1.06 Cost of Non Pre-Priced Task

Non Pre-priced tasks, if any, shall be separately identified and submitted in the proposal. Information submitted in support of Non Pre-priced tasks shall include, but not be limited to, the following:

1. Complete Specifications and technical data, including task content, support drawings, task cost data, quality control and inspection requirements.
2. Work schedule.
3. Costing data shall include a cost analysis report, establishing the basis for selecting the approach proposed for accomplishment of the requirements. Unless otherwise directed by LAUSD, costing data will be submitted demonstrating that the Contractor sought and received three quotes. The Contractor shall provide an installed Unit Price (or demolition price if appropriate) that shall include all costs required to accomplish the Non Pre-priced task.
4. The final price submitted for Non Pre-priced tasks shall be according to the following formula:

$$\text{COST OF NON PRE-PRICED TASK} = A + B + C + D$$

Contractor Performed Duties

A = Direct labor cost and fringe benefits per prevailing wage rates

B = Direct material costs (supported by quotes)

C = Direct equipment costs (supported by equipment amortization data)

D = Allowable profit and overhead (this includes Worker's Compensation insurance) Total Cost of Non Pre-Priced Task = (A + B + C) x 10%

Total Cost of Non Pre-Priced Task = E x 10%

5. The Contractor shall break down any Non Pre-priced items if the labor, material or equipment required to accomplish the Non Pre-priced task can be used out of the Construction Task Catalog® (CTC) at a Pre-priced rate times the Bidder's Adjustment Factor. Whether the Work requirement is Pre-priced or Non Pre-priced is a final determination by LAUSD, binding and conclusive on the Contractor.
6. Following approval by LAUSD of a Non Pre-priced task and Unit Price, the Non Pre-priced task Unit Price will be entered into the computer database.
7. The total extended price for the Non Pre-priced task will be determined by multiplying the Unit Price by the quantity required. The price offered in the proposal will be determined by multiplying the total extended price by an Adjustment Factor of 1.1000.
8. After a Non Pre-priced task is used on three separate Job Orders, the Unit Price for such task will be established, following approval by the District, and fixed as a permanent pre-priced task that will no longer require price justification. Any changes made to the CTC will be incorporated via amendment to the master JOC contract.
9. LAUSD determination as to whether an item is a Pre-priced task or a Non Pre-priced task shall be final, binding and conclusive as to the Contractor.

- 1.07** The Bid Adjustment Factor includes all applicable taxes and does not include Federal Excise Tax as set forth in Article 6.38 of the General Conditions.

If bidder answered "yes" to question 3 (or question 2b), the bidder apparently meets at least one registration trigger. Bidder is therefore required to visit <https://achieve.lausd.net/Page/14037> to access the OWNER's training materials and to register. Answers to various questions can be obtained either at the website referenced above or by calling the Ethics Office at 213-241-3330.

All prospective bidders on OWNER projects are advised of the following:

- Bidder should keep updated about the Lobbying Policy & Program by signing up on our mailing list. Bidder should visit <https://achieve.lausd.net/Page/14037> for more information.
- Even if the bidder does not hit the registration trigger now, bidder should keep a mental track of their organization's spending in order to be ready to register when necessary.

- Bidder should review who is lobbying the OWNER by visiting our website and clicking on "Lobbying Disclosure."

1.03 SWEAT-FREE PROCUREMENT POLICY

- A. The OWNER has established policies to restrict purchases to only those products and services that have been manufactured without the illegal use of sweatshop (including exploitive, "child", "forced", "convict", and indentured") labor. All sales/goods provided to the OWNER by the bidder and/or their subcontractor shall be in abidance with the OWNER's official policy regarding "sweat-free" schools.
- B. The objective of this policy is specifically to discourage and prevent the use of any form of "exploitive labor" but not cause undue and unnecessary economic hardship for laborers. This policy targets those types of child labor that effects the mental, physical, and emotional developments of children such as those types of exploitive labor which fall under the broader category of "sweatshop labor".
- C. The Sweat-Free Procurement Policy includes the following principle/requirements:
 - a. Safe and healthy working conditions
 - b. Prohibition of child labor
 - c. Disclosure of manufacturing plant locations
 - d. Verification and enforcement mechanisms
 - e. Compliance with applicable codes
 - f. Penalties for violations
 - g. Responsible bidder forms
 - h. Non-Poverty wage standard (domestic and international)
- D. For the purpose of establishing a non-poverty wage, the OWNER uses the definition of non-poverty wages as formulated by the Union of Needletrades, Industrial and Textile Employees (UNITE), utilizing the Department of Health and Human Services' guidelines to determine non-poverty wages domestically. Internationally, the OWNER recognizes the World Bank's Gross National Income Per Capita Purchasing Power Parity figures to determine comparable wages in other countries.
- E. The consequence for any violation by the bidder in the adherence to the aforementioned laws and /or provisions may result in action being taken by the OWNER against the bidder, which may include, but not limited to, contract cancellations, vendor defaults, and/or debarment.
- F. Bidder certifies that the products and services provided to the OWNER are manufactured in strict compliance with all applicable sweatshop, child and slave labor laws of this and all other countries of the products origin.
- G. This further certifies that the bidder and its subcontractors shall abide by all the provisions of the District's Sweat-Free Procurement Policy as set forth in this section.

1.04 PREVAILING WAGES

- A. In compliance with provisions of the California Labor Code, all workers employed by bidder or any bidder subcontractor in the execution of Work shall be paid not less than the general prevailing rate of per diem wages, including payment for travel and subsistence; and not less than the general prevailing rate of per diem wages for holiday and overtime work, as determined by the California State Director of Industrial Relations for each craft, classification or type of worker needed to execute the Work (See Article 6.53, General Conditions).
- B. Copies of the prevailing rate of per diem wages are on file in the following OWNER Office and shall be made available to an interested party on request:

Los Angeles Unified School District
 Labor Compliance Program
 333 South Beaudry Avenue, 21st Floor
 Los Angeles, CA 90017
 (213) 241-4665

- C. Information on the prevailing rate of per diem wages and the OWNER Labor Compliance Program is available at the following link:

<http://www.laschools.org/new-site/labor-compliance/>

- D. Bidder certifies that it will submit the certified payroll records of Bidder and all subcontractors, of any tier, including Non-Performance payroll records, on a weekly basis to the OWNER Labor Compliance Program in the method provided by the OWNER Web-based Certified Payroll Reporting System.
- E. Bidder certifies that its bid amount includes funds sufficient to allow Bidder to comply with all applicable local, state and federal laws and regulations governing the labor and services to be provided for the performance of the Work of the Contract and shall indemnify, defend and hold District harmless from and against any and all claims, demands, losses, liabilities and damages arising out of or relating to Bidder's failure to comply with applicable law in this regard.

1.05 PREQUALIFICATION

- A. To be considered for award, bidder must (i) abide by and comply with the OWNER Construction Safety Standards, including prime contractor, subcontractor and/or safety prequalification requirements for bidder and **all tiers of its subcontractors**, as applicable, before tendering the bid to OWNER, and (ii) enroll bidder prior to commencement of the Work, and all eligible subcontractors prior to commencement of their subcontracted Work, in the OWNER Controlled Insurance Program (OCIP) (See Article 5, General Conditions).
- B. This certifies and confirms that the bidder is in compliance with the OWNER's prime contractor prequalification and Asbestos and Lead Abatement Prequalification requirements at the time of bid. And that the **bidder has safety pre-qualified all tiers of subcontractors** (other than first-tier mechanical, electrical and plumbing subcontractors licensed pursuant to Section 7058 of the Business and Professions Code, specifically holding **C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46 licenses ("MEP subcontractors")** in accordance with OWNER safety prequalification requirements. If the bidder intends to contract with any MEP subcontractors to perform any such component work on the Project, this certifies that the bidder has selected MEP subcontractors in accordance with Document 00 1116 and Document 00 2113.

1.06 PROJECT STABILIZATION AGREEMENT (PSA) - APPLIES TO ALL JOB ORDER CONTRACTS [Pursuant to Public Contract Code (PCC) 20919]

- A. If the Work, or any portion thereof, under the Contract Documents is funded with Proposition BB funds and/or Measure K funds, and/or further Propositions and/or Measures enacted by Los Angeles Unified School District voters prior to September 30, 2013, then the Contract for the Project is subject to the Project Stabilization Agreement (PSA) as entered into between OWNER and the Los Angeles and Orange County Building and Construction Trades Council on May 12, 2003 (See Article 6.19.8 of the General Conditions).

The obligation to abide and be bound by the Project Stabilization Agreement shall extend to all construction and major rehabilitation work pursuant to prime multi-trade construction contracts that exceed \$175,000 and all prime specialty contracts that exceed \$20,000 as set forth in Article 2 of the Project Stabilization Agreement. Bidder shall require all subcontractors of whatever tier to become similarly bound for all their Work within the scope of the Project Stabilization Agreement by executing a certification or letter of assent in terms substantially identical to Attachment A—Letter of Assent of the Project Stabilization Agreement.

- B. This certifies and confirms bidder has read and agrees to abide by and be bound to the Project Stabilization Agreement as entered into between OWNER and Building Trades Council on May 12, 2003, and amended from time to time by the parties or interpreted pursuant to its terms thereof.

PERFORMANCE BOND

WHEREAS, LOS ANGELES UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION,

Hereinafter called OWNER, and Beta Investments & Contracts, Inc.

hereinafter called CONTRACTOR, have entered into a Contract, which is incorporated by reference herein in its entirety,

denominated as number R-24043/2430036,

described as General Contracting Services (PSA) at Various Locations

and is in the Maximum Contract Value of \$500,000.00,

NOW, THEREFORE, for value received, the receipt and sufficiency of which is hereby deemed acknowledged, CONTRACTOR, as Principal, and The Ohio Casualty Insurance Company, as surety (hereafter "SURETY"), for themselves and each of their respective heirs, executors, administrators, successors and assigns, are jointly and severally held and firmly bound to OWNER in the amount of Five Hundred Thousand and No/100ths Dollars (\$ 500,000.00), as may be adjusted under paragraph numbered 7 below ("Penal Sum"), for the full and faithful performance of the Contract, subject, however, to the following:

1. The condition of this obligation is that if the CONTRACTOR shall in a workmanlike manner promptly, competently, and faithfully perform the Work and all of the terms, conditions and provisions of the Contract, in strict conformity therewith, then this Bond shall be null and void; otherwise, this Bond shall remain in full force and effect.

2. In the event CONTRACTOR breaches the Contract and OWNER exercises its right to terminate CONTRACTOR's right to proceed with the Work, and subject to the terms of the Contract, OWNER shall notify CONTRACTOR and SURETY in writing, and SURETY shall promptly:

a. Arrange for CONTRACTOR, with consent of OWNER which OWNER may withhold in its sole discretion, to perform and complete the Contract; or

b. Undertake to perform and complete the Contract itself, through its agents or through independent contractors, provided that OWNER either has prequalified such person or has no reasoned objection to such person performing the Work; or

c. Obtain bids or negotiated proposals from qualified contractors acceptable to and prequalified by OWNER for a contract for performance and completion of the Contract, arrange for a contract to be prepared for execution by the OWNER and the contractor selected with OWNER's concurrence, to be secured with Performance and Payment Bonds executed by a qualified surety equivalent to the bonds issued on the Contract, and pay to OWNER any excess of the amount of the completion contract over the remaining balance of the Maximum Contract Value; or

d. Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances, and no later than thirty (30) days of SURETY's receipt of notice of termination from OWNER, or such longer period to which OWNER may agree:

(i) subject to a full reservation of all rights of OWNER, CONTRACTOR and SURETY, deny liability in whole or in part and notify OWNER in writing of the reasons and bases therefore; or

(ii) determine the amount for which SURETY may be liable to OWNER, and thereafter promptly tender payment thereof to OWNER.

During the period in which SURETY determines which of its options to pursue under this paragraph 2, OWNER may take such actions it determines are appropriate to perform the Work and/or protect the Project, and OWNER's costs and expenses of such efforts may be charged against the Contract balance.

3. In addition to any costs incurred in meeting its obligations pursuant to paragraph 2 above, SURETY shall pay OWNER any amounts due to Owner or for which Owner has become obligated in connection with the Contract arising from CONTRACTOR's failure to perform in accordance with the Contract, including any liquidated damages or other delay damages recoverable under the Contract; provided, however, that the aggregate liability of SURETY under this Bond, including under paragraph 2 and this paragraph 3, shall not exceed the amount of the Penal Sum as adjusted as provided in paragraph 7.

4. CONTRACTOR and SURETY agree that for purposes of exercising its rights under this Bond after Substantial Completion, OWNER may terminate CONTRACTOR's right to proceed, and call on SURETY to perform pursuant to this Bond, for CONTRACTOR's failure to perform Punch List work, warranty work or other items of work, which might not otherwise constitute a breach justifying termination of the Contract.

5. OWNER and SURETY shall cooperate with each other to assure prompt completion of the Contract, and, if SURETY exercises its option to proceed under subparagraphs 2a, 2b or 2c, Owner shall perform its obligations under the Contract with respect to any such completion contractor, including payment for work satisfactorily completed, in accordance with applicable law and the terms of the Contract except to the extent the Contract is modified by the OWNER and SURETY.

6. SURETY hereby stipulates and agrees that no adjustment to the Contract Value or Contract Time, nor any other alteration, addition and/or deletion to the terms of the Contract, or to the Work to be performed thereunder, shall in any way affect its obligations under this Bond, and SURETY waives notice of any such change, adjustment, alteration, addition or deletion to the terms of the Contract Documents.

7. The Penal Sum of this Bond shall automatically increase as the Contract Value increases; provided, however, the initial Penal Sum shall not increase more than fifteen percent (15%) absent written consent from the SURETY. SURETY's refusal to consent to such an increase in the Penal Sum shall not be a breach of this Bond.

8. SURETY shall be held and firmly bound by this Bond for any breach of CONTRACTOR's obligations, including any warranty of the Work, occurring within two (2) years of Substantial Completion of the entire Work. Any action on this Bond shall be commenced within three (3) years of the date of Substantial Completion.

9. OWNER may name SURETY and demand that SURETY participate in any arbitration authorized by the Contract, or SURETY may elect to intervene in any such arbitration as provided by law, in which case SURETY shall be bound by the arbitration award. If OWNER does not name SURETY or demand SURETY's participation in any arbitration, and SURETY does not elect to intervene, SURETY will not be bound by the arbitration award except to the extent the arbitration award determines CONTRACTOR'S obligations under the Contract and that determination is binding on SURETY under applicable law.

10. In case any suit, arbitration or other action is brought upon this Bond, reasonable attorneys' fees shall be awarded to the prevailing party, only the amount thereof being within the Court's or arbitrator's discretion.

11. Where they are used herein, the following terms that are specially defined in the Contract shall have the same meaning ascribed to them in the Contract: OWNER, CONTRACTOR, Contract, Work, Contract Documents, Contract Value, Contract Time, Day, Punch List, and Substantial Completion.

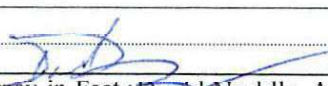

Signed and sealed this 7th day of June 2024

Re: NOTICE OF PRIME CONTRACTOR PREQUALIFICATION APPROVAL

Dear Haro Bezdikian:

Thank you for submitting your firm's prequalification questionnaire in order to bid on formal, competitively bid projects for the Los Angeles Unified School District. After reviewing your submittals, your firm has been approved to bid on projects with a rating of:

PQ Rating Level Amount \$20,000,000.00

The effective date of your prequalification is January 20, 2024 with an expiration date of January 19, 2025.

Your firm is also approved to perform work as a Mechanical, Electrical, and/or Plumbing subcontractor under the following classification(s):

C-10 Electrical Contractor
C-20 Warm-Air Heating, Ventilating and Air-
Conditioning Contractor

C-36 Plumbing Contractor

Your firm is not required to complete a separate Subcontractor Prequalification Questionnaire, nor will your firm be restricted to the Prime Contractor Prequalification bid limit if you are performing work as a subcontractor.

(Please note that it is your firm's responsibility to keep your prequalification current and to reapply at least thirty (30) business days before the expiration date as indicated above so that your prequalification status does not lapse.)

The rating is the maximum per project dollar limit to which your firm is pre-qualified to submit bids, providing your firm has the proper type of California contractor's license for that specific project, and meets all requirements for that rating. The number of such projects your firm can be awarded is without limitation governed by your firm's bonding capacity. Request to increase your firm's bid rating must be submitted and approved by the District at least one week prior to a bid opening, and MUST NOT BE INCLUDED in a sealed bid envelope.

Small Business Enterprise (SBE) Certification

Pursuant to Public Contract Code Section 2002, the SBE Policy of the Los Angeles Unified School District Board of Education includes a bid preference provision for Certified SBE contractors and Micro-businesses on low bid construction contracts valued up to one million dollars (\$1,000,000). The preference for Certified SBE is three percent (3%) of the responsive, responsible bid. The preference for Certified Micro-businesses is five percent (5%) of the responsive, responsible bid. This preference is used only to determine the winning bid and does not change the actual bid or contract award amount. Eligible bidders seeking this preference must include a copy of their current and valid SBE or Micro-business certificate with each bid submittal.

Only SBE Certification from LAUSD or one of the agencies listed below will be accepted at the time of bid submittal. However, if certification from one of the agencies below is provided, bidder must also submit an LAUSD SBE Certificate prior to the issuance of a Notice of Intent to Award (NOIA). To obtain LAUSD SBE Certification vendors must register and apply online using the online Supplier Self-Registration. To get certified, you must have an LAUSD SAP Vendor Number (starts with “1” and is 10 digits long). If you have an LAUSD SAP Vendor Number, go to the Supplier Portal and log in to your existing vendor profile to get LAUSD SBE certified at <https://vendors.lausd.net/irj/portal>.

If you do not have an LAUSD SAP Vendor Number, go to the Supplier Self-Registration Portal to obtain an SAP Vendor Number and apply for LAUSD SBE certification at <http://www.laschools.org/new-site/small-business/sbe-certification>.
