Number Nu

- 1.05 BID ADJUSTMENT FACTOR(S)
 - A. Adjustment Factor. The Contractor bids one (1) Bid Adjustment Factor that will be applied against the prices set forth in the Construction Task Catalog® (CTC). This Bid Adjustment Factor will be used to price out fixed price work orders by multiplying the Bid Adjustment Factor by the Unit Prices and quantities.
 - B. <u>Contract Term</u> (12 months from Notice of Contract award or expenditure of the \$8,660,000 Maximum Contract Value, whichever occurs first)

Adjustment Factor - Unit work requirements to be performed for all Work Hours (Weekdays, Weekends and Holidays), for Projects as ordered by the OWNER in individual Job Orders against the contract.

Utilize four decimal places. Use conventional rounding.

1.06 <u>Cost of Non Pre-Priced Task</u>

Non Pre-priced tasks, if any, shall be separately identified and submitted in the proposal. Information submitted in support of Non Pre-priced tasks shall include, but not be limited to, the following:

- 1. Complete Specifications and technical data, including task content, support drawings, task cost data, quality control and inspection requirements.
- Work schedule.
- 3. Costing data shall include a cost analysis report, establishing the basis for selecting the approach proposed for accomplishment of the requirements. Unless otherwise directed by LAUSD, costing data will be submitted demonstrating that the Contractor sought and received three quotes. The Contractor shall provide an installed Unit Price (or demolition price if appropriate) that shall include all costs required to accomplish the Non Pre-priced task.
- 4. The final price submitted for Non Pre-priced tasks shall be according to the following formula:

COST OF NON PRE-PRICED TASK = A + B + C + D

Contractor Performed Duties

A = Direct labor cost and fringe benefits per prevailing wage rates

B = Direct material costs (supported by quotes)

C = Direct equipment costs (supported by equipment amortization data)

D = Allowable profit and overhead (this includes Worker's Compensation insurance) Total Cost of Non Pre-Priced Task = $(A + B + C) \times 10\%$

Subcontractor Performed Duties

E = Cost of Subcontractors to Contractor (supported by quotes)
Total Cost of Non Pre-Priced Task = E x 10%

- 5. The Contractor shall break down any Non Pre-priced items if the labor, material or equipment required to accomplish the Non Pre-priced task can be used out of the Construction Task Catalog[®] (CTC) at a Pre-priced rate times the Bidder's Adjustment Factor. Whether the Work requirement is Pre-priced or Non Pre-priced is a final determination by LAUSD, binding and conclusive on the Contractor.
- 6. Following approval by LAUSD of a Non Pre-priced task and Unit Price, the Non Pre-priced task Unit Price will be entered into the computer database.
- 7. The total extended price for the Non Pre-priced task will be determined by multiplying the Unit Price by the quantity required. The price offered in the proposal will be determined by multiplying the total extended price by an Adjustment Factor of 1.1000.
- 8. After a Non Pre-priced task is used on three separate Job Orders, the Unit Price for such task will be established, following approval by the District, and fixed as a permanent pre-priced task that will no longer require price justification. Any changes made to the CTC will be incorporated via amendment to the master JOC contract.
- LAUSD determination as to whether an item is a Pre-priced task or a Non Pre-priced task shall be final, binding and conclusive as to the Contractor.
- 1.07 The Bid Adjustment Factor includes all applicable taxes and does not include Federal Excise Tax as set forth in Article 6.38 of the General Conditions.

PERFORMANCE BOND

WHEREAS, LOS ANGELES UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION,
Hereinafter called OWNER, andFredrick Towers, Inc.
hereinafter called CONTRACTOR, have entered into a Contract, which is incorporated by reference herein in its entirety,
denominated as number R-24043 / 2430038
described asJob Order Contractat _General Contracting Services (PSA)
and is in the Maximum Contract Value ofFive Hundred Thousand and 00/100s Dollars (\$500,000.00)
NOW, THEREFORE, for value received, the receipt and sufficiency of which is hereby deemed acknowledged, CONTRACTOR, as Principal, and
1. The condition of this obligation is that if the CONTRACTOR shall in a workmanlike manner promptly, competently, and faithfully perform the Work and all of the terms, conditions and provisions of the Contract, in strict conformity therewith, then this Bond shall be null and void; otherwise, this Bond shall remain in full force and effect.
2. In the event CONTRACTOR breaches the Contract and OWNER exercises its right to terminate CONTRACTOR's right to proceed with the Work, and subject to the terms of the Contract, OWNER shall notify CONTRACTOR and SURETY in writing, and SURETY shall promptly:
a. Arrange for CONTRACTOR, with consent of OWNER which OWNER may withhold in its sole discretion, to perform and complete the Contract; or
b. Undertake to perform and complete the Contract itself, through its agents or through independent contractors, provided that OWNER either has prequalified such person or has no reasoned objection to such person performing the Work; or
c. Obtain bids or negotiated proposals from qualified contractors acceptable to and prequalified by OWNER for a contract for performance and completion of the Contract, arrange for a contract to be prepared for execution by the OWNER and the contractor selected with OWNER's concurrence, to be secured with Performance and Payment Bonds executed by a qualified surety equivalent to the bonds issued on the Contract, and pay to OWNER any excess of the amount of the completion contract over the remaining balance of the Maximum Contract Value; or
d. Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances, and no later than thirty (30) days of

SURETY's receipt of notice of termination from OWNER, or such longer period to which OWNER may agree:

- (i) subject to a full reservation of all rights of OWNER, CONTRACTOR and SURETY, deny liability in whole or in part and notify OWNER in writing of the reasons and bases therefore; or
- (ii) determine the amount for which SURETY may be liable to OWNER, and thereafter promptly tender payment thereof to OWNER.

During the period in which SURETY determines which of its options to pursue under this paragraph 2, OWNER may take such actions it determines are appropriate to perform the Work and/or protect the Project, and OWNER's costs and expenses of such efforts may be charged against the Contract balance.

- 3. In addition to any costs incurred in meeting its obligations pursuant to paragraph 2 above, SURETY shall pay OWNER any amounts due to Owner or for which Owner has become obligated in connection with the Contract arising from CONTRACTOR's failure to perform in accordance with the Contract, including any liquidated damages or other delay damages recoverable under the Contract; provided, however, that the aggregate liability of SURETY under this Bond, including under paragraph 2 and this paragraph 3, shall not exceed the amount of the Penal Sum as adjusted as provided in paragraph 7.
- 4. CONTRACTOR and SURETY agree that for purposes of exercising its rights under this Bond after Substantial Completion, OWNER may terminate CONTRACTOR's right to proceed, and call on SURETY to perform pursuant to this Bond, for CONTRACTOR's failure to perform Punch List work, warranty work or other items of work, which might not otherwise constitute a breach justifying termination of the Contract.
- 5. OWNER and SURETY shall cooperate with each other to assure prompt completion of the Contract, and, if SURETY exercises its option to proceed under subparagraphs 2a, 2b or 2c, Owner shall perform its obligations under the Contract with respect to any such completion contractor, including payment for work satisfactorily completed, in accordance with applicable law and the terms of the Contract except to the extent the Contract is modified by the OWNER and SURETY.
- 6. SURETY hereby stipulates and agrees that no adjustment to the Contract Value or Contract Time, nor any other alteration, addition and/or deletion to the terms of the Contract, or to the Work to be performed thereunder, shall in any way affect its obligations under this Bond, and SURETY waives notice of any such change, adjustment, alteration, addition or deletion to the terms of the Contract Documents.
- 7. The Penal Sum of this Bond shall automatically increase as the Contract Value increases; provided, however, the initial Penal Sum shall not increase more than fifteen percent (15%) absent written consent from the SURETY. SURETY's refusal to consent to such an increase in the Penal Sum shall not be a breach of this Bond.
- 8. SURETY shall be held and firmly bound by this Bond for any breach of CONTRACTOR's obligations, including any warranty of the Work, occurring within two (2) years of Substantial Completion of the entire Work. Any action on this Bond shall be commenced within three (3) years of the date of Substantial Completion.
- 9. OWNER may name SURETY and demand that SURETY participate in any arbitration authorized by the Contract, or SURETY may elect to intervene in any such arbitration as provided by law, in which case SURETY shall be bound by the arbitration award. If OWNER does not name SURETY or demand SURETY's participation in any arbitration, and SURETY does not elect to intervene, SURETY will not be bound by the arbitration award except to the extent the arbitration award determines CONTRACTOR'S obligations under the Contract and that determination is binding on SURETY under applicable law.

OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

Dear Albert Danelian:

Thank you for applying to the U.S. Environmental Protection Agency (EPA) for certification to conduct Renovation, Repair and Painting Activities in target housing and child-occupied facilities. I am pleased to inform you that, pursuant to 40 CFR Part 745, Subpart E, your renovation, repair and painting firm is certified. Your certificate is enclosed.

This certification **expires on August 28, 2028 and is valid in All EPA Administered States, Tribes, and Territories**. However, if a State in which you are certified obtains program authorization during the term of this certification, the scope of your certification will be diminished to exclude the affected area.

Your EPA firm certification is subject to the following restrictions:

- 1) Individual states and Indian tribes, whether authorized or not, are not required to accept EPA certification and may accept or reject it under its own authority. Please be aware that your EPA certification does not relieve you of any obligations you may have to any State or Indian tribe regarding renovation, repair and painting activities.
- 2) EPA certification is specific and limited as described above. If you wish to obtain certification in other lead-based paint disciplines, you must apply separately.
- 3) In advertising the EPA certification, firms must indicate clearly that the firm is certified only for purposes of Section 402 of TSCA. Failure to accurately state EPA certification conditions could result in EPA suspending or withdrawing certification.
- 4) EPA may conduct audits and/or inspections to ensure continued compliance with regulatory standards, and may revoke or suspend its certification if subsequent alterations or deviations result with the firm no longer meeting the standards found at 40 CFR Part 745, Subpart E.

If you have questions about the renovation, repair and painting rule or need assistance, please contact the Regional Lead Coordinator, Nancy Kain, of the EPA Region 9 staff at 415-947-4280. If you have any questions about your firm certification, please contact the National Lead Information Center at 1-800-424-LEAD and refer to **Application ID number R876360**. Congratulations, and thank you for your interest in being a certified renovation, repair and painting firm.

Sincerely,

Shirle C. Chum

You MAY -

- Use the Logo to identify your firm as an RRP-certified firm. Firms that are not RRP-certified may not use the Logo.
- Use the Logo in brochures, advertisements, Web sites, proposals, bills, signs, uniforms, vehicles and other materials promoting or identifying your firm.
- Use the Logo on documents or other materials in black and white or color (2-color or 4-color versions are available).

You MAY NOT -

- Use the Logo in any manner that would imply EPA endorsement of a company, its products or services.
- Reduce the Logo to a size smaller than one inch wide by 0.687 inches in height.
- Allow a firm that is not RRP-certified (including your subcontractors) to use the Logo.

EPA will monitor the use of all Logos. If necessary, EPA will address failure to comply with these Logo Guidelines. To report a non-compliant use of the Logo, please contact EPA at 1-800-424-LEAD.

Your customized EPA logo .jpg file is attached in your firm's approval email. For further questions regarding your logo, please contact the National Lead Information Center (NLIC) at 1-800-424-LEAD.

Re: NOTICE OF PRIME CONTRACTOR PREQUALIFICATION APPROVAL

Dear Albert Danelian:

Thank you for submitting your firm's prequalification questionnaire in order to bid on formal, competitively bid projects for the Los Angeles Unified School District. After reviewing your submittals, your firm has been approved to bid on projects with a rating of:

\$15,000,000.00

The effective date of your prequalification is January 5, 2024 with an expiration date of January 4, 2025.

Your firm is also approved to perform work as a Mechanical, Electrical, and/or Plumbing subcontractor under the following classification(s):

C-10 Electrical Contractor

C-36 Plumbing Contractor

C-20 Warm-Air Heating, Ventilating and Air-Conditioning Contractor

Your firm is not required to complete a separate Subcontractor Prequalification Questionnaire, nor will your firm be restricted to the Prime Contractor Prequalification bid limit if you are performing work as a subcontractor.

(Please note that it is your firm's responsibility to keep your prequalification current and to reapply at least thirty (30) business days before the expiration date as indicated above so that your prequalification status does not lapse.)

The rating is the maximum per project dollar limit to which your firm is pre-qualified to submit bids, providing your firm has the proper type of California contractor's license for that specific project, and meets all requirements for that rating. The number of such projects your firm can be awarded is without limitation governed by your firm's bonding capacity. Request to increase your firm's bid rating must be submitted and approved by the District at least one week prior to a bid opening and MUST NOT BE INCLUDED in a sealed bid envelope.

Small Business Enterprise (SBE) Certification

Pursuant to Public Contract Code Section 2002, the SBE Policy of the Los Angeles Unified School District Board of Education includes a bid preference provision for Certified SBE contractors and Micro-businesses on low bid construction contracts valued up to one million dollars (\$1,000,000). The preference for Certified SBE is three percent (3%) of the responsive, responsible bid. The preference for Certified Micro-businesses is five percent (5%) of the responsive, responsible bid. This preference is used only to determine the winning bid and does not change the actual bid or contract award amount. Eligible bidders seeking this preference must include a copy of their current and valid SBE or Micro-business certificate with each bid submittal.

Only SBE Certification from LAUSD or one of the agencies listed below will be accepted at the time of bid submittal. However, if certification from one of the agencies below is provided, bidder must also submit an LAUSD SBE Certificate prior to the issuance of a Notice of Intent to Award (NOIA). To obtain LAUSD SBE Certification vendors must register and apply online using the online Supplier Self-Registration. To get certified, you must have an LAUSD SAP Vendor Number (starts with "1" and is 10 digits long). If you have an LAUSD SAP Vendor Number, go to the Supplier Portal and log in to your existing vendor profile to get LAUSD SBE certified at https://vendors.lausd.net/irj/portal.

If you do not have an LAUSD SAP Vendor Number, go to the Supplier Self-Registration Portal to obtain an SAP Vendor Number and apply for LAUSD SBE certification at http://www.laschools.org/new-site/small-business/sbe-certification.
