SUBLETTING AND SUBCONTRACTING FAIR PRACTICES ACT LIST

CTG Construction, Inc. dba

1.01 GENERAL

Bidder Name: C.T. Georgiou Painting Co.

- A. In performance of Work, bidder is required to comply with the Subletting and Subcontracting Fair Practices Act as set forth in, but not limited to, Public Contract Code Sections 4100 et. seq. Violation of any provision of the Act shall subject the bidder to the penalties and other consequences prescribed in the Act.
- B. In compliance with Section 4104 of the Public Contract Code, bidder submits the following complete list of each subcontractor who will perform Work or labor or render service or specially fabricate and install a portion of the Work in an amount in excess of one-half of one percent of the total bid.
- C. Bidder shall list only one subcontractor for each portion of the Work. Bidders should note that the OWNER's prequalification requirements include mechanical, electrical, and plumbing contractors (i.e., contractors licensed pursuant to Sections 7056-7059 of the Business and Professions Code, specifically holding A, B, C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, or C-46 licenses pursuant to regulations of the Contractors' State License Board) that contract directly with a bidder to perform any such component work on the Project ("MEP subcontractors"). Bidders that intend to contract with any MEP subcontractors to perform any such component work on the Project shall only select MEP subcontractors that have been prequalified by the OWNER at least five (5) business days before the date fixed for the public opening of bids. Non-MEP subcontractors do not need to be prequalified to perform non-MEP component work on the Project. Bidders and MEP subcontractors shall not be eligible to bid or perform work on the Project if they (a) have not submitted completed prequalification questionnaires and financial statements to the OWNER at least ten (10) business days before the date fixed for the public opening of bids, and (b) have not been prequalified by the OWNER at least five (5) business days before the date fixed for the public opening of bids. The OWNER's list of prequalified contractors can be found online at <https://www.laschools.org/new-site/prequalification/additional-resources> by clicking on "Safety PQ Program Approved List." The list is updated on an ongoing basis. If an MEP subcontractor does not appear on the list, bidder should verify with the subcontractor to determine if subcontractor has received a notice from OWNER that confirms its prequalification by the above deadline. Unless prohibited by the OWNER, bidders licensed pursuant to Section 7057 of the Business and Professions Code, specifically holding general building contractor B licenses pursuant to regulations of the Contractors' State License Board, may self-perform any work on the Project to the extent permitted by law. Bids that fail to adhere to these requirements will be deemed non-responsive by the OWNER.
- D. Bidder, by not listing a subcontractor for a certain portion of the Work, certifies bidder is qualified to perform and will perform said portion of Work itself.
- E. Certain penalties may be imposed for the subsequent employment of an unlisted subcontractor.
- F. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations (DIR) pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

1.03 SWEAT-FREE PROCUREMENT POLICY

- A. The OWNER has established policies to restrict purchases to only those products and services that have been manufactured without the illegal use of sweatshop (including exploitive, "child", "forced", "convict", and indentured") labor. All sales/goods provided to the OWNER by the bidder and/or their subcontractor shall be in abidance with the OWNER's official policy regarding "sweat-free" schools.
- B. The objective of this policy is specifically to discourage and prevent the use of any form of "exploitive labor" but not cause undue and unnecessary economic hardship for laborers. This policy targets those types of child labor that effects the mental, physical, and emotional developments of children such as those types of exploitive labor which fall under the broader category of "sweatshop labor".
- C. The Sweat-Free Procurement Policy includes the following principle/requirements:
 - a. Safe and healthy working conditions
 - b. Prohibition of child labor
 - c. Disclosure of manufacturing plant locations
 - d. Verification and enforcement mechanisms
 - e. Compliance with applicable codes
 - f. Penalties for violations
 - g. Responsible bidder forms
 - h. Non-Poverty wage standard (domestic and international)
- D. For the purpose of establishing a non-poverty wage, the OWNER uses the definition of non-poverty wages as formulated by the Union of Needletrades, Industrial and Textile Employees (UNITE), utilizing the Department of Health and Human Services' guidelines to determine non-poverty wages domestically. Internationally, the OWNER recognizes the World Bank's Gross National Income Per Capita Purchasing Power Parity figures to determine comparable wages in other countries.
- E. The consequence for any violation by the bidder in the adherence to the aforementioned laws and /or provisions may result in action being taken by the OWNER against the bidder, which may include, but not limited to, contract cancellations, vendor defaults, and/or debarment.
- F. Bidder certifies that the products and services provided to the OWNER are manufactured in strict compliance with all applicable sweatshop, child and slave labor laws of this and all other countries of the products origin.
- G. This further certifies that the bidder and its subcontractors shall abide by all the provisions of the District's Sweat-Free Procurement Policy as set forth in this section.

1.04 PREVAILING WAGES

- A. In compliance with provisions of the California Labor Code, all workers employed by bidder or any bidder subcontractor in the execution of Work shall be paid not less than the general prevailing rate of per diem wages, including payment for travel and subsistence; and not less than the general prevailing rate of per diem wages for holiday and overtime work, as determined by the California State Director of Industrial Relations for each craft, classification or type of worker needed to execute the Work. (See Article 6.48, General Conditions).
- B. Copies of the prevailing rate of per diem wages are on file in the following OWNER Office and shall be made available to an interested party on request:

Labor Compliance Program
333 South Beaudry Avenue, 21st Floor
Los Angeles, CA 90017

(213) 241-4665

- C. Information on the prevailing rate of per diem wages and the OWNER Labor Compliance Program is available at the following link:

<http://www.laschools.org/new-site/labor-compliance/dir>

- D. Bidder certifies that it will submit the certified payroll records of Bidder and all subcontractors, of any tier, including Non-Performance payroll records, on a weekly basis to the OWNER Labor Compliance Program in the method provided by the OWNER Web-based Certified Payroll Reporting System.
- E. Bidder certifies that its bid amount includes funds sufficient to allow Bidder to comply with all applicable local, state and federal laws and regulations governing the labor and services to be provided for the performance of the Work of the Contract and shall indemnify, defend and hold District harmless from and against any and all claims, demands, losses, liabilities and damages arising out of or relating to Bidder's failure to comply with applicable law in this regard.

1.05 PREQUALIFICATION

- A. To be considered for award, bidder must (i) abide by and comply with the OWNER Construction Safety Standards, including prime contractor, subcontractor and/or safety prequalification requirements for bidder and all tiers of its subcontractors, as applicable, before tendering the bid to OWNER, and (ii) enroll bidder prior to commencement of the Work, and all eligible subcontractors prior to commencement of their subcontracted Work, in the OWNER Controlled Insurance Program (OCIP) (See Article 5, General Conditions). An experience modification rate exceeding 1.00 at the time of the bid may disqualify subcontractors from enrollment in OCIP.
- B. This certifies and confirms that the bidder is in compliance with the OWNER's prime contractor prequalification requirements at the time of bid, and that the bidder has safety pre-qualified in accordance with OWNER safety prequalification requirements all tiers of subcontractors other than mechanical, electrical and plumbing subcontractors (i.e., contractors licensed pursuant to Sections 7056–7059 of the Business and Professions Code, specifically holding A, B, C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46 licenses pursuant to regulations of the Contractors' State License Board) that contract directly with a bidder to perform any such component work on the Project ("MEP subcontractors"). If the bidder intends to contract with any MEP subcontractors to perform any such component work on the Project, this certifies that the bidder has selected MEP subcontractors in accordance with Document 00 1116 and Document 00 2113 and that all MEP subcontractors have been listed on Document 00 4336.

1.06 PROJECT STABILIZATION AGREEMENT (PSA)

- A. If the Work, or any portion thereof, under the Contract Documents is funded with Proposition BB funds and/or Measure K funds, and/or further Propositions and/or Measures enacted by Los Angeles Unified School District voters prior to September 30, 2013, then the Contract for the Project is subject to the Project Stabilization Agreement (PSA) as entered into between OWNER and the Los Angeles and Orange County Building and Construction Trades Council on May 12, 2003 (See Article 6.48 of the General Conditions).

The obligation to abide and be bound by the Project Stabilization Agreement shall extend to all construction and major rehabilitation work pursuant to prime multi-trade construction contracts that exceed \$175,000 and all prime specialty contracts that exceed \$20,000 as set forth in Article 2 of the Project Stabilization Agreement. Bidder shall require all subcontractors of whatever tier to become similarly bound for all their Work within the scope of the Project Stabilization Agreement by executing a certification or letter of assent in terms substantially identical to Attachment A–Letter of Assent of the Project Stabilization Agreement.

- B. This certifies and confirms bidder has read and agrees to abide by and be bound to the Project Stabilization Agreement as entered into between OWNER and Building Trades Council on May 12, 2003, and amended from time to time by the parties or interpreted pursuant to its terms thereof.

1.07 DEBARMENT, SUSPENSION, INELIGIBILITY FOR AWARD

Neither bidder nor any of its principals is presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and;

[] Have, [] have not, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.
