California Department of Education January 2024

Local Performance Indicator Quick Guide

The California State Board of Education (SBE) approved standards for the local indicators that support a local educational agency (LEA) in measuring and reporting progress within the appropriate priority area.

Performance Standards

The approved performance standards require an LEA to:

- Annually measure its progress in meeting the requirements of the specific Local Control Funding Formula (LCFF) priority.
- Report the results as part of a non-consent item at the same public meeting of the local governing board/body at which the Local Control and Accountability Plan (LCAP) is adopted.
- Report results to the public through the Dashboard utilizing the SBE-adopted self-reflection tools for each local indicator.

This Quick Guide identifies the approved standards and self-reflection tools that an LEA will use to report its progress on the local indicators.

Local Indicators

The local indicators address the following state priority areas:

Appropriately Assigned Teachers, Access to Curriculum-Aligned Instructional Materials, and Safe, Clean and Functional School Facilities (LCFF Priority 1)

The LEA annually measures its progress in meeting the Williams settlement requirements at 100% at all of its school sites, as applicable, and promptly addresses any complaints or other deficiencies identified throughout the academic year, as applicable; the LEA then reports the results to its local governing board/body at the same public meeting at which the LCAP is adopted and reports to educational partners and the public through the Dashboard.

Implementation of State Academic Standards (LCFF Priority 2)

The LEA annually measures its progress implementing state academic standards; the LEA then reports the results to its local governing board/body at the same public meeting at which the LCAP is adopted and reports to educational partners and the public through the Dashboard.

Parent and Family Engagement (LCFF Priority 3)

This measure addresses Parent and Family Engagement, including how an LEA builds relationships between school staff and families, builds partnerships for student outcomes and seeks input for decision-making.

LEAs report progress of how they have sought input from parents in decision-making and promoted parent participation in programs to its local governing board or body using the SBE-adopted self-reflection tool for Priority 3 at the same public meeting at which the LEA adopts its LCAP, and reports to educational partners and the public through the Dashboard.

School Climate (LCFF Priority 6)

The LEA administers an annual local climate survey that captures a valid measure of student perceptions of school safety and connectedness, in at least one grade within each grade span(s) the LEA serves (e.g., TK-5, 6-8, 9-12), and reports the results to its local governing board/body at the same public meeting at which the LCAP is adopted and to educational partners and the public through the Dashboard.

2

Access to a Broad Course of Study (LCFF Priority 7)

The LEA annually measures its progress in the extent to which students have access to, and are enrolled in, a broad course of study that includes the adopted courses of the results to its local governing board/body at the same public meeting at which the LCAP is adopted and reports to educational partners and the public through the study specified in the California Education Code (EC) for Grades 1-6 and Grades 7-12, as applicable, including the programs and services developed and provided to unduplicated students and individuals with exceptional needs; the LEA then reports Dashboard.

County Coordination of Services for Expelled Students Office of Education (COE) Only (LCFF Priority 9)

The county office of education (COE) annually measures its progress in coordinating instruction as required by California EC Section 48926; the COE then reports the results to its local governing board/body at the same public meeting at which the LCAP is adopted and reports to educational partners and the public through the Dashboard.

Coordination of Services for Foster Youth – COE Only (LCFF Priority 10]

The COE annually measures its progress in coordinating services for foster youth; the COE then reports the results to its local governing board/body at the same public meeting at which the LCAP is adopted and reports to educational partners and the public through the Dashboard.

Local Indicator Self-Reflection Tools

An LEA uses the self-reflection tools included within the Dashboard to report its progress on the local performance indicator to educational partners and the public.

progress on the local performance indicators to educational partners and the public, an LEA available in Word document format. In addition to using the self-reflection tools to report its may use the self-reflection tools as a resource when reporting results to its local governing The self-reflection tools are embedded in the web-based Dashboard system and are also board. The approved self-reflection tools are provided below.

Aligned Instructional Materials, and Safe, Clean and Functional Curriculum-Appropriately Assigned Teachers, Access to School Facilities (LCFF Priority 1)

LEAs will provide the information below:

- Number/percentage of students without access to their own copies of standardsaligned instructional materials for use at school and at home
- Number of identified instances where facilities do not meet the "good repair" standard (including deficiencies and extreme deficiencies)

Note: The requested information are all data elements that are currently required as part of the School Accountability Report Card (SARC).

Note: LEAs are required to report the following to their local governing board/body in conjunction with the adoption of the LCAP:

- The LEA's Teacher Assignment Monitoring and Outcome data available at https://www.cde.ca.gov/ds/ad/tamo.asp
- The number/percentage of students without access to their own copies of standardsaligned instructional materials for use at school and at home, and
- The number of identified instances where facilities do not meet the "good repair' standard (including deficiencies and extreme deficiencies)

3

co

Implementation of State Academic Standards (LCFF Priority 2)

LEAs may provide a narrative summary of their progress in the implementation of state academic standards based on locally selected measures or tools (Option 1). Alternatively, LEAs may complete the *optional* reflection tool (Option 2).

OPTION 1: Narrative Summary (Limited to 3,000 characters)

In the narrative box provided on the Dashboard, identify the locally selected measures or tools that the LEA is using to track its progress in implementing the state academic standards adopted by the state board and briefly describe why the LEA chose the selected measures or tools.

Additionally, summarize the LEA's progress in implementing the academic standards adopted by the SBE, based on the locally selected measures or tools. The adopted academic standards are:

- English Language Arts (ELA) Common Core State Standards for ELA
- English Language Development (ELD) (Aligned to Common Core State Standards for ELA)
- Mathematics Common Core State Standards for Mathematics
- Next Generation Science Standards
- History-Social Science
- Career Technical Education
- Health Education Content Standards
- Physical Education Model Content Standards
- Visual and Performing Arts
- World Language

OPTION 2: Reflection Tool

Recently Adopted Academic Standards and/or Curriculum Frameworks

 Rate the LEA's progress in providing professional learning for teaching to the recently adopted academic standards and/or curriculum frameworks identified below. Rating Scale (lowest to highest): 1 – Exploration and Research Phase; 2 – Beginning Development; 3 – Initial Implementation; 4 – Full Implementation; 5 – Full Implementation and Sustainability

Academic Standards	-	7	ო	4	2
ELA – Common Core State Standards for ELA					5
ELD (Aligned to ELA Standards)				4	
Mathematics – Common Core State Standards for Mathematics					5
Next Generation Science Standards					5
History-Social Science				7	2

2. Rate the LEA's progress in making instructional materials that are aligned to the recently adopted academic standards and/or curriculum frameworks identified below available in all classrooms where the subject is taught.

Rating Scale (lowest to highest): 1 – Exploration and Research Phase; 2 – Beginning Development; 3 – Initial Implementation; 4 – Full Implementation; 5 – Full Implementation and Sustainability

Academic Standards	-	2	ო	4	3
ELA – Common Core State Standards for ELA					5
ELD (Aligned to ELA Standards)				4	
Mathematics – Common Core State Standards for Mathematics					Ŋ
Next Generation Science Standards					5
History-Social Science					ß

3. Rate the LEA's progress in implementing policies or programs to support staff in identifying areas where they can improve in delivering instruction aligned to the

ω

recently adopted academic standards and/or curriculum frameworks identified below (e.g., collaborative time, focused classroom walkthroughs, teacher

pairing).
Rating Scale (lowest to highest): 1 – Exploration and Research Phase; 2 – Beginning Development; 3 – Initial Implementation; 4 – Full Implementation; 5 – Full Implementation and Sustainability

Academic Standards	-	2	3	4	2
ELA – Common Core State Standards for ELA					5
ELD (Aligned to ELA Standards)	- 1			4	
Mathematics – Common Core State Standards for Mathematics					5
Next Generation Science Standards					5
History-Social Science				_	2

Other Adopted Academic Standards

Rate the LEA's progress implementing each of the following academic standards adopted by the state board for all students. 4

Rating Scale (lowest to highest): 1 – Exploration and Research Phase; 2 – Beginning Development; 3 – Initial Implementation; 4 – Full Implementation; 5 – Full Implementation and Sustainability

Academic Standards	-	2	3	4	2
Career Technical Education			က		
Health Education Content Standards				4	
Physical Education Model Content Standards				4	
Visual and Performing Arts			က		
World Language					2

Support for Teachers and Administrators

Rate the LEA's success at engaging in the following activities with teachers and school administrators during the prior school year (including the summer preceding the prior school year). 5.

1

Rating Scale (lowest to highest): 1 – Exploration and Research Phase; 2 – Beginning Development; 3 – Initial Implementation; 4 – Full Implementation; 5 – Full Implementation and Sustainability

Activities	1	2	က	4	2
Identifying the professional learning needs of groups of				4	
Identifying the professional learning needs of individual teachers					ß
Providing support for teachers on the standards they have not yet mastered				4	

Optional Narrative (Limited to 1,500 characters)

6. Provide any additional information in the text box provided in the Dashboard that the LEA believes is relevant to understanding its progress implementing the academic standards adopted by the state board.

Parental Involvement and Family Engagement (LCFF Priority

Introduction

Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than 30 years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.).

Consistent with the California Department of Education's (CDE's) Family Engagement Toolkit:¹

- Effective and authentic family engagement has been described as an intentional partnership of educators, families and community members who share responsibility for a child from the time they are born to becoming an adult.
- To build an effective partnership, educators, families, and community members need to develop the knowledge and skills to work together, and schools must purposefully integrate family and community engagement with goals for students' learning and thriving.

The LCFF legislation recognized the importance of family engagement by requiring LEAs to address Priority 3 within their LCAP. The self-reflection tool described below enables LEAs to reflect upon their implementation of family engagement as part of their continuous improvement process and prior to updating their LCAP.

For LEAs to engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in the local area. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement.

nstructions

This self-reflection tool is organized into three sections. Each section includes research and evidence-based practices in family engagement:

- 1. Building Relationships between School Staff and Families
- 2. Building Partnerships for Student Outcomes
- 3. Seeking Input for Decision-Making

Based on an evaluation of data, including educational partner input, an LEA uses this self-reflection tool to report on its progress successes and area(s) of need related to family engagement policies, programs, and practices. This tool will enable an LEA to engage in continuous improvement and determine next steps to make improvements in

the areas identified. The results of the process should be used to inform the LCAP and its development process, including assessing prior year goals, actions and services and in modifying future goals, actions, and services in the LCAP.

LEAs are to implement the following self-reflection process:

- Identify the diverse educational partners that need to participate in the selfreflection process in order to ensure input from all groups of families, staff and
 students in the LEA, including families of unduplicated students and families of
 individuals with exceptional needs as well as families of underrepresented
 students.
- Engage educational partners in determining what data and information will be considered to complete the self-reflection tool. LEAs should consider how the practices apply to families of all student groups, including families of unduplicated students and families of individuals with exceptional needs as well as families of underrepresented students.
- Based on the analysis of educational partner input and local data, identify the number which best indicates the LEA's current stage of implementation for each of the 12 practices using the following rating scale (lowest to highest):
- 1 Exploration and Research
- 2 Beginning Development
- 3 Initial Implementation
- 4 Full Implementation
- 5 Full Implementation and Sustainability
- Based on the analysis of educational partner input and local data, respond to each of the prompts pertaining to each section of the tool.
- Use the findings from the self-reflection process to inform the annual update to the LCAP and the LCAP development process, as well as the development of other school and district plans.

Sections of the Self-Reflection Tool

Section 1: Building Relationships Between School Staff and Families

Based on the analysis of educational partner input and local data, identify the number which best indicates the LEA's current stage of implementation for each practice in this section using the following rating scale (lowest to highest):

- 1 Exploration and Research
- 2 Beginning Development

6

3 - Initial Implementation

4 - Full Implementation

5 - Full Implementation and Sustainability

Practices R N	Rating Scale Number
Rate the LEA's progress in developing the capacity of staff (i.e., administrators, teachers, and classified staff) to build trusting and respectful relationships with families.	5
Rate the LEA's progress in creating welcoming environments for all families in the community.	2
Rate the LEA's progress in supporting staff to learn about each family's strengths, cultures, languages, and goals for their children.	5
Rate the LEA's progress in developing multiple opportunities for the LEA and school sites to engage in 2-way communication between families and educators using language that is understandable and accessible to families.	വ

Building Relationships Dashboard Narrative Boxes (Limited to 3,000 characters)

. Based on the analysis of educational partner input and local data, briefly describe the LEA's current strengths and progress in Building Relationships Between School Staff and Families.

SVCS organizes an annual Meet and Greet; we welcome all parents and guardians before the beginning of each school year. There are also two minimum days for meeting parents of underperforming students in the beginning of the school year. The parents of those students are requested to attend parent teacher conferences for reviewing individual intervention plans. We have monthly award ceremonies, site-council meetings, PTO Meetings, and School events such as STEAM Night, Multicultural Night, Various Sporting Events including Staff/Parents Vs. Students Basketball Game.

Based on the analysis of educational partner input and local data, briefly describe
the LEA's focus area(s) for improvement in Building Relationships Between
School Staff and Families.

Providing professional resources to educate, train, and motivate parents so that they can monitor their kids' learning while providing a safe learning environment for their children at home. Teachers regularly update parents about their students' academic successes and needs. The effort is to reach consensus for increased service in areas of Counseling and Mental Health support.

Based on the analysis of educational partner input and local data, briefly describe how the LEA will improve engagement of underrepresented families identified during the self-reflection process in relation to Building Relationships Between School Staff and Families.

We identify such families who are in need of extra support and we provide transportation and other amenites such as uniform and school supplies, free of any cost. These facilities are available to those parents who submit a request in writing for help due to economic hardship.

Section 2: Building Partnerships for Student Outcomes

Based on the analysis of educational partner input and local data, identify the number which best indicates the LEA's current stage of implementation for each practice in this section using the following rating scale (lowest to highest):

- 1 Exploration and Research
- 2 Beginning Development
- 3 Initial Implementation
- 4 Full Implementation
- 5 Full Implementation and Sustainability

Practices	es S	Rating Scale Number
5.	 Rate the LEA's progress in providing professional learning and support to teachers and principals to improve a school's capacity to partner with families. 	ري د
φ. Η Τ	Rate the LEA's progress in providing families with information and resources to support student learning and development in the home.	ર
	 Rate the LEA's progress in implementing policies or programs for teachers to meet with families and students to discuss student progress and ways to work together to support improved student outcomes. 	5
∞	 Rate the LEA's progress in supporting families to understand and exercise their legal rights and advocate for their own students and all students. 	ડ

Building Partnerships Dashboard Narrative Boxes (Limited to 3,000 characters)

. Based on the analysis of educational partner input and local data, briefly describe the LEA's current strengths and progress in Building Partnerships for Student Outcomes

Parents have free access to school administrative staff to discuss individualized learning plans and their kids' achievement levels. Meetings with the students' teacher and principal are held in order to improve student outcomes based on their needs.

Based on the analysis of educational partner input and local data, briefly describe the LEA's focus area(s) for improvement in Building Partnerships for Student Outcomes.

Increasing fulltime liaison work for addressing chronic absenteeism, mental health, and homelessness.

Based on the analysis of educational partner input and local data, briefly describe
how the LEA will improve engagement of underrepresented families identified
during the self-reflection process in relation to Building Partnerships for Student
Outcomes

SVCS conducts home visits to reduce chronic absenteeism and advise on providing a safe learning environment and keeping English Learner Students free from any toxic domestic environment.

Section 3: Seeking Input for Decision-Making

Based on the analysis of educational partner input and local data, identify the number which best indicates the LEA's current stage of implementation for each practice in this section using the following rating scale (lowest to highest):

- 1 Exploration and Research
- 2 Beginning Development
- 3 Initial Implementation
- 4 Full Implementation
- 5 Full Implementation and Sustainability

	Practices	Rating Scale Number
	 Rate the LEA's progress in building the capacity of and supporting principals and staff to effectively engage families in advisory groups and with decision-making. 	4
	 Rate the LEA's progress in building the capacity of and supporting family members to effectively engage in advisory groups and decision-making. 	4
	11. Rate the LEA's progress in providing all families with opportunities to provide input on policies and programs, and implementing strategies to reach and seek input from any underrepresented groups in the school community.	ro
L	12. Rate the LEA's progress in providing opportunities to have families, teachers, principals, and district administrators work together to plan, design, implement and evaluate family engagement activities at school and district levels.	ro

Seeking Input for Decision-Making Dashboard Narrative Boxes (Limited to 3,000 characters)

1. Based on the analysis of educational partner input and local data, briefly describe

the LEA's current strengths and progress in Seeking Input for Decision-Making.

Sacramento Valley Charter School administration provides teachers and staff guidance in making informed decisions, with the support of continuous staff development and discussions. Parents are encouraged to partner with the school staff during various meetings and class visits. Partnership occurs with an aim to increase achievement levels, strengthen a safe learning environment, and reduce chronic absentiesism.

Based on the analysis of educational partner input and local data, briefly describe the LEA's focus area(s) for improvement in Seeking Input for Decision-Making.

Increasing participation of all stakeholders in the implementation of school policies. We will conduct frequent surveys and develop an action plan on the basis of the feedback.

Based on the analysis of educational partner input and local data, briefly describe how the LEA will improve engagement of underrepresented families identified during the self-reflection process in relation to Seeking Input for Decision-Making.

Home visits and arranging professional help for the parents and families for making appropriate decisions for their children. Teachers will be encouraged to hold meetings with parents in order to ensure all academic and transportation needs are being met.

School Climate (LCFF Priority 6)

Introduction

The initial design of the Local Control Funding Formula recognized the critical role that positive school conditions and climate play in advancing student performance and equity. This recognition is grounded in a research base demonstrating that a positive school climate directly impacts indicators of success such as increased teacher retention, lower dropout rates, decreased incidences of violence, and higher student achievement.

In order to support comprehensive planning, LEAs need access to current data. The measurement of school climate provides LEAs with critical data that can be used to track progress in school climate for purposes of continuous improvement, and the ability to identify needs and implement changes to address local needs.

Instructions

LEAs are required, at a minimum, to annually administer a local climate survey. The survey must:

- Capture a valid measure of student perceptions of school safety and connectedness in at least one grade within each grade span the LEA serves (e.g. TK-5, 6-8, 9-12); and
- At a minimum, report disaggregated data by student groups identified in California Education Code 52052, when such data is available as part of the local school climate survey.

Based on the analysis of local data, including the local climate survey data, LEAs are to respond to the following three prompts. Each prompt response is limited to 3,000 characters. An LEA may provide hyperlink(s) to other documents as necessary within each prompt:

Prompt 1 (DATA): Describe the local climate survey data, including available data disaggregated by student groups. LEAs using surveys that provide an overall score, such as the California Healthy Kids Survey, are encouraged to report the overall score for all students as well as available student group scores. Responses may also include an analysis of a subset of specific items on a local survey and additional data collection tools that are particularly relevant to school conditions and climate.

Prompt 2 (MEANING): Describe key learnings, including identified needs and areas of strength determined through the analysis of data described in Prompt 1, including the available data disaggregated by student group.

Prompt 3 (USE): Describe any changes to existing plans, policies, or procedures that the LEA determines necessary in order to address areas of need identified through the analysis of local data and the identification of key learnings. Include any revisions, decisions, or actions the LEA has, or will, implement for continuous improvement purposes.

We utilize many surveys at SVCS to gauge stakeholder feedback relevant to school conditions and climate. Amongst the key learnings from the "Parent Survey" that we conducted, with over 50 responses, we found the following:

- 1. Students are achieving at SVCS (good state test scores, college, and career readiness, improving English for language learners) at a 100% approval rate.
- SVCS staff informs parents of a scholar's progress at a 95.2% approval rate.
- SVCS encourages parents to become involved and participate in school activities at a 95.2% approval rate.

- SVCS maintains a positive school climate (student sense of safety and school connection), and parents agree with a 100% approval rate.
- SVCS continues to implement Common Core state standards with parent input, curriculum teams, budget considerations, and staff professional development with parent approval of over 90.5%.
- 6. SVCS has qualified staff, necessary materials, and sufficient technology for student learning, with parent approval of over **90.5%**.
- SVCS gives students access to core subjects that prepare them for high school (i.e., English, Math, Social Science, Science & World Language-Punjabi with parent approval of 90.5%.
- Overall satisfaction with the SVCS educational experience for my child, with parental approval at 100%.

the best possible education. One of the major decisions was to increase the amount of taken to improve the educational experience for students and ensure that they receive individualized attention each student receives. This was achieved by hiring additional specifically tailored to individual student's interests and learning styles and resources decisions in response to the results for continuous improvement. These actions were revision was the introduction of new curriculum materials and resources designed to satisfaction with the changes that have been made and the positive impact that they struggle. Overall, the results of these actions have been very positive. Students are better meet the needs of students at all levels of learning. This includes materials designed to help teachers better identify and address areas where students may technologies that allow for more personalized learning experiences. Another key academic performance. Additionally, parents and teachers alike have expressed more engaged and motivated, and there has been a noticeable improvement in The Sacramento Valley Charter School has implemented several revisions and teachers and support staff and by implementing new teaching methods and have had on the school community as a whole.

Access to a Broad Course of Study (LCFF Priority 7)

LEAs provide a narrative summary of the extent to which all students have access to and are enrolled in a broad course of study by addressing, at a minimum, the following four prompts:

 Briefly identify the locally selected measures or tools that the LEA is using to track the extent to which all students have access to, and are enrolled in, a broad course of study, based on grade spans, unduplicated student groups, and individuals with exceptional needs served. (response limited to 1,500 characters)

Some tools we are using to monitor student enrollment in a broad course of study include the use of the data keeping application, Schoolwise, ThinkCentral, Flocabulary, Exact Path Edmentum, and monitoring services for unduplicated student groups, and individuals with exceptional needs. Regular classroom visits, one on one meetings with class teachers, assessment data and intervention plans.

2. Using the locally selected measures or tools, summarize the extent to which all students have access to, and are enrolled in, a broad course of study. The summary should identify any differences across school sites and student groups in access to, and enrollment in, a broad course of study, and may describe progress over time in the extent to which all students have access to, and are enrolled in, a broad course of study. (response limited to 1,500 characters)

One hundred percent of our students are enrolled in a broad course of study. The progress is measured monthly and in several other ways to ensure that every student has access to these courses.

Given the results of the tool or locally selected measures, identify the barriers preventing the LEA from providing access to a broad course of study for all students. (response limited to 1,500 characters) Chronic absenteeism, less than expected partnership with parents, and students impacted by social and emotional problems.

4. In response to the results of the tool or locally selected measures, what revisions, decisions, or new actions will the LEA implement, or has the LEA implemented, to ensure access to a broad course of study for all students? (response limited to 1,500 characters)

Increasing liaison work to educate and encourage families to send their children to school and provide a safe learning environment, free of any abuse or domestic violence. This will reduce our ongoing problem with chronic absenteeism and improve problems such as bullying, lack of focus, and self -

Coordination of Services for Expelled Students - COE Only (LCFF Priority 9)

Assess the degree of implementation of the progress in coordinating instruction for expelled students in your county.

Rating Scale (lowest to highest): 1 – Exploration and Research Phase; 2 – Beginning Development; 3 – Initial Implementation; 4 – Full Implementation; 5 – Full Implementation and Sustainability

2	[No response required]	N/A	NA	NA	N/A

SVCS 2024-25 DRAFT LCAP SUMMARY

The LCAP is a three-year document with 2024-25 being the first of three years.

Goal 1: With appropriately assigned, credentialed teachers, all SVCS students will meet or exceed State academic standards that will help prepare them to complete in the global society.

Action 1: Hire and properly assign credentialed teachers.

Action 2: Continue professional development in delivering CCSS-aligned curriculum, differentiated instruction, and using technology in the classroom, and STREAM programs to assist students in meeting and exceeding standards. New teachers with preliminary credentials will be scheduled for two years of BTSA (budgeted for five participants in 2021-22 funded with Title II).

Action 3: Purchase curriculum aligned with CCSS and Next Generation Science (NGS) through printed and/or digital instructional materials including UTK and Special Ed.

Action 4: Provide intervention and assistance in classrooms, small groups, and individually to unduplicated and special education populations to meet grade-level expectations.

Action 5: Maintain, repair, replace and expand technology in the classrooms.

Goal 2: Continued improvement of the physical education (PE) program and visual and performing arts (VAPA) programs; and enhanced of World Language Punjabi through the purchase and implementation of instructional materials.

Action 1: Continue lesson plans that ensures 200 minutes of PE every 10 days. Identify and practice the fitness areas in the CA Physical Fitness Test to help students improve their readiness for the fitness testing.

Action 2: Continue music/fine arts integration onto the classrooms and school wide. Schedule performances at the school and/or as fieldtrips. Enhances the elective and extra-curricular dance program.

Action 3: Enhance students' experience learning World Language Punjabi with the addition of new and/or co-curricular instructional materials.

Goal 3: Adopt and implement a course of study that includes all the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable.

"Broad course of STREAM focus of study" includes the following, as applicable: Grades K-8: English, reading, mathematics, social sciences, science, visual and performing arts, health, physical education, and World Language Punjabi K-8. E.C. §51210

Action 1: Continue PD training aligned to CCSS curriculum with focus on STREAM

Action 2: Continue student support structures during the school day (tutoring, differentiated instruction, re-teaching) to improve student performance.

Action3: At parent involvement meetings (such as Family Nights and PTO Meetings), remind parents of the importance of their student(s) attendance on learning outcomes. Reduce absences to improve student learning and retention.

Action 4: University and College campus visits to encourage students to perform well in elementary and high school and then pursue higher levels of education.

Action 5: Continue to work with parents of EL students through the English Leaner Advisory Committee (ELAC) to maximize their understanding of the support and opportunities available to the students and their families.

Action 6: Offer After School and Summer Boost programs using available funding sources.

Goal 4: SVCS will continue to properly maintain and improve its facilities, transportation, and food service to enhance student safety, school connectedness and opportunities for well-being.

Action 1: The campus facilities will be repaired, maintained, and improved as budgetary resources allow. Emphasis is placed on safety-related items.

Action 2: SVCS will provide safe, reliable, and efficient home-to-school bus and van transportation.

Action 3: Students will be served fresh, wholesome, and nutritious meals prepared daily to help optimize learning conditions at no cost. Meals and/or snacks, as applicable, will be provided during summer and after-school programs using allowed funding sources. SVCS hopes to operate State and Federal meal programs beginning in 2023-24.

Action 4: SVCS staff will receive training on student social-emotional learning, internet safety, suicide prevention, and anti-bullying.

Action 5: SVCS will increase awareness of and access to community resources such as library, county health and mental health services, authorizer-contracted services, State/County/City options.

Action 6: SVCS will continue providing Recess Monitors for student safety at recesses, classroom transitions and during pick up/drop off times.

NEW/ADDITIONAL/CHANGES BRAINSTORMING:

- 1) Mental Health Support Added counseling services in 2023-24.
- 2) English Learners part-time teacher, full time aides and curriculum
- 3) Parent Involvement more formalized structure/plan/timeline to have more opportunities to help guide parent support of their scholars (goals, roles, responsibilities, resources, etc.)
- 4) Purchase additional textbook/materials licenses for additionally enrolled students.
- 5) Add a Science Lab Assistant to be sure Science Lab is used with the equipment, manipulatives, and course outlines through Saavas Science Curriculum.
- 6) Resume trips to the library
- 7) Add after school sports to SWEAT agreement and ensure compliance through CharterSAFE for program operations (concussion training and plan and AED).

Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Sacramento Valley Charter School	Amrik Singh Principal	asingh@sacvalleycharter.org 916.596.6422

Plan Summary [2024-25]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten-12, as applicable to the LEA.

Sacramento Valley Charter School (SVCS) is a UTK-8 grade school located in West Sacramento authorized by Washington Unified School District (WUSD). The school opened in 2011 and serves students from West Sacramento and several other local communities. Students elect to attend the school to take advantage of the core curriculum in English Language Arts (ELA), Math, Social Studies, Science and World Language Punjabi. Many students enter as English Learners (ELs) and are reclassified to English Proficient within two years. SVCS provides a safe learning environment, small class sizes, credentialed teachers, common core-aligned curriculum and many opportunities to build English language proficiency. SVCS supports measurable student outcomes toward the overall academic performance in core curriculum. SVCS sets specific measurable goals and actions to reflect goals pursuant to the Education Code and priorities of the State of California for charter schools that include: conditions of learning, student outcomes and parent engagement.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

The California School Dashboard for the year 2022-2023 indicates an improvement in achievement levels for the ELs, socially and economically disadvantaged, special education, and students with mental health needs. During the pandemic, students' achievement levels had dropped in the subject of ELA, Math and Science. But as the post-pandemic measures were implemented and in-person learning was introduced, SVCS registered a great improvement higher than the CA state data and many local districts. It is a result of increasing all students' access to a standard-based curriculum, fully credentialed teachers, parent engagement, and creating safe and compassionate learning environment. Reflecting on the dashboard data, the school administration has taken significant steps to address chronic absenteeism and reduce suspension rate. Sacramento Valley Charter School administration provides teachers and staff guidance in making informed decisions, with the support of continuous staff development and discussions. Parents are encouraged to partner with the school staff during various meetings and class visits. Partnership occurs with an aim to increase achievement levels, strengthen a safe learning environment, and reduce chronic absenteeism.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Not applicable.

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

Not applicable

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

Not applicable

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

Not applicable

2024-25 Local Control and Accountability Plan for Sacramento Valley Charter School

Page 3 of 69

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)

Process for Engagement

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

SVCS prioritizes maintaining close communications and relationships with all stakeholders. Parent Newsletters are sent every month in which we encourage parents to give their feedback. Priority messages are sent through our Schoolwise notification system to send urgent information and to request/receive instant feedback. SVCS intermittently gathers community feedback through Surveys sent to parents that centered around the eight state priorities. SVCS sent surveys home and a great number of parents/ families responded to the surveys. SVCS holds periodic joint School Site Council/English Learner Advisory Committee (ELAC) meetings to update these constituent groups about curriculum, staff, school and fiscal matters. The PTO meets periodically to assist with school activities as well as receive updates about curriculum, staff, school and fiscal matters. SVCS scholars are involved through reading contests, participation in talent shows and multicultural events. Teachers give their feedback through monthly staff meetings and surveys. SVCS updates WUSD about our programs and policies during an annual presentation to its Board. In addition, SVCS meets with the different WUSD departments and shares enrollment/attendance/financial reports and board meeting agendas at the requested intervals. Student Council is involved to conduct morning assembly flag salute, fundraising events, and student council-led carnival at the end of the school year.

Goals and Actions

Goal

Goal #	Description	Type of Goal	
1	With appropriately-assigned, credentialed teachers, all SVCS students will meet or exceed State	Broad Goal	
	academic standards that will help prepare them to compete and thrive in the global society.		

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)

Priority 2: State Standards (Conditions of Learning)

Priority 4: Pupil Achievement (Pupil Outcomes)

Priority 5: Pupil Engagement (Engagement)

Priority 6: School Climate (Engagement)

Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

To assess the mastery of the state academic standards, an array of assessments (interim and summative) are administered during the school year and at the end of each school year. The achievement is measured by administering the State standardized tests like CAASPP, CAST, ELPAC, and PFT. This goal is set to provide equal access of curriculum to all students to monitor the mastery of standards. This is done so that SVCS scholars become high school and college ready in order to compete and thrive in a global society.

Measuring and Reporting Results

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable: Please refer to the 2023-24 LCAP Annual Update.

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Hire and properly assign credentialed teachers.	SVCS verifies credentials and renewals with CTC. In case of hard to fill positions, SVCS will hire prospective teachers and recommend for admission in credential programs at National University and Alliant University for which there is a signed MOU between SVCS and these Universities.	\$1,922,846.00	Yes
1.2	Professional development for CCSS and NGSS standards-aligned curriculum, differentiated	Two full days of PD is offered before the start of the school year. During the school year, six minimum days are marked for professional development on different topics to support teachers. In addition, teachers are sent to attend trainings and professional learning programs outside of school agencies. Sign in sheets, online course records and/or payroll records support individual attendance/completion of PD.	\$48,706.00	Yes

	instruction, use of technology, social-emotional support for reducing (cyber bullying, bullying, suicide prevention, mental health) and UTK will assist students in meeting and exceeding standards. New teachers with preliminary credentials will be scheduled for two years of BTSA (number of participants varies annually).			
1.3	Purchase curriculum aligned with CCSS and NGSS through printed and/or digital instructional materials including UTK and Special Education.	CCSS Social Studies curriculum was purchased with an 8-year license including consumables. Edmentum and other digital instructional materials continued for CCSS-aligned on-line curriculum in addition to text books. Licenses for Renaissance reading program, BrainPOP, Nearpod, Flocabulary, Reading Eggs, and ESL Library are maintained. Science practice test books were purchased for 5th and 8th grade. TK and robotics curriculum have been purchased. Punjabi and science lab curriculum will be developed or purchased.	\$161,840.00	No
1.4	Provide intervention and assistance in classrooms, small groups, and individually to unduplicated populations to meet grade-level expectations and enhance English learner	Intervention and assistance is provided in classrooms, small groups and individually as planned. In addition, the Reading Eggs, Barton Program, and other EL program licenses have been purchased and are being renewed annually.	\$715,685.00	Yes

Page 7 of 69

	reclassification rates. Instructional aides in most classrooms or shared between to classes. Provide ELA and Math coaching to teachers for increased co-curricular effectiveness.			
1.5	the classrooms. Add	SVCS replaces expired devices. SVCS continues providing Wi-Fi hotspots or Wi-Fi-enabled Chromebooks to students who are economically disadvantaged upon parent/guardian request. Chromebooks are loaned to students who can't afford a computer at home so they can fully participate in the curriculum. The tech dept maintains a Chromebook inventory and expiring devices are scheduled for replacement.	\$38,000.00	Yes

Goals and Actions

Goal

Goal #	Description	Type of Goal
	Continue the development of the physical education (PE) program; continue the integration of visual and performing arts (VAPA) through classroom-based and school-wide opportunities; and, enhance the World Language Punjabi curriculum with new instructional materials.	Focus Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)

Priority 2: State Standards (Conditions of Learning)

Priority 4: Pupil Achievement (Pupil Outcomes)

Priority 5: Pupil Engagement (Engagement)

Priority 6: School Climate (Engagement)

Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

This goal has been set in order to provide opportunities to SVCS scholars to harmoniously develop physically, emotionally, and personally. CDE requires PE throughout the school year; we adhere to the requirements for 200 minutes of physical education every 10 school days. We have been experiencing extreme shortage of PE teachers and the situation has not improved despite our best efforts, in view of this we continue to hire outside agencies to provide a well structured PE program that is fully aligned with common core standards. The SWEAT program has served physical education needs to meet our expectations and standards. We are actively trying to recruit an Art Instructor for an Art Program that all our students can participate in. The art program engages students in multiple ways, develops their artistic skills, exposes them to art history and different art mediums. The world language program is fully aligned with common core standards and NGSS standards that provides even more of an advantage to SVCS scholars, enriching their skills in ELA, Grammar, Math, Science, and World Cultures. Our World Language program is a centerpiece of the school and our stakeholders take pride in this program.

Actions

Action # Title	Description	Total Funds	Contributing
Action # Title	Description	Total Lulius	Continuating

2.1	Continue lesson plans that ensure 200 minutes of PE every 10 days. Contract with the SWEAT PE program for fitness assistance. Identify and practice the fitness areas in the CA Physical Fitness Test to help students improve their readiness for the fitness testing. Continue the effort to hire a Middle School PE Teacher.	SVCS expects to continue contracting with SWEAT Team for fitness program assistance and hire a PE Teacher for middle school. After school sports programs have been added for engagement, participation and competition.	\$86,500.00	No
2.2	Continue the music/fine arts integration into the classrooms and school-wide. Continue performances at the school and/or as field trips.	A part-time dance instructor was added for an elective and after school dance options. We've hired an instructional assistant who has a background in Fine Art who can help to integrate art into other subject areas. Additionally, in multiple subjects teachers are encouraged to integrate art and music in their lesson plans. A 1.0 FTE Art Teacher position will be advertised for 2024-25.	\$10,000.00	No
2.3	Enhance students' experience of learning World Language Punjabi with the addition of new and/or co- curricular instructional materials.	Students receive Punjabi language instruction three to five days per week for forty minutes in each class. However, in the absence of common core aligned curriculum, teachers have been creating co-curricular instructional materials to encourage math, grammar, and vocabulary. With the addition of more students, the Punjabi teacher workload has increased and more curriculum is needed. SVCS is investigating options for external contracting to develop curriculum that meets the State's standards.	\$76,840.00	No

Page 11 of 69

Goals and Actions

Goal

ioal		Type of Goal
Goal #	Description Section 1 that includes all the subject areas described in Education	Broad Goal
	Adopt and implement a course of study that includes all the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable "Broad course of STEAM focus of study" includes the following, as applicable: Grades UTK-8: English, mathematics, social sciences, science, visual and performing arts, health, and physical education and World Language Punjabi K-8. E.C. §51210	

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)
- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 5: Pupil Engagement (Engagement)
- Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

Education Code 51210 describes the subject areas TK-6 which SVCS adopted over and above the minimum required subjects. The subject World Language Punjabi is required for all students TK-8 and has been offered since the beginning of the school in 2011. It distinguishes the world Language Punjabi is required for all students TK-8 and has been offered since the beginning of the school in 2011. It distinguishes the school and validates the research that the offering of at least one foreign language from kindergarten is beneficial in developing students intelligent value and applicability and in scending and applicability and applicability and in scending and applicability and applicability and in scending and applicability a intellectually, and emotionally, and in creating new neural pathways. STEAM provides opportunities to students to use their interdisciplinary knowledge in order to strengthen their skills in other subject areas.

2024-25 Local Control and Accountability Plan for Sacramento Valley Charter School

Page 13 of 69

Actions

Action #	Title	Description	Total Funds	Contributing
3.1	Continue PD training for the CCSS aligned Curriculum with a focus on STEAM, CCSS/NGSS, Writers' Workshop, Teacher-led professional-led trainings, and vertical teacher collaboration articulation.	For all adopted curriculum, professional development continues to be provided for new and experienced teachers. To make curriculum effective, teachers collaboration and participation in programs outside of school will be made available.		No
3.2	Continue student support structures and counseling during the school day (tutoring, differentiated instruction, reteaching) to improve student performance and behavior.	SVCS continues to provide SEL through the program with CSU, Sacramento. A full-time counselor was hired in 2022-23 and supports students' with behavioral and mental health needs. To extend more support in the SEL areas, a fully-credentialed in clinical psychology provides support by NPA contract, counselor, and vice principal have been added to the team.	\$171,914.00	No
3.3	At parent involvement meetings (Back-to- School Night, multicultural fair, open house, awards ceremonies, and PTO meetings/events), remind parents of the importance of their student(s) attendance on learning outcomes.	Parent involvement opportunities were held throughout the year including a Family STEAM Night, PTO meetings, Multicultural Fair and Open House. Beginning in 2022-23, SVCS added a stipend for a Parent/Family Liaison to interact with, follow up/follow through with parents/families. The position is proving valuable and was continued for 2023-24 and is planned for 2024-25. Parents' meaningful involvement in their children's education is planned with SVCS staff for the 2024-25 school year.	\$19,339.00	No

	Reduce absences to improve student learning and retention. The Parent-Student Handbook addresses frequent absences and extended short-term independent study.		ACC 0000 000	No
3.4	University and college visits to encourage students to perform well in elementary, middle and high schools and then pursue a college degree.	Visit local junior college(s) as well as local public and private universities (such as CSUS, UCD, UOP).	\$3,000.00	
3.5	Continue to hold ELAC meetings to gain input and feedback int the process of meeting students' needs.	Site Council/ELAC meetings will be held periodically throughout the school year. SVCS gathers important feedback to create and monitor the student-centered budget.		Yes
3.6	Continue to offer the afterschool and summer school programs for additional reading, writing, math, and homework support as well as co-curricular activities.	The Summer Boost program is offered with priority enrollment to the segment of students who demonstrate a loss of studies due to academic, domestic and social-emotional concerns. The effort is to address their learning needs in small groups and an interactive environment. In 2022-23, the after school program resumed in person to first serve students with learning loss and pandemic-related educational disruption and has expanded in 2023-24 to serve more students seeking academic support as well as participation in the after school sports teams.	\$184,708.00	Yes

Page 15 of 69

Goals and Actions

Goal

o l"	Description	Type of Goal
1	Description SVCS will continue to properly maintain and improve its facilities, transportation and food service to enhance student safety, school connectedness and opportunities for well being.	Maintenance of Progress Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)

Priority 4: Pupil Achievement (Pupil Outcomes)

Priority 5: Pupil Engagement (Engagement)

Priority 6: School Climate (Engagement)

Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

The safety of our students and staff is the foremost priority. To meet this goal the facility is regularly maintained to ensure proper hygienic conditions, proper ventilation, and necessary repairs. SVCS maintains five buses. Four of which are air conditioned and fully equipped with child safety mechanisms. As more than 80% of students use SVCS transportation, we make sure that the drivers are fully licensed and training/professional developments are trained on a regular basis. With greater than 80% socio-economically disadvantaged, in 2023-24, SVCS is implementing the NSLP and SBP for reimbursement of meals served to students and the addition of daily breakfast. Although SVCS has provided lunch at no cost to students since the school opened, the school will seek the available funding for breakfast and lunch through federal and State programs.

Actions

Action #	Title	Description	Total Funds	Contributing
4.1	We work with our landlord to address and enhance the facilities for the specific needs of the classroom teachers. The campus facilities are repaired, maintained and improved as budgetary resources allow. Emphasis is placed on safety-related items.	Facilities are maintained by a professional custodial service. Although the pandemic has been reclassified as endemic, SVCS has maintained the enhanced sanitizing services and during-the-day cleaning especially high-touch surfaces. For the 2023-24 school year, the TK classroom space and playground were added. As enrollment exceeds space, the ability to add classrooms at the current school campus or by adding a location is being explored.	\$71,000.00	No
4.2	Consistent with its Charter, SVCS provides home-to- school transportation daily to students living outside of walking distances. When possible,	Home-to-school transportation is available, for a nominal fee, to students who live outside of walking distances. However, homeless and economically disadvantaged families are exempted from the fee on a case by case basis.	\$559,231.00	No

2024-25 Local Control and Accountability Plan for Sacramento Valley Charter School

Page 17 of 69

	SVCS provides transportation for field trips.			
4.3	no cost, to all	With federal, State and universal meals funding, SVCS re-started the application process for meals in 2023-24. As of April 2024, SVCS contracted with Vertex Education to complete the application and oversite for the program including the monthly reimbursement reporting. Since it will be April or May before breakfast is served and the application approved, it will be 2024-25 before comprehensive, reimbursable meal program is in place. The funding will cover the majority of the costs the school had previously spent on its lunch program. The Cook-Manager position was added and staffing will need to be modified to accommodate breakfast and lunch.	\$375,916.00	Yes
4.4	Staff will receive training about student social-emotional learning, internet safety, suicide prevention, antibullying and mandatory training about reporting sexual harassment, and assistance available to homeless students.	Staff is continuously trained throughout the school year during PD days, minimum days, staff meetings, and weekly communications.		No
4.5	SVCS increases parent/guardian and staff awareness of and access to community resources (i.e. library, mental health, County/City, Authorizer, SELPA) via newsletters	Provided parents with notices about resources in monthly newsletter and through links on the SVCS website. And, the Parent/Family Liaison position.	,	No

Required Descriptions

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.1	Action: Hire and properly assign credentialed teachers.	All students benefits from fully-credentialled, properly assigned instruction	Credential and renewal monitoring
	Need: With over 80% unduplicated, students need to be taught by fully-qualified teachers		

Page 22 of 69

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Scope: LEA-wide Schoolwide		
1.2	Action: Professional development for CCSS and NGSS standards-aligned curriculum, differentiated instruction, use of technology, social-emotional support for reducing (cyber bullying, bullying, suicide prevention, mental health) and UTK will assist students in meeting and exceeding standards. New teachers with preliminary credentials will be scheduled for two years of BTSA (number of participants varies annually). Need: With over 80% unduplicated, staff need training on methods to help students overcome barriers/obstacles to achievement. Scope: LEA-wide Schoolwide	This broad approach reaches all teachers to benefits all students.	Decreasing frequency and/or severity of reported bullying, improved behavioral outcomes.
1.5	Action: Maintain, repair, replace and improve existing technology in the classrooms. Add Chromebooks and related technology to meet enrollment growth. Need: With over 80% unduplicated, nearly all students need this level of support	With over 80% unduplicated, nearly all students need this level of support	Number of Chromebooks compared to enrollment
	Scope:		

Page 23 of 69

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	LEA-wide Schoolwide		
3.6	Action: Continue to offer the afterschool and summer school programs for additional reading, writing, math, and homework support as well as co-curricular activities. Need: Highest need students are given priority Scope: LEA-wide Schoolwide	There is a school-wide benefit when students with learning loss receive additional support	Pre and post assessments; teacher observations of student progress
4.3	Action: SVCS provides nutritious lunches, at no cost, to all students who sign up for lunches. Beginning in 2024-25, SVCS expects to have approval to operate the federal and State meal programs for reimbursable breakfast and lunch.	All students have received a no-cost lunch since the school opened. SVCS is adding breakfast and will participate in federal and State meal programs to receive funding.	Students ability to focus by starting the day with a nutritious breakfast.
	Need: With more than 80% socio-economically disadvantaged, serving breakfast and lunch will help students who are dealing with food insecurity. Scope: LEA-wide

Sacramento Valley Charter School 2024-25 Budget Development Narrative May 8, 2024

The following narrative is provided to highlight and explain significant changes since the 2023-24 Second Interim Report. Items already approved by the Board (i.e., teacher compensation) are included as well as staff recommendations for Board consideration (i.e., certain classified pay rates).

The Governor's May Revise will be released soon with the impact on schools being provided at a CCSA webinar on Friday, May 19th. At this point the State of California has a record-high budget deficit (likely greater than \$68 billion). The State is expected to use past options including using rainy day funds, implement spending reductions, deferrals and deficits. We expect CCSA and other advisory organizations to advise schools to wait to incorporate the changes until the State adopts its budget and then we will have the 45-Day Revise to reflect material changes.

Revenue:

LCFF: Net increase \$15,665

The main reasons for the net increase in LCFF revenue are:

- 1) an increase in enrollment for another TK class plus efforts to improve attendance rates.
- 2) State COLA is estimated at .76% (down from 8.22% for 2023-24).
- 3) The unspent portion of 2021-22 and 2022-23 ELOP program funds of approximately \$300,000 will be returned to the State.

Federal Revenue: Net increase \$31,505

Adds National School Lunch and Breakfast funding and reduces one-time COVID funding. At the 45-day revise or 1st Interim, we may add over \$30,000 in Federal Special Education funding based on greater number of identified pupils and IEP services needed.

Other State Revenue: Net decrease of (\$462,732)

Reduces one-time funding sources and adds \$125,000 for meal programs.

Local Revenue: Net increase of \$3,900

In 2023-24, more families paid transportation fees and the level is expected to increase as enrollment increases to 390.

Expenses:

Certificated: Net increase of \$274,475. Increase of \$19,000 as returning staff received the \$1,000/year experience increase about \$180,000 for open position placeholders for a full-time TK teacher, Middle School PE teacher and Art/VAPA teacher. Other position and allocation changes for SpecEd. The VP and Math Coach positions reflect a full year. The Principal and VP positions include increases proportionate with the certificated increase so \$2,000 and \$1,500, respectively. The success and continued need for the Parent-Family Liaison with a recommendation that the \$5,000 stipend renews for one year.

Classified: Increase of **\$24,033** for one additional Food Service Worker and changes in pay rates between terminated staff and new hires. No classified pay rate changes are budgeted at this time.

Benefits: Increase of **\$40,533** for increased statutory benefits on rate increases and additional positions described in the two previous sections, an estimated 4% cost increase to H&W benefits.

Books and Supplies: Net increase of **\$15,000** is attributed to purchasing curriculum and consumables for TK, EL, Science lab, Robotics, VAPA and Punjabi. Food and afterschool snacks are likely to increase based on inflation and meal program implementation.

Services and Operating Expenses: Increase of **\$81,893** mostly for the contracted services with Vertex for program implementation and on-going food services reimbursement claims. The cost will be paid for from the NSLP/SBP funding after the applications are approved by the State Child Nutrition Dept. A full time PE teacher is being advertised as the SWEAT Team might not continue.

Capital Outlay and Other Outgo/Financing Uses: Net decrease of (\$9,806) as loans pay off and interest costs decrease along with decreased depreciation expense as more vehicles become fully depreciated.

Options for Board Consideration for Adoption:

- 1) Increase classified pay rates by \$1.00/hour for staff making \$17.00/hour; \$.75/hour for staff making \$18.00; \$.50/hour for staff making \$19.00/hour and \$.25/hour for all other positions. This raises the lowest paid positions the most. These proposed rate increases are estimated to cost \$38,000 a year.
- 2) Increase classified positions by \$.50 hour. This is close to the 1.67% raise for certificated with an increase of \$1,000 on a \$60,000 base salary.
- 3) Increase classified pay by the COLA of .76% which would be a \$.20/hour rate increase on a \$26/hour base pay.

Summary:

SVCS' solid financial position continues. With the likelihood of State cuts, deferrals, and deficits, SVCS will be very proactive in managing expenses and consider staffing reductions through attrition to avoid or minimize the potential for layoffs and hours reductions for existing staff in future years.

The multi-year projection correctly shows SVCS' planned "deficit spending" in 2024-25 as one-time funding is schedule to be spent down, carried forward or returned to the State.

SVCS will be able to meet its future obligations as well as maintain its reserves above the 5% level contained in the Operations MOU.

Board Policy/Administrative Regulation:

Individual Educational Evaluation (IEE)

Evaluation at Private Expense

The local education agency (LEA) governing board acknowledges that a parent/ guardian has the right to obtain an evaluation at their own expense at any time. In these circumstances, the Principal or designee(s) shall ensure that the student's individualized education program (IEP) team shall consider the results of the private evaluation when determining an offer of a free appropriate public education (FAPE) for the student, as long as the private evaluation meets LEA criteria. However, the results of an IEE will not dictate the IEP team's determinations.

If a parent/guardian requests reimbursement for an assessment obtained by the parent/guardian at their own expense, the Principal or designee(s) shall ensure that the unilaterally obtained private evaluation meets the LEA criteria discussed in this policy.

IEE at Public Expense

The local education agency (LEA) governing board recognizes that federal and state laws provide parents/guardians of students with disabilities with the right to obtain an independent educational evaluation (IEE), at public expense, when the parent/guardian disagrees with an assessment conducted by the LEA within the last two years. An IEE means an evaluation conducted by a qualified examiner who is not employed by the

Board Approval Date: May 8, 2024

LEA responsible for the education of the child in question and public expense means that the LEA either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent.

The Principal or designee(s) shall ensure that when a parent/guardian requests an IEE at public expense the LEA/district shall provide the parent/guardian with a copy of their Procedural Safeguards *and* either:

- I. Initiate a due process hearing to show that the evaluation, completed by the LEA/district, is appropriate; or
- II. Provide the parent/guardian with information about where an IEE may be obtained, the LEA's criteria applicable for IEEs, and ensure that an IEE is provided at public expense.

In instances in which the LEA is granting the parent's request for an IEE, the Principal or designee(s) shall ensure the following:

- 1. The criteria under which the IEE is obtained at public expense, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the LEA uses when it initiates an evaluation.
- 2. The LEA does not impose conditions or timelines related to obtaining an IEE at public expense.
- 3. All assessments shall be completed by persons competent to perform the assessment as determined by the LEA.
- 4. The IEE shall be administered by an evaluator who holds equivalent certifications, licenses, or other qualifications that would be required of the LEA staff to provide similar evaluations.

Board Approval Date: May 8, 2024

5. A parent/guardian shall have the opportunity to demonstrate that unique circumstances justify a waiver of any of the criteria listed above as defined by

the LEA.

6. The LEA may ask for the parent's reason why he or she objects to the LEA's

evaluation. However, the LEA may not require the parent to provide an

explanation and may not unreasonably delay either providing the IEE at public

expense or filing a due process hearing to defend the public evaluation.

7. A parent is entitled to only one IEE at public expense each time the public

agency conducts an evaluation with which the parent disagrees,

IEE Cost Determination

The Principal or designee(s) shall provide a parent/guardian with a recommended cost

ceiling. The cost ceiling shall be updated once every three years (currently \$4,500 to

\$5,500) and shall be determined by collecting input about the rates from numerous

independent assessors who are qualified to conduct the specific test within 40 miles (for

urban areas, this could be more for rural areas) of the location of the LEA and

eliminating from consideration rates which are unreasonably high or low. The cost cap

cannot be based on an average of the fees customarily charged by professions within

the area who are qualified to conduct a specific test. The LEA shall provide parents with

an updated list of approved assessors who satisfy the LEA's criteria for conducting

IEEs, including cost criteria.

The Principal or designee(s) shall ensure a parent/guardian may demonstrate that

unique circumstances, related to the student's educational need(s), justify a financial

waiver of any of the cost ceiling as defined by the LEA.

The Principal or designee(s) shall request that the parent/guardian voluntarily have their

private health insurance pay the costs of the IEE if covered by their insurance.

However, the LEA governing board recognizes that federal and state laws specify that

parents/guardians are not required to have private insurance cover the costs of an IEE if

the process would result in a financial cost to the parent/guardian including but not

limited to:

I. A decrease in available lifetime coverage or any other benefit under an

insurance policy;

II. An increase in premiums or the discontinuance of the policy; or

III. An out-of-pocket expense such as payment of a deductible amount incurred

in filing a claim.

GENERAL POSITION INFORMATION

Position Title:

Food Service Manager

Reports To:

Principal

POSITION OVERVIEW

This position is primarily responsible for providing personal support to the campus in a multifaceted role. This position requires you to be able to cover all positions within the kitchen. You will be responsible for coordinating and directing the day-to-day activities of the campus Food Service Team. The position works alongside the Food Service Team to ensure that food quality standards, inventory levels, food safety guidelines and customer service expectations are met.

ESSENTIAL FUNCTIONS

Note: The essential functions below describe the general requirements of this position and are not intended to be an exhaustive statement of duties. Incumbents may perform all or most of the primary accountabilities listed below. Specific tasks, responsibilities or competencies may be documented in the incumbent's performance objectives as outlined by the incumbent's immediate supervisor or manager.

- Ability to work in a multifaceted role that requires you to change roles as needed day to day.
- Ability to perform all kitchen duties.
- Support the Food Service team as needed, to ensure all daily tasks are completed.
- Ability to work under minimal supervision.
- Assist with the operational oversight and training as needed.
- Assist in the day-to-day activities of the kitchen, which include preparing, serving, and replenishing food and drink.
- Assist in preparing and cooking foods, which may include: panning frozen food; cupping fruit; washing and bagging fruits and vegetables; baking foods; chopping salad items; monitoring food temperatures; preparing sandwiches; removing hot items from ovens; and/or performing other related activities.
- Set up and stock work areas with all necessary ingredients and equipment.
- Serves and replenishes food supply as needed.
- Monitor inventory levels, order food and supply items at appropriate times, ensure food and supplies are rotated and stored in a safe and sanitary location.
- Verify and monitor HACCP procedures including temperature, sanitizer and storage logs.

- Maintain courteous, respectful, relationships with students, staff, and parents.
- Know and comply with all company policies and procedures regarding safety, security, emergencies and energy.
- Assure the team is working together to prep menu items and keep the kitchen clean and orderly throughout the day.
- Operates the cash register/POS system/Daily Reconciliation closing out end of day.
- Implements financial controls to maintain profitability.
- Accounts for all funds and properly handles funds, as required.
- Works closely with school administrators, parents, and children to resolve issues; communicate procedures and policies and provide customer service to all cafeteria users.
- Perform all other duties of a similar nature or level.

SUPERVISORY AND MANAGERIAL RESPONSIBILITY

- Self-motivated, eager to grow and learn.
- Communicative, customer service based.
- Ability to coach and celebrate in the moment.
- Work Schedule:
 - o 200 days/year
 - Minimum of 40 hours a week
 - o On-site hours: 7:00AM-3:30PM, including a 30-minute lunch

KNOWLEDGE, SKILLS, & ABILITIES

Education, Licensure, or Certification

- High School Diploma/GED required.
- Food Handlers Manager Certificate/Card required for job.

Work Experience or Related Experience

- Four years of food handling service/preparation or cashiering experience
- Two years of lead/supervisory experience

BACKGROUND CHECKS

Must pass a fingerprint and criminal history background check.

PHYSICAL AND TRAVEL REQUIREMENTS / WORK ENVIRONMENT

- This position requires the need to lift objects (up to 25 pounds) on occasion.
- This position may require standing for long periods at times, talking on the phone, kneeling, stooping and long periods of concentration.
- Local travel may be required.

Note: This job description does not state or imply that these are the only duties to be performed by the employee assigned to this position. Employees will be required to follow other job-related instructions and to perform other job-related duties directed by persons authorized to give instructions or assignments.

> Dr. Amrik Singh, Principal Dr.Cerrene Cervantes, Vice Principal Gurpreet Kaur, Director of Operations

Principal's Report 5/8/2024

Staff Update: Harsimran Sandhu is our new fourth grade instructional aide.We are in need of one elementary school Punjabi aide, one special education paraprofessional, and two middle school aides. We are still trying to fill the TK teacher and PE teacher positions.

Teachers Appreciation Week: Monday, May 6th - Friday, May 10th, 2024 is Teachers Appreciation Week. Their innovative strategies have made a big difference in our scholars' education. Parents, scholars, and staff acknowledge and appreciate their dynamic role. The office coordinated to observe the week with a lot of appreciation for teachers. Each day, they were treated with refreshments and compliments.

Enrollment Lottery - May 15, 2024 (3:30 - 4:30PM): For the upcoming school year, we received a large number of applications. At the same time the rate of returning students is higher than expected, leaving very limited options for accommodating all new applicants. Therefore, we will hold a lottery for the open enrollment period and will create a waitlist.

Local Control and Accountability Plan (LCAP) is meant for all stakeholders to give their feedback for a strong planning for the effective education of students. LCAP Surveys have been sent out to parents and staff. Their feedback from surveys has been incorporated into the current LCAP draft.

Local Indicators: SVCS Board will be presented with local indicators along with the draft of LCAP.

May Carnival: Under the guidance of Student Council Coordinator, Ms.Lewis, Student council leaders have organized the carnival event for the end of the year. This carnival event is to celebrate all of the achievements, hard work, and dedication of our scholars. Some of the items that will be present at the carnival include, bounce houses, field games, and a snow cone truck.

Multicultural Night: Students are currently working on their multicultural night projects. Each class has a unique country that they are researching about. Multicultural Night is to be held on May 23, 2024 from 5-7pm. We hope to see all of our parents show up to see our students' wonderful projects!

Last Day of School/8th Grade Graduation: 8th Grade Graduation will take place on June 5th. Details have been sent out to parents regarding the gap and gown fee and the graduation ceremony details. SVCS Board Members are cordially invited to this special event.

Free Dress Day: The last Free Dress Day for 2023-24 school year is on May 30, 2024.

BMX Assembly: The BMX Assembly aims to promote positive lifestyles, education, anti-bullying, and turning Positive Thoughts into Purposeful Actions! These stunt pros focus on character building, physical science / STEM, health, road/bike safety, and success.

Summer BOOST (June 17-28): This program will provide students with resources that will help in making up for loss of studies and achieving academic success. Students who are behind in some subjects, at risk of retention, or need to work on their functioning skills might benefit from summer school. It is also a way for all kids to help bridge the learning gap over the summer and prevent learning loss. There will be no summer boost on June 19, 2024 in observation of Juneteenth.

STEM Camp (June 10-14) - STEM Summer Camp will take place June 10 - 14 for those middle school students who have been accepted into the program.

Robotics (June 10-14): A special Robotics Camp will take place from June 10 - 14 for 4th and 5th graders. This is a special arrangement for those who are interested in continuing their education in robotics.
