DOCUMENT 00 6114**PERFORMANCE BOND**

WHEREAS, LOS ANGELES UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION,

Hereinafter called OWNER, and ALTERNATE POWER & CONSTRUCTION INC.

hereinafter called CONTRACTOR, have entered into a Contract, which is incorporated by reference herein in its entirety,

denominated as number R-23017 / 2330015,

described as JOB ORDER CONTRACT at ELECTRICAL AND LOW VOLTAGE CONTRACTING SERVICES (PSA) CATEGORY B - PUBLIC ANNOUNCEMENT (PA) AND TELEPHONE INSTALLATIONS

and is in the Maximum Contract Value of FIVE HUNDRED THOUSAND DOLLARS AND NO/100THS (\$500,000.00),

NOW, THEREFORE, for value received, the receipt and sufficiency of which is hereby deemed acknowledged, CONTRACTOR, as Principal, and DEVELOPERS SURETY AND INDEMNITY COMPANY, as surety (hereafter "SURETY"), for themselves and each of their respective heirs, executors, administrators, successors and assigns, are jointly and severally held and firmly bound to OWNER in the amount of FIVE HUNDRED THOUSAND DOLLARS AND NO/100THS Dollars (\$ 500,000.00), as may be adjusted under paragraph numbered 7 below ("Penal Sum"), for the full and faithful performance of the Contract, subject, however, to the following:

1. The condition of this obligation is that if the CONTRACTOR shall in a workmanlike manner promptly, competently, and faithfully perform the Work and all of the terms, conditions and provisions of the Contract, in strict conformity therewith, then this Bond shall be null and void; otherwise, this Bond shall remain in full force and effect.

2. In the event CONTRACTOR breaches the Contract and OWNER exercises its right to terminate CONTRACTOR's right to proceed with the Work, and subject to the terms of the Contract, OWNER shall notify CONTRACTOR and SURETY in writing, and SURETY shall promptly:

a. Arrange for CONTRACTOR, with consent of OWNER which OWNER may withhold in its sole discretion, to perform and complete the Contract; or

b. Undertake to perform and complete the Contract itself, through its agents or through independent contractors, provided that OWNER either has prequalified such person or has no reasoned objection to such person performing the Work; or

c. Obtain bids or negotiated proposals from qualified contractors acceptable to and prequalified by OWNER for a contract for performance and completion of the Contract, arrange for a contract to be prepared for execution by the OWNER and the contractor selected with OWNER's concurrence, to be secured with Performance and Payment Bonds executed by a qualified surety equivalent to the bonds issued on the Contract, and pay to OWNER any excess of the amount of the completion contract over the remaining balance of the Maximum Contract Value; or

d. Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances, and no later than thirty (30) days of SURETY's receipt of notice of termination from OWNER, or such longer period to which OWNER may agree:

(i) subject to a full reservation of all rights of OWNER, CONTRACTOR and SURETY, deny liability in whole or in part and notify OWNER in writing of the reasons and bases therefore; or

(ii) determine the amount for which SURETY may be liable to OWNER, and thereafter promptly tender payment thereof to OWNER.

During the period in which SURETY determines which of its options to pursue under this paragraph 2, OWNER may take such actions it determines are appropriate to perform the Work and/or protect the Project, and OWNER's costs and expenses of such efforts may be charged against the Contract balance.

3. In addition to any costs incurred in meeting its obligations pursuant to paragraph 2 above, SURETY shall pay OWNER any amounts due to Owner or for which Owner has become obligated in connection with the Contract arising from CONTRACTOR's failure to perform in accordance with the Contract, including any liquidated damages or other delay damages recoverable under the Contract; provided, however, that the aggregate liability of SURETY under this Bond, including under paragraph 2 and this paragraph 3, shall not exceed the amount of the Penal Sum as adjusted as provided in paragraph 7.

4. CONTRACTOR and SURETY agree that for purposes of exercising its rights under this Bond after Substantial Completion, OWNER may terminate CONTRACTOR's right to proceed, and call on SURETY to perform pursuant to this Bond, for CONTRACTOR's failure to perform Punch List work, warranty work or other items of work, which might not otherwise constitute a breach justifying termination of the Contract.

5. OWNER and SURETY shall cooperate with each other to assure prompt completion of the Contract, and, if SURETY exercises its option to proceed under subparagraphs 2a, 2b or 2c, Owner shall perform its obligations under the Contract with respect to any such completion contractor, including payment for work satisfactorily completed, in accordance with applicable law and the terms of the Contract except to the extent the Contract is modified by the OWNER and SURETY.

6. SURETY hereby stipulates and agrees that no adjustment to the Contract Value or Contract Time, nor any other alteration, addition and/or deletion to the terms of the Contract, or to the Work to be performed thereunder, shall in any way affect its obligations under this Bond, and SURETY waives notice of any such change, adjustment, alteration, addition or deletion to the terms of the Contract Documents.

7. The Penal Sum of this Bond shall automatically increase as the Contract Value increases; provided, however, the initial Penal Sum shall not increase more than fifteen percent (15%) absent written consent from the SURETY. SURETY's refusal to consent to such an increase in the Penal Sum shall not be a breach of this Bond.

8. SURETY shall be held and firmly bound by this Bond for any breach of CONTRACTOR's obligations, including any warranty of the Work, occurring within two (2) years of Substantial Completion of the entire Work. Any action on this Bond shall be commenced within three (3) years of the date of Substantial Completion.

9. OWNER may name SURETY and demand that SURETY participate in any arbitration authorized by the Contract, or SURETY may elect to intervene in any such arbitration as provided by law, in which case SURETY shall be bound by the arbitration award. If OWNER does not name SURETY or demand SURETY's participation in any arbitration, and SURETY does not elect to intervene, SURETY will not be bound by the arbitration award except to the extent the arbitration award determines CONTRACTOR'S obligations under the Contract and that determination is binding on SURETY under applicable law.

10. In case any suit, arbitration or other action is brought upon this Bond, reasonable attorneys' fees shall be awarded to the prevailing party, only the amount thereof being within the Court's or arbitrator's discretion.

11. Where they are used herein, the following terms that are specially defined in the Contract shall have the same meaning ascribed to them in the Contract: OWNER, CONTRACTOR, Contract, Work, Contract Documents, Contract Value, Contract Time, Day, Punch List, and Substantial Completion.
