program and Point Credit/New Teacher Academy until expiration of their five-year term unless extended by mutual agreement. The newly established third position will also work in the area of professional development.

The supervision and evaluation of the above three employees and a determination of their responsibilities shall be determined by the Superintendent and the UTLA President or their designee.

### TEMPORARY REASSIGNMENTS PENDING INVESTIGATION

1.0 Consultation Meetings Regarding Temporary Reassignments Pending Investigation and Resolution of Allegations of Misconduct: The LAUSD Chief Human Resources Officer Chief of School Operations, or designee shall meet with the UTLA President or Executive Director at least once per month to report and discuss the status and duration of the investigations of reassigned employees.

2.0 Basis for Temporary Reassignment: Temporary Reassignments pending investigation are not to be regarded as an indication of culpability or a punitive action. If the allegations give rise to concerns about student, staff or workplace safety and security, a temporary reassignment may be made. If the alleged misconduct, even if true, would not give rise to such concerns, the employee under investigation is to remain assigned at the site during the investigation. Also, employees who have been made aware of the fact that they are under investigation are obligated to avoid any direct or indirect contact with potential witnesses or any other conduct affecting the integrity of the investigation, and may be reassigned due to failure to do so.

3.0 Notice of Reasons for Temporary Reassignment Pending Investigation: In the event of a temporary reassignment to a different school (or to home), the employee shall be notified within five work days of the general nature of the allegations, the year in which the alleged incident triggering the reassignment occurred, and the category of the alleged victim, i.e. student, employee, school-related adult, or other community member.

4.0 Time Goals for Completion of Administrative Investigations: Student, staff, and workplace safety and security shall be the primary factor in determining the length of time for completion of investigations. The parties agree that administrative investigations of reassigned employees should be completed as quickly as practicable, with a goal of ninety (90) work days. The parties recognize that factors such as investigations involving outside law enforcement agencies and/or the District Inspector General may impact the District's goal of achieving completion of administrative investigations within ninety (90) work days. Should the District anticipate the investigation continuing beyond the goal of (90) work days, the district will notify the employee and UTLA and provide a reason(s) for the delay no later than five work days prior to the 90<sup>th</sup> work day. This requirement regarding notification of delay and reason for delay does not apply to (1) investigations involving law enforcement, (2) investigations pending

5.0 Notice of Completion of Investigation: Within 15 work days following Upon the completion of the investigation, conducted by SSIT, the district shall furnish a notice to the employee apprising the employee of the completion of the investigation. The District will determine next steps, and notify the employee of the results of the investigation and of any impacts upon their reassigned status. ### EDUCATOR DEVELOPMENT, SUPPORT AND EVALUATION

1.0 Purpose: The purposes of these procedures are to encourage a career long growth model of educator development and support, evaluate employee performance, provide assistance and remediation to employees whose performance is less than satisfactory, and continue to improve the quality of educational services provided by employees.

2.0 Evaluator: In support of the evaluation process, the employee's immediate administrator shall be responsible for the evaluation of the employee and assisting the employee in improving performance when necessary. The administrator may delegate these functions to another administrator, and upon the request of an employee, the administrator may assign to an evaluator at the school site who holds the same credential. If unable to accommodate the request, a reasonable effort will be made to consult with an administrator who holds a credential or certification within the subject and/or content area of the employee being evaluated, but the immediate administrator shall retain ultimate responsibility. As to evaluation of site-based support service personnel, there shall be consultation between the site administrator and the employee's technical supervisor, if any, prior to either one issuing the annual evaluation.

2.1 Peer Observation: Nothing in the article shall preclude UTLA bargaining unit members from voluntarily observing other members and/or providing feedback to the person being observed. Peer observations shall not be used to supplement or supplant administrative observations for the purposes of formal evaluations.

3.0 Frequency: Evaluations shall be made at least once each academic year for probationary or qualifying employees, and at least once every other year for permanent employees. In the case of permanent employees who are deemed "highly qualified" under 20 U.S.C. Section 7801, and have been employed by the District for at least 10 years, the period between evaluations may, in the joint discretion of the evaluator and the employee, be extended beyond the two-year period so that the evaluation may be made once in a three, four, or five-year period, subject to the following limitations:

a. Any such arrangement for an evaluation beyond the two-year cycle requires the joint consent of the evaluator and employee; such

## ARTICLE X – Educator Development, Support and Evaluation

consent is entirely discretionary and individualized, and may be withdrawn by either party at any time.

b. However, (i) the withdrawing party shall provide written notice to the other party to that effect, identifying the reason(s) or cause(s) for the withdrawal, and (ii) the notice of withdrawal should be given before the end of the school year preceding the next intended evaluation, and shall not be given later than the date that the newly reinstated evaluation procedures are to be commenced.

c. Because the Education Code (Section 44664) makes these evaluation-frequency decisions entirely discretionary and individualized, any decision to grant, deny or withdraw consent shall not be subject to the grievance procedures of this Agreement. However, claimed violations of the notice provisions of paragraph b. above are subject to grievance procedures.

d. In recognition of the increased time and effort that improvements to the evaluation system entail for both site administrators and teachers, the District immediately will be authorizing extensions of the period of time between evaluations for most employees with ten or more years of experience, from every second year to every third, fourth or possibly fifth year, pursuant to agreement between the administrator and employee, as provided above.

### 3.1 Notification to Employee:

a. An employee who is to be evaluated during a given academic year shall be so notified by site administration, if not by the end of the previous academic year then by the Fall norm day of the evaluation year or the last workday of the 5th week of school, whichever is earlier. In the case of employees first reporting to work at a school within the ten-day period preceding the above Fall notice date, or later, the notice is to be given within ten workdays of the employee reporting to work at the school.

b. Employees newly assigned to a school later than the last workday of the eighth week of the Fall term shall not be subject to evaluation that year, except in situations where the employee does not have permanent status or has received a below-standard evaluation in the previous academic year.

### 4.0 Establishment of Objectives:

a. By the last workday of the eighth week of the academic year, the evaluator and employee shall work cooperatively to establish the employee's objectives for the year. The establishment of objectives shall be accomplished through one or more Initial Planning Conferences to discuss Initial Planning Sheets, proposed objectives and related strategies.

## ARTICLE X – Educator Development, Support and Evaluation

b. For employees newly assigned to the school after the notice period of Section 3.1 but before the last workday of the 8th week of the academic year, the evaluator and employee shall work cooperatively to establish the employee's objectives for the year no later than the last workday of the twelfth week of the academic year.

4.1 Individual performance objectives and overall performance expectations shall relate to, but not necessarily be limited to, the following:

a. Standards of expected student progress and achievement for the grade level and areas of study based on District, special program and local school determinations; and appropriate instructional objectives and strategy-planning methods, instructional materials, and methods of assessing student progress and achievement;

b. Expected employee competence, including but not limited to knowledge of subject matter, adherence to curricular objectives, use of effective teaching and supervision techniques, effective use of time, maintenance of appropriate professional relationships and communications with students, parents, and other staff members, and compliance with District and school rules, policies, and standards;

c. The performance of those duties and responsibilities, including supervisory and advisory duties, to be performed pursuant to Article IX, Hours; and

d. The management of classroom climate and learning environment, with mutual respect and proper sensitivity to such issues as race, gender identity, ethnicity, identified disabilities, and socioeconomic differences.

e. Performance focus elements to be included in individual objectives shall be limited to seven for each employee, all of which are to be drawn from 15 District-designated annual focus elements. Of the seven, three (3) will be designated by the District, an additional three (3) will be selected by the employee, and one (1) will be cooperatively selected by the employee and evaluator; and

f. For non-teaching employees such as counselors, psychologists, PSA Counselors and other support service personnel, performance objectives shall be comparable to the above, but are to be related to the duties of their particular classification.

4.2 If the employee and evaluator are unable to reach agreement upon the content of the objectives, and the employee is dissatisfied with the evaluator's determination, the employee may appeal the matter to the next higher administrative level for resolution. An employee who remains dissatisfied may note on the objectives form that the objectives were not the product of mutual agreement. In such cases the employee's required signature indicates only

## ARTICLE X – Educator Development, Support and Evaluation

receipt and acknowledgment of the objectives which will be used for evaluation purposes.

4.3 During the school year, if performance problems develop or if constraints are identified which will affect the evaluatee's progress toward meeting the established objectives, the objectives may be modified. Either the employee or the evaluator may initiate discussion toward such a modification. If the employee and evaluator are unable to reach agreement upon the modification and the employee is dissatisfied with the evaluator's determination, the employee may appeal the matter to the next higher administrative level as set forth in the preceding paragraph.

### 5.0 Observations, Records, and Assistance:

a. Employees being evaluated shall receive one (1) Formal Observation during the academic year, no later than the last workday of the sixth week of the second semester. The Formal Observation shall be followed by a post-observation conference between the evaluator and employee to discuss the employee's performance toward meeting the individual objectives established pursuant to Sections 4.0 and 4.1 of this Article. The post-observation conference shall occur no later than ten (10) workdays after the formal observation.

b. The ratings for a Formal Observation shall be "Effective Practice", "Developing Practice", and "Ineffective Practice".

c. Employees being evaluated shall receive one (1) Growth Plan visit during the academic year. Performance during Growth Plan visits shall not be rated.

d. If problems are identified during a Formal Observation, Growth Plan Visit, or any other type of observation, the evaluator shall meet with the employee, make specific written recommendations for improvement, and offer appropriate counseling and assistance. Within four workdays of a post-observation conference, post-growth plan visit conference, or other types of conferences in which problems are identified, a copy of records relating to observations, conferences and assistance offered or given, shall be provided to the employee for the employee's information, guidance, and as a warning to improve performance.

e. Provisional and Probationary employees, and any employees whose evaluation cycle has been scheduled as the result of receiving an overall final evaluation of Below Standard for the previous year, are encouraged to pursue additional voluntary Formal Observations and Growth Plan Visits and related guidance and assistance to encourage development opportunities as needed.

f. While the entire evaluation cycle is an inherently collaborative and reflective process, the written "reflection" elements of the

## ARTICLE X – Educator Development, Support and Evaluation

evaluation cycle are to be considered voluntary and optional for the employee.

6.0 Final Evaluation Report: Not less than 30 calendar days before the last regularly scheduled school day of the employee's scheduled work year in which the evaluation takes place, the evaluator shall prepare and issue the Final Evaluation Report in which the employee's overall performance and progress toward objectives is evaluated. The ratings for a Final Evaluation shall be "Exceeds Standards", "Meets Standards", and "Below Standard". Prior to the end of the school year the evaluator shall hold a Final Evaluation Conference with the employee to discuss the content of the Final Evaluation Report. When a Final Evaluation Report is marked "Below Standard," the evaluator shall specifically describe in writing the area(s) of below standard performance, together with recommendations for improvement, and the assistance given and to be given. Comments solely about an employee's number of absences, as long as the absences are within the annual credit of absence hours in accordance with Article XII, Section 12.3 or verified as a protected leave/absence, shall not be included in the employee's final evaluation at the section entitled Professional Responsibilities, Attendance.

6.1 The employee's required signature on the form does not necessarily indicate agreement with its contents, and the employee may attach a written response to each copy of the form within ten working days from date received. Such a written response becomes a permanent part of the record. The employee may also appeal the matter to the next higher administrative level.

6.2 The employee shall be given a copy of the Final Evaluation Report at the conference. A copy shall be placed in the employee's personnel file, and a copy retained by the school or office. Evaluation forms shall not be considered a public record.

6.3 Grievances: Evaluations are not subject to the grievance procedures of Article V, except when the final overall evaluation is "Below Standard." However, if the overall evaluation is "Exceeds Standards" or "Meets Standards" but there is a significant disparity between that rating and the negative comments on the form, the evaluation shall be subject to the grievance procedure on the same basis as it would have been had the overall rating been Below Standard. Expedited arbitration procedures will be utilized when the threshold issue of "significant disparity" is submitted to a preliminary hearing for determination as to whether the case is subject to the grievance procedure (see Article V, Sections 13.0 and 15.0).

6.4 The final overall evaluation rating of "Meets Standards" shall not be treated as the equivalent of "Below Standard" for purposes of accountability as described in other parts of this article or other parts of this Agreement. Additionally, an overall rating of "Meets Standards" shall not be used as grounds for discipline or as grounds to disadvantage the employee for purposes of "skipping" criteria in a reduction in force.

## ARTICLE X – Educator Development, Support and Evaluation

7.0 Inadequate Service by Substitutes: The site administrator may, for cause, issue to a day-to-day substitute employee a notice of inadequate service (ISR). The site administrator shall include a summary of the incident(s) that led to the issuance of the ISR. Such a notice shall, absent compelling circumstances, be issued within ten working days after the date(s) of service, with a copy to the employee (either in person or by certified mail to the employee's address of record). Prior to issuance of such a notice, the site administrator shall make a reasonable effort to contact and confer with the substitute regarding the allegations, and of the substitute's right to a meeting with representation. Upon employee request, a meeting will be held to discuss the matter. The employee may be accompanied by a UTLA representative or a person of the employee's choice, as long as that person is not a representative of another employee organization. The timeliness of the employee's request for a meeting, or the non-availability of the employee or representative shall not delay issuance of the Inadequate Service Report beyond the ten working days period set forth above. In addition to the grievance procedure, the employee may attach a written response to the report within ten working days from date received. The written response becomes a permanent part of the record.

8.0 Evaluation of Substitutes: Substitutes who are continuously assigned to the same location for an extended period (more than 20 consecutive working days) shall be evaluated not less than once each semester by the site administrator at the end of the assignment. Such evaluations do not involve the establishment of specific objectives as in the case of regular teachers, but are to rate preparation, skills, competence, personal qualities, and overall performance, together with recommendations for improving services. Observations, records, and assistance as provided in Section 5.0 shall be applicable.

8.1 Any substitute who receives more than one performance evaluation of less than satisfactory service within the last two years of District service shall not be granted a probationary contract. Any substitute who receives one performance evaluation of less than satisfactory service within the last two years of District service shall be reevaluated by the present immediate administrator for the purpose of determining eligibility for a probationary contract. Any such substitute who receives a less than satisfactory reevaluation shall not be granted a probationary contract.

8.2 Evaluation of Limited Term Personnel: Limited term personnel, such as non-tenured adult Education teachers, are subject to evaluation at any time; however, a teacher shall have the right to be evaluated upon request at the end of the assignment. If the administrator initiates such an evaluation, the observation, records and assistance provisions of Section 5.0 apply.

8.3 Examination References: Those examination references which are deemed by the District as being open and non-confidential are not subject to the grievance procedure, except in circumstances where the examination reference is based upon the same period of time as a previous evaluation but is significantly different from that evaluation. In such cases, if

## ARTICLE X – Educator Development, Support and Evaluation

there is not a reasonable explanation for the difference, the reference may be ordered stricken.

8.4 Evaluation Request Upon Separation of Employment: If either the administrator or employee wishes to process an evaluation at the time of the employee's separation from employment. It shall be done and a copy furnished the employee at his or her address of record. This evaluation process shall be completed prior to the date of separation if the employee has given notice of intended separation at least two weeks prior to the effective date.

8.5 Evaluation of Itinerant Employees: An Evaluation Work Group comprised of three (3) UTLA appointees and three (3) District appointees shall be established to improve the evaluation process for itinerant employees. The Work Group shall meet quarterly and shall provide recommendations to their respective bargaining teams.

### 9.0 Peer Assistance and Review – General Provisions:

a. The Peer Assistance and Review ("PAR") Program is a State-wide program designed by the State of California to provide assistance and guidance to both new and experienced classroom teachers in order to improve their instructional skills. It is intended that the District's PAR Program is to be carried out consistent with the statutory mandates of the PAR Program, and that any provisions of this Article in conflict with that statute (as amended from time to time) are to be deemed conformed to it. It is understood that this Article will not repeat all provisions of the governing statute and will instead focus upon selected aspects of the program. Nothing in the PAR Program is intended in any way to limit the authority of the District to develop additional evaluation and assessment guidelines or criteria concerning teacher performance consistent with State law.

b. The PAR Program is funded by the State of California, and it is not expected or required that the District either directly or indirectly utilize general fund resources for this program. In the event that the State changes the funding mechanism (e.g., by "block granting" the program with others, rather than directly reducing the funding level), the parties will immediately reopen this Article to discuss the impact of the change and the District's response.

c. The PAR Program is intended to supplement and support the Evaluation procedures of Article X, but in no case to replace or supplant those procedures. In no event shall the provision of the services provided by the PAR program, or the completion or outcome of such services, be regarded as an entitlement for any employee, or as a precondition for any evaluation, disciplinary action, non-reelection, contract non-renewal, or statutory termination of employment.

## ARTICLE X – Educator Development, Support and Evaluation

d. The employee recipients of PAR services are referred to throughout this Article as "Participating Teachers," and the providers of PAR services are generally referred to as "Consulting Teachers."

e. Subject to applicable law, the PAR Program within the District is governed by the PAR Panel, whose composition, authority and duties are described in sections 6.0 and 7.0 below. All Consulting Teachers' selections, service assignments, revisions and renewals are at the discretion of the PAR Panel. Because of the significant role played by teachers and UTLA in the PAR process, no disputes or claims relating to the decisions or actions of the PAR Panel or of Consulting Teachers shall be subject to the grievance and arbitration provisions of this Agreement.

10.0 PAR Program Description: There are three service components of the PAR program:

a. Component One provides review, assistance and guidance to permanent teachers who have received either an overall below-standard Stull evaluation or a Notice of Unsatisfactory Service, in either case as a result of below-standard teaching skills. (If such an evaluation or notice has resulted in a grievance which has not been resolved by the commencement of services for the following school year, the teacher shall nonetheless be required to enter the PAR Program at that time.) Full participation by the Participating Teacher is a mandatory duty, to the extent that such services are made available. Component One services are the first priority for the PAR Program.

b. Component Two provides assistance and guidance to non-permanent teachers, with particular emphasis upon the District's instructional priorities and related teaching skills. Component Two services are the second priority for the PAR Program, with teachers assigned to schools of greatest need (based upon the State's Accountability Index rankings) to be served first.

c. Component Three is a voluntary program designed to provide assistance to non-permanent and/or permanent teachers who have been positively evaluated, but who wish to avail themselves of such services in order to improve their professional practices. Component Three services are the third priority for the PAR Program, with teachers assigned to schools of greatest need (based upon the State's Accountability Index rankings) to be served first. The assignment of such services will be directed by the PAR Coordinator.

11.0 PAR Program Support:

a. Subject to the funding and priorities described above, the level of support provided to Participating Teachers shall be:

## ARTICLE X – Educator Development, Support and Evaluation

(1) For Component One, up to 240 hours of 1:1 assistance and review by a Consulting Teacher for each Participating Teacher

(2) For Component Two, up to 120 hours of 1:1 assistance and review by a Consulting Teacher for each Participating Teacher, based upon individual assessments made by the Consulting Teacher.

(3) For Component Three, the support services, including but not limited to staff development training opportunities, would be as determined by the PAR Panel.

b. There shall be three pools of Consulting Teachers as follows:

(1) First are retired employees who apply and meet the qualifications described in section 4.0 below, and are selected as Consulting Teachers. They will be assigned on an hourly basis (X Basis) for up to a maximum of 480 hours annually, and will be paid at their regular hourly rate.

(2) Second are active full time teachers who apply and meet the qualifications described below, and are selected as full time Consulting Teachers by the PAR Panel. They will be assigned a schedule of C Basis or longer, as determined by the Joint Panel, and will also receive an annual stipend of \$4,300 for A Basis, adjusted proportionately to correspond to any shorter assigned annual basis.

(3) Third are active full time regular teachers who apply and meet the qualifications described below, and are selected as hourly service providers by the PAR Panel as a supplemental assignment outside of their regular full time assignment. They will be assigned on an hourly basis (X Basis), paid at their regular hourly rate, and directed by the PAR Coordinator. Also, National Board Certified teachers may be utilized as part of this same pool, as part of their 92-hour obligation, subject to whatever NBC assignment procedures are in effect at the time.

### 12.0 PAR Consulting Teacher Qualifications and Selection Criteria:

a. Consulting Teacher applicants must possess a clear California credential, and must have completed eight years of full-time District service with a satisfactory performance record (in terms of evaluations and service notices) covering the most recent five years.

b. Current employee applicants must have permanent status, must have been a full time classroom teacher for at least three of the preceding five years, and retired employees must have had full time

## ARTICLE X – Educator Development, Support and Evaluation

classroom teacher experience within the three year period preceding application (this last qualification is not required for a retired employee to continue their Consulting Teacher status once appointed).

c. Applicants must be computer literate and have an active email address, and be willing to perform their Consulting Teacher duties at any site in the District as assigned.

d. Applicants must also submit, with their letter of application and resume, a letter of reference from a site administrator and a Chapter Chair (in both cases referring to individuals who are closely familiar with the applicant's work), and also one additional letter of reference from any source selected by the applicant. The PAR Panel may also require all applicants to attend a pre-application orientation session.

e. Applicants will also be expected to demonstrate their success in the classroom, including exemplary teaching experience and implementation of the California Standards for the Teaching Profession; familiarity and facility with various instructional strategies and techniques; knowledge of current educational research on learning theories, classroom management and change processes; experience with the planning, preparation and successful implementation of a standards-based instructional and promotional practices and program; knowledge of content and curriculum for the appropriate subject and grade levels; exemplary knowledge and evidence of creativity and initiative with respect to curriculum, materials and methods; comprehensive knowledge of disciplinary strategies and classroom management; and knowledge of support resources and their use to enhance academic achievement and rigor.

f. Other qualifications include effective interpersonal skills and successful experience working cooperatively with staff, parents/guardians, and community; effective communication skills (oral and written); leadership experience with professional development, including effective demonstration and presentation of skills; strong personal characteristics, including creativity, personal initiative, tact, the ability to handle confidential matters, good judgment and discretion; ability to assess situations and problems, and skill in providing appropriate suggestions and assistance to others; and knowledge of, and ability to coordinate and use available support resources.

g. Other desirable qualifications include, but are not limited to, (a) knowledge of California Content Standards and Frameworks and related instructional and promotional practices, (b) holder of CLAD/BCLAD credential or equivalent, and (c) experience with students with diverse needs, including familiarity with the current Chanda Smith Consent Decree.

### 13.0 PAR Consulting Teacher Duties and Responsibilities:

## ARTICLE X – Educator Development, Support and Evaluation

Establishes lines of communication and a cooperative working relationship with the Participating Teacher and the responsible Principal. The mutual goal of the Consulting Teacher, Participating Teacher and Principal is to improve the performance of each Participating Teacher.

(The Principal or designee continues, while the teacher participates in the PAR Program, to be responsible for the teacher's regular evaluation, including evaluations for any employee who received an unsatisfactory evaluation in the previous year, and related observation and reporting activities.) The PAR performance goals for the Participating Teacher shall be in writing, in a user-friendly format. The supporting activities of PAR and the Participating Teacher are to be set forth in a written plan and calendar for assistance.

## ARTICLE X – Educator Development, Support and Evaluation

### 14.0 PAR Panel Qualifications and Selection:

a. The PAR Panel shall be comprised of nine members, five of whom are appointed by UTLA and four of whom are appointed by the District. The appointing parties shall establish their own criteria for such appointments, but they must have had satisfactory evaluations and service for at least the previous five years and there should be some attempt at balance between elementary and secondary experience.

b. The Panel requires a quorum of seven to determine its required reports to the Board of Education pursuant to Section 15.0 h. Other quorum rules shall be as determined by the Panel. All Panel members shall strive to make Panel decisions by consensus whenever possible, but if that is not possible then the decision will be made by majority vote among those present.

c. Employee members of the Panel shall receive an annual stipend of \$4,300, subject to reduction by the Panel in the event of funding shortages.

d. Panel members shall have the same protections from liability, and same rights to defense, as other school employees (see Education Code 44503 (c).)

### 15.0 PAR Panel Duties and Responsibilities:

b. Maintain appropriate confidentiality as to all Panel business, and sign the confidentiality agreement.

### DISCIPLINE

1.0 Access and Response to Critical Material in Personnel Files:  
~~When~~ if the District receives a letter or other written material which contains allegations critical of an employee's performance or character, or which charges commission of an unlawful or immoral act, the District shall investigate the matter as appropriate, the following conditions shall apply:

a. ~~If the document came from a member of the public, the matter shall first be investigated.~~ Except in compelling circumstances, the employee shall be furnished a copy within 30 days of the District's receipt of the document. The document shall not be either placed in the personnel file or retained by the District unless it is reasonably determined that the allegations have some substance or plausibility. In any event, if the document is either retained and/or placed in the employee's personnel file, the employee shall be given a reasonable opportunity to attach a reply.

b. ~~If the document came from within District personnel, the investigation required by paragraph a. may not be necessary or appropriate, but the remainder of the protections required by paragraph a. including the notice to the employee, shall be applicable.~~

1.1 Exempt from disclosure to the employee are documents which (1) are references obtained from outside the District or prior to employment, (2) were prepared by identifiable examination committee members as part of the examination procedure, or (3) were obtained in connection with a promotional examination.

2.0 Pre-disciplinary Matters: Pre-disciplinary actions such as warnings, conference memos and reprimands are not subject to the grievance procedures except when such documents are placed in the employee's official downtown file, or used as part of a formal disciplinary action (U-Notice or suspension), or overall Below-Standard Evaluation. In the event of a later formal disciplinary action, the document if challenged should not be deemed valid or established unless and until so proven under the normal "for cause" standard.

2.1 Employees shall be permitted to "live down" or "work off" a pre-disciplinary document by the passage of a period of four years without a recurrence of the same or similar conduct (unless a shorter period is agreed to by the parties). After achieving that passage of time, if the document is retained by the administrator (as may be required by law), it should be kept in a separate "expired" file and not become a basis, in whole or part, for a subsequent formal disciplinary action.

ARTICLE X-A – Discipline

CC 3/25/26  
⑩ 3/15/26

3.0 Notices of Unsatisfactory Service or Act, and Suspension

a. Employees may be disciplined for cause. Such discipline may include Notices of Unsatisfactory Service or Act and/or suspension from duties without pay for up to fifteen working days, as authorized by law. When any suspension without pay is imposed, the salary effects of that suspension shall not be implemented until the suspension has become final as provided in this section. Also, for a suspension of more than three days, the fourth and succeeding days of suspension shall not be implemented until the suspension has become final as provided in this section. If the discipline is based upon incompetence, the observation, records and assistance provisions of Article X, Section 5.0 apply.

b. The concept of "progressive discipline," and the prohibition of disparate treatment by an administrator, are to be generally applicable, but with the understanding that circumstances may make progressive discipline unnecessary, and that reasonable diversity and local practices are to be expected.

c. A Notice of Unsatisfactory Service or Act and/or suspension shall not be issued if it is based in whole or part on an event which occurred more than a reasonable period of time prior to the date that the Notice of Unsatisfactory Service or Act and/or suspension was issued.

d. When imposing discipline or when giving reprimands, warnings or criticism, confidentiality and privacy appropriate to the professional relationship shall be maintained.

e. When an administrator has a conference with an employee where it is evident at the time the meeting is convened that the employee is the focus of a possible disciplinary action, the employee shall be notified of the purpose of the meeting, before the meeting takes place, and that it is the employee's right to be accompanied and represented by a UTLA representative or by any other person so long as that person is not a representative of another employee organization. Non-availability of the representative for more than a reasonable time shall not delay the conference. However, this right shall not extend to routine conferences or to any conferences conducted under the evaluation procedures of this Article except for a final conference involving an overall "Below Standard" rating.

f. Prior to the imposition of a Notice of Unsatisfactory Service or Act and/or a suspension or termination, the administrator shall notify the employee (1) that such action is about to be taken; (2) that a meeting will be held to discuss the matter; and (3) that the employee may be accompanied by a UTLA representative or a person of the employee's choice, as long as that person is not a representative of another employee

ARTICLE X-A – Discipline

CC 3/25/26  
Ⓞ 3/25/26

organization. Non-availability of the employee or representative for more than a reasonable time shall not delay the disciplinary action. At the close of or subsequent to the above meeting, the administrator shall announce to the employee (and representative, if any) the discipline to be imposed and immediately confirm it in writing on the appropriate District form. The above meeting may, in emergency situations requiring immediate suspension, be held as soon as possible after the suspension has begun.

g. The recipient of such notice of disciplinary action shall be permitted to file a written statement in response to the Notice, which shall be attached to all copies of the Notice retained by the District.

4.0 Disciplinary Grievances: Notices of Unsatisfactory Service or Act are subject to grievance under Article V. However, if the discipline imposed includes a suspension without pay, and if the employee wishes to obtain review of the decision, a notice of appeal to the office of the Cluster Administrator/Division Head shall be delivered within three days (as defined in Article V, Section 6.0) of receipt of the form. Within three days after receipt of the employee's notice of appeal, the Local District Superintendent or Division Head (or designee) shall hold an appeal meeting to discuss the matter, and shall by the end of the day following, announce a decision. The announcement shall be in person or by telephone, with an immediate confirming letter sent to the employee and representative, if any. Within two days after the above administrative appeal decision is announced, UTLA must, if it determines that the matter is to be appealed to arbitration, notify the District in writing of its intention. UTLA and the District shall select an arbitrator, and the dispute will then be calendared for expedited arbitration pursuant to Article V, Section 15.0. If at any of the above steps the employee or UTLA does not appeal as provided above, the discipline shall be considered final.

4.1 Disciplinary Grievance Hearing Procedures: After the District has taken formal disciplinary action against an employee, and upon request of the Union representing the employee, the District shall furnish the Union with a copy of any written statements taken of students relating to the matter. The District shall not be permitted to have a student witness testify at an arbitration hearing unless the Union has been provided a reasonable opportunity to interview the witness at a time reasonably prior to the date of the hearing. The District shall give UTLA written notice of its intention to call the witness, and assist in making arrangements for the interview so that the interview can take place in coordination with (not necessarily jointly with) the District interview. If the interview is not done jointly, the Union's interview shall be in the presence of a non-involved person acceptable to both the Union and District, who would be authorized to control or terminate the interview in the event of improper conduct of the interviewer. The third person would not be expected to testify except as to issues relating to the improper conduct of the interviewer.

## ARTICLE X-A – Discipline

CC 3/25/26  
3/25/26

4.2 Relationship To Other Proceedings: Any of the disciplinary measures referred to in Section 3.0-a of this Article may be imposed independently of the evaluation procedures of Sections 3.0 through 8.4 of Article X, and independently of statutory suspension/dismissal proceedings. Such discipline shall not be regarded as a pre-condition for a statutory suspension/dismissal proceeding. If a statutory suspension or dismissal proceeding is filed based in whole or part upon the service or conduct which gave rise to the disciplinary proceeding under this Section, then any grievance arising under this Section not yet taken to arbitration, shall be deferred pending resolution of the statutory proceedings.

### 5.0 Accountability for Quality of Performance:

a. In order to ensure that employees are focused on their central mission of performing satisfactorily in the area of teaching methods, instruction and delivery of other services, employees who receive Notices of Unsatisfactory Service or "below standard" evaluations shall be deemed ineligible for service or entitlement to the following during the following school year:

- (i) Voluntary bargain unit member-initiated transfers including employee-initiated transfers for employees time reported from central or regional locations and Early Education Centers;
- (ii) Mentor Service (See also Article XXVI, Section 4.0);
- (iii) Coordinator, dean or department chair positions;
- (iv) Summer session and/or intersession
- (v) Permissive leaves;
- (vi) ~~Exchange of track assignments or exchange days; or~~
- (vii) Auxiliary periods and other auxiliary services involving extra-pay for extra work, but excluding coaching and activity assignments.

### 6.0 Suspension or Reassignment Due to Mental Incompetence:

The District shall, in cases of employee incompetence caused by mental illness, follow the appropriate statutory procedures. Disputes concerning such matters are not subject to the grievance procedures of Article V.

7.0 Arrest Procedures: Whenever if an employee is to be arrested at the school site, the site administrator shall request the police to conduct the arrest at a time and place least visible to the students and staff.

8.0 Procedures Relating to Alleged Child Abuse: When a charge of child abuse is made against an employee and results in the filing of an official Suspected Child Abuse Report, the following procedures are applicable:

a. As soon as the employee is notified of the charge, the alleged victim of the abuse shall be removed from the accused employee's class and reassigned to the same type of class, if available, pending completion of the resulting investigation(s).

## ARTICLE XI

### TRANSFERS

1.0 Transfer Defined: As used throughout this Agreement, the term "transfer" refers to a change of a contract employee's assigned school or time reporting location to another school or location, without changing the employee's classification of employment.

1.1 Types of Transfers: Generally, transfers are either teacher initiated (voluntary) or administrative (normally involuntary and District-initiated).

1.2 Limitations: Teacher-initiated transfers from any one school site in any school year may, at the discretion of the District, be limited to 10% of the employees, or three employees, whichever is greater.

1.3 Compliance with SB 1665 (Scott Bill): Notwithstanding any other provision of this Agreement:

a. All voluntary transfers of teachers to a K-12 school ranked in deciles 1 to 3, inclusive, on the Academic Performance Index shall comply with section 35036 of the Education Code.

b. No priority will be given to a request for a voluntary transfer by a certificated person after April 15 of the school year prior to the school year in which the transfer would become effective if other qualified applicants have applied for positions requiring certification qualification at the receiving school.

2.0 Administrative Transfers: The District may, for any reason not prohibited in the balance of this Article (including the incorporated Appendices) transfer employees when such action is deemed to be in the best interest of the educational program of the District. Whenever possible, the employee shall be notified and counseled regarding the transfer, and written reason(s) for such transfer shall, upon the employee's request, be supplied to the employee.

#### 2.1 Mediation Process:

##### 2.1.1 Mutual Agreement Mediation

a. Within five (5) days after receiving notice of an administrative transfer, a unit member or the Union may request in writing a 30-day mediation period prior to the transfer taking effect. Mediation will occur only upon the mutual agreement of the parties, except as provided in section 2.1.2 below.

b. The District shall respond in writing within five (5) days of such a request as to whether it will mutually agree to the mediation. If the District agrees, the 30-day period shall commence on the date of the District's response. The District's decision not to agree to mediation shall be final and not subject to further review.

c. If the District does not agree to mediation, the unit member or the Union may proceed pursuant to Article V (Grievance Procedure), provided that a grievance must be filed at Step One within 15 days of the District's decision. (Article V, section 8.0.)

d. If mediation occurs but does not result in resolution of the issue(s), the unit member or the Union may proceed pursuant to Article V (Grievance Procedure), provided that a grievance must be filed directly at Step Two within 15 days of the conclusion of mediation. (Article V, section 9.0.)

### 2.1.2 Mandatory Mediation

a. Mediation shall occur if a written request by UTLA, filed within ten (10) days after a unit member receives notice of an administrative transfer, alleges that the proposed transfer occurred for reasons related to the exercise of protected Union activity. In this case, the 30-day period shall commence on the date of the request.

b. If mediation does not result in resolution of the issue(s), the Union may proceed pursuant to Article V (Grievance Procedure), provided that a grievance must be filed directly at Step Two within 15 days of the conclusion of mediation. (Article V, section 9.0.)

### 2.1.3 General Provisions

a. Confidentiality: In order to encourage a professional and harmonious mediation regarding the proposed transfer, it is agreed that from the time a mediation request is filed until the mediation is concluded, neither UTLA, the District nor the unit member shall make public the proposed transfer, the mediation, or information regarding the proposed transfer. This prohibition is not intended to restrict normal interviewing of individuals involved and other necessary preparation for mediation.

b. Mediator(s) shall be jointly agreed upon by UTLA and LAUSD or secured through the California State Mediation Service, on a case by case basis. Any costs of the mediator shall be shared equally by the parties.

4.0 [Hold]

5.0 Voluntary Teacher-Initiated Transfer Program: All appropriately credentialed probationary or permanent teachers are eligible to apply to any school (including ~~year-round schools or magnets~~) in the district where the transfer, Rodriguez compliance, Bilingual Master Plan needs of the receiving or sending school or the instructional program needs of the sending school (except for transfers to Magnet Schools, where the sending school may delay such transfer until the end of the current semester/track or until a suitable replacement is assigned, whichever occurs first). Transfers under this section must meet the above criteria but will not be effected without the voluntary approval of both the employee and the site administrator of the receiving school (or site selection committee in those schools with staff selection rights). Such approval lies within the discretion of both parties and transfers under this section are not subject to the grievance procedure.

6.0 Displacement - Over-teachered Schools: An over-teachered condition exists when there are more qualified teachers than positions at a school or within a program or subject field at a school, or when a program or subject field is reduced, eliminated or moved from a school. When an over-teachered condition exists, the following procedures apply.

a. The local school administrator shall reasonably determine whether and in what program/subject field the over-teachered condition exists and shall inform the faculty of the number of positions being eliminated. (Note Article XVIII, Sections 1.1 to 1.3)

b. An employee may agree to be displaced when an over-teachered condition exists. Such displacement requires the concurrence of the employee and the current principal, may be effected without a current transfer request on file, and shall not affect the employee's right to request a subsequent transfer. Such displacement carries no right to return to the home school. Such a teacher must accept all conditions for displacement and assignment which would have applied to other teachers being displaced.

c. In elementary schools and programs such as Early Education Centers, Development Centers and ungraded programs, all teachers in the program at the site shall be deemed a single group for displacement purposes. In secondary schools, and in Special Education wherever located, displacement shall be by program/subject field and the program or subject field in which a teacher is considered for displacement purposes shall be the one in which the teacher has taught for the major portion of teaching time during the employee's most recent six semesters of regular classroom teacher experience. Within the above categories of employment, when there is an over-teachered condition, the teacher with the least District seniority (see Section 6.2 below) will be displaced unless it is reasonably determined at the discretion of the immediate administrator that such teacher possesses special instructional skills or qualifications needed by the pupils and the educational program at the school and not possessed by another teacher available to fill the need. Additional provisions for Special Education teachers are set forth in paragraph j. below. In a secondary school or program, if the least senior

teacher in the over-taught subject field has at least ten years of District seniority, the teacher shall be permitted, upon request, to change subject fields and thereby cause the displacement of another teacher in the other subject field who has at least five years less District seniority than the initially displaced teacher, but only if the following criteria are met by the more senior teacher:

- (1) Must have taught in the second subject field the equivalent of at least six periods during the most recent six semesters without having received a Notice of Unsatisfactory Service or a below standard performance evaluation;
- (2) Either possesses the requisite specified subject credential or a general secondary credential with a college major or minor or an advanced Degree in the second subject field; and
- (3) Passes the District's examination in the second subject field, if requested by the administrator.

d. District identified disabled teachers assigned to facilities designed for the purpose of accommodating a District identified disability will not be displaced except where the teacher may be displaced to another facility which may reasonably accommodate the identified disability.

e. [Hold]

f. Bilingual teachers teaching in Bilingual Master Plan programs (See Article XI-B) are exempted from displacement, provided they possess Bilingual Certificate of Competence, or "A" Level (high level of proficiency in conversation, reading and writing), or the "B" Level (high level in conversation, satisfactory in reading and writing).

g. Where displacement is required by this Section but each of the teachers within the applicable subject field or elementary school group is exempt from displacement by virtue of some other provision of this Article XI – Transfers Section, the teacher with the least District seniority will be reassigned to another school in the same geographic area.

h. Part-time contract employees described in Article XIII, Section 1.2 (as distinguished from teachers on Half-time Leave and Reduced Workload Leave) shall have no transfer rights. In regard to displacement, such teachers shall have no seniority rights and they shall be retained at a school where a full-time teacher is displaced only when the part-time teacher possesses special instructional skills or qualifications needed by the pupils and the educational program in the school not possessed by a teacher who would be available to fill the need.

i. In Special Education, the least senior teacher in the over-teachered subject field shall be permitted, upon request, to change subject fields at the site within Special Education and thereby cause the displacement of another teacher in the other subject field who has less District seniority than the initially displaced teacher, but only if the following criteria are met by the more senior teacher:

- (1) Possesses the requisite specified subject credential in the second subject field;
- (2) Must have taught, or practiced, in the second subject field or program without having received a Notice of Unsatisfactory Service or a Below Standard Performance Evaluation; and
- (3) Must, in the reasonable judgment of the site administrator, be qualified to teach in the second subject field or program.

In addition, a displaced Special Education teacher may be reassigned to an opening outside of Special Education at the same site, but only if the displaced teacher is properly credentialed and previously served in the regular non-Special Education program at that same site immediately prior to taking the Special Education assignment.

j. After one calendar year, the displaced Special Education teacher who was so reassigned shall have return rights to a Special Education opening at the site for which the teacher is qualified.

6.1 Displacement – Non school-based Support Service Personnel and Driver Safety Instructors: In any situation where a unit of geographic area or office-based support service personnel or Driver Safety Instructors is deemed over-staffed, displacement and transfer to another geographic area or office shall be by District seniority unless the responsible administrator determines that a special need exists analogous to 6.0c.

6.2 District Seniority Number: The seniority number for each employee includes a six digit number representing the year, month and day (660912 = September 12, 1966) on which the employee began probationary employment. The date of probationary employment shall be the actual beginning date of the probationary assignment and not any date of a substitute or temporary assignment which was later deemed to be probationary service for purposes of acquiring permanent status. Each number is followed by a five digit random number. Such random number consists of the last four digits of the employee's Social Security number reversed followed by the sum of the two preceding numbers. When such sum is two digits, the second digit is used. The combination of the date number and random number provides the seniority number. When comparing two employees with the same employment date, the employee with the smaller employment number is deemed to be the senior. Seniority numbers are a matter of public record. The following employees with no seniority number shall be ranked by seniority based upon first date of contract

service within their employment status and then employment status shall be ranked as follows: Provisional are to be deemed least senior, then Temporary Contracts, then University/Individualized Interns. Ties will be broken within status by establishing a tiebreaker number for each employee, using the same method as is used for District Seniority Number.

7.0 District-wide Transfer List: The District-wide Transfer List is a pool of employees who are to be deemed available, due to various reasons indicated in this Article, for transfer to any District school or geographic area, to meet District needs in accordance with faculty balance guidelines established in the Teacher Integration Program. The following employees shall be placed on the District-wide Transfer List:

- a. All teachers returning from leaves of absence which do not include the right to return to a specific location;
- b. All teachers displaced from a school due to an over-teachered situation;
- c. [HOLD]
- d. Any teachers placed on the list pursuant to any other provisions of this agreement.

7.5 Contract Waivers: All teachers who are awarded probationary contracts which include a waiver statement are subject to an initial assignment to meet District needs and are thereafter subject, by reason of the statement, to one transfer to meet District needs.

~~8.0 Medical or Hardship Exemptions - General: Employees transferred administratively or involuntarily, including those assigned from the District-wide List, may file an application for exemption from mandatory transfer based upon hardship or medical grounds. Compliance with approved criteria must be established, and the application form must be filed within the timeline specified by the Personnel Division. Application for exemption may not be filed until the formal assignment letter has been received. Pending disposition of the Application for Exemption, employees are required to report to the location to which assigned. Where medical or hardship exemptions are approved, the employee will be subject to transfer to a location consistent with the reason for which the exemption was granted. If at any time it is determined that an exemption has been sought or granted based upon material misrepresentation or falsification, the employee is subject to disciplinary action by the District, cancellation of the exemption and/or immediate administrative transfer. All exemptions granted are subject to periodic review by the District to determine whether the original need persists.~~

~~8.1 Hardship Appeals: The hardship appeal procedure is for the purpose of resolving written hardship claims filed by employees. The District and UTLA shall jointly select and retain a professional hearing officer who shall be a member of the American Arbitration Association's Labor Panel and who shall be compensated by the District and UTLA equally. UTLA and the District shall each~~

designate a representative to assist in the hardship appeal process. The hearing officer and the respective appointed representatives will serve as members of the Hardship Appeal Panel which shall be chaired by the hearing officer.

~~8.2 The panel shall have responsibility for evaluating the claim of each teacher who files a written declaration of hardship. Based upon this evaluation, the panel will have the authority to approve or deny a request for exemption from a particular mandatory transfer or to convene a hearing. At the conclusion of any review or hearing, the panel shall file its decision as soon as possible. The hearing officer shall subsequently prepare a written report of findings, conclusions, and the decision. The decision shall be final and not subject to further appeal or to the grievance procedures of Article V. The Personnel Division shall make assignments based upon the decision of the Panel and shall notify employees regarding such assignments. Employees are required to report to the location to which assigned or reassigned pending final disposition of the hardship claim by the Hardship Panel and the Personnel Division.~~

~~8.3 Administrative procedures and criteria for implementation of this hardship appeal process have been established. Appeals will be processed as expeditiously as possible. Procedures and criteria for hardship exemptions will be reviewed periodically. Hardship exemptions which are approved shall be reviewed at regular intervals to be determined by the Personnel Division. Reports of the disposition of all claims shall be provided to the Board of Education.~~

~~8.4 **Medical Appeals:** This medical appeal procedure is for the purpose of resolving claims based upon medical grounds filed by individual teachers for exemption from assignment or reassignment. The procedure includes a District medical decision by the Employee Health Panel based on medical criteria, and a hearing of an appeal from such decision by the Medical Appeal Panel if requested by the employee. For purposes of conducting hearings of appeals from District medical decisions, the District and UTLA shall jointly select and retain a professional hearing officer who shall be a member of the American Arbitration Association's Labor Panel and who shall be compensated by the District and UTLA jointly. The District and UTLA shall each designate a representative to assist in the medical exemption appeal process. The hearing officer and the respective appointed representatives will serve as a Medical Appeal Panel chaired by the hearing officer. The Medical Appeal Panel shall have responsibility for hearing the appeal of each employee who files a written request for appeal from the Employee Health Panel decision. Based upon this hearing the Medical Appeal Panel will have the authority to sustain or reverse the Employee Health Panel's decision concerning the employee. At the conclusion of the hearing the Medical Appeal Panel shall make known its decision as soon as possible and the hearing officer shall prepare a written report of findings and conclusions. The decision shall be final and not subject to further appeal or to the grievance procedures of Article V.~~

~~8.5 Applications for medical exemption shall be processed as expeditiously as possible. Procedures for processing applications shall include, but not be limited to:~~

~~a. — A written request for medical exemption shall be forwarded to the Employee Health Coordinator by the applicant who shall then be furnished with an application form.~~

~~b. — The application shall be submitted to the Employee Health Coordinator by the applicant. The applicant shall be responsible for the submission of a written report concerning the applicant's medical condition from the applicant's physician(s) to the Employee Health Coordinator.~~

~~c. — A review of all medical data shall be conducted by the Employee Health Panel including, where necessary data provided through additional medical examination, consultation, and evaluation of the applicant. The medical criteria to be applied are whether the employee has demonstrated (1) a chronic condition which has required some life adjustment accompanied by prolonged and continuing treatment, (2) the transfer would be seriously detrimental to the employee's health, and (3) the condition would prevent the teacher from reporting to and/or performing regularly assigned duties at the other location.~~

~~d. — The Employee Health Panel shall render a decision regarding the applicant's request for medical exemption. Notification shall be sent to the applicant and to the Personnel Division by the Employee Health Coordinator regarding disposition of the exemption request. This notification shall set forth express grounds for denial of a request which has been disapproved.~~

~~e. — The Personnel Division shall make assignments based upon the decision of the Panel and shall notify employees regarding such assignment. Employees are required to report to the location to which assigned or reassigned pending final disposition by the Medical Appeal Panel and the Personnel Division.~~

~~f. — A written request for appeal from the Employee Health Panel's decision may be filed by the applicant. Such requests must be received by the Employee Health Coordinator within thirty days from the date of the Employee Health Panel's decision.~~

~~g. — If an appeal is filed, there shall be a hearing conducted pursuant to Section 8.4 above.~~

~~h. — If directed by the Medical Appeal Panel, there will be an adjustment of the applicant's assignment. Adjustment means assignment to a location consistent with the reason for which the exemption was granted.~~

~~8.6 — All information listed above shall be available to the Medical Appeal Panel at the hearing, provided the claimant authorized release of medical information. Both the District and the applicant shall have the opportunity to present medical evidence and/or testimony. The application, attachments, and all medical information subsequently requested shall be considered to be~~

~~confidential medical information and will be retained by the Employee Health Coordinator. The applicant shall certify that all information contained in the application is true and correct to the best of the applicant's knowledge.~~

9.0 Employee Initiated Transfers - Employees Time-reported from central or regional locations: Any permanent Health and Human Services employee assigned from the central office, ~~Local District~~ Region office, service center or nursing services area, who has served in paid status for at least 130 days each year for three consecutive years at the same central or regional location from which transfer is sought may apply for a transfer.

9.1 A limit of two locations may be requested. Applications shall be submitted on a District form which shall be available at each location. Applications shall be signed by the employee's immediate administrator and filed with the appropriate office. All applications shall be filed prior to a closing date to be announced each year. All applications shall be valid for one year only unless withdrawn, changed, or renewed by the applicant. Changes to the application may only be made once each year.

9.2 The administrator of the office to which the application is made shall acknowledge in writing to the employee receipt of the application. The appropriate administrator shall prepare a master list of anticipated vacancies for the locations served. This list shall be posted at all locations and copies made available to personnel upon request at least one week prior to the last date to file an application for transfer. Prior to April 1 of each year, the appropriate offices shall provide each location they serve with an updated list of employees who have on file a current transfer application.

9.3 When a vacancy occurs, the immediate administrator shall invite each applicant to make an appointment within ten (10) working days to meet and discuss the possible transfer. At least half of the positions at each location as they become available will be filled as follows:

- a. Top priority shall be applicants who have not been granted a requested transfer for two (2) consecutive years.
- b. Then, if there is more than one applicant for a position, the employee with the most consecutive years at the same location shall be given priority consideration.
- c. If a tie occurs, priority should be given first to time served in the same class and then to District seniority.

9.4 The administrator shall notify the appropriate offices as soon as an employee has been selected from the transfer list and the employee has either accepted or refused the assignment in writing. The administrator shall notify each applicant of the selection decision after all applicants have been interviewed and shall keep a record of all interviews. A teacher not selected will be provided, upon request within ten days, with the reasons for the selection made.

9.5 Every effort should be made to accomplish all available transfers not later than September 1 each year to become effective not later than the first day of the Fall semester. When a vacancy occurs between the first day of the fall semester and the last day of the spring semester, it shall be filled with the understanding that the employee who accepts the assignment is subject to transfer at the end of the school year if there is a current transfer application request on file by an employee with a higher priority according to the above rules.

9.6 An employee who is successful in obtaining a transfer may not submit another transfer application request for three (3) school years.

10.0 Employee Initiated Transfers - Early Education Centers: A permanent 4-hour and permanent or probationary 8-hour (including split assignments) Early Education Center employees shall be eligible to apply for transfer to an 8-hour position at another site. (See Article XXIII, Section 5.0 for provisions relating to 4-hour work opportunities.) Applications will be submitted on forms available at each Center, and must be filed at the Early Education Center Assignment Office.

10.1 A master up-to-date list of anticipated 8-hour openings will be compiled by the Early Education Center Assignment Office and posted at each work site for five working days prior to the position being filled. Postings shall include: the name and address of the work site, the proposed hours, any special skills and/or qualifications required, and a deadline for applications. An employee returning from leaves or a displaced employee may be placed in an opening without posting, or the District may permit such employees to apply and be considered for posted openings.

10.2 When an opening occurs and has been posted, the immediate administrator shall, consistent with the Teacher Integration Program (Appendix B and Section 6.0 of this Article), interview the five most senior qualified employees who have on file applications to that Center. Each interviewee shall be notified, in writing, of the selection decision. Posted openings may be filled on a temporary basis or with a substitute teacher pending completion of the selection process.

10.3 An employee who is successful in obtaining a transfer may not submit another transfer request for three calendar years. An employee who refuses an offer to a Center requested shall be removed from the transfer list to that Center and shall not be permitted to reapply to that Center for the next three succeeding calendar years.

#### 11.0 Vacant Positions

11.1 The District shall establish daily, organized by ~~Local Districts~~ Regions, a list of schools with known "vacant positions." A vacant position shall be defined as:

- a. A position from which a teacher will retire or resign.

- b. A position held by a teacher on leave of absence except for leaves of one year or less for illness, sabbatical, pregnancy, or industrial injury.
- c. A position which is unfilled.
- d. A position occupied by a teacher whose transfer has been approved and whose assignment has been confirmed.
- e. A position currently occupied by a substitute teacher except for positions held at the location for teachers on sabbatical, pregnancy, industrial or illness leave of one year or less. This list will be posted at the Certificated Placement and Assignments Office.

## 12.0 Return Rights

- a. Displaced teachers who fit into the following categories shall have return rights as set forth below:
  - (1) A teacher displaced from a school between the end of one semester and the fourth week of the next semester shall be returned to the school from which displaced if by the end of the fourth week, a vacancy occurs (based on the classification report) for which the displaced teacher is the most senior displaced "match" by reason of same subject field or grade (K-6). If such displaced teacher is not a "match", the teacher may nonetheless be returned to a vacancy in a different subject under the above circumstances if:
    - (i) the teacher's credential permits
    - (ii) the teacher has some teaching experience in the subject during the preceding six semesters, and
    - (iii) the site administrator reasonably concludes that such a return is in the best interest of the educational program.
  - (2) A teacher displaced as a result of a school closure decision, reconfiguration, boundary change, or other action pursuant to Section 17.0 of this Article shall upon application be returned to the school from which displaced if before the end of the fourth week of the following fall semester a vacancy occurs for which the displaced teacher is the most senior displaced "match" by reason of the same subject field or grade level (K-6); if not a "match", the teacher must meet the criteria in (1) (a), (b) and (c) above.

b. An employee in a non-teaching assignment at a location where previously assigned as a teacher shall, upon completion of the non-teaching assignment, remain at the site as a member of the teaching staff. If the completed non-teaching assignment was at a school site or office other than the prior teaching assignment, the employee shall be returned to the previous school if there is an opening or to a school in the same geographic area. As an exception, counselors and instructional coaches returning to a classroom assignment from a school site other than the prior teaching assignment, shall be given the opportunity to remain at the site provided there is an opening in his/her credentialed field.

13.0 Voluntary Continuous Service Transfers, K-12 Program:

13.1 Teachers with permanent or continuing status may apply for transfer under this section if either:

a. The teacher has, for at least eight consecutive years immediately preceding the proposed date of transfer, served at one or more locations currently designated as a Title I or Urban Impact I School, or

b. The teacher has, for at least four consecutive years immediately preceding the proposed date of transfer, served at a location not currently designated as Title I or Urban Impact I but is willing to transfer to a Title I or Urban Impact I school.

For the purposes of this section, a year is defined as 134 days of service. Time spent on formal leaves shall not count as time served, but shall not constitute a break in service.

13.2 Application forms will be available on February 1 and must be filed by April 1 at an office designated by the District. Applications are valid for transfer for the following school year only (July 1 through June 30).

13.3 Transfer applicants must make themselves available for transfer to at least two geographic areas by ranked preference, but may make themselves available for transfer to more than two areas.

13.4 A Continuous Service Ranked Eligible List will be established by May 1 each year for each of the two categories identified in 14.1 above. Eligibility rank will be based solely on years of continuous service at qualifying locations as defined in 13.1 of this Section, with District seniority used to break ties. Applicants will be considered for transfer in rank order from each of the two lists. However, eligibility rank is subject to revision to comply with Section 1.2 of this Article.

13.5 Seventy-five applicants shall be transferred from category

- (a) in 13.1 and 75 shall be transferred from category
- (b) provided there are sufficient eligible applicants.

13.6 By May 1, the District shall establish and post in a conspicuous place in the Certificated Placement and Assignments Office a list of schools with "known vacant positions" as defined in Section 12.1 above.

13.7 Through May 15, interviews for positions are optional and may be initiated by applicants (who are placed on a Continuous Service Ranked Eligible List), by principals, or by the Personnel Division.

13.8 Between May 15 and June 1, applicants on the Continuous Service Ranked Eligible Lists who have not been placed by May 15 shall be offered assignment by the District ("must place") to a school in one of the geographic areas specified in the application. Where necessary, displacements shall be made to accommodate applicants on the two Continuous Service Ranked Eligible Lists, except at UCTP locations. All placements and displacements shall conform to the following:

a. The District shall analyze both the applicants and the known vacancies in terms of credential, subject field, grade level (K-6), and skills in an effort to find "matches" of vacancies and applicants, and place eligible teachers in such known vacancies prior to the use of displacement.

b. If there is no vacancy remaining for an eligible teacher in anyone of the requested geographic areas, the District shall displace a teacher whom it has determined to be a "match" pursuant to the provisions of Section 6.0 of this Article.

13.9 The following procedures govern offers of transfer:

a. A teacher has up to 5 (five) calendar days from the date of the offer in which to irrevocably accept or reject transfer.

b. If an applicant refuses an offer of assignment (except a temporary assignment under 13.10 below) or fails to respond within the ten calendar days, the application will be voided for that school year.

c. If a teacher accepts an assignment, then later declines or cancels for any reason, the teacher is subject to transfer to that assignment. The waiting period to apply again under the Continuous Service Transfer program shall be as stated in Section 13.1.

d. The District shall continue to make offers of transfers up to and including June 25 in order to transfer 75 teachers from each category. Immediately after June 25, the District shall supply UTLA with lists of employees transferred pursuant to this section.

13.10 Assignments made to locations identified under 11.1b or 11.1e above may be temporary. In such cases the employee will be advised at the time of offer that the assignment is temporary in nature.

13.11 An eligible teacher transferred pursuant to this section shall not be subject to involuntary displacement from the new assignment for three school years, except those teachers in temporary assignments made under 14.10 above. However, those on temporary assignments shall be guaranteed retention in the geographic area for a minimum of three years. Time spent on leaves shall be counted toward this exemption, except time spent on formal leaves of absence as the result of an unprovoked act of violence (Special Physical Injury Leave) or a bonafide Industrial Injury or Illness Leave that does not exceed 60 working days.

13.12 No transfer shall be made under this section which causes a school on the receiving end of a transfer adverse affects Rodriguez compliance.

#### 14.0 Temporary Assignments:

14.1 Any personnel, including but not limited to District-Wide Transfer List teachers and contract pool teachers, who are assigned to a given location in order to fill in (directly or indirectly) for a teacher who is on leave with a right to return (sabbatical, illness less than one year, industrial injury) shall not, by virtue of such temporary assignment, gain status as a regular member of that school's staff for purposes of future assignment, bumping rights, or the like.

14.2 Teachers on the District-Wide Transfer List (See Section 7.0) may be assigned on a temporary basis to vacancies at schools with staff selection rights until the end of the semester, or equivalent period of time in multi-track schools. At that time, these teachers will be reassigned in accordance with Article XI, Sections 7.0b and 16.0e.

15.0 Transfer Assignment Priority: Except where otherwise provided in the Agreement, teachers shall be transferred to schools with known vacant positions (Article XI, Section 12.0) for which they are qualified by credential, subject field(s), grade level (K-6) and skills, in the following group order of priority:

a. Teachers covered by ~~medical or hardship exemption (Article XI, Section 8.0)~~ and guaranteed Continuous Service Transferees (Article XI, Section 12.0).

b. Certain teachers with return rights limited to:

- (1) Those teachers displaced between the end of one semester and the beginning of the next semester, [Article XI, Section 12.0 (1)],
- (2) Those teachers displaced as a result of a school closure decision, reconfiguration or boundary change [Article XI, Section 12.0a (2)], and
- (3) Teachers returning to classrooms from non-classroom assignments (Article XI, Section 12.0 b.)

c. Teachers assigned to a school that is being converted to a Los Angeles Learning Center or a Charter School who do not wish to remain at such school may opt out by indicating so no later than May 15. Such teachers may take advantage of any transfer rights they may have under the Agreement or will be transferred to a vacancy at a school within the geographic region in which the present school is located, or if no such vacancy exists, shall be transferred to another geographic area.

d. Teachers transferred either as a result of having opted out of the ~~Year Round School Program (Article XI, Section 17.0)~~ or Magnet School, or out of the EIS program (Article XI, 7.0 b) and unassigned teachers displaced from closed schools (Article XI, Section 16.0),

e. District-Wide Transfer List. Displaced teachers (Article XI, Section 6.0, 7.0) and teachers returning from leaves with no right to return to a specific location (Article XI, Section 7.0a.)

f. Probationary contract waiver teachers, Section 7.5 of this Article.

g. Teachers transferred under the Voluntary Teacher Initiated Transfer Program, Section 5.0.

h. Teachers returning from Charter School Leave.

i. Teachers newly hired.

15.1 Nothing in this Transfer Assignment Priority Section (15.0 et seq.) is intended to supersede or amend other transfer provisions of the Agreement, except where there is a conflict, in which case this section shall prevail.

15.2 Generally, annual assignment and placement of teachers in accordance with the above priorities will be conducted simultaneously in all geographic areas. Assignments may be made directly by the Personnel Division without site interviews. In some cases teachers from different priority groups may be interviewed and assigned concurrently. However, the District shall make a good faith effort to assure that by the fourth school week teachers are assigned and placed consistent with the above priorities excepting variations caused by special educational needs (see Section 6.0c of this Article), lack of an appropriate "match" between school needs and applicants, and staff integration requirements.

15.3 An effort will be made to accomplish all assignments by the first day of the Fall semester. However, when a vacancy occurs between the first week of the semester and the end of the school year, and that vacancy is filled without regard to the above priorities, the employee assigned to the vacant position shall be considered an interim assignment and subject to transfer.

16.0 School Closures, Reconfigurations, Boundary Changes and Other Actions Which Result in Movement of Groups of Students: The intention of

this Section is to provide principles and rules to deal with the teacher assignment and reassignment effects of District decisions to move students as a group from one school site to another as a result of school reconfiguration (closures, boundary changes, etc.).

With respect to the existing teachers at receiving schools in reconfiguration programs, it has been agreed that this faculty will not be affected in any way by the number of students and teachers who are reassigned, and who do or do not arrive at receiving schools, as a result of the reconfiguration process. In other words, incoming teachers or students will not be used to either cause displacement of existing teachers from receiving schools, or to "hold" existing teachers at receiving schools who would otherwise have been displaced.

The principle articulated in the preceding paragraph is to be applied to faculty adjustments caused by school closures, boundary changes and other actions which result in the movement of students unless otherwise indicated in this agreement.

a. The District shall, in its sole discretion or pursuant to court order, determine from time to time the capacity of each school, determine school attendance boundaries and grade level alignments/reconfigurations, determine which students and grades are to be assigned and reassigned to which schools and determine which schools are to be closed. Teachers are to be transferred, as provided hereinafter, so as to correspond to the movement of students and the special needs of students.

b. The administrators of the related sending and receiving schools shall, in consultation with one another and with appropriate District offices, proceed to develop their respective enrollment projections and Master Programs for reconfigured grades for the upcoming school year, taking into account the movement of students contemplated by this Section, and the required and elective subjects for the reconfigured grades, and determine the number and type of teachers needed at each location. It is understood that a given ~~junior high~~ or middle school may at the same time be deemed both a sending and receiving school with the possibility of some teachers being transferred to accompany outgoing students at the same time that other teachers are being transferred in along with incoming students or to fill openings. Any necessary transfers of teachers will be effectuated between the senior high schools and the related ~~junior high~~/middle schools, and then between the ~~junior high~~/middle schools and the related elementary schools.

c. A proportionate number of teachers (based upon staffing norms) from each sending school are to accompany the students to the receiving school(s). Also, where LEP students are transferred a proportional number of bilingual teachers shall be transferred with the LEP students to the receiving school, so as to maintain the existing level of bilingual services. Proportional number means the approximate ratio of bilingual teachers (as defined in Article XI-A, Section 3.0) to affected LEP students as existed at the sending school prior to transfer of the LEP

students. However, bilingual volunteers will be sought first from the sending schools, before requiring such a transfer.

d. The selection of teachers to accompany groups of students shall be as follows:

- (1) The District shall make reasonable efforts to inform the faculty at the sending school of the number and type of openings available at the related receiving school(s). Teachers may then volunteer to transfer, using the District-provided form.
- (2) Where there are fewer volunteers at sending schools than are needed, such volunteers shall be reassigned provided the receiving school has need for the volunteer's services grade level(s) or subject(s).
- (3) Where there are more volunteers at a sending school than are needed, priority shall be given to those volunteers who during the majority of his or her teaching time during the previous three years taught the specific grade level and/or courses which are needed to be taught at the receiving school. If more volunteer(s) meet this criterion than are needed, the District shall select those with the most District seniority.
- (4) All assignments shall be made in accordance with the credential authorization laws of California.

e. Where the number of reconfigured students arriving at a receiving school is not sufficient to support the number of teachers previously assigned from sending schools, volunteers from among such teachers will be sought to return to the sending school(s). If there are not enough volunteers in the appropriate subject field(s)/grade levels, then teachers will be selected for return based upon the inverse of the order established in Section 17.0d(3). Any subsequent over-teachered condition at sending schools will be adjusted consistent with Section 6.0 of this article.

**f**e. After norm date (fourth week), teachers assigned to receiving schools shall be considered part of the regular faculty of receiving school, and subject to all terms and conditions which apply to the faculty at the receiving school. Any subsequent over-teachered condition at the receiving school will be adjusted consistent with Section 6.0 of this article. It is understood that sixth grade "Core Courses" at ~~junior high~~ middle schools are to be considered as a separate "program" under Section 6.0.

17.0 If a school applies to be converted from a traditional program to a Magnet School, procedures delineated by District policy shall be followed prior

to submission of the application. Alleged violations of the policy or this Section are not grievable under Article V.

17.1 Upon Board of Education approval, all teachers at the school to be converted will be notified no less than one calendar year prior to the Opening of the new Magnet School. Teachers at the school to be converted may seek specialized training in the theme or focus area(s) of the magnet in order to make them priority candidates for selection and/or seek a voluntary transfer.

18.0 Secondary Counselor Displacement: Displacement of Secondary Counselors from school sites shall be in the order of District seniority and shall follow the process outlined in Section 6.0 of the Article. Possession of a teaching credential shall not be a factor for consideration in this scenario.

In such evaluations, the administrator shall comply with the procedures of Section 5.0 of Article X. ## ARTICLE XII

### LEAVES AND ABSENCES

1.0 Leave and Absence Defined: A leave is an authorized absence from active service granted to probationary or permanent employees, for a specified purpose and period of time, with the right to return to active service unless the employee's service would have otherwise been terminated. All other employees, except for those excluded in Section 2.0 below may qualify for absences but not leaves. Leaves are either "permissive" or "mandatory." As to permissive leaves, the term "may" is used and the District retains discretion as to whether they are to be granted, and as to the starting and ending dates of the leave. As to mandatory leaves the term "shall" is used and the District has no discretion as to whether the leave is to be granted to a qualified employee. The term "formal leave" refers to any leave of more than twenty days in duration. Formal leaves must be applied for in writing using the District form.

1.1 Employees who are on unpaid leaves and employees who exhaust their paid benefits while on paid leave are not eligible for District-paid health and welfare benefits while in unpaid status. As an exception, employees on approved unpaid Family Care and Medical Leave/Absence are eligible for District-paid benefits provided they are otherwise eligible for such benefits as provided in Section 24.8 of this Article. Also, employees in unpaid status may arrange for continuance of benefits under Article XVI, Section 9.0 COBRA. In addition, employees in unpaid status will have their assignment basis changed from annualized to un-annualized (pay as you work). Such changes may result in employees having been paid salary for which they are not eligible based on service provided. To avoid this, employees may request that their assignment basis be changed in advance of the start of the school year.

2.0 General Eligibility Provisions: Probationary and permanent employees shall be eligible for certain paid and unpaid leaves. Other employees serving under written contracts of employment may qualify for such leaves if provided for in their contracts. All other employees, including substitutes, may qualify for certain paid or unpaid absences with no right to return, but are not eligible for leaves except for family care and medical leave, if eligible.

2.1 Subject to the restrictions specified in Article XIX, a day-to-day substitute or temporary employee may be paid for certain absences as specified in this Article, provided the employee was serving and not released at the close of the working day immediately preceding the day for which paid absence is requested; and the paid absence shall cease with either the return to service of the absent employee whom the day-to-day substitute was replacing or with the end of the projected assignment, whichever occurs first. However, such restrictions shall not apply in the case pregnancy disability (Section 10.2) or industrial injury absences (Section 13), or ~~family care and medical leave~~ Family Care and Medical Leave/California Family Rights Act (Section 24).

## Article XII – Leaves and Absences

3.0 Rights Upon Return: Any employee returning from the leaves listed in this section of one calendar year or less shall be returned to the location from which leave was taken, except that the employee may be transferred pursuant to Article XI, Transfers, if such a transfer would have been made had the employee been on duty. Such return rights are limited to the following leaves:

- a. illness
- b. industrial injury
- c. reduced workload
- d. pregnancy
- e. exchange
- f. sabbatical
- g. family care and medical leave of 60 working days or less
- h. any leave in which the employee was replaced by a substitute teacher (including a contract pool teacher working in a substitute capacity)
- i. childcare leave immediately following pregnancy leave, birth or adoption, but only for the balance of the semester or track, e.g., (July 1-December 31 and January 1-June 30) in which the childcare leave commenced; and only if the combined pregnancy leave and childcare leave does not exceed two semesters. As an exception that the childcare leave must immediately follow pregnancy leave, birth, or adoption for return rights, the family care and medical leave may interrupt that sequence. However, each leave must immediately follow the other and the childcare leave will be granted only for the balance of the semester or track in which the childcare leave commenced. In addition, the combination of the leaves shall not exceed two semesters.

Employees returning from leaves other than as provided above may be subject to transfer pursuant to Article XI.

4.0 Restrictions: An unpaid leave or absence may not be converted to a paid leave or absence, except in the case of pregnancy disability as provided in Section 10.2 of this Article. No employee shall be eligible for a permissive leave from the District who has had three semesters of permissive leave during the six semesters immediately preceding the requested leave, except as provided in Section 11.0, 17.0 and 21.0. For purposes of this Section, 65 working days per semester on leave shall constitute a semester on leave. The Superintendent may, in his sole discretion, grant a waiver from this limit, for

one semester. For Early Education Centers and other employees not assigned on the usual semester basis, the semester period shall be computed as being one-

## Article XII – Leaves and Absences

half of the normal annual assignment and the 65 working days shall be proportionately adjusted.

5.0 Application: Applications for permissive leaves of absence must be submitted on or before the dates established by this Article. Exceptions may be made in the sole discretion of the District. Applications for informal permissive absences not to exceed five days shall be submitted for approval to the immediate administrator. Applications for informal permissive absences in excess of five days shall be made to the immediate administrator and must be approved by the appropriate Local District Administrator or branch/division head.

5.1 For continuous programs (Year-round, Early Education Centers, etc.), the deadline for leave applications, unless otherwise provided, shall be April 15 for all leaves commencing during the period July 1 through December 31 and November 15 for all leaves commencing during the period January 1 through June 30.

6.0 Notification Requirements: Unless otherwise provided in this Article, an employee who intends to be absent for 20 working days or less must make every reasonable effort to notify the appropriate substitute office not later than 6:30 a.m. on the day of absence and notify the school or section to which assigned not later than 30 minutes before the schedule begins on the day of absence. Hourly rate employees must notify the school or center not later than one hour before the employee's class meets. When the absence is to be for one day only, employees may, when reporting the absence to the school or center, also give notice on intended return for the following day. All other employees returning to service must notify the school or section at least one hour before the end of the regular working day on the day before the day of anticipated return. If such notification is not given and both the employee and substitute report for duty, it is only the substitute who is entitled to work and be paid. Notification requirements for an approved ~~family care and medical leave~~ Family Care and Medical Leave/California Family Rights Act shall be in accordance with Section ~~24.4~~ 24.6 of this Article and Government Code Section 12945.2.

7.0 Cancellation of Leave: A request by an employee for cancellation of a leave or for cancellation of a request for a leave shall be granted unless an employee other than a day-to-day substitute has been assigned to fill the employee's position at the site. Exceptions may be made in the sole discretion of the District. The appropriate required credential or permit held at the time the leave was granted must be maintained, or the leave terminates and the employee is subject to termination. The employee shall be so notified.

8.0 Expiration of Leave: Two calendar months before the expiration of a leave for one semester or more, and upon reasonable notice from the District, the employee must notify the Personnel Office of an intention to return, or request an extension of leave, if eligible. Failure by the employee to give such notice, or to report to duty as directed after having given such notice, shall be considered abandonment of position and resignation from service. An exception to this provision or requirement shall be made if it was impossible for the

## Article XII – Leaves and Absences

employee to give the required notice. In the case of an early return from family care and medical leave, if the employee informs the District of a desire for early return the District will, if feasible, return the employee to service within two working days after the employee notifies the District of the request to return.

8.1 Return from Leave - Medical Review Committee: An employee not approved to return from a leave by the District Medical Director may appeal to a Medical Review Committee. The committee shall be comprised of a District physician, a physician selected and compensated by UTLA, and a third physician who shall be selected by the two physicians and compensated equally by the District and UTLA. A majority decision by the Medical Review Committee shall be final and binding.

9.0 Bereavement (Paid): An employee is entitled to a paid leave of absence from the District, not to exceed three (3) days, on account of the death of ~~an~~ member of the employee's immediate qualified family member as defined below. Employees must provide documentation within thirty (30) days from the first day of leave, if requested. Bereavement leave may be taken consecutively or intermittently so long as the leave commences and is completed within three (3) months from the qualifying family members' date of death. ~~and the leave/absence commences within ten calendar days of the death.~~ If more than one such death occurs simultaneously, the leaves may be taken consecutively. If out of state travel is required and requested, an additional two (2) days shall be granted. Employees not traveling out of state may elect to take an additional two (2) days of bereavement utilizing personal necessity, vacation, or unpaid leave. The ~~immediate family~~ qualified family member is defined as the following relatives of the employee:

- a. ~~Spouse or for purposes of this Leaves Article only, a cohabitant who is the equivalent of a spouse~~ cohabitant who is the equivalent of a spouse, or domestic partner;

10.1 Paid Disability Absence: For that period of time during which the employee (including temporaries and substitutes) is physically or mentally disabled and unable to perform ~~her~~ their regular duties due to pregnancy, miscarriage, childbirth and recovery there from, or if the employee's job would cause undue risk to the employee or the completion of a successful pregnancy, ~~she~~ they shall be permitted to utilize ~~her~~ their illness absence pursuant to Section 12.0 of this Article. Employees may take up to 18 workweeks of protected leave under the Pregnancy Disability Leave (PDL) and if eligible, may also be entitled to take 12 workweeks of protected time under FMLA and/or CFRA.

10.2 Optional Unpaid Portion: A pregnant employee in active status shall, upon request, be granted an unpaid pregnancy leave (or, in the case of substitutes or temporaries, an unpaid absence) and still qualify for paid absence during the period of disability. This is the only exception to the general rule that paid leaves may only be taken from active status.

10.3 Physician Certifications: A pregnant employee shall be permitted to continue on active duty until such date as ~~she and her~~ their physician determines that ~~she~~ they must be absent ~~herself~~ due to pregnancy disability, ~~provided that she can and does continue to perform the full duties and responsibilities of her position.~~ The District will engage in the interactive process to ensure the pregnant employee can stay in active duty as long as possible with or without a reasonable accommodation. The District may require employee must also supply to provide to the District ~~her~~ their physician's certification as to the beginning and ending dates of actual pregnancy-related disability for which paid illness absence is claimed, and ~~her~~ their physician's release to return to active duty. District forms for such certifications, and application forms, shall be available at each site.

10.4 Parental Leave: In accordance with California Education Code section 44977.5, an eligible employee may take leave for reason of the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee. To be eligible for the leave, an employee does not have to have worked 1,250 hours in the previous 12 months, but must have been employed for 12 months by the District.

a. The aggregate amount of parental leave taken pursuant to this Section and Section 12945.2 of the Government Code shall not exceed 12 workweeks in a 12-month period.

## Article XII – Leaves and Absences

ba. While on Parental Leave, eligible employees shall receive up to four (4) workweeks of District paid Parental Leave. Upon exhaustion of the District paid Parental Leave, the employee must use their accumulated illness/sick leave for the remainder of the 12 workweeks of Parental Leave. If an employee's accumulated illness/sick leave is exhausted, the employee will receive 50% of their salary for the remainder of the 12 workweeks. This leave would be inclusive of and not in addition to any new legislation providing for paid Parental Leave.

cb. An employee shall not be provided more than one 12-week period per parental leave. If a school year terminates before the 12-week period is exhausted, the employee may take the balance of the 12-week period in the subsequent school year.

e. Substitute and temporary employees are not eligible for parental leave.

11.0 Child Care (Unpaid): An unpaid leave shall be granted to a permanent employee to care for such employee's own (including adopted) child of under five years of age. The leave, together with any renewal thereof, shall not exceed the equivalent of four semesters in duration.

The combined pregnancy leave and childcare leave shall not exceed two semesters. As an exception that the childcare leave must immediately follow pregnancy leave, birth, or adoption for return rights, the family care and medical leave may interrupt that sequence. However, each leave must immediately follow the other and the childcare leave will be granted only for the balance of the semester or track in which the childcare leave commenced. In addition, the combination of the leaves shall not exceed two semesters.

11.2 Application may be submitted at any time but must be on file in the Personnel Office by April 15 for the fall semester and by November 15 for the spring semester. Starting and ending dates may be adjusted by the District to meet educational program needs, except in the case of the starting date for a child care leave which begins immediately after pregnancy leave or family care and medical leave.

11.3 Child care leaves of limited duration have return rights as provided in Section 3.0 of this Article.

12.0 Illness (Paid): An employee shall be granted a leave of absence because of illness, or injury, or quarantine of the employee.

12.1 Subject to the restrictions specified in Article XIX, each employee shall accrue 0.05 hour of full-pay illness absence credit for each hour for which salary is received in a certificated assignment except for Auxiliary Teacher, Replacement Teacher, an assignment for which a lump-sum payment is or could be received, or salary received for sabbatical leave.

12.2 At the beginning of the pay period immediately preceding July 1, each active employee (excluding substitute and temporary) who is under contract (including temporary contract) for a full school year, who has accrued fewer than the number of full-pay illness absence hours equivalent to 100 days shall be credited with the number of half-pay illness absence days which, when added to the accrued full-pay illness absence days equals the equivalent to 100 days of full and half-pay illness absence days.

12.3 At the beginning of the pay period immediately preceding July 1, each active employee (excluding substitute and temporary) shall receive credit for full-pay illness absence hours up to ten days (pro-rated for those employed for less than a full school year) prior to accrual. However, an employee who uses such a credit prior to actual accrual shall not accrue or be credited with additional absence hours until the negative balance has been restored.

12.4 An exception to the "active employee" requirement of Sections 12.2 and 12.3 will be made upon request once in each employee's career to permit qualification for the annual full and half-pay illness absence hours, even though the employee is unable to report to work at the commencement of the employee's annual assignment basis due to illness, provided the following conditions are met:

- a. The employee holds probationary or permanent status.
- b. The employee did not carry over any full pay illness hours from the previous year.
- ~~a.c.~~ The employee has on file an illness leave request satisfying the requirements of Sections 12.8 and 12.9.

12.5 If an employee is paid for more than the illness absences to which entitled, or terminates employment prior to accruing leave taken in advance, the employee shall be required to refund to the District the salary to which not entitled. This requirement shall be waived in the event of the employee's death or physical or mental disability.

12.6 Unused full-pay illness absence credit shall be cumulative from year to year without limitation. Half-pay illness credit shall not be cumulative from year to year.

12.7 When an employee is absent under this section and such absence is properly verified, the employee will receive full normal pay up to the

## Article XII – Leaves and Absences

total of the employee's full-pay illness benefits. Full-pay illness benefits shall be used before available half-pay benefits may be used. Additional days of illness absence will be at half pay up to the total of half pay days credited if available. Further illness absence shall be non-paid absence, unless the employee requests use of any accrued vacation. The amount of illness absence taken in any pay period shall not be in excess of the illness absence accumulated by the close of the pay period immediately preceding the illness absence, except as provided in paragraph 12.3. Pay for absence shall not be made in increments of less than .3 hours (18 minutes).

12.8 An employee who is absent shall be required to certify the reason for absence. Also, the District shall have the authority to use whatever means are reasonably necessary to verify any claimed illness, injury, or disability under this section before authorizing any compensation.

12.9 An employee absent from duty for any illness, injury, or other disability for more than 5 consecutive working days shall be required to submit either the Certification/Request of Absence for Illness, Family Illness, New Child (Form 60.ILL) completed by the attending physician or a statement from the attending physician on letterhead attached to Form 60.ILL. Form 60.ILL shall be signed by the employee. An employee absent for more than 20 consecutive working days shall be required to submit a formal leave request and an "Attending Physician Statement" form.

12.10 If a permanent employee resigns and returns within 39 months of the last date of paid service to permanent status, the number of hours for which the employee was entitled to full-pay illness absence shall be restored, unless such had been transferred to another agency or used in computation of retirement allowance. Any other employee who resigns or is otherwise terminated and returns within 12 calendar months of the last date of paid service, shall be restored the number of hours of full-pay illness absence to which entitled, unless such has been transferred to another agency.

12.11 Catastrophic Illness Leave Program: Eligible employees may apply to receive full-pay illness donations through the District's Program of Donation for Catastrophic Illness and abide by its terms and conditions. This program is intended for those employees who are currently experiencing a catastrophic illness or injury and whose prognosis is that they are expected to return to work. Eligible employees may apply to receive full-pay donations through this program for up to two separate occurrences of a catastrophic illness.

13.0 Industrial Injury or Illness Paid: An employee who is absent from District service because of an injury or illness which arose out of and in the course of employment, and for which temporary disability benefits are being received under the worker's compensation laws, shall be entitled to a paid absence or leave under the following conditions:

- a. Allowable leave/absence shall be for up to 60 working days for the same injury or illness.

## Article XII – Leaves and Absences

b. Allowable paid leave/absence shall not be accumulated from year to year.

c. An employee absent under this section shall be paid such portion of the salary due for any school month in which the absence occurs as, when added to the temporary disability indemnity under Division 4 or Division 4.5 of the Labor Code, will result in a payment of not more than the employee's full normal salary. For substitutes and limited term employees, full normal salary shall be computed so that it shall not be less than the employee's average weekly earnings as utilized in Section 4453 of the Labor Code. For purposes of this section the maximum and minimum average weekly earnings set forth in Section 4453 of the Labor Code shall otherwise not be deemed applicable.

d. When an authorized leave/absence continues into the next school year, the employee shall be entitled to only the amount of unused leave/absence due for the same illness or injury.

e. Each employee who has received a work-related injury or illness which requires medical attention or absence from work for more than the day of the occurrence must complete a written report of injury on a form to be provided by the District. This written report must be submitted to the immediate administrator within two working days after occurrence if the employee is physically able to do so. The site administrator shall, as a result of an investigation, complete the Employer's Report of Occupational Injury or Illness, and shall attach the employee's report thereto. The employee must also report as soon as possible for examination and treatment by a physician who is on the District's Emergency Medical Panel. When the employee files the report of injury or illness, the site administrator shall notify the UTLA Chapter Chairperson of the reported injury unless the employee requests that the matter not be so disclosed. Also, if the employee reports or alleges that the injury arose out of an act of violence, the administrator shall report the incident to the School Police.

f. If the employee was physically injured during an act or acts of violence related to and during the performance of assignment duties, then the leave of absence may be extended beyond the initial 60 day period. In order to qualify for such an extension the employee must have (1) notified the site administrator and appropriate law enforcement authorities within 24 hours of the incident if the employee was physically able to do so; (2) completed the employee's written report and reported for treatment as required in e. above; (3) reported, as soon as it becomes evident that an extension is to be requested, for a physical examination by the employee health coordinator and received approval as a result of such examination; and (4) applied in writing to the District for such an extension, using a District form. Such application should be filed with the immediate administrator as soon as the employee sees the need for such an extension, so that the

District has adequate time to review and process the claim prior to the effective date of the leave extension. Determination whether the injury was the result of an act of violence, and whether the act of violence was related to and during the performance of duties, shall be made in the reasonable judgment of the Office of Risk Management and Insurance Services. Determination whether the injury is disabling beyond the 60 day period shall be made in the reasonable medical judgment of the employee health coordinator. An employee may be required during the extended period to be evaluated by the employee health coordinator at any time.

g. Employees covered under Section f. shall have the right to be transferred to the next appropriate opening available in the same or adjacent geographic region.

13.1 Upon exhaustion of the above-authorized industrial injury absence benefits, the employee shall be permitted to utilize accrued illness benefits or vacation benefits, if any. If the employee continues to receive temporary disability indemnity, the employee shall be paid for any illness and vacation benefits which, when added to the temporary disability indemnity, will result in a payment of not more than full normal salary.

13.2 An employee absent under this section shall remain within the State of California unless the District authorizes the travel outside the State.

14.0 Personal Necessity Leaves or Absence (Paid): Subject to the limits set forth below, an employee shall be granted a paid personal necessity leave when the gravity of the situations described below require the personal attention of the employee during assigned hours of service:

a. Death of a close friend or relative not included in the definition of immediate family (as used in this section, the term "immediate family" shall be as defined in Section 9.0 of this Article);

b. Death of a member of the employee's immediate family, when time in excess of that provided in Section 9.0 of this Article is required;

## Article XII – Leaves and Absences

i. An appearance of the employee in court as a litigant. Each day of necessary attendance as a litigant must be certified by the clerk of the court. The employee must return to work in cases where it is not necessary to be absent the entire day.

j. An appearance of the employee in court or governmental agency as a non-litigant witness under subpoena for which salary is not allowed under Article XII, 18.3:

m. Up to four hours of paid personal necessity leave and up to thirty six (36) additional hours of accrued vacation or unpaid leave not to exceed a total of (8) hours per calendar month, forty (40) hours per school year for attendance at the school of the employee's own child, ward, or grandchild for purposes of a school activities leave provided by Section 230.8 of the Labor Code. The employee must notify the immediate administrator at least five working days prior to the absence. The administrator or designee and employee must agree on the date and time of the leave and the employee must provide written verification from the school visited, upon request of the administrator or designee.

14.1 The following limits and conditions are placed upon allowing a personal necessity absence:

## Article XII – Leaves and Absences

a. Except as in I., above, and (1), below, The total number of days allowed in one school year for personal necessity absence shall not exceed six days per school year for a probationary, permanent or provisional contract employee, or subject to the restrictions specified in Article XIX, three days per school year for a day-to-day substitute employee.

(1) If personal necessity absence is taken to attend to the illness of the employee's child, parent, or spouse, up to six additional days shall be allowed in any calendar year (to total 12 maximum days - see b below) for probationary, permanent, or provisional contract employees. However, this provision does not extend the maximum period of leave to which an employee is entitled under Family Care and Medical Leave, regardless of whether or not the employee receives sick leave compensation during that leave.

b. The days allowed shall be deducted from and may not exceed the number of days of accrued full-pay illness leave to which the employee is entitled.

c. The personal necessity leave shall not be granted during a strike, demonstration or any work stoppage.

d. The employee shall be required to verify the nature of such necessity. Such statement shall be filed with the appropriate administrator no less than five working days in advance of a religious holiday, court appearance or school visitation. The immediate administrator shall take whatever steps reasonably necessary to become satisfied that a personal necessity within the limits of this section did exist.

15.0 Sabbatical Leave (Paid): A permanent employee shall be granted a sabbatical leave of absence for up to one year for the purpose of permitting study or travel by the employee which will benefit the schools and students of the District under the following conditions:

a. The allocated number of sabbatical leaves shall be: For 2004-2005, none.

b. The employee must have rendered satisfactory certificated service for at least seven consecutive years (of at least 130 full days of paid time) immediately preceding the effective date of the leave, not more than two of which may be in substitute status, unless the District in its discretion waives such requirement;

c. The employee must sign an agreement to study or travel according to a plan acceptable to the District;

## Article XII – Leaves and Absences

d. The employee must agree to receive one-half of the applicable basic salary (excluding extra assignments) less appropriate deductions;

e. The employee must agree to render certificated service in permanent and paid status immediately following the leave which is equal to twice the length of the leave during a period not to exceed four times the length of the leave. An indemnity bond satisfactory to the District is required to assure such performance; and

f. The employee shall reimburse the District for the cost of the sabbatical salary and benefits in the event of non-compliance with any of the sabbatical regulations except for reason of death or physical or mental disability.

15.1 Sabbatical leave applications shall be filed by April 15, and once approved under paragraph 15.0 c. shall be considered on a priority basis; if more employees request sabbatical leaves for any school year than there are funds budgeted, the employees with the most complete semesters served in the District (or served since the last sabbatical, whichever is applicable) shall be granted the leave. If a tie develops, the employee with the lower seniority number established in accordance with Article XI, Section 6.2 shall be granted the leave. For purposes of determining priority, the second period of a split sabbatical leave shall be considered a continuation of the first period. The first round of successful applicants shall be notified by June 1. There shall be prompt notification of subsequent approvals resulting from cancellations after the first round. However, if the employee would have been selected, and, as the result of the cancellation has already begun service for the Fall semester, that employee shall not be selected but shall have a priority for the Spring semester. This priority shall not extend to the next school year.

15.2 Interruption of the program of study or travel caused by serious injury or illness shall not be considered a failure to fulfill the conditions of study or travel upon which such leave is granted, nor shall interruption affect the amount of compensation to be paid such employee under the terms of the leave agreements, provided:

a. Notification of illness is given to the Personnel Division by means of registered or certified letter; and

b. Written evidence verifying the interruption of the travel or study due to illness is filed with the assignment office. A sabbatical leave cannot be changed to an illness leave before the expiration date of the sabbatical leave.

15.3 Involuntary call to active military service will justify the conversion of a sabbatical leave to a military leave without jeopardy to sabbatical salary already received.

## Article XII – Leaves and Absences

15.4 An employee who fails to complete all of the requirements of the sabbatical leave due to illness in the family or other causes beyond the employee's control may receive compensation on a prorated basis if a portion of the requirements is completed.

15.5 If a sabbatical leave is cancelled pursuant to Section 7.0 of this Article, the following terms shall be applicable:

a. The leave may be converted to personal leave effective with the beginning date of the sabbatical leave; but sabbatical rights will be forfeited for the year following the year of cancellation;

b. An employee who cancels a sabbatical leave may request a return to duty. Upon return to duty the employee may be assigned temporarily to another site at the discretion of the District, but shall retain return rights (see Section 3.0) at the end of the originally scheduled sabbatical leave; and

c. An employee may apply for an exemption from any provision of this section on grounds that an emergency exists, and the Superintendent may thereupon waive any part of this section to permit the employee to return to service in the District without loss of sabbatical rights, but any sabbatical salary received must be refunded.

16.0 Exchange Leave: An exchange leave shall be granted to a permanent employee in accordance with an agreement entered into by the employee and District under applicable provisions of the Education Code.

Applications must be filed with the Personnel Division by October 15 for leaves to be taken during the following year. Return rights to the previous work site shall be the same as for sabbatical leaves.

17.0 Personal Leave (Unpaid): An unpaid leave shall be granted to a permanent employee for a period not to exceed 52 consecutive calendar weeks, except as provided below, for a specific personal reason satisfactory to the District, including but not limited to the following:

a. To be with a member of the immediate family who is ill (see Section 9 of this Article for the definition of the immediate family);

b. To accept an opportunity of a superior character which will result in the employee rendering more effective service on return to the District;

c. To rest, subject to the approval of the employee health coordinator;

d. To accompany spouse, or a cohabitant who is the equivalent of a spouse, when change of residence is required;

## Article XII – Leaves and Absences

In any case in which witness fees are payable, such fees shall be collected by the employee and remitted to the Accounting and Disbursements Division.

18.4 The mutual intention of the District and UTLA is that jury service be encouraged, but also limited, as far as practical, to periods of time when the continuity of instruction and District operations will not be adversely affected.

a. An employee summoned to jury service in federal or statecourt shall notify the immediate administrator of such summons.

b. All bases except A basis. As a condition for paid absence, the employee shall seek postponement of the jury service so that it can be performed on the employee's recess or off-track period.

(1) Involuntary jury service commenced during the employee's recess or off-track period which inadvertently extends into the employee's assigned or on-track period shall qualify as paid absence for up to

## Article XII – Leaves and Absences

- (2) The twenty days limit shall be subject only to such exceptions which may be agreed upon by the District and UTLA.

c. A basis. As a condition for paid absence, employees assigned on A-basis, shall seek postponement to a date mutually agreed upon with the immediate administrator if the summoned date is disruptive to the continuity of instruction or District operations.

The District shall consult with UTLA regarding these matters.

a. Attendance must lead directly to the professional growth of the employee and the improvement of the educational program of the District;

b. Unless the employee is an official representative of the organization or is participating as a workshop leader or speaker at the conference or convention, the attendance must not necessitate assignment of a substitute for the employee or the payment of replacement teacher salary;

c. The attendance must not result in unnecessary duplication of participation by District personnel;

d. The attendance must not necessitate the reimbursement of any expenses by the District to the employee; and

## Article XII – Leaves and Absences

- e. A written or oral report of the conference may be requested by the appropriate administrator or superintendent.

For conference or convention attendance which meets the above standards, but is not approved for paid leave status pursuant to the above, the employee may utilize personal necessity leave under Section 14.0 of this Article.

20.0 Substitute Leave: A substitute leave may be granted to a permanent employee for a period not to exceed one year to allow service as a substitute in accordance with District need. Such an employee will be paid as specified in Article XIX. Applications must be on file in the Personnel office by March 15 for the upcoming school year.

In the case of non-classroom health and human services employees, the total number of approved half-time leaves shall not cause significant disruption to the operational needs of the program nor exceed a maximum of ~~40%~~ 5% of the full-time equivalent positions in the classification. ~~Current Health and Human Services employees on a Half-Time Leave will be grand parented for purposes of such a leave. Exceptions to the "half of each working day" requirement, including the above-mentioned grand parented employees may be made in special circumstances but shall require written special approval of the Local District Superintendent upon recommendation of the immediate administrator. In any event,~~ The assignment and service shall be for the equivalent of one-half of the number of hours required for full-time employment for each pay period. Applications must be on file in the Human Resources office by April 15 for the fall semester and by November 15 for the spring semester.

c. The employee was assigned full-time in a certificated position with the District for at least 10 school years of which the immediately preceding 5 school years were consecutive, full-time employment. Time spent on approved leaves shall not constitute a break in the 5 school year sequence, but shall not count toward the service requirement.

d. An assignment and schedule satisfactory to both the employee and the District is agreed to. The continuing assignment must be either for half of each working day for the entire school year, in which case the specific assigned hours, must be agreed to by the employee and the immediate administrator, or for one complete semester of full-time service per year. Elementary teachers who wish to work half-time daily will need a complementary partner. Half-time arrangements must be mutually agreed to by the affected employees and the immediate administrator. Where no complementary partner is available, the elementary teacher will be limited to the option of full semester service. At the secondary level, a complementary partner with permanent status is required, or an appropriately credentialed auxiliary teacher approved by the site administrator. A biological or legal relationship is not necessary for a person to have stood "in loco parentis" to the employee as a child.

b. ~~"Spouse" means a~~ :A husband or wife, including same-sex or common-law marriage entered into in a State that recognizes such marriages, or cohabitant who is the equivalent of a spouse.

c. ~~"Parent" means a~~ :A biological, foster, or adoptive parent; parent-in-law (CFRA only), grandparent (CFRA only) or a person who stood "in loco parentis" to the employee when the employee was a child; a stepparent; or a legal guardian; and does not include a parent-in-law.

d. Family member: "child", "spouse", or "parent" as defined above.

e. Sibling (CFRA only): A person related to another person by blood, adoption, or affinity through a common legal or biological parent.

f. Designated Person (CFRA only): Any individual related by blood or whose association with the employee is the equivalent of a family relationship. Employees are limited to one (1) designated person per 12-month period. The designated person may be identified by the employee at the time the employee requests a leave for family care, medical, bereavement, and/or Kin Care.

g. Next of Kin (FMLA Servicemember Leave Only): Nearest blood relative other than the covered servicemember's spouse, parent, son, or daughter.

~~d. h.~~ "Serious health condition" means an : An illness, injury, (including, but not limited to, on-the-job injuries and pregnancy), impairment, or physical or mental condition that involves either in-patient care in a hospital, hospice or residential health care facility, or a regimen of continuing treatment or supervision by a health care provider.

i. Incapacity: An inability to work, attend school, or perform other regular activities due to a serious health condition, treatment thereof, or recovery therefrom.

## Article XII – Leaves and Absences

j. Inpatient care: An overnight stay in a hospital, hospice, or residential medical care facility, including any period of incapacity as defined in this Section or any subsequent treatment in connection with inpatient care.

k. Intermittent leave: Leave taken in separate periods of time due to a serious health condition, rather than one continuous period of time.

l. Continuing treatment: In person treatment by a "health care provider" that involves one or more of the following:

(1) a period of incapacity of more than three consecutive calendar days (as well as any subsequent treatment or period of incapacity relating to the same condition) that also involves either two or more treatments by a "health care provider", or treatment by a "health care provider" on at least one occasion that results in a regimen of continuing treatment under the supervision of a "health care provider";

(2) any period of incapacity due to pregnancy (including morning sickness);

(3) any period of incapacity or treatment for an incapacity due to a chronic health condition that requires periodic visits for treatment, which continues over an extended period of time, and may cause episodic (i.e., a period of incapacity for less than three days) rather than a continuing incapacity (such as asthma, diabetes, and migraine headaches);

(4) a period of incapacity that is long-term due to a condition for which treatment may not be effective; and

(5) any period of absence to receive multiple treatments, including treatment of a condition that would likely result in a period of incapacity for a period of more than three days if not treated.

e. m. "Health care provider" means a: An individual holding either a physician's and surgeon's certificate or an osteopathic physician's and surgeon's certificate issued pursuant to Article 4, Chapter 5 of Division 2 of the California Business and Professions Code, who directly treats or supervises the treatment of the serious health condition, or any other individual duly licensed to practice medicine in another state or jurisdiction or by any other person determined by the Secretary of Labor to be capable of providing health care services. The definition includes podiatrists, dentists, clinical psychologists, optometrists, chiropractors (limited in scope), nurse practitioners, nurse midwives, and certain Christian Science practitioners listed with the First Church of Christ, Scientist in Boston, Massachusetts.

## Article XII – Leaves and Absences

~~24.2 Length of Leave: The leave, together with any renewal thereof, shall not exceed the number of days equivalent to a total of 12 normally scheduled work weeks in a twelve (12) month period measured forward from the beginning date of the employee's first Family Care and Medical Leave, effective July 1, 2007. An employee will be entitled to 12 weeks of leave during the 12-month period beginning on the first date Family Care and Medical Leave is taken; the next 12-month period would begin the first time Family Care and Medical Leave is taken after completion of any previous 12-month period. For the period of time up to, and including June 30, 2007, the leave, together with any renewal thereof, shall not exceed the number of days equivalent to a total of twelve (12) normally scheduled workweeks in a fiscal year. An employee will retain the full benefit of 12 weeks of leave under whichever calculation method (either fiscal year, or 12-month period measured forward) affords the greatest benefit to the employee during a 60-day transition period. This transition period shall be from July 1, 2007 through August 31, 2007. Leave may be taken intermittently in one or more periods. In addition, the following provisions govern the length of the leave:~~

### ~~24.2-24.3 Length of Leave:~~

~~a. An eligible employee's FMLA and/or CFRA leave/absence entitlement is limited to a total of 12 workweeks during any 12-month period measured forward from the beginning date of absence for any of the reasons specified in Section 24.1 above.~~

~~b. FMLA and CFRA leave/absence run concurrently when the qualifying reason(s) for both FMLA and CFRA is the same with the exception of pregnancy, childbirth or related medical conditions under PDL in Section 10.0 above. In such cases, CFRA may only be taken after the employee has exhausted the leave permitted under PDL.~~

~~c. FMLA Servicemember leave entitlement is limited to a total of 26 workweeks during any 12 month period measured forward.~~

### 24.4 Intermittent Leave:

a. An employee who takes leave for the birth, adoption or placement for foster care of a child will be allowed to take leave of at least one hour (can be less than one hour, if necessary) within one year of the birth, adoption or placement for foster care of the child.

b. An employee who takes leave for health care provider certified recurring medical treatment or supervision to care for a seriously ill family member or because of the employee's own serious health condition, will be allowed to take leave of at least one hour (can be less than one hour, if necessary).

~~c. Any leave an employee takes for the reasons specified in Section 24.0 above will be counted against the employee's annual leave entitlements under the federal Family and Medical Leave Act of 1993 and the California Family Rights Act of 1991 as amended. This leave runs concurrently~~

## Article XII – Leaves and Absences

~~with any other leave the District offers for which the employee is qualified, except that family care and medical leave granted for the birth or adoption of a child or placement of a child for foster care must be concluded within 12 months of that birth or adoption or placement for foster care.~~

~~d. Leave caused by pregnancy, childbirth or related medical conditions under Subdivision 10.0 of this Article is separate and apart from the provisions of Family Care and Medical Leave/Absence herein. Employees are entitled to the leave allowed under Section 10.0 and, in addition, up to the full 12 work weeks of family care leave.~~

~~24.3~~ 24.5 Approval: Family Care and Medical Leave/Absences FMLA and/or CFRA leave/absence of 20 consecutive workdays or less can be granted by the immediate administrator. Leaves of more than 20 consecutive workdays can be granted by the District after submission of a formal leave application.

~~24.4~~ 24.6 Notification and Scheduling: If the need for the Family Care and Medical Leave/Absence FMLA and/or CFRA leave/absence is foreseeable more than 30 calendar days prior to the employee's need for leave, the employee shall give at least 30 days notice. If less than 30 days, the employee must provide the immediate supervisor with as much advance notice as possible but, at the least, within one or two days of learning of the need for the leave, or as soon as practicable, whichever is earlier. These advance notice requirements shall not be applicable in the event of unforeseeable circumstances or emergencies. Whenever possible, if the need for leave is foreseeable due to a planned medical treatment or supervision, the employee must make a reasonable effort, subject to the approval of the health care provider, to schedule the treatment or supervision to avoid disruption to the operation of the District's educational program.

~~24.5~~ 24.7 Medical Certification - Family: For leaves/absences to care for a child, spouse or parent, as defined in ~~24.4~~ 24.2, who has a serious health condition, the employee must submit to the immediate administrator or, if applying for a formal leave must attach to the leave application, certification from the health care provider which includes:

- (1) the date if known, on which the serious health condition commenced,
- (2) the probable duration of the condition,
- (3) an estimate of the time that the health care provider believes the employee needs to care for the individual, and
- (4) a statement that the serious health condition warrants the participation of the employee to provide care.

~~24.6~~ 24.8 Medical Certification - Employee: If the leave is for the serious health condition of the employee, the employee must submit to the immediate administrator and/or, if applying for a formal leave must attach to the leave application, certification as specified in (1) and (2) of ~~24.5~~ 24.7 above, plus a statement that, due to the serious health condition, the employee is unable to

## Article XII – Leaves and Absences

perform one or more of the essential functions of the employee's position. After such certification, the following procedures are available:

- a. In the case of leave due to the serious health condition of the employee, the District reserves the right to require, at its own expense, that the employee obtain the opinion of a second or even third health care provider designated by the District but not employed on a regular basis by the District. The second health care provider, if required, shall be selected by the District. Third health care provider can be requested by the employee or the District if the second opinion differs from the first opinion.
- b. The method that shall be used to choose the third health care provider is as follows: The District and UTLA shall each choose a health care provider. The two health care providers will choose the third health care provider, whose opinion shall be final and binding.
- c. If additional leave beyond that provided in the certification is required, the employee must submit re-certification by the health care provider and be eligible for additional requested leave.

~~24.7~~ 24.9 Restrictions: In the event that parents who are both District employees each wish to take ~~Family Care Leave/Absence~~ FMLA and/or CFRA leave/absence for the birth, of their child, or placement for adoption, or foster care placement of a child during the same time period, the combined total amount of leave that will be granted such employees will be 12 work weeks during a fiscal year. These employees will still be eligible to take the remainder of their individual 12 week allotment for family care leave for a purpose other than the birth, placement for adoption, or foster care of a child.

~~24.8~~ 24.10 Compensation and Benefits: ~~The Family Care and Medical Leave/Absence~~ FMLA and/or CFRA leave/absence shall be an unpaid leave and for all purposes treated comparably to other unpaid leaves except that the District will continue to provide the health and welfare benefits as provided in Article XVI during the ~~Family Care and Medical Leave/Absence~~ FMLA and/or CFRA leave/absence to an employee who is otherwise eligible for such benefits. However, an employee who does not return from such leave or who works less than 30 days after returning from the leave will be required to reimburse the District for the cost of the benefits package unless the reason the employee does not return to work is due to (1) the continuation, recurrence, or onset of a serious health condition that would entitle the employee to FMLA/CFRA leave/absence (either affecting the employee or an immediate family member) or (2) retirement, or (3) other circumstances beyond the control of the employee. The District, however, will not provide such health benefits for an employee for any leave period beyond twelve weeks unless these benefits are provided by other provisions of the District/UTLA Agreement such as paid illness leave. For example, if an employee combines pregnancy leave with a family care leave, the employee will only be entitled to continued health benefits for the first twelve weeks of leave unless the employee continues on paid illness leave.

## Article XII – Leaves and Absences

An employee who asks for leave for what would be a qualifying event for ~~Family Care and Medical Leave/Absence~~ FMLA and/or CFRA leave/absence and who has accrued vacation leave may elect, or the immediate administrator may require, the employee to utilize the vacation leave for this purpose, in lieu of unpaid status. An employee who takes leave for the employee's own serious health condition which prevents the employee from performing one or more of the essential functions of the employee's position and who has accumulated illness days may elect, or the District may require the employee to utilize paid illness days for the leave.

~~24.9~~ 24.10 Seniority; The period of the ~~Family Care and Medical Leave/Absence~~ FMLA and/or CFRA leave/absence shall not be considered a break in service, and the employee's seniority date shall not be affected by the time spent on leave.

~~24.10~~ 24.11 Return Rights: An employee returning from a ~~Family Care and Medical Leave/Absence~~ FMLA and/or CFRA leave/absence shall be returned to the same or comparable position from which on leave and the same location from which the leave was taken, except that the employee may be transferred if such a transfer would have been made had the employee been on duty.

## ARTICLE XII-A

### ATTENDANCE INCENTIVE PLAN

~~1.0 General: This Attendance Incentive Plan is intended to reward regular attendance in order to improve the instructional program and reduce the costs of absenteeism. It is understood that any absences for illness or personal necessity, including those beyond the control of the employee, will adversely affect an employee's entitlements under this Plan. This Attendance Incentive Plan provides incentive payments which are intended to reduce employees' use of illness and personal necessity leave; however the Plan's incentive payments for annual unused illness leave do not reduce or otherwise affect the employee's accumulations of unused illness days or retirement service credit for unused illness days and have no impact upon vacation benefits. While this Plan is described in terms of "days", in its implementation and computation of payments the District will utilize the current payroll system of accounting for illness accrual and absence by "hours."~~

~~2.0 Eligibility: Any active district employee who earns illness leave benefits during the school year (from July 1 through June 30) and is paid for at least 400 hours during the school year, shall participate in the Plan. No employee shall be permitted to participate in both this plan and the Substitute Pay Pool Reserve Program.~~

~~3.0 Computation of Annual Incentive Payments: The maximum possible number of days subject to the Plan's annual incentive payments shall be equal to the number of illness days (hours) actually earned by the employee during the school year or ten (10) days, whichever is less. This maximum of ten days per year is applicable to all assignment bases, including bases which earn more than ten days annually. Each hour of illness or personal necessity used at any time during that year, whether for illness or personal necessity, shall be subtracted from the above-stated maximum number of days (hours), and for each resulting unused hour of illness leave the employee will receive a payment which varies according to (1) the employee's career accrued full time equivalent illness days as of the close of the applicable school year and (2) the net balance remaining in the day-to-day substitute accounts as of the close of the school year pursuant to Section 9.0 below. The funds remaining in the substitute accounts for each of the following school years: 2004-05 and 2005-06 shall be allocated as an incentive payment subject to negotiations which shall commence with in ten working days from the date the substitute account balance for the above year is determined. The following charts display examples\* of estimated incentive payments which would be made if use of illness leave by all employees is reduced by 10%, 20%, or 50% for any school year:~~

---

~~\* These examples are based upon projections limited to employees on the Preparation Salary Schedule; actual results would vary from this because of payments to employees on the other salary schedules (Adult Education, Special Services, Children's Centers)~~

~~Those employees whose full time assignment is less than six hours per day shall receive a pro-rata portion of the above incentive payments.~~

~~The above schedule is applicable to employees whose regular pay period rate of pay is at least equal to the rate set forth at schedule 20, Step 1 of the Preparation Salary Table. Those whose regular rate is lower will have a lesser proportionate payment formula.~~

~~\_\_\_\_\_ 4.0 Annual Cash Payment to Employee: Half of the annual incentive payment resulting from the above calculations shall be paid to the employee as a cash payment (subject to legally required deductions) following the end of the school year that the payment relates to.~~

~~\_\_\_\_\_ 5.0 Annual Payment to Attendance Incentive Reserve Fund: Half of the annual incentive payment will be placed in an account established for the employee in the Attendance Incentive Reserve Fund ("the Reserve Fund"). Each employee's account will be credited with a pro-rata share of net annual earnings from the investments in the Reserve Fund, less administrative costs. Each employee will receive an annual statement showing the status of his or her account, including accumulated incentive payments and accumulated annual earnings. All incentive payments and accumulated net earnings will be retained in the Reserve Fund and reinvested pending final distribution and deductions as provided in Section 6.0 and 7.0 below.~~

~~6.0 — Eventual Distribution of Reserve Fund Payments and Earnings: Following retirement or separation from District employment, the employee's accumulated share of the Reserve Fund shall be distributed to the employee, subject to legally required deductions and the deduction provisions of Section 7.0 below.~~

~~7.0 — Deductions from Employee's Reserve Fund Account: Prior to distribution of an employee's accumulated share of the Reserve Fund following retirement or separation from District employment, the District Reserve Fund shall deduct from the employee's account balance an amount calculated as follows: For each of the employee's final three years of active District employment (including paid leaves but excluding unpaid leaves) there shall be a deduction made for each day utilized that year for illness and personal necessity in excess of the employee's individual annual maximum as described in 3.0 above. The amount deducted for each such day shall be based on the number of career illness days accrued by each employee at the close of each of the final three years pursuant to 3.0 above. This deduction is intended to provide a strong incentive for employees to maintain a high level of attendance throughout their final years of employment. Any such deductions will be returned to the District.~~

~~7.1 — Attendance Incentive Plan Penalty Clause: All participants who have a separation date of July 1, 1997 and thereafter, may be subject to AIP penalty. Before the attendance incentive reserve fund portion is distributed, the penalty amount will be deducted from the employee's balance for each illness day used more than the employee's actual illness days earned or more than the 10 allowable illness days earnings under the plan in each of the employee's final three years of active District employment. It is further agreed that the penalty rate will be equal to the rate paid to the maximum incentive of ten days from the prior school year the illness day(s) was overused, corresponding to the career illness days balance accrued by the employee at the close of each of the final three years.~~

~~8.0 — Fund Administration: The Plan and Fund, as it applies to all District employees, shall be administered by the District Controller, and audited annually by the District's contract auditors. An Investment Advisory Committee shall offer advice and recommendations to the Controller regarding Fund investments, which are limited by Code to interest bearing non-equity investments. The assets of the Fund shall be subject to the customary controls and procedures of the Los Angeles County Treasurer's office. UTLA shall have representation on the Advisory Committee, which will meet with the Controller's designated representative on a regular periodic basis.~~

~~8.1 — Claimed errors in payments, or in other Plan or Fund records, shall be handled pursuant to the usual payroll error resolution provisions of this Agreement (see Article XIV, Section 30.0).~~

~~8.2~~ The parties agree that a goal of this Plan is to avoid an employee's being taxed on any incentive payments or its earnings until he or she receives the payment. The parties agree that the Plan is subject to modification to achieve this goal, and that, if necessary, the District may substitute for Section 5.0's requirement of placing funds in an investment pool, a requirement that deferred incentive payments be subject to a growth factor without a requirement that the payments be set aside for the employee in any particular manner.

~~9.0~~ Contingency: The above plan shall be implemented for the 2000-01, 2001-02, and 2002-03 school years. It is the parties' intent that this plan also be operative for the subsequent year. This plan shall be funded from within funds currently budgeted for day-to-day substitute/replacement services in the following major appropriations: 0538, 0875, 1024, 1040, 1151, 1517, 2001, 2002, 2005, 2082 and 7716. Provided, that such fund total does not reflect any applicable legal limitations upon use of categorical or restricted funds (such as categorical prohibitions on expenditures outside of a designated program, or the lack of authority to use state integration funds for incentive payments). The ending balances in the above-referenced accounts for each of the following school years: 1995-96, 1996-97 and 1997-98 shall be used to fund the incentive payments described in Section 3.0 above.

~~9.1~~ No employee shall have a vested right to continuance of the Plan in the above form or at all. Any vesting shall be limited to previously accumulated incentive payments and previously accumulated investment income, and is also limited by the Plan's provisions (such as Section 7.0) as they may be revised from time to time. If the Plan is discontinued, the District may either distribute the Reserve Fund assets to participating employees at the time of discontinuance (in which case the distribution amounts shall be calculated as though all participants had retired at the time), or the District may retain the Reserve Fund assets for subsequent distribution upon the employees' actual separation pursuant to the Plan's regular requirements.

~~10.0~~ Reciprocal Coverage: Employees may voluntarily participate in a reciprocal coverage arrangement with one another. However, such days will be counted as absences for the purpose of computing Attendance Incentive Plan payment incentives. Reciprocal coverage is subject to the following conditions:

a. In order to meet the need for continuity and familiarity: (1) in multi-track schools both participants must be from the same school unless no such person is available; (2) in single track schools, one of the participants may be from another school; (3) in elementary and special education programs both participants must have the appropriate credential; and (4) in secondary programs both participants must have the appropriate secondary subject matter experience unless no such person is available.

b. Coverage must be performed while the covering teacher is either off track or during preparation period so that it does not result in

~~classes being combined, or otherwise interfere with regular duties of the person performing the coverage.~~

~~\_\_\_\_\_ c. The following provisions apply to single track elementary schools:~~

~~(1) The faculty of each school shall develop a list of employees available to substitute including employees from other sites.~~

~~(2) A reasonable effort shall be made to arrange reciprocal coverage with individuals from the above list. If this Incentive Plan attempt to arrange coverage is not successful the teacher requesting such coverage may have their class divided for assignment according to the following plan.~~

~~(3) Each school faculty shall develop a plan to share both reciprocal and non-reciprocal coverage taking into consideration such factors as grade level, safety, available space and work stations. The absent teacher's students will be assigned to other classrooms with no teacher receiving any more than ten children. After all reciprocal coverage is provided for, and if replacement service is also needed, then the provisions of Article XIV, Section 28.0 shall apply but only as to replacement service and not as to reciprocal coverage of students. A plan showing the proposed division of children as determined by the regular teacher shall be placed in the substitute folder.~~

~~(4) In emergency situations the 10 student limitations may be exceeded.~~

~~\_\_\_\_\_ d. The coverage must be reported to the school in advance so that the school is aware of the nature and duration of the absence and of the coverage arrangement. However, the school and District have no responsibility either to enforce the reciprocal service or to keep track of the service obligations of the employees.~~

~~\_\_\_\_\_ e. It is agreed that reciprocal coverage is not intended to cause or result in any increased absenteeism. Accordingly, any absence covered by reciprocal service, including the later absence of the teacher who performed the initial coverage service, must be justified by actual illness/personal necessity (as opposed to a desire to receive reciprocal~~

~~days owed). As such, no reciprocal arrangement shall include an advance schedule or deadline for performing the reciprocal service.~~

~~\_\_\_\_\_ f. \_\_\_\_\_ Because reciprocal coverage is intended to deal with occasional short duration absences, and because it is not desirable for employees to owe one another large amounts of reciprocal service time, it is agreed that reciprocal service shall not exceed ten days per year for any employee.~~

~~\_\_\_\_\_ g. \_\_\_\_\_ There are no payroll or time reporting consequences to the arrangement; the absent employee remains in paid status and the covering employee is not paid for the coverage service.~~

## ARTICLE XII-B

### CHARTER SCHOOLS

#### 1.0 Introduction:

a. Limited to Employees of Conversion Charters: The primary purpose of this Article is to mitigate the potentially disruptive effect upon employees assigned to schools which are converting (or considering converting) to independent charter status. Thus, this Article provides certain rights to employees of "conversion" charter schools which are separating (or have separated) from the District by becoming independent charter schools, not affiliated with the District. This Article therefore does not apply to (i) employees of "dependent" or affiliated charter schools remaining within the District, or to (ii) employees of "start-up" charter schools created independently of the District and not converting District property/facilities, even if that school's charter status was subject to District approval. The terms "Conversion Charter School" and/or "Charter School" are used throughout this Article to cover the conversion charters.

b. Employees of Start-up Charters: Employees who are not employed by a Conversion Charter School, but who may wish to become employed by a "start-up" charter school, will not be covered by the provisions of this Article but may retain some rights to District re-employment (i) to the extent that they may qualify for personal leaves of absence under Article XII, Section 17.0, or (ii) to the extent that they may resign with right to reinstate to an opening within 39 months, pursuant to applicable law.

c. Independence of Conversion Charters: Another purpose of this Article is to encourage Conversion Charter Schools to assume proper independent responsibility for their employees, and to ensure that the District is not financially subsidizing charter schools. In this regard, it is important for all to understand that independent Conversion Charter Schools are generally independent of the District, much as are schools of neighboring separate school districts, and that charter schools have their own State income.

2.0 Charter Application Procedures: In addition to whatever procedures the Board of Education may establish in its discretion, the District shall adhere to the following procedures in processing or considering approval of any proposal to convert an existing District school to Charter School status:

a. Presentation and Discussion of Proposed Conversion Charter Schools: District procedures and instructions shall urge that any petitioner, prior to soliciting signatures on a proposed Conversion Charter petition, first present the complete proposed charter to the employees

(including counselors, specialists, nurses, psychologists, etc as well as teachers), and include a written identification of the individuals who are, by virtue of their involvement in developing and initiating the plan, most knowledgeable and able to respond to questions about the plan. Ample time should then be allowed to permit the affected employees and community a reasonable opportunity for review and discussion prior to seeking signatures or voting. In addition, it will be expected that the final charter application submitted for Board of Education approval must be substantially the same as the charter school petition which was used as the basis for obtaining signatures in favor of the charter school.

b. Alternatives to Conversion Charter Status: In the case of charter applicants that are considering Conversion Charter status due to the desire to be exempt from certain State or District rules or policies or from certain parts of the collective bargaining agreement, the District's Charter Schools Office procedures and instructions shall urge that the charter applicants discuss such matters with District staff (at the Charter Schools Office), and also with UTLA, so that they can become fully aware of their options for seeking exemptions or waivers, or obtaining dependent charter status, without undertaking the burdens and responsibilities of Conversion Charter School status.

c. UTLA Participation: Within five days of receipt of a Charter School proposal from a formative Conversion Charter School, the District Charter Schools office shall forward a copy to UTLA. UTLA shall then be granted not less than 30 days in which to submit comments and/or recommendations to the Board of Education concerning the charter application; and

d. Disclosures: District procedures and instructions shall encourage Conversion Charter School applicants, and involved principals and chapter chairs of prospective Charter Schools, (1) to disclose their intentions to UTLA and to the District Charter Schools office at an early stage in their organizational activities, and (2) to comply with Section 3.0 below with respect to full disclosure of the planned terms and conditions of employment to be offered employees of the prospective Charter School.

3.0 Full Disclosure by Charter Schools: Conversion Charter Schools operate independently of the District, and may or may not choose to adopt pay, benefits and other employment practices comparable to those of the District. Conversion Charter Schools (including proposed Charter Schools) therefore will be expected, in fairness to affected employees and all other concerned persons, to disclose clearly and fully the basic terms and conditions of employment to be provided by the Charter School -- and do so prior to asking the employees for any formal commitments of support and/or employment, and also to do so when the Charter School's employees annually decide whether to renew their District leaves of absence (see below) in order to remain employed by the Charter School. In such disclosure, the following terms and conditions of employment should be addressed, in addition to the educational program plans for the Charter School:

## Article XII –B – Charter Schools

a. Whether the Charter School intends to request that the District grant leaves of absence to the charter school's employees to facilitate their charter school service and protect their rights of return, as discussed in Sections 5.0 and 6.0 below;

b. Whether the Charter School intends to request that the District provide, at charter school expense, continued coverage under the District health benefits programs, as described in Section 7.0 below;

c. The salaries to be paid to the Charter School's employees, and the salary progression system to be observed, if any; also, the pay rates, if any, to be offered for identified extra duty assignments;

d. Retirement pay arrangements to be provided by the Charter School (i.e., whether the Charter School will participate in STRS, Social Security or other retirement benefit plans);

e. The Charter School's plans for provision of Workers' Compensation liability insurance coverage;

f. Any paid absence benefits to be provided by the Charter School, particularly those covering illness, injury, or personal necessity. Specifically, employees should be informed as to whether the Charter School will transfer and honor their accrued illness leave balances from the District just as does any regular school district in California when hiring an employee from another California district -- and should also specifically address whether and how the Charter School will provide for salary protection in extended disability situations;

g. Provision for other employee absences and leaves of absence from the Charter School, and related pay, if any;

h. Any assurances or programs, such as liability insurance, to protect employees of the Charter School against personal expense and liability in the event of a claim or lawsuit arising out their performance of Charter School duties;

i. The hours of work, duties, and annual work schedules (calendars) expected of the Charter School's employees, and any paid non-work days to be provided;

j. Protections, if any, for current and future job continuity and security within the Charter School;

k. Employee performance evaluation and discipline (suspensions, terminations) system to be followed at the Charter School;

l. Class sizes and other assignment ratios to be followed by the Charter School;

m. Summer, winter, intersession or other extended assignment opportunities to be offered at the Charter School, if any, and the pay to be offered employees for such work; and

n. Any other significant terms and conditions of employment to be applied at the Charter School.

4.0 Opt Out Rights: Employees assigned to a location that is being converted to a Charter School, but who do not wish to become employed by the Charter School, may opt out by so requesting in writing to the District Human Resources Division by the later of (i) April 15 of the school year preceding the charter conversion or (ii) within 30 days of Board approval of the Charter School application. Such employees may exercise any transfer rights they may have under the Agreement or will be transferred to a vacancy at a school within the geographic area in which the present school is located, or if no such vacancy exists then to a vacancy in an adjoining area, or if no vacancy exists in an adjoining area then to a vacancy in some other area.

~~5.0 Charter School Leave (Unpaid), in General: Qualified employees (see Article XII, Section 2.0) shall, upon written request and subject to the conditions set forth below, be granted an unpaid leave of absence to work for a Conversion Charter School.~~

~~a. Term of Leave: Each employee who is in permanent or probationary status at the time of taking leave to serve in the Charter School shall be on such leave on a year-to-year basis, to be extended annually upon written request, for up to a maximum of five consecutive school years commencing with the employee's initial assignment at the Charter School. The five-year maximum is not extended or renewed by later moving to a different Charter School; however, if the employee returns to a regular District school and that school itself later obtains conversion charter status, the employee would be eligible for a new charter school leave. Those in provisional or temporary status do not qualify for a Charter School leave of absence. All charter school leaves run from July 1 to June 30 of each applicable year. Annual renewal of such leaves (where permitted), and return to active District service after the leave expires, requires a written notice by the employee to the District's Human Resources Division no later than the two calendar month date preceding the expiration of the current leave, advising the District of the intended continued leave or of the intended return to active District service (see Article XII, Section 8.0). Employees who do not renew such leave (where permitted), and do not give such notice of return to the District, shall be deemed to have resigned their District employment.~~

## Article XII - B - Charter Schools

b. Return from Leave: Upon expiration of any employee's charter school leave, the employee shall (upon timely notice as provided above) have the right to return to a position in the District, unless the employee's service would have otherwise been terminated. Assignment priority for such returning employees shall be as provided in Article XI, Section 15(h). Employees who do not return to the District immediately upon expiration/non-renewal of a charter school leave shall be deemed to have resigned their District employment. Timely initiation of such renewal or return arrangements is the sole responsibility of the employee, not the District or the Charter School.

c. Benefits: Current leave of absence status does not determine eligibility for continued participation in the District's health benefits plans. Continuation of participation in the District's health benefits plans are solely the product of contractual arrangements between the Charter School and the District, as provided in Section 7.0 below.

6.0 Compensation and Other Employment Rights While on Charter School Leave: While on approved charter school leave of absence to serve in a Conversion Charter School, employees shall be treated by the District the same as employees who have been granted a personal leave to work for an outside employer (with the exception of health benefits as described in Section 7.0 below and the reporting obligations of Section 9.0 below). Thus, while on leave the employees' pay and other compensation items, and also any other protections such as workers' compensation coverage, liability coverage and indemnity against lawsuits, are solely the responsibility of their Charter School employer, and are not provided, controlled or directed by the District. Conversion Charter Schools, as defined in 1.0 of this Article, are entirely separate employers from the District, operate independently of the District, and may or may not choose to adopt pay practices and other employment protections comparable to those of the District. Conversion Charter Schools do, however, have certain reporting obligations to the District relating to performance problems of Charter School employees on leave from the District (see Section 9.0 below).

a. Tenure, Status, Seniority Date: Employees while on charter school leave do not earn, accrue credit toward, or obtain permanent status or award of a District seniority date. The employee's District seniority date (if previously earned) is preserved during the leave.

b. Participation in District Supplemental Assignments: Employees on charter school leave retain no rights to participate in District summer/winter/intersession, substitute or other assignments or opportunities available to active District employees except to the extent that the District generally chooses to permit persons employed elsewhere to participate in such opportunities.

Article XII – B – Charter Schools

~~e. Paid Leaves or Absences From the Charter School: In no event shall the District be responsible for paid leaves or absences occurring during any employee's employment by a Conversion Charter School. For purposes of illness leave salary protections, the District encourages Charter Schools to treat their employees the same as all other California public school districts and thus permit employees to transfer to the Charter School their accrued illness leave balances from the District and to honor such accruals when needed by the employee. If this is done, the District will, upon the employee's return to District employment, reciprocally permit the employee to transfer back to the District his or her then-current full balance of unused illness days, including unused days accrued while employed by the Charter School (up to the total which could have been accrued had the employee remained in District employment). If the Charter School declines to honor accrued illness leave balances, the employees' accrued illness leave balances will not be transferred to the Charter School. The District in those circumstances will preserve the employee's previously accrued District illness balance for restoration upon timely return to the District from charter school leave (unless the balance has been transferred to another qualified agency or used in computation of retirement allowance), but no unused accruals or other entitlements from the charter school are then transferable back to the District. The above rules apply to accruals, utilization, and transfers of vacation rights just as they do to illness leave rights, assuming that the employee's previous District position and his or her Charter School position both involve comparable vacation accruals.~~

7.5.0 Continued Health Benefits Plan Participation: Generally, all compensation, benefits and working conditions in Conversion Charter Schools are to be established and provided solely by the Charter School and are not the responsibility of the District. Continued participation in the District health benefits plans by employees is determined solely by voluntary contractual arrangements between the Charter School and the District, separate from the charter approval itself, and separate from the leave of absence program. A Conversion Charter School may, on a year-to-year basis commencing with its first year of separation from the District, provide by contract with the District for continued health benefits coverage of the Charter School's employees, at the Charter School's sole expense. The previous five-year limit on such continued coverage arrangements is no longer in effect. Continued benefits coverage does not extend any employee's leave of absence; nor is leave of absence status a pre-condition for continued coverage. For the impact of such continued coverage upon UTLA dues and fees, see Section 8.0 below.

a. Exclusivity: In order to avoid adverse impact upon the demographics of the District's health plans, the participation and coverage of a Charter School's employees by the District health plans shall be exclusive, and applicable to all persons employed by the Charter or at least all certificated staff (whether or not previously employed by the District, and without regard to leave of absence status with the District).

TA CC 11/10/25

Article XII –B – Charter Schools

When a Charter School continues coverage under the District health plans, the eligibility rules, coverages and employee cost-sharing requirements are to be the same as are applicable to employees of the District from time to time.

b. District Charges: The District's charges to the Charter School for such continued health plan coverage shall be equal to the District's cost per employee, including costs relating to (i) premium charges from health care providers, (ii) internal and external administrative costs and fees, plus additional administrative fees to the District to recover the special additional costs of processing charter school employees, (iii) a pro rata share of the District's then-current annual costs of coverage relating to current and future retirees, on the same basis as the District charges categorical accounts for coverage of categorically-funded District employees. All such charges to the Charter School shall be as determined by the District in its reasonable discretion, and reflected in the annual contract between the District and the Charter School.

c. Service Credit Toward Retirement Coverage: As to any Conversion Charter School employee who has received coverage under the District health plans pursuant to contracts between the Charter School and the District -- any years of service (as defined by the District) under such coverage shall count toward the service requirements for the District's retirement health benefits plan. Any years of service for a Charter School not under continuing District health plan coverage do not count toward the service requirements for District retirement health benefits, but do not cause a forfeiture of prior years' service credits which were accumulated during years when the service did count. In order to qualify for the District's post-retirement coverage plan, the employee must either retire (STRS-qualified) from the District or from the Charter School while under continuing coverage of the District plan and meet all other requirements then applicable to District employees.

8.0 Union Relations, Fees and Contractual Obligations: District employees who become employed by a Conversion Charter School and then maintain continuing coverage under the District health benefits plans as described above, shall continue for the duration of such continued coverage to be represented by UTLA as to the benefit levels and terms of such plans, in addition to enforcement with the District of whatever District leave and return rights they may have. Such Charter School employees are required to pay a monthly representation fee to UTLA, in an amount not to exceed that indicated in Article VIII, Section 4.0 et seq., with collection and remission to UTLA to be the responsibility of the Charter School. However, except as just described, none of the District-UTLA union recognition or other contractual obligations are applicable to Charter Schools. Nor are such schools covered by the District-UTLA Agreement unless otherwise arranged by the Charter School or by relations

## Article XII –B – Charter Schools

established independently between UTLA and the Charter School. In the absence of such established relations, UTLA has no general duty to represent any employees of Charter Schools in their relations with their Charter School employers, and any such representation which UTLA may undertake is voluntary on UTLA's part and in any event is entirely separate and apart from its representation rights and obligations toward the District.

**97.0** Performance Problems During Charter School Employment:

As a condition of any employee obtaining a charter school leave of absence to serve in a Conversion Charter School, and as a condition of a Charter School employer accepting the benefit of the services of each employee on leave of absence from the District, the Charter School shall have the duty, on a reasonably prompt basis, to report to the District -- and provide the District with copies of all pertinent documents -- relating to any performance problems, misconduct, complaints, alleged violations of law, unsatisfactory performance reports, negative or below-standard evaluations, terminations, resignations under threat of disciplinary action, suspensions, reprimands, warnings or other corrective or disciplinary actions pertaining to any employee on leave from the District, including all information and documents relating to the resolution or disposition of such matters by the Charter School or by law enforcement authorities, and any related reports to credentialing authorities. By virtue of having accepted a charter school leave of absence, each employee on such leave shall be deemed to have consented to such required disclosure and sharing of information and documents, with the understanding that the District may utilize such information for administrative or statutory proceedings to the same extent (and subject to the same contractual and legal restraints) as if the conduct in question had occurred during active District employment.

**408.0** Re-affiliation of a Conversion Charter School With the District: If a Charter School chooses to return to the District either as a regular school or as a dependent or affiliated charter school within the District, continuing employees of the re-affiliating school (including employees hired by the Conversion Charter School while it was independent of the District) shall be permitted to become District employees assigned to the site if they are properly credentialed, have had positive evaluations, and a position exists at the school. Employees not previously employed by the District shall be assigned a seniority date corresponding to their first date of District probationary service, rather than their first date of service at the Charter School. All other employees' seniority status shall be determined pursuant to regular District policies and rules.

## ARTICLE XIII

### GRANTING OF PROBATIONARY CONTRACTS, REDUCTION IN FORCE, REASSIGNMENT, RESIGNATION/REINSTATEMENT AND SUBCONTRACTING

1.0 Granting of Probationary Contracts: Except as expressly limited hereinafter, the District shall determine the teaching or service fields in which probationary contracts shall be granted, the number of such contracts to be granted, and the employees who qualify in the teaching or service fields.

1.1 If an opening or vacancy is caused by either (a) a regular employee having been granted a leave of absence of one semester or more, or (b) any other event by which the District knows that the opening or vacancy is to exist for one semester or more, the opening or vacancy shall be filled by a contract employee or by an employee on the applicable District Eligible List rather than by a substitute or substitute extended employee.

1.2 Part-time (half-time or less) contracts may be offered in the regular K-12 program in fields in which eligible lists have been exhausted. Refer also to Article XII, Section 21.1 for part-time assignment provisions for new employees hired effective July 1, 1993 or later.

1.3 If an offer of probationary employment is not accepted, the person's name shall be removed from the District Eligible Lists, and the person shall not be eligible for probationary status by virtue of any other assignment or substitute service.

1.4 Temporary contracts of up to one school year in duration may, in the discretion of the District, be offered to candidates in shortage fields due to (a) lack of recency in teaching experience, (b) pre-employment evaluations which fall just below probationary contract levels, or (c) close failure on District probationary examinations. At the end of their temporary contract these employees will be notified as to whether they are to be granted probationary status for the ensuing year.

2.0 Subjects to Which Probationary Teachers May be Assigned:  
A probationary teacher may be assigned to teach only in subject(s) or grade(s) for which the teacher is properly authorized by credential or certificate to teach in accordance with the Education Code. District Interns must be assigned to teach only the subject(s) listed on the District Intern Certificate(s).

2.1 Normally a probationary teacher shall be assigned to teach in the subject(s) or grade(s) in which the teacher qualified by District examination, and must be assigned at least one-half time in the subjects or grades in which the teacher has qualified by examination and in which

## Article XIII – Granting of Probationary Contracts, Reduction in Force and Reassignment, and Resignation/Reinstatement

contracted. However, if an emergency condition exists in the middle or senior high schools, a probationary teacher may be assigned less than one-half time in the subject fields in which the teacher has qualified by examination under the conditions specified below.

- a. The teacher must be assigned at least one period per day in the subject field in which the teacher has qualified by examination and in which contracted.
- b. The appropriate superintendent must specifically authorize the assignment.
- c. Such an exception may not be granted for more than one year.

3.0 Reductions in Force - In the event of a reduction in force, the District will notify UTLA of such decision. UTLA may elect to bargain the impacts and effects however, any pending negotiations shall not delay implementation of the decision.

### 3.10 Reductions in Force - Order of Termination:

a. The District shall determine the teaching or service fields in which a Reduction in Force shall be effected, or, alternatively, the District shall determine to effect a Reduction in Force of all probationary employees except those in "shortage fields" as reasonably defined by the District. If the District determines to effect a Reduction in Force in certain teaching or service fields, the District shall determine the number of employees to be terminated in such fields. The District may determine to exempt from the Reduction in Force some but not all employees in a shortage field, and in such instance the order of termination in such field shall be as set forth in Section 3.0(b) herein. If the District determines to effect a Reduction in Force of all probationary employees except shortage field employees, it shall exempt all or some employees presently serving in any of the identified shortage fields, and if it exempts all presently serving employees in a shortage field, it may exempt some or all employees authorized by credential to serve in such shortage field. In regard to the exemption of employees in shortage fields by credential authorization, the District may exempt employees in one or more than one shortage field by credential authorization without exempting employees by credential authorization in other shortage fields. For purposes of this Article, an employee who is "presently serving" in a teaching or service field is an employee who is assigned to the field for not less than one period (or its equivalent) per day, as of the most recent "norm date" established by the District.

b. The order of termination within a teaching or service field in which a Reduction in Force is effected, in whole or in part, shall be based

Article XIII – Granting of Probationary Contracts, Reduction in Force and Reassignment, and Resignation/Reinstatement

on seniority within status, beginning with provisional employees, then temporary contracts, then University/Individualized Interns, then District Interns, then Conditional employees, then Probationary 1 employees, then Probationary 2 employees then Probationary 3 employees and finally Probationary 4 employees. Ties shall be broken by using the seniority number as described in Article XI, Section 6.2.

4.0 Notices of Termination: A probationary employee subject to termination shall be provided written notice thereof at least fourteen (14) calendar days prior to such termination. Such notice shall be mailed by certified or registered mail to the address on file in the District's computer system as of the date of mailing, or shall be served on the employee by direct delivery. The notice shall be effective if mailed or delivered as stated above, or if actually received by the employee. The notice shall state that the employee will be terminated pursuant to the terms of this Article, and shall state the date upon which such termination is effective. The notice shall also state that the employee is being offered employment as a day-to-day substitute on the same basis as other day-to-day substitutes. The notice may provide other information such as the basis for the Reduction in Force and the likelihood of reemployment in the future. A Reduction in Force shall be deemed commenced pursuant to this Article upon the action of the Board of Education authorizing the Reduction in Force, so long as the Notices of Termination are served no later than thirty (30) days from the date of such authorization.

5.0 Seniority Date: For the purposes of this Article an employee's seniority date shall be determined by the employee's initial probationary service date as defined in Article XI, Section 6.2. Such service date shall not include any beginning date of substitute service which was later deemed to be probationary service.

6.0 Reduction in Force Defined: For the purposes of this Article, a Reduction in Force is defined as a reduction in the number of probationary employees in a teaching or service field so that the number of permanent and probationary employees in that teaching or service field at the effective date of the Reduction in Force does not exceed the number needed in the class. The basis for a Reduction in Force shall be limited to the following:

- a. reductions in program offerings;
- b. returns from leaves of absence;
- c. actual or anticipated declines in student enrollment;
- d. reductions in off-norm positions, including Specially Funded positions;
- e. reductions in non-classroom positions;

Article XIII – Granting of Probationary Contracts, Reduction in Force and Reassignment, and Resignation/Reinstatement

- f. reductions in permanent certificated positions;
- g. Changes in class size or norm tables as indicated in Article XVIII.

7.0 Re-employment List: Terminated probationary and permanent employees shall be placed on a District Re-employment List for a period of 39 months from the last day of paid contract service with the District. Excluded from the list are those terminated employees who served in temporary contract, provisional, University Intern, District Intern, or conditional status.

8.0 Order of Re-employment: Subsequent to a Section 3.0 Reduction in Force, if the District determines that vacancies exist in teaching or service fields, contract offers shall be made to individuals on the appropriate District Re-employment List as follows:

- a. Individuals who were permanent employees shall be made offers of re-employment first, followed by Probationary 4, then Probationary 3, then Probationary 2, and finally Probationary 1 employees. Within each status the individual(s) with the earliest seniority date shall be made offers of re-employment first except that, as between individuals who have the same seniority date, they shall be re-employed in the inverse order of their termination;
- b. If an offer of re-employment is not accepted, the individual's name shall be removed from the District Re-employment List;
- c. Individuals re-employed from the Re-employment List shall be placed in the status to which they would have been entitled but for the termination, provided however, that time spent on said List shall not be counted toward eligibility for permanent status; they shall have restored their initial seniority dates as defined herein.

9.0 Special Services Salary Table - Termination or Reassignment: Employees serving in other than substitute status in positions paid on the Special Services Salary Table shall be subject to termination or reassignment to a lower class, if such exists, due to a reduction in force as follows:

- a. The order of termination or reassignment shall be by status beginning with University/Individualized Intern status employees, then Probationary 1 or Qualifying 1 status employees, then Probationary 2 or Qualifying 2 status employees, and finally Probationary 3 or Qualifying 3 status employees. Within each status employees with the latest class seniority date shall be terminated first after University/Individualized Intern status employees. Ties shall be broken by using the seniority number as described in Article XI, Section 6.2.

Article XIII – Granting of Probationary Contracts, Reduction in Force and Reassignment, and Resignation/Reinstatement

b. Employees affected by a reduction in force under this Section will be reassigned to the highest classification previously held, if such exists, or to positions for which they are certificated and qualified as determined by the District, or terminated if such employees are not Article XIII – Granting of Probationary Contracts, Reduction in Force and Reassignment, and Resignation/Reinstatement certificated and qualified for any position. Such employees will displace employees with lower seniority in that classification, provided that such displacement shall not result in the termination from District employment of an employee who has greater District seniority.

9.1 Employees terminated under this Section may be re-employed in the former higher class as follows:

a. Individuals who were Probationary 3 or Qualifying 3 employees shall be made offers of re-employment followed by Probationary 2 or Qualifying 2 and Probationary 1 or Qualifying 1 employees respectively. Within each status the individuals with the same class seniority date shall be re-employed in the inverse order of their termination;

b. For purposes of this Section a class seniority date shall be the date upon which service was first rendered in probationary or qualifying status in that class. Such service shall not include any substitute service which was later deemed to be probationary or qualifying service.

10.0 Reduction-in-Force for Counselor, Elementary School: In the event of a reduction-in-force in the classification of Elementary School Counselor, such employee shall be terminated from that class and reassigned according to the provisions of Sections 9.0 and 9.1.

11.0 Reduction-in-Force for Secondary Counselors:

a. It is understood that all secondary counselor positions are currently filled with either of the following:

(i) by employees who have both a PPS credential and a teaching credential (the "counselor-teachers"), who have been assigned to a counselor position on a "limited ongoing" basis with earned seniority as teachers; or

(ii) by employees who have solely a PPS credential (the "PPS-only counselors"), who have earned seniority only as counselors.

In the past, when faced with the need to impose a District-wide reduction-in-force (RIF) of counselors, the District has chosen to reassign counselor-

## Article XIII – Granting of Probationary Contracts, Reduction in Force and Reassignment, and Resignation/Reinstatement

teachers to teaching positions in order to avoid the layoff of PPS-only counselors whose credentials preclude their reassignment to non-counselor positions. This has resulted in the retention as counselors of employees with lower District seniority rights than the reassigned counselor-teachers.

b. Without affecting in any other way the rights of the District to select, assign and reassign counselors pursuant to Article III, for any other reason not prohibited by this Agreement, it is agreed that solely for purposes of District-wide RIFs of counselors the District shall not use its reassignment rights to avoid layoffs. The District shall instead place all employees then serving as secondary counselors (without regard to whether they have credential rights in other fields) on a single seniority list, and then reduce the counselor ranks as required pursuant to the Education Code and/or this Article. Thus, those counselors with the most recent District seniority date will be reduced first, and whatever bumping rights they may have into other classifications will be determined by Code, seniority and credentials.

c. It is understood that all District-wide RIFs of secondary counselors will continue to be handled pursuant to statutory procedures and/or the procedures of this Article, and the above agreement covering counselors is not intended to add to or change the statutory and contractual jurisdiction for such cases, but is instead intended solely as a restriction upon District assignment/reassignment rights in the limited context of implementing a District-wide RIF.

11.1 Probationary employees shall be entitled to re-employment rights as established by the authority (Education Code or this Article) under which the termination was effected. Subsequent suspension of this Article shall not adversely affect re-employment rights to which the employee was eligible at the time of termination.

12.0 Sub-Contracting: Effective upon ratification, there shall be no further subcontracting of work historically and exclusively performed by Bargaining Unit employees without the express agreement of the Union.

12.1 Within six (6) months of ratification, the parties will begin discussions exploring the feasibility of bringing subcontracted unit work back into the direct employment of the District during the term of the 2025-2028 Agreement.

12.2 UTLA bargaining unit members shall not be displaced or reduced as a result of subcontracted work.

12.3 The District shall provide UTLA a quarterly list of Requests for Proposals (“RFPs”) that the District issues for procurement of services by third

Article XIII – Granting of Probationary Contracts, Reduction in Force and Reassignment, and Resignation/Reinstatement

parties. UTLA may demand to bargain the effects of subcontracting functions it believes have been historically and exclusively performed by UTLA.

12.4 Bargaining unit members will have priority over subcontracted staff in all matters related to assignment choices and additional work opportunities.

1.0 Salary and Benefit Provisions: For salary and benefit provisions, including Base Rate, Incentive Rate, Extended Rate and Inter-session/Summer/Winter Session Rate, refer to Appendix E.

a. The rates for substitutes who serve in place of employees paid on the Preparation Salary Table reflect a fold-in of the previous 11364 accrual rate factor for paid non-working days described in Section 2.0 and the 3% longer days factor.

b. **Base Rate:** The base pay rate for substitutes who serve in place of employees in the K-12 program allocated to the Preparation Salary Table shall be paid in accordance with the rates listed in Appendix E. The rates set forth in the previous sentence shall also be the sole rates available to contract teachers serving as substitutes during unassigned periods.

c. **Incentive Plan Rate:** Substitutes who are accepted for and continue to meet the requirements for the Incentive Plan (see Section 3.0.) shall be paid in accordance with the rates in Appendix E.

d. **Continuity Rate Increase:** Substitutes who serve in place of employees paid on the preparation Salary Table shall have their rates of pay increased by one hour of pro-rated pay per day effective the first day following the completion of service equivalent to 130 days during the school year.

e. **Inter-session/Summer/Winter Session Rate:** Substitutes serving in summer school (see Section 5.4 below) shall be paid at their hourly rate in Appendix E for a normal summer school day of four hours. Substitutes in a single assignment for the entire summer or winter session shall be paid at extended hourly rate in Appendix E retroactive to the first day of the assignment including any additional hours worked as may be required of non-substitute teachers in similar assignments. **NOTE:** Employees may have assignments of varying hours per day.

f. **Non-Preparation Table Substitutes (Excluding Adult Education):** Substitutes serving in place of employees who are not paid on the Preparation Salary table shall be allocated to the first step of the minimum schedule for the class. Such employees shall be entitled to step

advancement on that schedule if qualified, but substitutes serving in place of employees paid on the Children's Center/Development Center Salary Table shall be paid not more than \$139.37 per day effective July 1, 2004, except as provided in Section 2.0b.

g. As of July 1, 2001, Adult Education employees hired prior to July 1, 2001 serving as substitutes will be paid at the rate (Step 1) of the Adult Hourly Rate Schedule. Employees hired on or after July 1, 2001 serving as substitutes will be paid at the flat rate (Step A) of the Adult Hourly Rate Schedule. The accrual rate previously paid is eliminated effective June 30, 2001.

h. Upon request, a Substitute working in a long-term assignment and/or a Substitute who has worked at least 100 days in each of the two preceding years shall be allowed to participate in District Professional Development Training on a space-available basis where funding is available or not required.

i. Substitutes required to participate in District training/workshops shall be compensated at their hourly rate. The following shall also apply for District required online trainings:

- a. All substitutes will be provided with one hour of training rate to complete the Annual Child Abuse Awareness training prior to the start of each school year/their first assignment on an annual basis.
- b. Day to Day Substitutes will be provided with the opportunity to complete their annual Blood Borne Pathogens training, Annual Suicide Prevention and Awareness training, Annual Workplace Violence Prevention training, ADA Title II Compliance training and Annual IT Cyber Security training during Tuesday bank time professional development or other paid time (e.g. preparation / conference period) provided by LAUSD in the event of the employee is not working a Tuesday assignment during the required training period.
- c. Long Term and Resident Substitutes may complete the required MyPLN trainings as noted in item b. above during their assigned secondary/elementary preparation time and/or during faculty meetings in alignment with other teachers at the site.
- d. If a substitute has not been in a paid assignment during the school year and has been unable to complete the required training as noted above prior to the due date, the deadline will be reasonably extended to allow for the employee to complete the MyPLN training(s) during an assigned paid work day.

2.0 Incentive Plan: Incentive Plan substitutes serve in schools of particular need, as determined by the District, and thereby qualify for the daily

incentive pay rate (Section 1.0c above). The District shall solicit substitutes to participate in the plan, but may reasonably limit the number so that participants can expect to be assigned each day of their availability except under unusual circumstances such as pupil-free days.

a. Substitutes (including School Nurses) on the active waiting list of applicants for the Incentive Plan, and who serve at schools of particular need as determined by the District, shall be paid at the Incentive Plan rate for that day. See also Section 3.3c below.

2.1 Eligibility: Eligible substitutes may apply to enter the plan at any time. School Nurses shall be included in the Incentive Plan. The Incentive Plan shall be applicable only to substitutes who are serving in place of regular K-12 program employees paid on the Preparation Salary Table during the regular (September-June) academic year and who also meet the following qualifications:

a. Agree to serve in any grade level and/or subject field as reasonably determined by the District and at any school/center location according to District need.

b. Are available a minimum number of days of availability per week as specified by the District; the District retains discretion to establish the requisite days of the week and/or number of days per week of availability for any calling area.

c. Agree to serve as an incentive substitute for at least one semester.

Participants who do not continue to meet the obligations of a., b., and c. above, or who refuse an assignment, or who acquire more than five (5) unavailables during a semester may be dropped from the plan and may be ineligible for restoration to the plan for a minimum of one year.

2.2 Priority for Selection: Seniority based on earliest uninterrupted date of assignment in the District as a certificated employee and number of days available for assignment shall be used to determine priority for selection of new participants in the Incentive Plan.

2.3 Incentive Substitute Assignment Procedures:

a. Incentive Plan substitutes will be called for assignment pursuant to Section 5.3 of this Article, except that a limited number (at the District's discretion) of the participants with five-days-per-week availability may be assigned in advance on a daily basis to schools for service at those sites or be reassigned to other nearby schools as determined by the District. Substitutes with the longest travel distance will be given priority consideration for advance assignment.

b. Incentive Plan substitutes may be name-requested by the site administrator of any participating school irrespective of 3, 4 or 5-day availability, but may not be name-requested by non-incentive plan schools. Participating schools shall not include non-incentive substitutes on their preferred calling lists.

c. Non-Incentive Plan substitutes may be assigned to participating schools, but only after all available incentive substitutes have been assigned.

3.0 Day-to-Day Substitutes, Extended: Any day-to-day substitute who serves for more than 20 consecutive working days in the same general education assignment or sixteen (16) consecutive working days in a special education assignment in place of the same absent employee or in the same unfilled position, in regular K-12, shall be classified as a Day-to-day Substitute, Extended employee and shall be paid the Incentive Plan substitute daily rate as provided in Section 1.0b and c above retroactive to the beginning date of the assignment. Substitute teachers in extended assignments are entitled to any and all preparation time afforded to the classroom teacher for whom they are substituting. If directed to provide class coverage during the teacher's conference period, the substitute employee in an extended assignment will be compensated at their hourly rate. Days used by the substitute for illness, personal necessity or bereavement shall not count toward, but shall not constitute a break in, the consecutive working days requirement. Upon the termination of the extended assignment, the substitute shall return to, and be paid as, a day-to-day substitute. Should that same substitute within five (5) working days of the termination date be returned to the previous extended assignment, and continue in that same assignment for a minimum of ten (10) additional working days, the substitute shall again be classified as an extended substitute and shall be paid the Incentive Plan substitute rate retroactive to the beginning date of the return to the position.

3.1 Resident Substitute Program - Based on District and programmatic needs, the District may at its discretion and in consultation with UTLA initiate a Resident Substitute Program. This Program allows substitutes to serve in schools designated by the District in a daily capacity for one or more semesters. Resident Substitutes are assigned to the same school and serve as the first substitute of the day and provide support to classrooms at the discretion of the site administrator. The District will provide a list of participating schools on an annual basis. Substitute employees wishing to become Resident Substitutes will complete an interest survey indicating their preferred region/calling area. The Substitute Division will assign Resident Substitutes to schools based on educational program need and seniority within a geographic/calling area. Beginning December 2022, the employees selected shall receive the Substitute Residency rate of \$249.91 per day/\$41.65 per hour (refer to Appendix E for updated rates). Substitute employees participating in the Resident Substitute Program may accept Extended Rate assignments at their Residency school and may return to the Substitute Residency Rate at the conclusion of their Extended

Rate assignment. The District shall solicit substitutes to participate in the program, but may reasonably limit the number so that participants can expect to be assigned each day of their availability except under unusual circumstances such as pupil-free days. The District may renew the Residency Program on an annual basis with notice to UTLA.

3.2 A substitute may not be released from an assignment as the 21st day approaches in a general education assignment or the 17<sup>th</sup> day approaches in a special education assignment, for the sole purpose of preventing the substitute from qualifying for the extended substitute pay rate.

3.3 A substitute teacher who is assigned for ten consecutive days to an unfilled position in which the substitute teacher opens a class at the beginning of the school year or is assigned for ten consecutive days to an unfilled position in which the teacher closes a class at the end of the school year, or, in a secondary school, closes a class at the end of the semester, shall be paid at extended substitute rate.

4.0 Assignment Procedures for Non-Incentive Plan Substitutes: Day-to-day substitutes may apply to only one of the service areas (North – 1, 2, 3, 4; South 1, 2, 3; Central 1, 2, 3) for assignment. Day-to-day substitutes will be placed, upon request, on a calling list within the Calling Area but are subject to assignment to any school within the Calling Area and also, when necessary, may be assigned to any school in an adjacent calling area. Also, substitutes must be available for at least two consecutive days per week. (Friday/Monday meets the consecutive days requirement.) Substitutes who are unable to comply with the consecutive days availability requirement because they are also serving part-time as categorical limited contract teachers are exempt from the consecutive days requirement. Substitutes in the Incentive Plan are assigned pursuant to Section 3.0.

4.1 Accepting Assignments: All initial assignments of substitute teachers, including those who are name-requested, must come from the substitute calling unit. Extension or reduction of initial assignments will be directed by the school administrator or designee to the substitute. However, any change in the duration of the initial assignment must be reported immediately by the administrator or designee to the substitute calling unit. Substitutes are not to report changes in the initial assignment to the substitute calling unit.

A substitute who should have been assigned, but was not assigned due to a verifiable District error, shall be granted one of the following remedies, at the employee's option:

- a. a make-up assignment on a day the employee would not normally be called, such as during periods of traditional school calendar recess; or during the summer session; or

b. cancellation of an "unavailable" charged against the employee.

c. A substitute who was physically injured during an act or acts of violence related to and during the performance of assignment duties may specify a "Do Not Send" designation for that school without being charged with an "unavailable."

d. A substitute who had a weapon brandished at him or her related to and during the performance of assignment duties may specify a "Don Not Send" designation for that school without being charged with an "unavailable."

4.2 Substitutes who are assigned by the Certificated Substitute Assignment Unit have a right to work and be paid for the service they provide whether at the school site to which originally assigned or if necessary, to an alternate assignment specified by the District. If assigned to an alternate assignment, paid service time shall be reported from the time of arrival at the original school site. If a substitute declines an alternate assignment, the substitute shall not be entitled to pay for that day; however, such substitute shall not receive an unavailable.

a. The District shall maintain a list of school schedules at an employee self-service website.

- (1) Assignments to SBM schools with adjusted schedules will be offered in the same manner as to non-SBM schools. No special "non-available" notation will be made as a result of an assignment offer to a S.M. school.
- (2) The substitute on-site obligation at S.M. schools with adjusted schedules will not be greater than normal, even if the teaching time is lesser or greater. Pay for substitutes at such schools will not be adjusted to reflect the revised schedules.

4.3 Calling Priority Order:

a. Contract pool teachers temporarily assigned to substitute pools, and year-round school teachers newly assigned or whose track is changed and who therefore need to make up time in order to complete one full year of retirement service credit.

b. Incentive Plan Substitutes (see Section 3.0.).

c. Substitutes requested by name and employee number, and available year-round school teachers off-track requested by name and

employee number at their home school. The request list is limited to those who are available at least two days per week provided that they are available Friday and Monday and approved by the site administrator in consultation with the faculty.

d. Remaining openings shall be filled from geographic area pools. Substitutes' names shall be arranged by the date of election to certificated service on separate lists for each pool according to service category (elementary K-6, or a given secondary subject field), and called in the following priority order:

f. Remaining year-round school teachers off-track who were not assigned pursuant to c. and d. above or off-track teachers not available to substitute at their home school, and teachers on traditional calendars serving as substitutes during unassigned periods.

g. Standby list (see Section 5.6.). These shall be assigned by seniority order within service category.

- (1) Substitutes available five days per week.
- (2) Substitutes available at least two consecutive days per week but less than five days.

~~e. Year-round school teachers off-track and available to substitute at least two days per week at their home school, but need not remain available each week of the off-track period. These teachers shall be arranged by their seniority date within the service category (K-6 or a given secondary subject field) for assignment at their home school.~~

4.4 Assignments During Z Basis Periods: During the summer hiatus periods for traditional calendar schools and off-track periods for year-round schools (i.e., X/Z Basis - see Article IX, Section 10.0j) the calling priority order shall be as described in 5.3 above, but will be restricted to a limited number of substitutes who have volunteered for summer duty and have been selected, again based upon the above priority order.

4.5 During emergencies the above priorities may be temporarily suspended.

4.6 Standby Lists: A substitute may be changed from any high priority to the substitute unit's "standby list" for any of the following causes:

a. Receipt of the second report of late arrival in any one semester, or traditional calendar summer recess period, which has been determined to be the fault of the substitute;

Article XIX – Substitute Employees

CC 2/24/24  
2/24/24

b. Receipt of the second "Inadequate Service Report" in any one semester or traditional calendar summer recess period; or

c. Ten "unavailable" in any one semester, or four during traditional calendar summer recess period. ~~Off-track teachers shall be permitted not more than three in each off-track period.~~ An "unavailable" will be posted each time a substitute:

- (1) Refuses an assignment within the geographic limits set forth in 5.0 above. However, a refusal will not be charged if the call was received before 5:30 a.m. or after 8:30 a.m. or was for assignment of less than a full day.
- (2) Refuses to accept the extension of an assignment within availability designation. However, non-incentive substitutes may refuse to accept extension of an assignment without it being counted as a refusal, in any of the following circumstances:
  - (i) If the extended assignment conflicts with a previous commitment by the substitute for a different name-requested assignment;
  - (ii) If the substitute has already served ten consecutive days in the assignment; or
  - (iii) If the assignment is for a subject field other than that designated on their availability form.
- (3) Fails to answer the telephone personally between 5:30 a.m. and 8:30 a.m. In the case of Early Education Centers, the hours are 7:30 a.m. to 9:30 a.m.
- (4) Has a busy telephone line during two attempted calls during the hours specified in (3).
- (5) Declares unavailability. However, if the substitute Satisfies the District that the unavailability was for more than one day because of a continuing illness, (or compelling personal reason), only one "unavailable" will be charged for that period.

d. A substitute who was physically injured during an act or acts of violence related to and during the performance of assignment duties

may specify a "Do Not Send" designation for that school without being charged with an "unavailable."

4.7 Names of substitutes on the standby list shall be called after all other available substitutes have been assigned. Name-requests will not be honored for those on the standby list. A substitute who is placed on the standby list shall be given immediate notice thereof and an opportunity for prompt administrative review by the coordinator of the Certificated Substitute Assignment Unit. Such review shall be without prejudice to any rights the substitute may have under the grievance procedure. After a period equivalent to six working months, substitutes on the standby list may be returned to a higher priority, provided that an Inadequate Service Report was not received during that period.

4.8 Upon request, substitutes shall be advised of their rank on the calling priority list.

4.9 Each school shall post and distribute to teachers a copy of its substitute name-request list (preferred substitute list) ~~and a copy of the list of off-track teachers (if any) available to substitute during their off-track periods.~~ These lists shall include the teachers' employee numbers to ensure that the proper substitute is requested and assigned. Copies of preferred substitute lists shall be forwarded by the local sites to the Substitute Assignment Unit where they shall be available for review by the UTLA Substitute Subcommittee Chairperson.

5.0 Late Arrival: A substitute who cannot reasonably expect to reach a school before class begins must attempt to call the school upon accepting the assignment in order that appropriate interim coverage arrangements can be made at the school. A substitute shall not be considered late if their arrival time does not exceed one hour from the time the substitute accepted the assignment. If a regular teacher in a secondary school is doing replacement service for the class of a late arrival substitute, the regular teacher may complete the period of replacement service if one-half of the period has already been completed. See also Section 7.1.

6.0 Time Reporting: Substitute teachers must serve a full teaching day to receive a full day's pay. Time should be reported to the nearest tenth of an hour (6 minutes) from the time instruction begins. When the school's daily schedule reduces instructional minutes in order to provide professional development, such as Banked Time Tuesdays, substitute teachers shall have the right to participate in professional development and receive pay for the full day. Those who serve a full day shall be time-reported for the same number of hours as the employee for whom they are substituting.

6.1 Service for less than a full day will be compensated proportionately unless the late arrival is due to a late call from the substitute unit which does not permit the substitute to reach the school before class begins. If

CC 2/24/26

the substitute has complied with the provisions of Section 6.0, and the school confirms the time of the unit's call, the substitute will be given an opportunity to make up the late time (up to a maximum of one hour) at the end of the school day. Substitutes who are assigned for less than a full teaching day, but were not so informed at the time of the assignment offer (and it was not otherwise apparent) shall be entitled to a full day's pay, provided that they perform other duties as assigned for the balance of the workday. For example, if it is determined that a substitute was not informed of a half-day assignment, the substitute will be permitted to serve and be paid for a full day. The school must confirm the terms of the assignment offer with the substitute unit.

6.2 A substitute who is assigned duties beyond the regular assignment and for which the regular employee is compensated (e.g., UTP duties, auxiliaries) shall be time-reported for the full time of the additional assignment. For secondary auxiliaries, consistent with the regular employee, the substitute would perform preparation activities as noted in Article IX, Section 6.0 after the school day to be compensated for the additional assignment.

7.0 Release from Assignment: Any employee serving as a substitute may be released from a particular substitute assignment by the immediate administrator or designee at the end of any working day. The official daily service slip completed by the office manager or designee, and reflecting hours worked, shall indicate whether the substitute has been held over or released from the assignment. This procedure shall not be applicable to substitutes serving in extended substitute assignment status.

7.1 Job Cancellation: Substitutes who have accepted assignments through the Subfinder, or subsequent replacement system, shall be given the opportunity to work the hours accepted if the assignment is cancelled less than one hour prior to the start of the assignment.

8.0 Duties: A substitute is expected to perform in a competent manner all of the regular instructional duties of the absent teacher and other duties reasonably assigned by the principal. Failure to satisfactorily perform these duties may result in an Inadequate Service Report. Instructional and other duties and responsibilities include, but are not limited to:

- a. Arrival at school on time (substitutes should be ready to leave home immediately upon receiving an assignment) and remain on site for the full day;
- b. Present the Payroll Authorization Card to the principal or office manager and report the name of the absent teacher;
- c. Review lesson plans for the day, if available. If no plans are available, determine areas currently being studied and the activities to be pursued;

Article XIX – Substitute Employees

CC 2/24/26

- d. Account for pupil attendance as prescribed by the school;
- e. Conduct class and enforce rules in accordance with school and Board of Education policies;
- f. Perform classroom and special duties as assigned. Such special duties may be assigned either during or outside normal conference periods;
- g. Leave classroom in good order with a summary of the day's accomplishments;
- h. Inform the principal or clerk when ready to leave the school at the completion of the assignment.

9.0 Information: Substitutes shall be provided with the information needed to perform the duties of the position including, but not limited to class grade level, subject matter, assignment address, general or special education assignment, student attendance information, lesson plans, class roster, appropriate keys, seating chart(s), IEP and 504 Plan information, and security and emergency plans. The school discipline policy shall also be provided upon request.

10.0 Evaluations and Inadequate Service Reports: See Article X, Sections 7.0, 8.0 and 8.1. When a substitute receives an Inadequate Service Report at a school, either the principal or the substitute may request that the substitute not be assigned to that particular school in the future.

10.1 An Inadequate Service Report shall not be considered for the purpose of disciplinary action after a period of four years from the date of issuance. However, the Report shall be retained by the District as required by law.

11.0 Other Calling Lists: Separate calling lists shall be maintained for Development Centers and Early Education Centers.

12.0 Toll Free Calling: The District shall maintain a toll free telephone line.

13.0 Reorganization/Redesign of the Substitute Unit: The UTLA Article XXX Substitute Committee shall be permitted to give input to the District prior to any reorganization or redesign of the Substitute Assignment Unit or to the automated calling system.

14.0 The Substitute Unit shall create and maintain separate lists of substitute employees with specific credentials (including but not limited to BCLAD, CTE, etc.).

- b. Priority 1 applicants shall be assigned before Priority 2 applicants.
- c. Priority 3 applicants shall be assigned to a geographic area pool. The applications of those not selected at the school to which they applied shall be forwarded to the appropriate geographic area pool for possible future assignment in priority and seniority order, pursuant to 5.0 below.

### EARLY EDUCATION CENTERS

To support the learning and development of students served within an Early Education Center, the District will engage in ongoing efforts to provide families with information pertaining to available centers, including location, hours and the process for student enrollment.

1.0 General: The District and UTLA have agreed to the provisions of this Article in recognition of certain special conditions involved in Early Education Center operations.

2.0 Informal Leaves: Employees who desire to apply for informal permissive (unpaid) leaves of absence should refer to Article XII, Section 5.0.

3.0 Mileage: Mileage reimbursement shall be paid for miles driven between locations when a Early Education Center teacher is assigned to two locations per day.

4.0 Transfers Involving 8-Hour Assignments: See Article XI, Section 10.0.

5.0 Additional Hours of Work:

a. All known and anticipated 4-hour openings not filled by an employee returning from leave, a displaced employee, or an employee already assigned to the site where the vacancy occurs, shall be posted at all Centers on or before the first day of each month. Four-hour employees who seek additional hours and who have on file a Statement of Availability requesting additional hours, may apply for any posted position by submitting an appropriate application to the Early Education Center Assignment Office within five work days of the posting. The most senior qualified applicant may be appointed to fill the position or selection may be made after interviewing the three most senior qualified applicants.

b. Postings of positions shall include: The name and address of the work site, the proposed hours of the assignment (either morning or afternoon), any special skills and/or qualifications required, and a statement as to whether the position will be filled by the most senior qualified applicant or by the interview process.

5.1 In the event no current 4-hour employee applies for a posted opening, the District may, in its discretion, fill the position with a new employee or

## Article XXIII – Early Education Centers

declare that a compelling circumstance exists and fill the position with a 4-hour employee assigned within the geographic region of the opening whose annual Statement of Availability Form shows a desire to work additional hours. Two refusals of an assignment under compelling circumstances (as provided above) may result in removal of an employee's name from the Availability List for the remainder of the school year.

5.2 Refusal of a substitute teaching assignment by a 4-hour employee, who has on file a Statement of Availability requesting additional hours, shall not prejudice the employee's eligibility for additional 4-hour openings.

6.0 Seniority List: The District shall maintain a seniority list for Early Education Centers and shall forward a copy to UTLA by July 1 and January 1 of each year.

7.0 Vacation Scheduling: See Article XVII Holidays and Vacation.

8.0 Late Hours: When teachers are required to remain on site beyond their assigned time due to parents' failure to pick up their children at the close of school, the extra time involved is to be recorded and when accumulated to a total of four hours shall be compensated either by straight-time salary or by released time to be scheduled at times agreed to by the District and the teacher. At the request of the teacher, this released time shall be scheduled in conjunction with vacation time. If the District and the employee have not agreed on the scheduling of the accrued released time prior to the close of the school year (June 30), the District may either schedule the time or compensate the employee at the regular rate of pay. General hours provisions are set forth in Article IX, Sections 3.2 and 7.1.

9.0 Excused Time: Pursuant to past practice, after noon on Christmas Eve and New Year's Eve, Early Education Center will operate on a reduced "minimum crew" basis, with most employees released on a paid "excused time" basis. Those who must remain at work shall subsequently receive compensatory time off equal to the time worked after noon on said days. For this purpose, such compensatory time off shall be taken within two pay periods.

10.0 Additional Compensation: An Early Education Center teacher shall receive additional compensation in the following circumstances:

a. Another regularly assigned teacher is absent; and no substitute is assigned for the absent Early Education Center teacher; and as a result the teacher is assigned children from the absent teacher's class; and the teacher's class size exceeds the state-prescribed adult-to-child ratio; or

b. When a minimum or shortened day at the local elementary school causes the Early Education Center teacher's class to exceed the state-prescribed adult-to-child ratio.

## Article XXIII – Early Education Centers

c. Additional compensation shall not be provided under a or b above when the prescribed ratio is exceeded during transition from one activity to another for periods of up to 20 minutes.

d. When compensation is payable pursuant to a or b above, the teacher shall receive one hour's pay for each 24 pupil hours of additional service rendered to students not normally assigned to that teacher. The rate to be paid for such service shall be the teacher's regular hourly rate but not to exceed the maximum rate which would otherwise have been paid to a day-to-day substitute.

e. The additional students and time shall be recorded to the nearest (.1) of an hour upon conclusion of each affected work shift and such time accumulated during any given pay period shall be reported to the Payroll Services Branch for payment during the next pay period. Additional compensation representing less than .1 of a full hour of compensation will not be reported to the Payroll Services Branch.

11.0 Participation in Chapter Chair Meetings: On days when UTLA hosts a meeting for chapter chairs, the chapter chair at each EEC upon 5 prior working days notice will be assigned a shift other than the closing shift in order to accommodate the UTLA Chapter Chair's attendance. With less than five prior working days notice, the District shall permit the UTLA Chapter Chair to trade shifts with another willing Early Education Center teacher for that day and inform the site administrator.

12.0 Substitutes: Various substitute assignment procedures and priorities are made applicable to Early Education Centers as indicated in Article XIX. Absent Early Education Center employees must report their absence and/or substitute request directly to their site administrator or designee rather than to the Early Education Center Substitute Assignment Desk.

13.0 Early Education Center head teachers shall be permanent teachers if practicable.

14.0 Professional Development: The district shall develop and provide Professional Development suited for Early Educators.

14.1 All voluntary trainings and professional development outside of the regular work hours shall be-compensated at the professional development rate.

14.2 If an Early Education Center teacher is assigned during the students' rest period, such period shall be treated the same as the elementary preparation period. The District shall make a reasonable effort to schedule aides to supervise the children in order to allow an uninterrupted preparation period. In situations where an aide is not available to supervise the students during their rest periods and the Early Education teacher(s) is required to supervise students during their District-scheduled preparation time, the affected Early Education Center teacher(s) may

## Article XXIII – Early Education Centers

perform the preparation duties after their regular work hours and be compensated at their hourly rate of pay.

15.0 Staffing ratios for Early Education programs shall be in accordance with applicable laws and regulations.

16.0 Special Education classes, including Preschool Collaborative Classes at Early Education Centers shall refer to Article XXII for class size, staffing and programmatic needs.

As soon as possible, the teacher shall ask the parent or guardian of the student to meet with the teacher. During the period of the suspension the student shall not be returned to the teacher's class without the consent of the teacher, or be placed in another regular class. The teacher may require the completion of tests and assignments missed due to the suspension. Apart from or in addition to a teacher-imposed suspension, the teacher may refer a student to the site administrator for consideration of a suspension from school or an expulsion.

2.2 Prior to or upon the student's return to the classroom, a copy of the District's documents applicable to the act for which the student was suspended, including corrective action taken, shall be provided to that student's teacher(s).

2.3 Prior to the student's return to the school campus from a suspension or incarceration, a re-entry meeting shall be held. Any identified supports will be shared in accordance with District policies and applicable

The Board of Education may, in its discretion under Government Code Section 825, indemnify the employee against punitive or exemplary damages.

Such notification and information shall be based upon the

Article XXIV – Positive Student Behavior Intervention and Support,  
Legal Support and Property Loss

records the District maintains in its ordinary course of business or has received from a law enforcement agency. Any such information shall be received by the teacher in confidence for the limited purpose of alerting the teacher, and shall not be further disseminated by the teacher.

4.1 Threat Assessment Should a threat assessment of a student be initiated, the teacher(s) of that student will be notified of the status of the assessments, steps to be taken and of any needed classroom supports/interventions. Updates shall be provided as appropriate and permissible. This information should be treated in confidence as noted in section 4.0 above. The teacher(s) may communicate with their union representatives if they have concerns about the process or general safety, however, pupil record information as defined in District policy and federal law shall not be disclosed.

c. No payment shall be made for any loss having a depreciated value of less than \$10, or for ordinary wear and tear.

5.2 In instances where student transportation is not available through routine sources such as parents, District transportation vehicles or emergency vehicles, the site administrator may authorize employees to transport pupils in their personal automobiles. When practical, two adults (one of each sex) shall accompany a student being transported.

5.3 Students transported to home shall be released only to the custody of a responsible adult, the person named on the student's emergency

5.4 The responsibility of the District with regard to reimbursement and liability when students are transported in the personal vehicles of employees is described in Section 4-0 5.0 above.

5.5 Following the normal procedures, employees using their personal vehicles to transport students shall receive mileage reimbursement as provided in this Agreement (See Article XXIX, Section 8.0).

5.6 Student Expulsion: If the principal reasonably determines that an intentional and deliberate assault and/or battery has occurred causing serious physical injury to the employee, the District may recommend the expulsion of a student. If the misconduct is grounds for expulsion under Education Code section 48915 (c), the District shall follow state and federal law as well as District policy, report to the appropriate law enforcement agency, and do the following: ~~or if the assault and/or battery involved a weapon, or is a sexual assault and/or battery, the principal shall recommend the expulsion of the student and the incident is to be reported to the appropriate law enforcement agency. Pursuant to applicable District policy and State and Federal law and actions of the appropriate law enforcement agency, the principal shall:~~

- a. Recommend the expulsion of the student.
- b. Suspend the student and provide for an alternate alternative interim placement of the student pending expulsion.

Any decision as part of an arbitration in this matter may only result in a determination if the above terms have not been followed and may not affect any student discipline action.

Nothing in this section shall limit, circumvent, or restrict the student's right to participate in the expulsion process as defined by Ed. Code 48918.

5.7 Reasonable Intervention: Consistent with California Education Code Section 49001(a), an amount of force that is reasonable and necessary for a person employed by or engaged in a public school to quell a disturbance threatening physical injury to persons or damage to property, for purposes of self-defense, or to obtain possession of weapons or other dangerous objects within the control of the pupil, is not and shall not be construed to be corporal punishment. Consistent with the law, the content of this section shall not supersede any changes to the California Education Code and is not subject to grievance procedures as outlined in Article V of this Agreement. However, this section may be relied on in a discipline related grievance or appeal.

Article XXIV – Positive Student Behavior Intervention and Support,

## ARTICLE XXV

### ACADEMIC FREEDOM AND RESPONSIBILITY

1.0 Lesson Content: In the investigation, presentation and interpretation of facts and ideas within the prescribed course of study, teachers shall be free to examine, present and responsibly discuss various points of view in an atmosphere of open inquiry, provided that the instruction, material, or discussion:

- a. is appropriate to the age and maturity level of the students;
- b. is related to and consistent with the prescribed curriculum, course of study, and textbook/materials for the class in question; and
- c. is a fair and balanced academic presentation of various points of view consistent with accepted standards of professional responsibility, rather than advocacy, personal opinion, bias or partisanship; and
- d. is aligned with applicable California State Standards.

1.1 Guest Speakers: Teachers may invite guest speakers to address their classes. They shall request approval by the site administrator as soon as possible or, in unusual circumstances, no later than 48 hours prior to the proposed appearance. The administrator shall as soon as possible, and no later than 24 hours prior to the proposed appearance, approve or disapprove the guest speaker, after considering the following factors:

- a. competency of the proposed speaker to address the proposed subject, including the speaker's experience, training and expertise;
- b. the educational value of the proposed program or address; and
- c. whether the proposed presentation, in the context of the teacher's overall instructional program, is consistent with the standards of Academic Freedom and Responsibility contained in Section 1.0 above. If the proposed guest speaker meets all of the criteria of 1.0 and 1.1 except 1.0 c., the proposed presentation may nonetheless be approved if the overall presentation in question adequately presents the opposing points of view (e.g., by providing a balancing advocate speaker, film, etc.).

Article XXV – Academic Freedom and Responsibility

CC 3/25/26  
Ⓟ 3/25/26

1.2 Appeal Procedure: If lesson content (including instructional materials, publications, videotapes, films, graphics, etc.) or a proposed guest speaker is the subject of a challenge or complaint to the site administrator by a student, parent, administrator or other person, the teacher shall be given appropriate notice and a reasonable opportunity to respond. Such a response shall be given (either verbally or in writing) in a private conference between the employee and the site administrator. If the lesson content or speaker is disapproved or restricted by the site administrator or other District administrator, the reason(s) therefore shall, upon verbal request, promptly be provided to the teacher in writing.

The teacher shall have the right to appeal any such determination(s) including the right to a hearing before the Region Superintendent or Designee.

1.3 This appeal procedure is intended to provide an avenue for review of administrative restrictions which have not resulted in disciplinary action or unsatisfactory evaluation or in critical material placed in the personnel file. Nothing herein shall preclude recourse to the grievance procedure for matters which are otherwise grievable under Article X, Evaluation and Discipline.

2.0 Ownership of Materials and Publications: Unless otherwise provided by a separate contract, the respective rights of an employee and the District as to ownership of materials and publications developed by the employee are to depend upon the origins of the material in question, as follows:

a. If the materials were developed by the employee as a project commissioned by the District, or in fulfillment of a specific job assignment, the materials are the exclusive property of the District. (e.g., a course outline developed by a teacher on special assignment for that purpose).

b. If the materials were developed by the employee in the course of performing regular duties, but were not specifically required or specifically assigned as a part of the job, the materials are to be owned by the employee, but the District shall be deemed a licensee (without fee) for purposes of internal District use only (e.g., classroom teacher, in furtherance of regular planning obligations, develops lesson plans which turn out to have value to other teachers and to the District).

c. If the materials were developed by the employee independent of regular duties, and on the employee's own time and without use of District resources, the materials are the exclusive property of the employee (e.g., working at home, English teacher with personal interest in computers develops a software package for tracking and computing grades; or teacher writes textbook on own time, drawing upon prior District experience).

d. Before an employee or the District utilizes any student produced material beyond the purpose for which it was initially submitted by the student, a written consent or waiver in favor of the District and

Article XXV – Academic Freedom and Responsibility

CC 3/25/24  
⑩ 3/25/26

employee must be obtained from the student and parent/guardian. Subsequent use and ownership shall depend upon the nature of the resulting material/publication produced by the employee pursuant to a, b and c above.

3.0 Determination of Grades: The grade to be given to any individual student shall be determined in the good faith professional judgment of the teacher and shall not be changed by the District except in situations of clerical or mechanical mistake, fraud, bad faith, incompetency, or failure to comply with the then-current District grading policies, procedures and criteria adopted in accordance with Education Code Sections 49066 and 49067.\* A grade shall not be changed for any of the above reasons unless the responsible teacher has, to the extent practical, (a) been given prior notice and an opportunity to explain, verbally and/or in writing, the reasons for which the grade was given; and (b) been included in discussions relating to the change of grade. Claimed violations of this section are subject to the grievance procedures of Article V.

4.0 Academic Freedom and Ethnic Studies: As created by the LAUSD/UTLA Ethnic Studies Committee and approved by LAUSD in April 2022, Ethnic Studies is defined as:

Ethnic Studies is an interdisciplinary and comparative study of the social, cultural, artistic, political, historical, and economic expression and experience of race and ethnicity that primarily centers the studies of American Indians/Native Americans, Asian Americans & Pacific Islanders, Black/African Americans, and Chicax/Latinx.

Ethnic Studies centers holistic humanization and critical consciousness, providing every student the opportunity to enter the content from their own space, positionality, and perspective. Ethnic Studies affirms the student identity, experience, and the building of empathy for others. This includes the self-determination of those who have ancestral roots and knowledge who have resisted and survived settler colonialism, racism, white supremacy, cultural erasure, as well as other patterns, structures, and systems of marginalization and oppression. The discipline uses culturally and community-responsive pedagogical practices to empower students to become anti-racist leaders.

Ethnic studies reconstructs and transforms the traditional narrative and curriculum by highlighting the contributions people of color have made in shaping US culture and society.

Teachers shall be supported and provided with ongoing resources, professional development opportunities, and curriculum to successfully implement Ethnic Studies and culturally and linguistically responsive pedagogy. Implementation of Ethnic Studies in all grade levels shall be consistent with applicable state standards/requirements, District policies and applicable Board Resolutions.

Funding allocations have been earmarked to address the longstanding systemic disparities and failures in educational opportunities and outcomes between Black students and their non-Black peers. The BSAP addresses the need for culturally responsive curriculum and instruction as the classroom norm, fosters partnerships with community based organizations with proven track records of success within the Black community and provides increased staffing support to address the academic and social-emotional needs of Black students.

2.0 ~~Recommendations regarding the District-wide implementation, expansion and maintenance of the Black Student Achievement Plan program shall be made by the BSAP Steering Committee (BSAPSC)~~ A Black Student Achievement Plan Steering Committee (BSAPSC) shall be maintained to support the implementation and maintenance of the Black Student Achievement Program (BSAP):

The appointment/re-appointment date shall be June 1 of each year, ~~starting June 1, 2023.~~

The BSAPSC shall meet once per month during the school year.

- b. The 14 member BSAPSC shall be co-chaired by one appointee from the District and one appointee from UTLA. The co-chairs, with the support of staff, shall set the schedule of meetings, agendas, etc.
- c. In making its recommendations, the BSAPSC will make every effort to strive for consensus. In cases where that is not possible, recommendations will be made by majority vote of the fourteen (14) voting members.

- d. No provision of this article shall be interpreted to discourage or inhibit parents, students, community members, or community organizations from actively advocating in support of effective implementation, expansion, and maintenance of the Black Student Achievement Plan.
- e. The BSAPSC will make recommendations on collection of data to be used for measuring outcomes of BSAP students and successful implementation of the District BSAP.
- f. The BSAPSC will recommend culturally relevant trainings and professional development for BSAP team members and schools.
- g. The BSAPSC will discuss feedback received from those participating in the BSAP program when making recommendations for program implementation.
- i. The BSAPSC will review the BSAP budget on a quarterly basis to create an end of year report with recommendations to the District regarding the use of funds for programs, resources, and training aligned with the purpose of BSAP.
- j. The BSAPSC will receive an annual overview regarding the procurement process. Request for Proposals (RFPs) will be made available for review.

This provision shall not be subject to the grievance process of Article V.

### COMMUNITY SCHOOLS

1.0 A Community Schools Steering Committee (CSSC) shall be maintained to support implementation, expansion, and maintenance of the Community Schools program. The Community Schools Steering Committee (CSSC) shall further work to expand the number of Community Schools in the District and the CSSC shall determine a process by which schools apply to begin the Community Schools Transformational Process. The CSSC shall be composed of sixteen (16) members, with eight (8) appointed by UTLA and eight (8) appointed by the District, and shall be co-chaired by one appointee from each entity. ~~By June 30, 2025, the CSSC shall produce an assessment of the Community Schools transformation process at district Community Schools and provide recommendations.~~ The CSSC will receive collaborative support from the Community Schools Initiative Director, the LAUSD and UTLA Coaches, and if outside agency participation is agreed upon, appropriate no-cost MOU and/or procurement processes will be followed.

2.0 Community Schools Additional Certificated FTE: Schools designated by the District in collaboration with the Community Schools Steering Committee as Community Schools shall be provided an additional certificated FTE (e.g., Community School Coordinator) in support of students.

3.0 Appropriate Workspace: In accordance with Article XXXI, Section 2.0 of this agreement, Community School Coordinators shall be provided an appropriate workspace which shall be private and confidential when necessitated by the nature of the work.

4.0 Shared Decision Making: For Community Schools, the Community School Coordinator and Community School Parent Representative, if elected, may serve as members of the Local School Leadership Council (LSLC) as one of the representatives from the certificated and non-certificated composition of the council as outlined in Article XXVII, Sections 2.1 and 2.8.

45.0 In addition to the functions and responsibilities listed in Article XXVII, Section 2.4, the LSLC at each Community School shall have decision making purview over the following matters:

- a. All site based professional development, including all banked time and after school professional development, except for professional development mandated by state or federal law, legal settlements between the parties, and topics specifically approved by the Governing Board of the Los Angeles Unified School District in accordance with the Board Resolution for Community Schools.

## Current MOU 22-25 regarding positions

- b. School-based implementation of initiatives or programs mandated by the local, state, or federal government, including but not limited to Breakfast in the Classroom and periodic assessments.
- c. Course electives and program options (e.g. Visual and Performing Arts, Ethnic Studies and double periods for specific subjects).
- d. All school based budgetary matters except for any categorical funds and Title I funding which fall under the purview of School Site Council.

In making determinations in the matters listed above, the Local School Leadership Council operates within the same set of powers and constraints as previously applied to the principal. However, future additional District restrictions upon local discretion in the above areas may be imposed only by action of the Board of Education. In addition, all determinations shall be consistent with applicable laws, regulations, and collective bargaining agreements. Councils in Alternative Schools shall have the scope of their decision-making determined by the Board policy applicable to their special programs rather than being limited to the above five subject matters. The focus of local council activity shall be upon establishment of local policy and planning direction rather than day-to-day administration or execution of policy and plans.

6.0 Charter Co-Location: In accordance with Article XXIX, Section 8.0, schools designated by the District as Community Schools shall be provided, to the extent allowable by law, additional consideration when determining Proposition 39 co-location offers. This provision shall not be subject to the grievance process of Article V.

7.0 The parties will work together to advocate for continued and additional state funding for the Community Schools program.

## ARTICLE XXVII

### SHARED DECISION MAKING

1.0 General: This Article addresses a critical issue in local school governance: "shared decision making"--which refers to how certain local policy decisions are made at the school site, taking into consideration the respective interests, roles and responsibilities of the site administrator, the faculty, the parents/community, students, and other employees.

#### 2.0 Shared Decision Making--Local School Leadership Councils

2.1 Composition: Local school leadership councils shall be established to perform the functions described in Section 2.0. The number of members of each local council shall be determined in accordance with the table set forth below. 50% of the Council shall be comprised of the UTLA Chapter Chair and certificated employees elected by the certificated bargaining unit employees at the site; the other 50% shall be comprised of the principal, elected parent/community representatives, an elected non-certificated employee representative and, at the secondary level, a student representative. On the councils the number of parent/community representatives shall be as follows:

<u>Council Size</u>	<u>Number of Positions</u>
16	5
14	5
12	4
8	2
6	1

Such representatives should be elected specifically to serve on the Council. Within these parent/community positions there is a special guarantee for parents, pursuant to Section 2.9e below. Only parents and community members and non-certificated District employees (including TA's) shall be eligible for election to the positions allocated to parents and community. Certificated District employees are not eligible for election to such positions. In secondary schools, the student leadership class shall either select the student representative to the Council, or may establish the process by which the student representative is determined. All elections of Council members shall be jointly supervised by the principal and UTLA Chapter Chair, and the applicable procedures are set forth in Sections 2.8 and 2.9 below. In the event of any change in the size of a council the basic 50-50 ratio shall be maintained. The number of members of local school leadership councils (including the principal and UTLA Chapter Chair who shall serve as co-chairs of the Council) shall be as follows:

TA CC 3/2/26  
Ⓟ 3/2/26

## Article XXVII - Shared Decision Making

- a. Regular Elementary schools (K-6)
  - over 1000 students 14
  - 1000 students to 500 12
  - Less than 500 students 8
- b. Regular Junior high/middle schools 16
- c. Regular Senior high schools 16

d. Small Schools--are defined as follows, and shall have the size of school leadership council indicated, unless the principal and Chapter Chair jointly determine that a larger or smaller council is appropriate:

<u>Size of School</u>	<u>Size of Council</u>
6 or fewer teachers	6 (3 teacher reps)
7-15 teachers	8 (4 teacher reps)
16-25 teachers	12 (6 teacher reps)

When the Council is limited to 6 positions, the principal, UTLA Chapter Chair and parent/community representative shall determine whether the sixth seat is to go to a student representative or to a representative of the classified employees.

e. Children Centers--When there are more than 3 teachers at a center, the rules for small schools shall apply. See d above. In determining the size of the center's Council, all teachers working at the center will be counted regardless of the number of hours worked. When there are 3 or less teachers at a center the size of the council will be determined by the site administrator and the Chapter Chair (council co-chairs), subject to the 50-50 ratio; in the event the co-chairs cannot reach agreement on the size or composition of the Council, the dispute shall be submitted to the co-chairs of the Central Council for resolution.

f. Special Education Schools--are to have their own site councils following regular K-12 pattern, but combined secondary-elementary programs are to use the secondary system.

g. Magnet Schools and Centers--are to follow the above regular K-12 pattern if they do not share the site with another school. When located on the same site as another school, magnet programs are to have available the three options listed below; the option to be chosen is to be determined each year by the principal in charge of the magnet and the magnet's UTLA Chapter Chair, after consultation with the faculty and parents of the affected magnet program.

## Article XXVII - Shared Decision Making

Option 1: The magnet school will have a separate and independent Local School Leadership Council. In such cases the rules of size and composition shall be as provided in paragraphs a. through d. above. There shall be coordination of common issues and concerns between this Council and the Council serving the other school(s) on the site, and joint meetings conducted with respect to subjects which require a common approach. This Option 1 shall apply unless the principal and Chapter Chair agree that Option 2 or 3 is preferable.

Option 2: Elect a magnet Council pursuant to Option 1 and have it function as a separate council for issues which are unique to the magnet program, such as the local magnet budget. However, that Council would select one elected teacher representative and one elected parent/community representative to become additional permanent members of the host school's Leadership Council, with the intention that issues common to the magnet program and the host school would be determined by the augmented Leadership Council. If a school has more than one magnet and decides to exercise this option, the total size of the school council would be increased by two additional members representing each separate magnet. The magnet representatives to the host school's Leadership Council would also be supported by an alternate delegate from the magnet's Leadership Council.

Option 3: A third option is to have a single-wide council representing both the regular school program and any magnet centers that opt to be a part of the school-wide council. In this case, the size and make-up of the council would be pursuant to paragraphs a through d above, and there would be no separate magnet council and no augmentation of the size of the regular council. Magnet teachers, parents/community, students and classified personnel would be eligible to participate along with the constituents of the host school. If a school decides to select the third option but did not elect their Council on a school-wide basis, a new election would be conducted.

If a situation involves a common site and also happens to involve the same Chapter Chair serving both programs, the Chapter Chair may serve on both or may designate an alternate to serve on one.

h. [Itinerant employees--initially may vote proportionately at assigned schools (see Section 2.2 below); future status will be determined in ongoing discussions between District and UTLA.]

i. Adult Education-- (Includes Occupational Centers, Skill Centers, and Business/Industry Center)--a Leadership Council shall be formed for each administrative unit which shall encompass all locations, branches and offices which report to that school's or center's principal. Council size shall depend upon the school's size as follows:

CC 3/2/24  
3/2/24

## Article XXVII - Shared Decision Making

-fewer than 500 students	8
-from 500-1000	12
-from 1001-1500	14
-more than 1500	16

For purposes of community voting the election area shall be the high school attendance zone within which the Adult Education school is situated. Occupational Centers, Skill Centers, and Business/Industry Center shall, for purposes of community voter eligibility, be deemed District-wide. In the Adult Education programs, adult students shall be eligible to vote for the community council seats, and a student candidate shall be guaranteed at least one of the community seats on each Council (see Section 2.9e for the mechanics of this guarantee). Because most Adult Education students are adults and parents, the special guarantee for parents (as compared to community--see 2.9 e) is not applicable. However, parents of students concurrently enrolled in the regular K-12 and adult programs, shall also be eligible to vote and serve as community representatives on the Adult Education Council. For purposes of voting by teachers, each teacher employed within the adult school/center shall have one vote, without regard to number of hours assigned. Similarly, students and parents/community shall have one vote each, without regard to number of instructional hours. Adult Education elections of faculty representatives shall be conducted at the annual organizational meeting which is conducted before the Fall term.

2.2 Itinerant Personnel in Health and Human Services and Special Education Local District Advisory Committee Each Region Superintendent or designee shall establish a meeting schedule with representatives of itinerant personnel selected by UTLA in Health and Human Services and Special Education in each local district in order to participate in and make recommendations regarding local district issues and concerns. Meetings should be held a minimum of once every two months.

2.3 Alternates: There shall be two "alternate" Council members elected designated for the categories of teacher, parent/community representative, student, and classified. Administrators and Chapter Chairs shall designate one alternate. In year-round schools, additional alternates may be selected so that there can be a full complement of representatives for each category for any one time. Alternates shall be permitted to attend and participate in any council deliberations, and may vote if their regular representative(s) are absent.

2.4 Functions And Responsibilities: The local school leadership councils shall consider all points of view and shall solicit the advice and counsel of parent organizations, other employee groups and all other interested parties. The local councils shall have the following functions and responsibilities:

## Article XXVII - Shared Decision Making

a. Participation in shared decision making training. ~~It is recommended that they participate in training prior to beginning their decision-making.~~

(1) LAUSD and UTLA will jointly develop a training for use by LSLC co-chairs to review with their council members on an annual basis no later than September 30<sup>th</sup>.

b. Determination of the following matters:

- (1) Staff development program, including approval of any school-based professional development programs.
- (2) Student discipline behavior, support and accountability guidelines and code of student conduct.
- (3) Schedule of school activities and events, and special schedules (e.g., final exam schedules and schedules designed to accommodate additional preparation time for elementary teachers). For purposes of this paragraph, "schedule" shall include, but not be limited to, a determination by the Council of what activities shall take place. The Council shall not have authority over the scheduling of school activities and events mandated by the Board of Education.
- (4) Guidelines for use of school equipment, including the copy machine
- (5) The following local budgetary matters:
  - (a) Instructional Material Account, Object Code 4310 of Program Code 3027 (previously carried under Account 4170); (Object Code 4310 accounts used within Program Code other than 3027 are not included; also, in the event that a Principal transfer funds into account 4310/3027 from a Program Code or Object code outside of the scope of the previous account 4170 per such transferred funds are not included)
  - (b) Lottery Funds, account 5381
  - (c) School-Determined Needs, account 3986
  - (d) State Textbook and Related Material, accounts 4111, 4152 and 4267

- (g) Instructional Material - - Special Education Schools Account 2544 (for Special Education School Councils only)
- (6) Daily schedule or bell schedule, including recommendations for variations and experimental situations. While variations and experimental situations will continue to require approval of a majority of the staff, per Article IX.9.0, LSLC shall initiate and put forth the recommended schedule for the vote.

In making determinations in the matters listed above, the local school leadership council operates within the same set of powers and constraints as previously applied to the principal. However, future additional District restrictions upon local discretion in the above areas may be imposed only by action of the Board of Education. In addition, all determinations shall be consistent with applicable laws, regulations, and collective bargaining agreements. Councils in Alternative Schools shall have the scope of their decision-making determined by the Board policy applicable to their special programs rather than being limited to the above five subject matters. The focus of local council activity shall be upon establishment of local policy and planning direction rather than day-to-day administration or execution of policy and plans. The local council shall not be obliged to act in the designated areas, and may delegate its authority to existing school committees if it believes they are functioning satisfactorily.

c. These local school leadership councils are expected (but not required--see above) to supplant the previous local school planning committees dealing with lottery funds, student discipline, staff development or any other matters listed in b. above; however, the new council shall not supplant other existing councils and committees which operate in subject matters beyond those listed in b. above (e.g. School Advisory Councils) or which have an independent statutory basis (e.g., Chapter I Councils, Bilingual Advisory Councils, or S.I.P. Councils).

d. The site administrator shall maintain an up-to-date file containing all District memoranda, directives and bulletins governing Local School Leadership Council activities and make it available to the Chapter Chair upon request.

2.5 Decisions: The attainment of consensus whenever possible shall be a primary goal. Both parties recognize that decisions made by consensus are the most effective in promoting cooperation and commitment to the policies which are established by the local Council. Only if consensus cannot be reached shall decisions on the matters set forth in Section 2.4b be made by majority vote. In order to be resolved by vote at the meeting in the event consensus fails, the meeting agenda (see Section 2.6 below) must have identified the proposed action with sufficient particularity that the Council

## Article XXVII - Shared Decision Making

members could have, prior to the meeting, meaningfully consulted with all interested parties with respect to the specific action under consideration, as provided in Section 2.4 above. The vote required shall be a majority of those committee members present at the meeting. With respect to procedures governing voting matters, Robert's Rules of Order shall be applicable to issues not addressed herein. The site administrator shall ensure that all policy decisions of the Local School Leadership Council are reduced to writing and communicated to all staff and school community.

2.6 Agenda: An agenda shall be prepared by the co-chairs of the Council in a planning meeting, if requested by either party, and distributed at least five working days prior to each council meeting. Agenda items and supporting documents may be submitted by any committee member, at least 24 hours prior to preparation of the agenda.

2.7 Meetings: Members of the local councils could expect to attend the equivalent of two one-hour meetings per month. Alternate meetings will be scheduled for the convenience of the parent and community representatives.

a. At the secondary level, the local school shall, insofar as practical, schedule teacher members of the local Council so as to provide a common preparation period. Alternate meetings shall be scheduled during such period. Paid class coverage, if available, will be provided on meeting days for any teacher members having teaching duties during such period. Out of classroom staff who are members of the local Council will be released from their duties to participate in Council meetings.

b. At the elementary level, at least one of the monthly meetings may be scheduled during the 30-minute duty-free period.

c. Meetings of Leadership Councils in Adult Education and Children Centers shall be scheduled at a mutually convenient time, and if there is no time mutually convenient to the Council members then the meetings shall be held at alternating times to meet the convenience of the teacher and community representatives.

d. All meetings of the local councils shall be exempt from the faculty meeting limitations of Article IX, Section 4.2

2.8 Communication of Decisions: Decisions of the Local School Leadership Council shall be made available to staff, parents and, in secondary schools, students within two weeks of said decisions. Supporting documents such as agendas, materials, and resulting policies shall be made accessible for viewing.

### 2.82.9 Election Procedures for Employee Representatives:

a. Secret ballot elections shall be conducted for the certificated and non-certificated employee seats, following similar procedures. (1) Faculty representatives on the council are to be elected on an "at large" basis by the regular contract certificated employees assigned to the site with itinerant employees voting on a proportional basis corresponding to the number of days per week served at the site. (2) Non-certificated representatives shall be elected on an "at large" basis, with all non-certificated employees (including TA's) regularly assigned to the site having an equal vote.

b. The nomination process shall be open to all eligible voters assigned to the site. Nominations shall be either submitted by the nominee or with the written consent of the nominee.

c. Election notices shall be posted and distributed among the employees at the site, ~~and mailed to the homes of off track employees.~~

d. Elections for each year's term of office shall be as follows: Secondary teachers' elections are to be in May before the secondary master schedule is established; elementary teacher elections are to be in late spring after assignments for the next year have been tentatively set. Any elections for alternates and/or replacements (including teachers) are also to occur during the first month of the school year. However, schools which wish to conduct elections on Back-to-School night may delay the elections until that date. The term of office for Council members is to be September ~~October 15 to September~~ October 14 ~~in traditional calendar schools, and August 1 to July 31 in year round calendar schools.~~ Subject to the approval of the existing Local School Leadership Councils, elections of secondary, elementary, non-certificated employees, and parent/community representatives for each year's term of office at single track ~~common calendar 90/30~~ schools shall be conducted before September 23. Any elections for alternates and/or replacements (including teachers) are also to occur before September 23. ~~Multitrack year-round schools' elections must be held and finalized prior to July 31.~~ See Section 2.1 for special rules affecting Adult Education elections.

e. Local schools may lengthen the terms of membership (from one year to two years) on Local School Leadership Council, subject to the following procedures:

and approval of the Principal and the UTLA Chapter Chairperson.

- (2) In order to achieve staggered terms, a plan may include a phase-in period whereby some positions are initially one year and others are two-years.
- (3) Procedures for implementation must be reduced to writing and published prior to any new elections, and a copy retained for public information in the school office.
- (4) Any elected members must be able to complete their full term of office.
- (5) Schools must at all times comply with the guarantees of the minimum number of parents as per Section 2.9e, below.

### 2-9 3.0 Election Procedures for Parent/Community Representatives:

- (1) Parents of a pupil attending the school, including natural or adoptive parent, legal guardian, or other person having primary responsibility for the support and welfare of the pupil;
- (2) Adult residents of the school's attendance area;
- (3) Adults whose primary place of employment is within the school's attendance area (this includes non-certificated employees of the District);
