

DEAR STUDENTS, FAMILIES, & STAFF,

As we begin a new school year, I am delighted to welcome each of you back to the Palisades School District. Whether you are joining us for the very first time or returning for another year, we are excited to embark on this journey together.

This year, our district theme is Charting Our Course. At Palisades, we believe every student is on a unique path of learning, growth, and discovery. From our youngest learners taking their first steps into the classroom to our seniors preparing for life beyond graduation, each student's journey is filled with opportunities to explore new interests, develop talents, build meaningful relationships, and discover their place in the world.

As we chart our course for the year ahead, our dedicated faculty and staff remain committed to providing engaging learning experiences, nurturing supportive school environments, and helping every student navigate challenges and celebrate successes. Together, we will continue to foster curiosity, kindness, resilience, and excellence while ensuring that all students have the support, skills, and opportunities they need to reach their fullest potential.

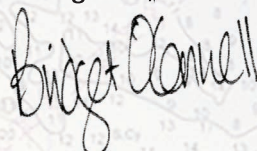

The strength of our district has always been our community. Families, staff, students, and community partners each play an important role in helping us move forward with purpose and confidence. By working together, supporting one another,

and staying focused on what matters most, we can help every student find direction, gain momentum, and achieve their goals.

The year ahead is filled with promise, and I look forward to celebrating the many accomplishments, milestones, and memorable moments we will share along the way. Thank you for your continued partnership and commitment to our schools.

On behalf of the entire Palisades School District, I wish you a wonderful start to the school year.

Warm regards,

Dr. Bridget O'Connell
Superintendent

OUR VISION

Palisades School District will awaken passion and purpose for learning, and nurture a perspective that serves others in the pursuit of excellence ensuring all students are prepared for success.

CORE COMPETENCIES FOR STUDENTS

In addition to developing foundational academic and technical skills, our students will be afforded opportunities to strengthen core competencies in these areas:

- Advocacy for Self & Others
- Effective Communication
- Curiosity & Creativity
- Technological Competency
- Collaboration
- Critical Thinking & Analysis
- Appreciation of Diversity & Cultural Understanding
- Innovative & Ethical Leadership
- Civic and Global Engagement
- Independent Problem Solving and Perseverance
- Responsible Citizenship & Community Service Oriented
- Passion, Ambition, & Flexibility

Megan McClure (Secretary)

SCHOOL CLOSING/EARLY DISMISSAL* INFORMATION

During inclement weather, the superintendent may decide to close schools for the day, delay opening, or dismiss early if school is already in session. In certain circumstances – loss of power or heat, for example – it might become necessary to close an individual school. There may also be the option to close school buildings but have teachers and students participate in learning activities remotely using their Chromebooks so that the day counts as a student learning day. The superintendent will make that call on a case-by-case basis. SchoolMessenger, our communications system, will primarily be used to contact families via email, phone and text messages. Please make sure your contact information is up to date in PowerSchool.

Should it be necessary to close school because of inclement weather, SchoolMessenger will be used to notify parents and guardians of school closings at approximately 5:00 AM. The announcements will also be made on station WFMZ/FM100.7 or you can call for a recorded message at the Palisades School District at 610-847-5131 (press 5 then 1). You can also check our website at www.palisd.org or visit our Facebook page (search Palisades School District, Bucks County).

**Early dismissal is 11:00AM at PHS/PALMS and 12:15PM at the elementary schools unless otherwise announced.*

HEALTH & WELLNESS AT PALISADES

Driven by nutritional knowledge and physical activity, our school district provides education to students, bringing awareness and practices of the fundamentals of Health and Wellness. Our goal is to educate children about nutrient-dense fruits, vegetables, whole grains, and protein sources. Some of our buildings incorporate gardens and a composting process into their learning.

BUILDING WELLNESS COMMITTEES

At the Palisades School District each of our schools has a Wellness Committee, composed of a school nurse, cafeteria crew chief, building principal, parents, physical education teacher, and students. Each building conducts a Wellness Assessment and determines the needs of their building. We focus on Nutritional Education, Physical Activity, Physical Education, Food served to students, and building Wellness initiatives. We encourage you to join our wellness meetings! Please contact your building secretary for the next scheduled wellness meeting.

SCHOOL MEAL GUIDELINES

School meals are required to provide 1/3 of the recommended daily allowance of protein, Vitamin A, Vitamin C, iron, calcium and calories. Following the nutritional guidelines outlined above, insures the balance of the five meal components, and is federally monitored as part of the school lunch program.

If students buy separate items, (a la carte), those items are called "competitive foods" and are not part of the school lunch program. NOTE: If a student takes an incomplete lunch, it will be charged as a la carte. Additional food, drinks, second helpings of entrees, or competitive foods are not included in this amount and will exceed the calorie requirement. NOTE: we can limit or restrict additional purchases on your child's lunch account. Please call the school cafeteria crew chief directly, or the Food Services Director's office at 610-847-5131 ext 5002, if you would like us to add your requirement on the account. For a review of these guidelines, please see the Palisades School District Competitive Foods and Beverages Nutritional Standards on our district website.

Please review the cafeteria menu with your child to help them plan for a balanced meal. If you have questions about something being served, you may contact your school nurse, or the Food Services Director, for more nutritional detail. Communicate any concerns or special diet requests your child might have, please think of the cafeteria as an extension of the classroom.

MENUS

All lunch menus are posted on the Web site. The Palisades School District offers many choices for lunch. A complete lunch can include; fruit, vegetables, meat or meat alternative, bread, roll or crackers, and/or a milk. To be considered as a meal, all lunches must include a fruit or vegetables and at least two other choices.

Breakfast

Elementary Schools: *A free breakfast is available to all students
Middle School/High School: *A free breakfast is available to all students

Lunch

Elementary Schools \$2.85
Middle School/High School \$3.35

SCHOOL FOOD SERVICES

Meal Accounts

The cashless POS system speeds up the service lines by providing a debit account for student purchases, eliminating the need for students to handle cash during meal service times. Please send cash or checks to school with your student. We ask that payments are made in the morning directly to the cafeteria. Deposits will be made daily and envelopes will be provided. You may pay by a check payable to Palisades Food Services, 20 School Drive, Kintnersville, PA 18930 or manage the account funding via the SchoolCafe app or online at www.schoolcafe.com.

Account Balance Notices

If a student has charged a meal or another item to their account that is not funded, we will send out a balance-due statement weekly. Accounts will need positive funds for snacks and a la carte items to be purchased. Complete meals are never denied for any student due to lack of funds. We may deny the purchase of a snack or a la carte item. After six meals are charged with a negative balance, we will contact the household directly.

MEAL APPLICATIONS

Students who previously qualified under the National School Lunch Program Free and Reduced meal benefit at the end of the 26-27 school year will continue to receive the same benefits for the first 30 school days of the 26-27 school year but a new application must be submitted for each new school year. If you have not been approved through the application process, or the Direct Certification notification, your child will be charged a full meal price for their purchase until a new application approval is received.

If you believe that your family may qualify, we urge you to apply for benefits. Students are protected from overt identification by staff and by a computerized point-of-sale system. Every student automatically has an account and everyone makes purchases in the same manner. At the beginning of the 26-27 school year, complete a Free & Reduced Application (available on the PSD website) or apply online at schoolcafe.com. Please follow the directions carefully to ensure receipt of the correct benefits for your family. We will provide an application response and notify you via email.

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotope, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: palisd.org/departments/foodservices, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

Mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410; or
Fax: (833) 256-1665 or (202) 690-7442
Email: program.intake@usda.gov

This institution is an equal opportunity provider.

ATTENTION: If you speak Spanish, language assistance services, free of charge, are available to you. Contact your child's school.

ATENCIÓN: Si habla español, tiene a su disposición servicios gratuitos de asistencia lingüística. Comuníquese con la escuela de su niño.

QUESTIONS, CONCERNS AND INFORMATION

Whitsons Food Service Liz Litjes, General Manager LitjesL@Whitsons.com 610-847-5131 Ext. 5002	Palisades Food Service Office Colleen Gartland, Director of Fiscal Affairs, Transportation and Food Services cgartland@palisadessd.org 610-847-5131, Ext. 4006
---	--

PALISADES DISTRICT TRANSPORTATION

The safety and welfare of all students residing in the Palisades School District is a primary concern. The information and rules of conduct contained here are intended to create school days that begin and end on a positive note for everyone. Please review this information with your child(ren). Working together we will provide a safe and pleasant bus experience.

Electronic letters advising you of bus assignments, bus numbers, and pick-up and drop-off times will be sent 10 days before the start of school.

NOTES ABOUT TRANSPORTATION AND BUS STOP EXCEPTIONS:

Bus stop exceptions may only be approved for daycare needs and custody situations. Please return bus stop exception forms as soon as your arrangements are finalized. The forms are available at each school, or on our website on the student services tab, under Transportation Services. Even if bus stop exception arrangements stay the same, we need a newly signed form completed each year. If a stop exception will no longer be in effect, please let us know ASAP.

Please have students ready and waiting at their assigned stop 10 minutes before the scheduled pick-up time in the morning. If a student's bus number, pick-up or drop-off time, or route change occurs during the year, you will be notified by e-mail and a phone call. Our goal, with regular road travel conditions, is that the PM drop-off bus drive time does not exceed 45 minutes.

If a student requests getting off of the bus at a different bus stop, on their current bus, a parent must contact Krapf at 484-812-0150, who will communicate to the bus driver, and provide a one-day pass. If a student requests boarding a different bus at departure time, a 24-hour advanced approval will be granted for an emergency or a medical need only. The building principal must pre-approve the request and notify Krapf. There will be no admittance to any bus other than the student's assigned bus.

WEATHER RELATED NOTIFICATION

The decision for a morning delay, 1-, 2-, 3-hour delay or closure will be announced by 5:15AM or the previous evening by 9PM. Phone call communication will go directly to your household as well as posted on the Palisades website. Facebook, the Palisades website and the WFMZ web site, also provide delay and closure information. If you need to update your phone number(s) or email address(es) please contact your building secretary.

NON-PUBLIC SCHOOL TRANSPORTATION

When the Palisades School District is announcing a 1-, 2-, or 3-hour weather delay, Krapf Bus Company will transport

your student on that same delay even if your school is opening at the regular time. When the Palisades School District is closed, Krapf Bus Company will not provide transportation. If Palisades announces an early dismissal, Krapf will contact your school directly to arrange an early pick-up time. Note: Krapf does not transport non-public, half day schedules automatically – each school calendar varies. We will communicate with your school but households will not be notified by Palisades or Krapf. In any bus change event, please contact your school for an exact pick-up time.

BUS TRANSPORTATION COMMUNICATIONS

From time to time, we will notify your household if there is a bus delay. Any delay in excess of 15 minutes will be sent as a voice alert, through SchoolMessenger. If you have a bus suggestion, safety concern, or a transportation question, you may call the Transportation Director, at 610-847-5131 ext. 4006, or the Bus Depot Manager at 484-812-0150.

Due to the safety and security responsibility of student transportation, the Palisades School District has provided the following guidance for safe transport.

BUS CONDUCT

1. School Rules Apply! The bus is not a rolling playground.
2. Follow the instructions of the driver.
3. Do not eat, drink, or smoke on the bus.
4. Keep all harmful materials off the bus.
5. Keep all of your body parts and all objects to yourself and inside the bus.
6. Use appropriate and respectful language and behavior.
7. Keep the noise level down.
8. Keep the aisle clear and do not litter, write on or damage the bus.
9. Remain seated. Do not move around the bus or change seats.

CONSEQUENCES OF INAPPROPRIATE BUS CONDUCT:

Infractions occurring on the bus will be reported to the Principal of the school and appropriate disciplinary action will be taken. This action may consist of, but not be limited to, verbal warnings, in-school and after-school detentions, temporary suspension of transportation privileges and, in the case of severe or recurring problems, permanent suspension of bus privileges.

NOTICE TO PARENTS AND ELIGIBLE STUDENTS WHO RESIDE IN THE PALISADES SCHOOL DISTRICT; NOTICE OF RIGHTS UNDER FERPA FOR ELEMENTARY AND SECONDARY STUDENTS

The Family Educational Rights and Privacy Act (FERPA) confers for its parents, and students who are over eighteen years of age, certain rights with respect to the student's educational records. They are:

1. The right to inspect and review the student's education records within 45 days of the date the District receives a written request for access. Parents or eligible students should submit to the school principal or other appropriate school official a written request that identifies the records they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask Palisades School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding their request for the amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff); a person serving on the School Board; a person or company with whom the District has contracted to perform a specific task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the District discloses educational records without consent to officials of another School District in which a student seeks or intends to enroll. Additional records may be disclosed to the following:

- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

4. The right to file a complaint with the United States Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-8520.

DISTRICT INFORMATION NOTICE

Palisades School District may disclose certain information, known as directory information, at its discretion without consent. Parents or eligible students may refuse to let the District release any or all of this information. If you do not want this information released, you must send written notice annually to the building principal before July 1st or file a Student Information / Media Content NON-CONSENT form which is available from each school office. The following information regarding students is considered directory information: (1) name, (2) grade (3) address, (4) phone number, (5) date of birth, (6) major field of study, (7) participation in officially recognized activities and sports, (8) weight and height of members of athletic teams, (9) dates of attendance, (10) degrees and awards received, (11) the most recent previous educational agency or institution attended by the student, (12) photograph, (13) bus stop, (14) parent name(s), and (15) e-mail addresses.

RELEASE OF DIRECTORY INFORMATION TO MILITARY RECRUITERS AND HIGHER EDUCATION INSTITUTIONS

Palisades School District will release directory information for students (names, addresses, and phone numbers) upon request of military recruiters and higher education institutions in accordance with P.L. 70, No. 10 (1991) and section 9528 of ESEA. If you do not wish to have your son/daughter's directory information included, you must notify the PHS Guidance Office via annual registration submission or in writing. You must include your child's name, the date, and your signature. If we do not hear from you, your child's directory information will be placed on the list and given to military or personnel from institutions of higher education who request the information.

Class lists for Seniors will be released upon request on or after the first day of the academic year they graduate. Class lists for Juniors will be released upon request on or after October 1st of their junior academic year. The list is updated throughout each year. Once a parent opts (in writing) to remove their child's name from the list, it is omitted from the list for the duration of that child's enrollment at Palisades High School. It is not necessary to submit written notification each year.

CONFIDENTIALITY AND SCHOOL RECORDS POLICY

Confidentiality: All information gathered about your child is subject to the confidentiality provisions contained in federal and state law. The District has policies and procedures in effect governing the collection, maintenance, destruction and disclosure to third parties of this information. For information about these policies and procedures, as well as rights of confidentiality and access to educational records, you may contact the building principal in writing, or Mr. deFonteny as noted above.

To facilitate the educational interests of our pupils, the school collects, maintains and disseminates educational records. Directory information is housed in the school office and includes such items as the registration form, report cards and results of standardized tests. The confidential file is maintained by the school counselor and contains the results of individual testing, personal information, and Special Education documents. The student's health record is kept on file by the school nurse.

These records are available to parents, and students age 18 and over. To review any or all of these records, a written request must be sent to the building principal. An appointment will be scheduled. During the appointment, the school counselor or other professional personnel will be present to answer questions. Other than school personnel with legitimate reasons for seeing your child's records, no one is permitted to see the files without your written permission (except in the case of a court subpoena). This policy protects your right to privacy.

Your child's confidential file is reviewed at the end of the 5th, 8th, and 12th grades by the school counselor. Material no longer necessary is destroyed. Official administrative records will be maintained in perpetuity by the School District. Confidential records will be destroyed two years after graduation, or by age 23 for students who withdraw from school, with the possible exception of certain Special Education records.

NOTICE TO PARENTS OF CHILDREN WHO RESIDE IN THE PALISADES SCHOOL DISTRICT

In compliance with state (Chapter 14) and federal law, notice is hereby given by the Palisades School District that it conducts ongoing identification activities as a part of its school program for the purpose of identifying students who may be in need of special education and related services. If your child is identified by the School District as possibly in need of such services, you will be notified of applicable procedures. Individualized services and programs are available for children who are determined to need specially designed instruction due to the following disabilities:

- Intellectual Disabilities
- Hearing Impairment
- Speech and Language Impairment,
- Visual Impairment (Including Blindness)
- Emotional Disturbance
- Orthopedic Impairment
- Autism
- Traumatic Brain Injury
- Other Health Impairment
- Specific Learning Disability
- Deafness
- Deaf-Blindness
- Multiple Disabilities

If you believe that your school-age child may be in need of special education services and related programs, screening and evaluation processes designed to assess the needs of the child and his/her eligibility are available to you at no cost, upon written request. You, as the parent, may request screening and evaluation at any time, whether or not your child is enrolled in the District's public school program. Requests for screening and multidisciplinary evaluation are to be made in writing to the principal of your child's school, or to Mr. Lou deFonteny, Director of Student Services, Palisades School District, 39 Thomas Free Drive, Kintnersville, PA 18930.

If a preschool child (age 3 to school age) is suspected of being eligible for early intervention, evaluation and services are provided through the Bucks County Intermediate Unit. Information can be obtained by calling 215-348-2940 or 1-800-770-4822 and asking for the Preschool Dept.

In compliance with state (Chapter 15) and federal law, the Palisades School District will provide to each protected handicapped student without discrimination or cost to the student or family, those related aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities. In order to qualify as a protected handicapped student, the child must be of school age with a physical or mental disability that substantially limits or prohibits participation in or access to an aspect of the school program. These services and protections for "protected handicapped students" are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs.

For further information on the rights of parents and children, provision of services, evaluation and screening (including purpose, time, and location), and rights to due process procedures, you may contact the building principal in writing, or Mr. deFonteny, as noted above.

In compliance with state law (Chapter 16), the District provides screening and evaluation services to determine whether students are in need of enrichment and/or acceleration opportunities beyond those provided within the regular education program.

When a student is identified as Mentally Gifted, an individualized educational program plan is developed and provided at no cost to student or parent. Screening and evaluation procedures include referrals from parents or teachers, administration of a class-wide ability measure in grade 2, review of performance on standardized achievement measures, and individual assessment of academic and cognitive skills. Parents may initiate the screening or evaluation process; however, only one evaluation to determine eligibility for gifted services will be honored within a school year. Such requests are to be in writing to your child's principal.

INCLUSIVE EDUCATION

The Palisades School District is committed to providing inclusive educational programs and services that respect the rights and dignity of all participants within the educational community.

Inclusive programming is considered to be a process that requires planning, collaboration, dedication, provision of reasonable resources, acceptance of diversity and flexibility in the delivery service. Our efforts are devoted to meaningfully educating all students in the least restrictive environment.

- Inclusion means providing all students with disabilities meaningful educational programming in the regular education environment to the maximum extent possible. Educational barriers will be minimized by providing the appropriate supports and services, allowing the students to achieve individual goals and objectives as an active participant of the class.
- The benefits of inclusive educational programming for students in regular education and/or special education programs include: enhanced self-esteem; physical, social, and academic skill growth; acceptance of individual differences; learning through peer teaching/tutoring; modeling, and mentoring.

ANNUAL NOTICE AMENDMENT

The addition of this information fulfills the state and federal requirements under 22 PA Code 14. 121 and 34 CFR § 300. 111 Child Find. Also, the addition of this information to the Annual Notice meets compliance requirements as per 34 CFR § 300.600 State monitoring and enforcement.

In accordance with 34 CFR § 300.624, please be advised of the following retention/destruction schedule for the Pennsylvania Alternate System of Assessment (PASA), Pennsylvania System of School Assessment (PSSA), and Keystone Exam related materials:

- PSSA, Keystone Exam, and PASA test booklets will be destroyed one year after student reports are delivered for the administration associated with the test booklets.
- PSSA and Keystone Exam answer booklets.

The destruction of records of students with disabilities is subject to the following conditions:

- A. The District shall inform the parents of a student with a disability when personally identifiable information in the records of the student is no longer relevant to and necessary for the provision of educational services to the student and, as a result, will be destroyed. This clause, and its publication, serve as notice of the parent's right to receive a copy of the materials at their own cost to be destroyed prior to its destruction.
- B. The District shall not destroy education records containing information necessary for the education of a student who is currently enrolled in an education program operated by the District
- C. The District shall maintain records needed for a financial or programmatic audit of any program receiving Federal funding for three years after the completion of the activity for which the funding was used

A copy of the Student Records Policy and its accompanying Procedures is available for review in every school office.

NON-DISCRIMINATION POLICY

It is the policy of the Palisades School District not to discriminate on the basis of age, color, creed, handicap, national origin, race, or sex in activities and programs under the sponsorship as required by Title IX of the Educational Amendments of 1972 and Title IX Final Rule of 2024. This applies to application and selection for admission to all courses by students.

DISCRIMINATION/TITLE IX SEXUAL HARASSMENT AFFECTING STUDENTS

The Palisades School Board has in place a Discrimination/Title IX Sexual Harassment Affecting Students Board Policy (#103), Hazing Board Policy (#247), and Bullying/Cyberbullying Board Policy (#249) reflecting the District's commitment to providing a safe, positive learning climate for students in the schools. The policies prohibit all forms of unlawful harassment, hazing and bullying of students by all District students and staff members, contracted individuals and vendors and volunteers in the schools. Students who believe they are being harassed, hazed or bullied should immediately inform the harasser that such behavior is unwelcome, offensive or inappropriate.

Furthermore, they are encouraged to promptly report such incidents to their principal, teacher, school counselor or the District Compliance Officer, Dr. Bridget O'Connell, Superintendent. Harassment, hazing or bullying complaints shall be investigated promptly and corrective action shall be taken when allegations are verified. Confidentiality of all parties shall be maintained to the extent possible and no reprisals or retaliation shall occur as a result of good faith charges on harassment, hazing or bullying.

The term harassment includes but is not limited to repeated, unwelcome and offensive slurs, jokes, or other verbal, written, graphic or physical conduct relating to an individual's race, color, national origin/ethnicity, sex, age, disability, sexual orientation or religion which creates an intimidating, threatening or abusive educational environment. Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal, non-verbal, written, graphic or physical conduct of a sexual nature. Harassment and sexual harassment must be sufficiently severe, persistent or pervasive; and create an intimidating, threatening or abusive educational environment such that it deprives or adversely interferes with or limits an individual or group of the ability to participate in or benefit from the services, activities or opportunities offered by a school.

Bullying implies an imbalance of power or strength and means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting, that is severe, persistent or pervasive and has the effect of doing any of the following:

1. Substantial interference with a student's education.
2. Creation of a threatening environment.
3. Substantial disruption of the orderly operation of the school.

MCKINNEY-VENTO STUDENTS

McKinney-Vento Homeless Assistance Act (McKinney-Vento Act) is a Federal Law designed to address the needs of children and ensure educational stability. Under this Act, school districts are responsible to support students/families through identification, connection to resources, and ensuring educational stability.

McKinney-Vento Definition: When a family experiences a loss of housing related to factors that create instability in housing forcing them to live in motels, hotels, camping grounds, in cars and other related insufficient living conditions (lack of regular fixed and adequate sleeping accommodations), they are considered youth who are not in the care of their parents or legal guardian and are not supported by a resident of a district who completes a 1302 affidavit thereby agreeing to support the student gratis (without compensation), are designated Unaccompanied and also meet the definition of McKinney-Vento.

McKinney-Vento Identification: School Districts begin identification of homeless students during the enrollment process. Should a parent, guardian or student believe they meet the definition to be considered under the McKinney-Vento act, they should notify the registrar or school counselor. The registrar or school counselor will notify the liaison who will reach out to support the family/student.

District Responsibilities: The LEA ensures students, families, and unaccompanied youth are aware of their McKinney-Vento rights and available program services. The LEA ensures all shelters and community homeless service providers are aware of the transportation mandate made available to those students experiencing homelessness. The LEA allows students to remain in their school of origin should a dispute arise. The LEA ensures that internal policies and/or procedures do not create or exacerbate educational barriers to the identification, enrollment and retention of students experiencing homelessness. The LEA ensures the timely and accurate identification of students experiencing homelessness. The LEA ensures the immediate enrollment of students experiencing homelessness. The LEA ensures assisting unaccompanied McKinney-Vento youth with enrollment, school placement decisions, and academic supports. The LEA addresses child/family referrals to appropriate health care, dental services, and other medical services. The LEA ensures families experiencing homelessness have access to district-wide parent involvement activities and initiatives. The LEA ensures collaboration, communication and service coordination between the school, the previous school and community agencies to meet the needs of students/families experiencing homelessness.

McKinney-Vento Dispute Process: Anytime there is a disagreement that may arise regarding the education of students including school placement, the district will first attempt to resolve the concern with the family/student. The district may also consult with the Bucks County Intermediate Unit Region 8 Liaison to resolve disputes. If the dispute cannot be resolved, a complaint may be filed with the Pennsylvania Department of Education (PDE). The district may also notify the family, in writing, that the PDE is being consulted to assist in the determination. A written explanation of the district's decision will be provided allowing the family to dispute the determination. Throughout the dispute process, education will continue in the school last attended or in the district in which they are seeking enrollment. Access to education and services continue during the dispute process.

2026-2027 BOARD COMMITTEE MEETING SCHEDULE NOTICE The public is welcome to attend all committee meetings.

The Palisades School Board of Directors shall conduct meetings during the school year as per the schedule below.

Regular Board Meetings - 7:00 p.m. as scheduled in the PHS Library.

Education Programs & Services Committee - 6:30 p.m. as scheduled, in the PHS Library. CHAIRPERSON: Dr. Karen Beerer

Fiscal Oversight Committee - 9:00 a.m. in the PHS Auditorium, or 6:00 p.m. in PHS Library, as listed. CHAIRPERSON: Saul Ramos

Buildings and Grounds Committee – 7:00 p.m. as scheduled in the PHS Library. CHAIRPERSON: Scott Freeman

Extracurricular Committee – 6:30 p.m. as scheduled in the PHS Library. CHAIRPERSON: Dr. James Ott

Joint Operating Committee (VoTech School) – 7:00 p.m. as scheduled at the Upper Bucks VoTech School in the main office conference room.

Policy Committee – 5:30 p.m. on the dates indicated in the PHS Audion. CHAIRPERSON: Silvia LeBlanc
