1.05 BID ADJUSTMENT FACTOR(S)

- A. <u>Adjustment Factor</u>. The Contractor bids one (1) Bid Adjustment Factor that will be applied against the prices set forth in the Construction Task Catalog® (CTC). This Bid Adjustment Factor will be used to price out fixed price work orders by multiplying the Bid Adjustment Factor by the Unit Prices and quantities.
- Base Period (12 months from Notice of Contract award or expenditure of the \$350,000 Maximum Contract Value, whichever occurs first)

Adjustment Factor - Unit work requirements to be performed for all Work Hours (Weekdays, Weekends and Holidays), for Projects as ordered by the OWNER in individual Job Orders against the contract.

Utilize four decimal places. Use conventional rounding.

1.

1.06 Cost of Non Pre-Priced Task

Non Pre-priced tasks, if any, shall be separately identified and submitted in the proposal. Information submitted in support of Non Pre-priced tasks shall include, but not be limited to, the following:

- 1. Complete Specifications and technical data, including task content, support drawings, task cost data, quality control and inspection requirements.
- 2. Work schedule.
- 3. Costing data shall include a cost analysis report, establishing the basis for selecting the approach proposed for accomplishment of the requirements. Unless otherwise directed by LAUSD, costing data will be submitted demonstrating that the Contractor sought and received three quotes. The Contractor shall provide an installed Unit Price (or demolition price if appropriate) that shall include all costs required to accomplish the Non Pre-priced task.
- 4. The final price submitted for Non Pre-priced tasks shall be according to the following formula:

COST OF NON PRE-PRICED TASK = A + B + C + D

Contractor Performed Duties

A = Direct labor cost and fringe benefits per prevailing wage rates

B = Direct material costs (supported by quotes)

C = Direct equipment costs (supported by equipment amortization data)

D = Allowable profit and overhead (this includes Worker's Compensation insurance) Total Cost of Non Pre-Priced Task = $(A + B + C) \times 10\%$

Subcontractor Performed Duties

E = Cost of Subcontractors to Contractor (supported by quotes)
Total Cost of Non Pre-Priced Task = E x 10%

- The Contractor shall break down any Non Pre-priced items if the labor, material or equipment required to accomplish the Non Pre-priced task can be used out of the Construction Task Catalog® (CTC) at a Pre-priced rate times the Bidder's Adjustment Factor. Whether the Work requirement is Pre-priced or Non Pre-priced is a final determination by LAUSD, binding and conclusive on the Contractor.
- 6. Following approval by LAUSD of a Non Pre-priced task and Unit Price, the Non Pre-priced task Unit Price will be entered into the computer database.
- 7. The total extended price for the Non Pre-priced task will be determined by multiplying the Unit Price by the quantity required. The price offered in the proposal will be determined by multiplying the total extended price by an Adjustment Factor of 1.1000.
- 8. After a Non Pre-priced task is used on three separate Job Orders, the Unit Price for such task will be established, following approval by the District, and fixed as a permanent pre-priced task that will no longer require price justification. Any changes made to the CTC will be incorporated via amendment to the master JOC contract.
- 9. LAUSD determination as to whether an item is a Pre-priced task or a Non Pre-priced task shall be final, binding and conclusive as to the Contractor.
- 1.07 The Bid Adjustment Factor includes all applicable taxes and does not include Federal Excise Tax as set forth in Article 6.38 of the General Conditions.

BOND # 0101021

DOCUMENT 00 6114

PERFORMANCE BOND

WHEREAS, LOS ANGELES UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION.

Hereinafter called OWNER, and KARABUILD DEVELOPMENT INC.

hereinafter called CONTRACTOR, have entered into a Contract, which is incorporated by reference herein in its entirety.
denominated as number R-23015 / 2330004
described as JOB ORDER CONTRACT at GENERAL CONTRACTING SERVICES (PSA)
and is in the Maximum Contract Value ofTHREE HUNDRED FIFTY THOUSAND DOLLARS AND NO/100THS (\$350,000,00)
NOW, THEREFORE, for value received, the receipt and sufficiency of which is hereby deemed acknowledged. CONTRACTOR, as Principal, and DEVELOPERS SURETY AND INDEMNITY COMPANY, as surety (hereafter "SURETY"), for themselves and each of their respective heirs, executors, administrators, successors and assigns, are jointly and severally held and firmly bound to OWNER in the amount of three hundred fifty thousand dollars and no/100ths Dollars (\$ 350,000,00), as may
be adjusted under paragraph numbered 7 below ("Penal Sum"), for the full and faithful performance of the Contract, subject, however, to the following:
1. The condition of this obligation is that if the CONTRACTOR shall in a workmanlike manner promptly, competently, and faithfully perform the Work and all of the terms, conditions and provisions of the Contract, in strict conformity therewith, then this Bond shall be null and void; otherwise, this Bond shall remain in full force and effect. 2. In the event CONTRACTOR breaches the Contract and OWNER exercises its right to terminate
CONTRACTOR's right to proceed with the Work, and subject to the terms of the Contract, OWNER shall notify CONTRACTOR and SURETY in writing, and SURETY shall promptly:
a. Arrange for CONTRACTOR, with consent of OWNER which OWNER may withhold in its sole discretion, to perform and complete the Contract; or
b. Undertake to perform and complete the Contract itself, through its agents or through independent contractors, provided that OWNER either has prequalified such person or has no reasoned objection to such person performing the Work; or
c. Obtain bids or negotiated proposals from qualified contractors acceptable to and prequalified by OWNER for a contract for performance and completion of the Contract, arrange for a contract to be prepared for execution by the OWNER and the contractor selected with OWNER's concurrence, to be secured with Performance and Payment Bonds executed by a qualified surety equivalent to the bonds issued on the Contract, and pay to OWNER any excess of the amount of the completion contract over the remaining balance of the Maximum Contract Value; or

Waive its right to perform and complete, arrange for completion, or obtain a new

contractor and with reasonable promptness under the circumstances, and no later than thirty (30) days of SURETY's receipt of notice of termination from OWNER, or such longer period to which OWNER may agree:

- (i) subject to a full reservation of all rights of OWNER, CONTRACTOR and SURETY, deny liability in whole or in part and notify OWNER in writing of the reasons and bases therefore; or
- (ii) determine the amount for which SURETY may be liable to OWNER, and thereafter promptly tender payment thereof to OWNER.

During the period in which SURETY determines which of its options to pursue under this paragraph 2, OWNER may take such actions it determines are appropriate to perform the Work and/or protect the Project, and OWNER's costs and expenses of such efforts may be charged against the Contract balance.

- 3. In addition to any costs incurred in meeting its obligations pursuant to paragraph 2 above, SURETY shall pay OWNER any amounts due to Owner or for which Owner has become obligated in connection with the Contract arising from CONTRACTOR's failure to perform in accordance with the Contract, including any liquidated damages or other delay damages recoverable under the Contract; provided, however, that the aggregate liability of SURETY under this Bond, including under paragraph 2 and this paragraph 3, shall not exceed the amount of the Penal Sum as adjusted as provided in paragraph 7.
- 4. CONTRACTOR and SURETY agree that for purposes of exercising its rights under this Bond after Substantial Completion, OWNER may terminate CONTRACTOR's right to proceed, and call on SURETY to perform pursuant to this Bond, for CONTRACTOR's failure to perform Punch List work, warranty work or other items of work, which might not otherwise constitute a breach justifying termination of the Contract.
- 5. OWNER and SURETY shall cooperate with each other to assure prompt completion of the Contract, and, if SURETY exercises its option to proceed under subparagraphs 2a, 2b or 2c, Owner shall perform its obligations under the Contract with respect to any such completion contractor, including payment for work satisfactorily completed, in accordance with applicable law and the terms of the Contract except to the extent the Contract is modified by the OWNER and SURETY.
- 6. SURETY hereby stipulates and agrees that no adjustment to the Contract Value or Contract Time, nor any other alteration, addition and/or deletion to the terms of the Contract, or to the Work to be performed thereunder, shall in any way affect its obligations under this Bond, and SURETY waives notice of any such change, adjustment, alteration, addition or deletion to the terms of the Contract Documents.
- 7. The Penal Sum of this Bond shall automatically increase as the Contract Value increases; provided, however, the initial Penal Sum shall not increase more than fifteen percent (15%) absent written consent from the SURETY. SURETY's refusal to consent to such an increase in the Penal Sum shall not be a breach of this Bond.
- 8. SURETY shall be held and firmly bound by this Bond for any breach of CONTRACTOR's obligations, including any warranty of the Work, occurring within two (2) years of Substantial Completion of the entire Work. Any action on this Bond shall be commenced within three (3) years of the date of Substantial Completion.
- 9. OWNER may name SURETY and demand that SURETY participate in any arbitration authorized by the Contract, or SURETY may elect to intervene in any such arbitration as provided by law, in which case SURETY shall be bound by the arbitration award. If OWNER does not name SURETY or demand SURETY's participation in any arbitration, and SURETY does not elect to intervene, SURETY will not be bound by the arbitration award except to the extent the arbitration award determines CONTRACTOR'S obligations under the Contract and that determination is binding on SURETY under applicable law.

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operation	
Any person or organization to whom the Named Insured has agreed by a fully executed written contract that such person or organization be added as an Additional Insured, but only with respect to operations performed by or on behalf of the Named Insured and only with respect to occurrences subsequent to the making of such fully executed written contract otherwise covered by this insurance.	Where specified by fully executed written contract.	

- A. Section II Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply: This insurance does not apply to "bodily injury" or "property damage" occurring after:

- C. With respect to the insurance afforded to these additional insureds, the following is added to Section III Limits Of Insurance:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:
