Article 8 - Internal Revenue Code Section 179D

For the purposes of this section, the term "CONTRACTOR" shall refer to the Architect-Engineer or other entity with whom the OWNER has entered into the Contract and that would qualify as the entity primarily responsible for designing certain energy efficient improvements for property owned by a Federal, State, or local government or a political subdivision as defined by Internal Revenue Code Section 179D, as amended ("Section 179D").

If this contract pertains to a project that includes energy-efficiency improvements to (a) the interior lighting systems, (b) the heating, cooling, ventilation, and hot water systems, or (c) the building envelope, and CONTRACTOR qualifies as a "Designer" of these improvements, CONTRACTOR may opt to be treated as the taxpayer for the purposes of Section 179D, and if so, shall coordinate the allocation of that deduction as follows:

- 1. LAUSD has retained an Energy Policy Act ("EPAct") Coordinator to act on its behalf in connection with the allocation of the Section 179D tax deduction. No other companies or individuals are authorized to represent LAUSD in relation to this allocation; only the District's EPAct Coordinator is authorized.

2. LAUSD intends to allocate a portion of the tax deduction to CONTRACTOR, following third-party certification of the required energy savings under Section 179D. In exchange, CONTRACTOR shall provide cash compensation (sometimes referred to as a "rebate") to LAUSD in an amount calculated to yield equal net values for both parties, where net value is defined as the value of the benefit remaining after relevant adjustments are made. (See paragraph 5 below.) The form of the rebate will be a check payable to Los Angeles Unified School District issued within 45 days of CONTRACTOR's receipt of the tax refund or other realization of the tax savings generated by CONTRACTOR's claim of the Section 179D deduction on CONTRACTOR's federal tax return for the year the energy efficiency improvements were placed in service.

3. CONTRACTOR will arrange, at its own expense, for certification by a qualified third party that the installed energy-efficiency property meets the requirements established by Section 179D, and will submit that certification to LAUSD's Facilities Legislation, Grants and Funding office (FLGF) within 15 days of obtaining it.

4. FLGF will submit the certification to the LAUSD Chief Facilities Executive (CFE) along with a completed allocation statement (template attached), which the CFE will sign and submit to CONTRACTOR within 15 days of FLGF's receipt of the certification.

5. CONTRACTOR will submit to the U.S. Internal Revenue Service a tax return (or amended tax return) that includes the Section 179D deduction. Within 15 days of receiving the tax refund or other benefit of the tax deduction, CONTRACTOR will provide all information necessary for EAct Coordinator to calculate the gross and net values of the tax benefit, where the gross value to LAUSD will be the amount of the check to be issued by CONTRACTOR to LAUSD (i.e. the rebate); the net value, which will be equal for both parties, will be the value of the benefit remaining after all relevant adjustments for each party have been made. CONTRACTOR's information needed for the calculation just mentioned will consist of invoices for legal, accounting, and certification services; an adjustment will also be made for the value of the tax deductibility of CONTRACTOR's rebate to LAUSD. LAUSD's relevant adjustment will consist of its fee and expenses for the EAct Coordinator. (See attached Sample 179D Assumptions and Calculations.)

6. EAct Coordinator will provide this calculation to CONTRACTOR so that CONTRACTOR can submit the rebate check to LAUSD. The check must be delivered to FLGF within 45 days of CONTRACTOR's receipt of the tax refund or other realization of the tax savings generated by CONTRACTOR's claim of the Section 179D deduction on CONTRACTOR's federal tax return.

7. CONTRACTOR will remain solely liable for any penalties, interest, or costs that might result from the preparation, submittal, or any other future disposition of its claim of the Section 179D tax deduction. If this contract pertains to a project that includes energy-efficiency improvements to be installed in a building as part of (a) the interior lighting systems, (b) the heating, cooling, ventilation, and hot water systems, or (c) the building envelope, and CONTRACTOR does not qualify as a "Designer" of these improvements according to Section 179D, then CONTRACTOR will identify its Designer subcontractors and the energy-efficiency improvements for which each subcontractor is responsible so that LAUSD can contact them directly regarding possible allocation of LAUSD's Section 179D tax deduction benefits.

by the Federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.

- A. In performance of Work, bidder is required to comply with the Subletting and Subcontracting Fair Practices Act as set forth in, but not limited to, Public Contract Code Sections 4100 et. seq. Violation of any provision of the Act shall subject the bidder to the penalties and other consequences prescribed in the Act.
- B. In compliance with Section 4104 of the Public Contract Code, bidder submits the following complete list of each subcontractor who will perform Work or labor or render service or specially fabricate and install a portion of the Work in an amount in excess of one-half of one percent of the total bid.
- C. Bidder shall list only one subcontractor for each portion of the Work. Bidders should note that the OWNER's prequalification requirements include mechanical, electrical, and plumbing contractors (i.e., contractors licensed pursuant to Sections 7056-7059 of the Business and Professions Code, specifically holding A, B, C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, or C-46 licenses pursuant to regulations of the Contractors' State License Board) that contract directly with a bidder to perform any such component work on the Project ("MEP subcontractors"). Bidders that intend to contract with any MEP subcontractors to perform any such component work on the Project shall only select MEP subcontractors that have been prequalified by the OWNER at least five (5) business days before the date fixed for the public opening of bids. Non-MEP subcontractors do not need to be prequalified to perform non-MEP component work on the Project. Bidders and MEP subcontractors shall not be eligible to bid or perform work on the Project if they (a) have not submitted completed prequalification questionnaires and financial statements to the OWNER at least ten (10) business days before the date fixed for the public opening of bids, and (b) have not been prequalified by the OWNER at least five (5) business days before the date fixed for the public opening of bids. The OWNER's list of prequalified contractors can be found online at <https://www.laschools.org/new-site/prequalification/additional-resources> by clicking on "Safety PQ Program Approved List." The list is updated on an ongoing basis. If an MEP subcontractor does not appear on the list, bidder should verify with the subcontractor to determine if subcontractor has received a notice from OWNER that confirms its prequalification by the above deadline. Unless prohibited by the OWNER, bidders licensed pursuant to Section 7057 of the Business and Professions Code, specifically holding general building contractor B licenses pursuant to regulations of the Contractors' State License Board, may self-perform any work on the Project to the extent permitted by law. Bids that fail to adhere to these requirements will be deemed non-responsive by the OWNER.
- D. Bidder, by not listing a subcontractor for a certain portion of the Work, certifies bidder is qualified to perform and will perform said portion of Work itself.

- A. The OWNER has established policies to restrict purchases to only those products and services that have been manufactured without the illegal use of sweatshop (including exploitive, "child", "forced", "convict", and indentured") labor. All sales/goods provided to the OWNER by the bidder and/or their subcontractor shall be in abidance with the OWNER's official policy regarding "sweat-free" schools.
- B. The objective of this policy is specifically to discourage and prevent the use of any form of "exploitive labor" but not cause undue and unnecessary economic hardship for laborers. This policy targets those types of child labor that effects the mental, physical, and emotional developments of children such as those types of exploitive labor which fall under the broader category of "sweatshop labor".
- C. The Sweat-Free Procurement Policy includes the following principle/requirements:
 - a. Safe and healthy working conditions
 - b. Prohibition of child labor
 - c. Disclosure of manufacturing plant locations
 - d. Verification and enforcement mechanisms
 - e. Compliance with applicable codes
 - f. Penalties for violations
 - g. Responsible bidder forms
 - h. Non-Poverty wage standard (domestic and international)
- D. For the purpose of establishing a non-poverty wage, the OWNER uses the definition of non-poverty wages as formulated by the Union of Needletrades, Industrial and Textile Employees (UNITE), utilizing the Department of Health and Human Services' guidelines to determine non-poverty wages domestically. Internationally, the OWNER recognizes the World Bank's Gross National Income Per Capita Purchasing Power Parity figures to determine comparable wages in other countries.
- E. The consequence for any violation by the bidder in the adherence to the aforementioned laws and /or provisions may result in action being taken by the OWNER against the bidder, which may include, but not limited to, contract cancellations, vendor defaults, and/or debarment.
- F. Bidder certifies that the products and services provided to the OWNER are manufactured in strict compliance with all applicable sweatshop, child and slave labor laws of this and all other countries of the products origin.
- G. This further certifies that the bidder and its subcontractors shall abide by all the provisions of the District's Sweat-Free Procurement Policy as set forth in this section.

1.04 PREVAILING WAGES

- A. In compliance with provisions of the California Labor Code, all workers employed by bidder or any bidder subcontractor in the execution of Work shall be paid not less than the general prevailing rate of per diem wages, including payment for travel and subsistence; and not less than the general prevailing rate of per diem wages for holiday and overtime work, as determined by the California State Director of Industrial Relations for each craft, classification or type of worker needed to execute the Work. (See Article 6.48, General Conditions).

An experience modification rate exceeding 1.00 at the time of the bid may disqualify subcontractors from enrollment in OCIP.
- B. This certifies and confirms that the bidder is in compliance with the OWNER's prime contractor prequalification requirements at the time of bid, and that the bidder has safety pre-qualified in accordance with OWNER safety prequalification requirements all tiers of subcontractors other than mechanical, electrical and plumbing subcontractors (i.e., contractors licensed pursuant to Sections 7056-7059 of the Business and Professions Code, specifically holding A, B, C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46 licenses pursuant to regulations of the Contractors' State License Board) that contract directly with a bidder to perform any such component work on the Project ("MEP subcontractors"). Bidder shall require all subcontractors of whatever tier to become similarly bound for all their Work within the scope of the Project Stabilization Agreement by executing a certification or letter of assent in terms substantially identical to Attachment A-Letter of Assent of the Project Stabilization Agreement.

DOCUMENT 00 6114
PERFORMANCE BOND

WHEREAS, LOS ANGELES UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION,

Hereinafter called OWNER, and **IAN THOMAS GROUP, INC.**

hereinafter called CONTRACTOR, have entered into a Contract, which is incorporated by reference herein in its entirety,

denominated as number **2510001**,

described as **OUTDOOR CLASSROOM AND CAMPUS UPGRADE (PSA) at CABRILLO EARLY EDUCATION CENTER (10372469/224993)**

and is in the Contract Amount of **\$3,495,000.00**,

NOW, THEREFORE, for value received, the receipt and sufficiency of which is hereby deemed acknowledged, CONTRACTOR, as Principal, and Philadelphia Indemnity Insurance Company, as surety (hereafter "SURETY"), for themselves and each of their respective heirs, executors, administrators, successors and assigns, are jointly and severally held and firmly bound to OWNER in the amount of **THREE MILLION FOUR HUNDRED NINETY-FIVE THOUSAND Dollars (\$3,495,000.00)**, as may be adjusted under paragraph numbered 7 below ("Penal Sum"), for the full and faithful performance of the Contract, subject, however, to the following:

1. The condition of this obligation is that if the CONTRACTOR shall in a workmanlike manner promptly, competently, and faithfully perform the Work and all of the terms, conditions and provisions of the Contract, in strict conformity therewith, then this Bond shall be null and void; otherwise, this Bond shall remain in full force and effect.

2. In the event CONTRACTOR breaches the Contract and OWNER exercises its right to terminate CONTRACTOR's right to proceed with the Work, and subject to the terms of the Contract, OWNER shall notify CONTRACTOR and SURETY in writing, and SURETY shall promptly:

a. Arrange for CONTRACTOR, with consent of OWNER which OWNER may withhold in its sole discretion, to perform and complete the Contract; or

b. Undertake to perform and complete the Contract itself, through its agents or through independent contractors, provided that OWNER either has prequalified such person or has no reasoned objection to such person performing the Work; or

c. Obtain bids or negotiated proposals from qualified contractors acceptable to and prequalified by OWNER for a contract for performance and completion of the Contract, arrange for a contract to be prepared for execution by the OWNER and the contractor selected with OWNER's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Contract, and pay to OWNER any excess of the amount of the completion contract over the remaining balance of the Contract Amount; or

d. Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances, and no later than thirty (30) days of SURETY's receipt of notice of termination from OWNER, or such longer period to which OWNER may agree:

(i) subject to a full reservation of all rights of OWNER, CONTRACTOR and

SURETY, deny liability in whole or in part and notify OWNER in writing of the reasons and bases therefore; or

(ii) determine the amount for which SURETY may be liable to OWNER, and thereafter promptly tender payment thereof to OWNER.

During the period in which SURETY determines which of its options to pursue under this paragraph 2, OWNER may take such actions it determines are appropriate to perform the Work and/or protect the Project, and OWNER's costs and expenses of such efforts may be charged against the contract balance.

3. In addition to any costs incurred in meeting its obligations pursuant to paragraph 2 above, SURETY shall pay OWNER any amounts due to Owner or for which Owner has become obligated in connection with the Contract arising from CONTRACTOR's failure to perform in accordance with the Contract, including any liquidated damages or other delay damages recoverable under the Contract; provided, however, that the aggregate liability of SURETY under this Bond, including under paragraph 2 and this paragraph 3, shall not exceed the amount of the Penal Sum as adjusted as provided in paragraph 7.

4. CONTRACTOR and SURETY agree that for purposes of exercising its rights under this Bond after Substantial Completion, OWNER may terminate CONTRACTOR's right to proceed, and call on SURETY to perform pursuant to this Bond, for CONTRACTOR's failure to perform Punch List work, warranty work or other items of work, which might not otherwise constitute a breach justifying termination of the Contract.

5. OWNER and SURETY shall cooperate with each other to assure prompt completion of the Contract, and, if SURETY exercises its option to proceed under subparagraphs 2a, 2b or 2c, Owner shall perform its obligations under the Contract with respect to any such completion contractor, including payment for work satisfactorily completed, in accordance with applicable law and the terms of the Contract except to the extent the Contract is modified by the OWNER and SURETY.

6. SURETY hereby stipulates and agrees that no adjustment to the Contract Amount or Contract Time, nor any other alteration, addition and/or deletion to the terms of the Contract, or to the Work to be performed thereunder, shall in any way affect its obligations under this Bond, and SURETY waives notice of any such change, adjustment, alteration, addition or deletion to the terms of the Contract Documents.

7. The Penal Sum of this Bond shall automatically increase as the Contract Amount increases; provided, however, the initial Penal Sum shall not increase more than fifteen percent (15%) absent written consent from the SURETY. SURETY's refusal to consent to such an increase in the Penal Sum shall not be a breach of this Bond.

8. SURETY shall be held and firmly bound by this Bond for any breach of CONTRACTOR's obligations, including any warranty of the Work, occurring within two (2) years of Substantial Completion of the entire Work. Any action on this Bond shall be commenced within three (3) years of the date of Substantial Completion.

9. OWNER may name SURETY and demand that SURETY participate in any arbitration authorized by the Contract, or SURETY may elect to intervene in any such arbitration as provided by law, in which case SURETY shall be bound by the arbitration award. If OWNER does not name SURETY or demand SURETY's participation in any arbitration, and SURETY does not elect to intervene, SURETY will not be bound by the arbitration award except to the extent the arbitration award determines CONTRACTOR'S obligations under the Contract and that determination is binding on SURETY under applicable law.

10. In case any suit, arbitration or other action is brought upon this Bond, reasonable attorneys' fees shall be awarded to the prevailing party, only the amount thereof being within the Court's or arbitrator's discretion.

11. Where they are used herein, the following terms that are specially defined in the Contract shall have the same meaning ascribed to them in the Contract: OWNER, CONTRACTOR, Contract, Work, Contract Documents, Contract Amount, Contract Time, Day, Punch List, and Substantial Completion.

Signed and sealed this 31st day of October 20 24

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – AUTOMATIC STATUS WHEN REQUIRED IN CONSTRUCTION AGREEMENT WITH YOU

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Section II – Who Is An Insured is amended to include as an additional insured any person or organization for whom you are performing operations when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured.

However, the insurance afforded to such additional insured:

1. Only applies to the extent permitted by law; and
2. Will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

A person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

1. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

2. "Bodily injury" or "property damage" occurring after:

- a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

The most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement you have entered into with the additional insured; or
2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.
