Adjustment Factor - Unit work requirements to be performed for all Work Hours (Weekdays, Weekends and Holidays), for Projects as ordered by the OWNER in individual Job Orders against the contract.

B = Direct material costs (supported by quotes)

C = Direct equipment costs (supported by equipment amortization data)

D = Allowable profit and overhead (this includes Worker's Compensation insurance) Total Cost of Non Pre-Priced Task = (A + B + C) x 10%

Subcontractor Performed Duties

Total Cost of Non Pre-Priced Task = E x 10%

5. The Contractor shall break down any Non Pre-priced items if the labor, material or equipment required to accomplish the Non Pre-priced task can be used out of the Construction Task Catalog® (CTC) at a Pre-priced rate times the Bidder's Adjustment Factor. Whether the Work requirement is Pre-priced or Non Pre-priced is a final determination by LAUSD, binding and conclusive on the Contractor.
6. Following approval by LAUSD of a Non Pre-priced task and Unit Price, the Non Pre-priced task Unit Price will be entered into the computer database.
7. The total extended price for the Non Pre-priced task will be determined by multiplying the Unit Price by the quantity required. The price offered in the proposal will be determined by multiplying the total extended price by an Adjustment Factor of 1.1000.
8. After a Non Pre-priced task is used on three separate Job Orders, the Unit Price for such task will be established, following approval by the District, and fixed as a permanent pre-priced task that will no longer require price justification. Any changes made to the CTC will be incorporated via amendment to the master JOC contract.

All sales/goods provided to the OWNER by the bidder and/or their subcontractor shall be in abidance with the OWNER’s official policy regarding “sweat-free” schools.

- C. The Sweat-Free Procurement Policy includes the following principle/requirements:
  - a. Safe and healthy working conditions

Internationally, the OWNER recognizes the World Bank’s Gross National Income Per Capita Purchasing Power Parity figures to determine comparable wages in other countries.
- E. The consequence for any violation by the bidder in the adherence to the aforementioned laws and /or provisions may result in action being taken by the OWNER against the bidder, which may include, but not limited to, contract cancellations, vendor defaults, and/or debarment.
- F. Bidder certifies that the products and services provided to the OWNER are manufactured in strict compliance with all applicable sweatshop, child and slave labor laws of this and all other countries of the products origin.
- G. This further certifies that the bidder and its subcontractors shall abide by all the provisions of the District’s Sweat-Free Procurement Policy as set forth in this section.

(i) subject to a full reservation of all rights of OWNER, CONTRACTOR and SURETY, deny liability in whole or in part and notify OWNER in writing of the reasons and bases therefore; or

(ii) determine the amount for which SURETY may be liable to OWNER, and thereafter promptly tender payment thereof to OWNER.

During the period in which SURETY determines which of its options to pursue under this paragraph 2, OWNER may take such actions it determines are appropriate to perform the Work and/or protect the Project, and OWNER's costs and expenses of such efforts may be charged against the Contract balance.

3. In addition to any costs incurred in meeting its obligations pursuant to paragraph 2 above, SURETY shall pay OWNER any amounts due to Owner or for which Owner has become obligated in connection with the Contract arising from CONTRACTOR's failure to perform in accordance with the Contract, including any liquidated damages or other delay damages recoverable under the Contract; provided, however, that the aggregate liability of SURETY under this Bond, including under paragraph 2 and this paragraph 3, shall not exceed the amount of the Penal Sum as adjusted as provided in paragraph 7.

4. CONTRACTOR and SURETY agree that for purposes of exercising its rights under this Bond after Substantial Completion, OWNER may terminate CONTRACTOR's right to proceed, and call on SURETY to perform pursuant to this Bond, for CONTRACTOR's failure to perform Punch List work, warranty work or other items of work, which might not otherwise constitute a breach justifying termination of the Contract.

5. OWNER and SURETY shall cooperate with each other to assure prompt completion of the Contract, and, if SURETY exercises its option to proceed under subparagraphs 2a, 2b or 2c, Owner shall perform its obligations under the Contract with respect to any such completion contractor, including payment for work satisfactorily completed, in accordance with applicable law and the terms of the Contract except to the extent the Contract is modified by the OWNER and SURETY.

6. SURETY hereby stipulates and agrees that no adjustment to the Contract Value or Contract Time, nor any other alteration, addition and/or deletion to the terms of the Contract, or to the Work to be performed thereunder, shall in any way affect its obligations under this Bond, and SURETY waives notice of any such change, adjustment, alteration, addition or deletion to the terms of the Contract Documents.

7. The Penal Sum of this Bond shall automatically increase as the Contract Value increases; provided, however, the initial Penal Sum shall not increase more than fifteen percent (15%) absent written consent from the SURETY. SURETY's refusal to consent to such an increase in the Penal Sum shall not be a breach of this Bond.

8. SURETY shall be held and firmly bound by this Bond for any breach of CONTRACTOR's obligations, including any warranty of the Work, occurring within two (2) years of Substantial Completion of the entire Work. Any action on this Bond shall be commenced within three (3) years of the date of Substantial Completion.

9. OWNER may name SURETY and demand that SURETY participate in any arbitration authorized by the Contract, or SURETY may elect to intervene in any such arbitration as provided by law, in which case SURETY shall be bound by the arbitration award. If OWNER does not name SURETY or demand SURETY's participation in any arbitration, and SURETY does not elect to intervene, SURETY will not be bound by the arbitration award except to the extent the arbitration award determines CONTRACTOR'S obligations under the Contract and that determination is binding on SURETY under applicable law.

10. In case any suit, arbitration or other action is brought upon this Bond, reasonable attorneys' fees shall be awarded to the prevailing party, only the amount thereof being within the Court's or arbitrator's discretion.

11. Where they are used herein, the following terms that are specially defined in the Contract shall have the same meaning ascribed to them in the Contract: OWNER, CONTRACTOR, Contract, Work, Contract Documents, Contract Value, Contract Time, Day, Punch List, and Substantial Completion.

- B.** As respects additional insureds as defined above, this insurance also applies to "bodily injury" or "property damage" arising out of your negligence when the following written contract requirements are applicable:
1. Coverage available under this coverage part shall apply as primary insurance. Any other insurance available to these additional insured's shall apply as excess and not contribute as primary to the insurance afforded by this endorsement.
