## Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

**The LEA must address the Strategy and Alignment prompts provided on the following page.**

**Each provision for each program must be addressed** unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template**.

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development**. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources**; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

**This template is designed to be used by LEAs who already have completed their LCAP Federal Addendum and received approval from CDE. This template will support LEAs with the review of their LCAP Federal Addendum and revision.**

**The review and revision of the LCAP Federal Addendum do not need to be submitted to CDE for approval. However, an LEA should have their local Board approve any revisions.**

**Even if the LEA plans to transfer all of its title funds, it must still address all of the provisions of the title from which it is transferring its funds. The LEA must first meet the application requirements of those funds before it can elect to transfer those funds to another title.**

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

## Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

SVCS uses Federal funding from Title I - IV to supplement eligible students access to one-on-one and small group learning support, enhanced field trip and STEAM curriculum, and induction program costs for new teachers and priority-based or initiative-based professional development for teachers, administrators and instructional aides/assistants/associates that would not otherwise have funding to take place.

## Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

SVCS aligns all efforts to address the needs of its 80+% unduplicated student population through small class sizes, more instructional support, and social-emotional/mental health support.

## ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP, it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

N/A - SVCS has only one school so school attendance areas do not apply.

## ESSA Provisions Not Addressed in the LCAP

For the majority of LEAs, the ESSA provisions on the following pages do not align with state priorities. **Each provision for each program provided on the following pages must be addressed** unless the provision is not applicable to the LEA. In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP** development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

### TITLE I, PART A

#### Educator Equity

ESSA SECTION 1112(b)(2) – *Not Applicable to Charters and Single School Districts.*

Describe how the LEA will identify and address, as required under State plans as described in Section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

NOTE: In this section, LEAs must identify and address disparities. Tools on the CDEs website (<https://www.cde.ca.gov/pd/ee/peat.asp>) can help with this process. LEAs are required to specifically address the following at comparable sites:

1. What # and % of teachers at sites are inexperienced, misassigned, or out-of-field in relation to:
  - a. Number of low-income students
  - b. Number of minority students
2. Does the LEA have an educator equity gap –
  - a. If yes, must create a plan which must include root cause analysis of the disparity
  - b. A plan must be created with meaningful educational partner engagement.

Educator Equity Data Tables available here:

#### THIS ESSA PROVISION IS ADDRESSED BELOW:

SVCS operates only one school. SVCS has a mix of new-to-highly-experienced teachers, there are no misassigned teachers and no educator equity gap.

On November 6, 2019, the SBE approved updated definitions for “ineffective” and “out-of-field” teachers to be included in the amended California ESSA Consolidated State Plan.
